Emma has known one thing her entire life. Men will always leave. So she's guarded her heart and never committed past one night. Jasper is a bear shifter that's waited for his true mate for too long. Success and wealth mean nothing without his mate to keep the darkness from overpowering him. When the two collide Jasper finds his true mate. Emma finds her biggest fear. There's betrayal, lust and lies revealed as these two partake in a battle of the souls. Will Emma ever drop her guard? Can Jasper's bear fight off the darkness until she's ready to commit?

The Athenæum

A single baby, born to save a world. Two ancient prophecies, both foretelling the extinction of a race. Two sides racing to their appointment with destiny. A leader of men, determined to outwit the foretelling of his doom, leads his people in a sickening massacre to secure the continuation of his race. A single man, troubled with nightmares and voices in dreams, worries for his sanity as his life crumbles around him. Alone and friendless, Vincent escapes to isolated freedom, the loneliness forcing him to succumb to the terrifying nightmares and finally, to listen to the voices in the dreams. Many worlds away across the aching void, Farra listens to the voices in her own dreams, and embarks upon a perilous journey to bring truth and justice to one troubled soul struggling to find a purpose. The child that is now a man must face his nemesis and end the tide of evil that laid waste his world as he took his first breath. The voices in the dreams lead them on a journey through space and time, from world to world in a desperate struggle for truth, justice, life.

The Issue With Baptism of Russia

Billy the Kid is an Irish street rat, born and raised in the Washington Heights

neighborhood of New York City, who gets by on guts and street smarts. He does the odd job for anyone willing to pay, a modern-day problem-solver, a Mister Fix-It, who's services you won't find in the Yellow Pages. As the weather turns colder, Billy finds warmth and comfort under the sheets with a young woman named Anna, a match made in Heaven but doomed for Hell, for Anna is the daughter of Russian crime boss Ivan, and Ivan is none too happy when he hears the news of this budding romance. Quicker than you can eat a bowl of borsch, Billy has a price on his head, and it's going to take every ounce of his street wiles to get him out of this problem. "Blood Red Russian Moon" is the first in the Billy the Kid Chronicles, a series of novellas following this crazy Mick bastard anti-hero as he navigates through life with all the finesse of a runaway locomotive. William D. Holland is the author of the Billy the Kid Chronicles as well as four other full-length novels and one non-fiction, "The Ultimate Writing Guide." All of his books can be found on Amazon.

Billy the Kid Chronicles

Mischa isn't stupid; he knows that happily ever afters only happen in fairytales. Still, he'd thought that as soon as Tom got over the horrible assault that almost tore them apart, everything would be better. Perhaps not fairytale happy right away, but better. Instead, they seem to be falling apart, and quite spectacularly so. What Mischa doesn't take into account is the fact that violence has long-term consequences -- consequences that are threatening to shake the very foundation of Tom and Mischa's relationship. Because Mischa can handle Tom's weakness, but he can't face his own. He doesn't have a choice, though. Not if they're going to make it. As Mischa and Tom struggle to rebuild their relationship, it turns out that happily ever after is damn hard work. It's also wildly kinky, because Tom and Mischa have to build a new trust in the playroom as well. One scene at a time, Mischa and Tom explore their new limits, and that's the kind of work that Mischa likes. After all, that's what badass Doms do.

US research of Earth-Moon mechanics by NASA astrophysicist Robert Newton leads mathematicians of MSU from MSU to a breakthrough in the chronology of civilization and Russia. The Issue With Baptism of Russia reports to the readers that there were four baptisms of Russia according to canonical Russian Orthodox Church literature and not just one of 989 A.D. ordered by Prince Vladimir as it is told by schoolbooks for the last 400 years! The Issue With Baptism of Russia consists of chapters that complement and develop the reconstruction of the Russian history from the point of view of the New Chronology as related in the previous books of the History: Fiction or Science? series. The sequence of individual topics is usually of little importance, and the sections can be read in a random order. Every individual issue mentioned below is of interest per se, and can serve as basis for further research.

The Lilean Chronicles: Book One ~ Redemption

Regina Clausen was forty-three, successful in her career but insecure and unfulfilled in her personal life. Travelling alone on the luxury liner Gabrielle, she disembarked in Hong Kong saying she would rejoin the ship when it docked in Japan. She was never seen again. . . Five years later, radio presenter Susan Chandler does a series about vanishing women on her radio talk show. When a caller, who refuses to identify herself, tells of meeting a man on a cruise who gave her a ring inscribed 'You Belong to Me', but then disappeared when she refused to leave the ship with him, she thinks little of it. But then Regina's mother appears at Susan's office with a ring bearing the same inscription which was found amongst her daughter's belongings, and Susan begins to suspect that they are on the trail of something dangerously sinister

Bears Against Bullies

Andy knows exactly what he needs: scenes hard enough to take him out of himself. Then he meets CK, and everything is turned upside down. CK is relaxed and gentle and nothing like what Andy's looking for. Despite that, or maybe because of it, Andy's still attracted to the stranger. CK is new to the city and the club, but definitely not to the scene. Andy's ideas of BDSM are very different from CK's, but there's still something about the man that draws CK. Something fascinating and completely unpredictable. The results can be amazing scenes or complete disasters. Andy is difficult to get to know, and CK has to work hard to find the reason for Andy's erratic behavior. CK is nothing if not stubborn, though. He's very determined to help Andy, and Andy's ready for it, but there's so much Andy's trying to forget. Like the conscientious Dom he is, CK guides Andy's recovery, one scene at a time. Very much against his principles, CK finds himself falling in love with the man he's trying to help. Now he has to fight not only Andy's past, but his own conscience as well.

This book teaches children ages 4-8 how to handle bullies in an assertive manner. Max and his brothers take a stand against the mean frogs who are tormenting their best pal, Froggie Nelsons, who is timid and afraid. Together, they are able to build Froggie's confidence and instill in him the strength to stand up to them by himself, which he has to do in the book in the event of Max's absence. The approach is assertive, but the message is very clear: Do unto others as you would have others do unto you. The book ends with a special message from Max Bear imploring children to think before they are unkind to others, and to always treat others the way they would like to be treated. The principle is simple, yet fundamental.

Brown Bears of the Alaskan, Russian River

These two storied are about Brown Bears that I photographed on the Russian River. They were just being themselves and had no idea that I was even there. I tried to

capture what they were thinking as they went about what they were doing.

The Gunn Report

A little bear must learn that every failed attempt is not really a failure at all. This rhyming children's book is all about learning to succeed by learning from our mistakes and figuring out how to persevere. After reading this to your child, why not start a conversation about a time in your adult life when you have failed, only to find success later on because of what you learned from your mistakes? Tell your kids how you have failed WELL in your life.
