H.I.V.E. 7: Aftershock

Scheming, extorting, menacing and general evilness are nothing new in the world of villainy - indeed it's expected. But there are codes of conduct. Until now. In an attempt to purge the Global League of Villainous Enterprises of its more destructive elements, Dr Nero has underestimated the cunning and resources of those who oppose him. Meanwhile, Otto and the rest of the Alpha stream have been sent to begin their most feared exercise: The Hunt, in the icy wastes of Siberia. But there is a traitor in their midst. The first strike against Nero will be a

strike against the Alpha stream. Villain-kind is on the brink of CIVIL WAR.

Insiders Atlas of the Universe

Celebrate the 10th anniversary of the New York Times best-selling Gallagher Girls series with this new edition, featuring an exclusive new epilogue from Ally Carter ! When Cammie Morgan enrolled at the Gallagher Academy, she knew she was preparing for the dangerous life of a spy. What she didn't know was that the serious, real-life danger would start during her junior year of high school. But that's exactly what happened two months ago when Cammie faced off against an ancient terrorist organization dead set on kidnapping her. Now the danger follows her everywhere, and even Cammie "The Chameleon" can't hide. When a terrifying encounter in London reveals that one of her most-trusted allies is actually a rogue double-agent, Cammie no longer knows if she can trust her classmates, her teachers—or even her own heart. Now the Gallagher Girls must hack, spy, steal, and lie their way to the truth as they discover that the key to Cammie's future may lie deep in the past.

The Underground History of American Education

It's tough for eleven-year-old Ned to stop eating. At four-feet-eight inches tall he weighs one hundred and nine pounds, and he keeps growing--wider. When his parents send him to a summer diet camp, he and his bunkmates can't quite give up their old habits. The joys of candy and doughnuts are so appealing that "cheating" adventures seems to be the only answer. The problem, of course, is

how to lose weight and keep eating sweets. When Ned finally realizes that there is only one way to lose weight for good, his whole family is glad to help, except Grandma. How can he resist temptation without hurting his grandma and himself? From the Trade Paperback edition.

The V Book

Cadel Piggott has a genius IQ and a fascination with systems of all kinds. At seven, he was illegally hacking into computers. Now he's fourteen and studying for his World Domination degree, taking classes like embezzlement, forgery, and infiltration at the institute founded by criminal mastermind Dr. Phineas Darkkon. Although Cadel may be advanced beyond his years, at heart he's a lonely kid. When he falls for the mysterious and brilliant Kay-Lee, he begins to question the moral implications of his studies. But is it too late to stop Dr. Darkkon from carrying out his evil plot? This ebook includes a sample chapter of GENIUS SQUAD.

Zero Hour

Otto and Raven are desperate to rescue their friends from the clutches of Anastasia Furan, head of the evil Disciples organisation. First they must track down the location of the Glasshouse, the prison where Furan trains children to become

ruthless assassins. But Otto is also being hunted. The three months that Otto has spent following his 'expulsion' from H.I.V.E. have given the Artemis Section – an elite division of the American intelligence services that specialises in capturing the toughest targets and reports only to the President – an opportunity to locate him. Deadlock – the eighth book in the breathtaking H.I.V.E. series – continues the high-octane adventures of the supremely talented criminal team, with central characters forced to question everything that Nero has taught them and to confront the consequences of life as a villain, set against the backdrop of a daring high-tech prison break where nothing is quite as it seems.

Knightley and Son

HIVE is in grave danger. Dr Nero, its leader, has been captured by the world's most ruthless security force. It's up to Otto to save him, but first he must escape Nero's sinister replacement and HIVE itself.

The Recruit

A renegade faction of the world's most powerful villains is intent on destroying G.L.O.V.E. (Global League Of Villainous Enterprises) and showing the world the true face of evil. The Disciples begin by hijacking Diabolus Darkdoom's Airborne

command post, then they kidnap his son and his son's best friend. Unfortunately for them, Nigel Darkdoom (and Franz) also happen to be Otto's friends. Heading out to America, Otto, Wing et al embark on a perilous and highly unauthorised rescue operation. Cut off from the support of H.I.V.E. and on the run from American security forces the hunt for their friends leads to one of the US military's most secret facilities. It becomes clear that the Disciples are not all they appear and in a desperate race against time Otto must work out who his real friends are to prevent the Disciples from completing their true objective. Only Otto can save the world from domination by a sinister new world order but it might be that the price he has to pay is just too high. When it comes to the crunch will he be prepared to sacrifice himself?

H.I.V.E. 3: Escape Velocity

After thirteen-year-old Cody and his father, an undercover agent, are nearly killed, Cody moves in with his aunt in Connecticut, where he is helped with his adjustment to the trials of attending public school for the first time and investigating a threat in nearby woods by a wounded Iraq War veteran.

The Iron Empire

A modern but classically styled spy novel in the spirit of John Le Carré and Chris Pavone, *A Shadow Intelligence* follows a mercurial MI6 agent, Elliot Kane, as he goes off script to find his lover, who went missing while embroiled in a dangerous scheme in Kazakhstan.

Dreadnought

The first three books of the action series starring teen spy Alex Rider are gathered together in a slipcased edition.

Aftershock

When missing agent Otto is suspected of leading the mysterious attacks on the leaders of the world's villainous forces, Raven and Wing race against time to find him before other G.L.O.V.E. assassins can locate him.

Redemption

Meet Knightley and Son - two great detectives for the price of one . . . Darkus Knightley is not your average thirteen-year-old: ferociously logical, super-smart and with a fondness for tweed, detective work is in his blood. His dad Alan

Knightley was London's top private investigator and an expert in crimes too strange for Scotland Yard to handle, but four years ago the unexplained finally caught up with him - and he fell into a mysterious coma. Darkus is determined to follow in his father's footsteps and find out what really happened. But when Alan suddenly wakes up, his memory is wonky and he needs help. The game is afoot for Knightley & Son - with a mystery that gets weirder by the minute, a bestselling book that makes its readers commit terrible crimes, and a sinister organisation known as the Combination . . . A funny, warm, fantastical crime caper with an unlikely hero and a brilliant comic cast, perfect for fans of Sherlock and criminally good storytelling.

H.I.V.E. 5: Rogue

Earthfall, the fourth volume in Orson Scott Card's space opera Homecoming series The Oversoul of the colony planet Harmony selected the family of Wetchik to carry it back to long-lost Earth. Now grown to a tribe in the years of their journey to Harmony's hidden starport, they are ready at last to take a ship to the stars. But from the beginning there has been bitter dispute between Nafai and Elemak, Wetchick's youngest son and his oldest. On board the starship Bailica, the children of the tribe will become pawns in the struggle. Two factions are each making secret plans to awaken the children, and themselves, early from the cold-sleep capsules in which they will pass the long decades of the journey. Each side hopes

to gain years of influence on the minds of the children, winning their loyalty in the struggle for control of reclaimed Earth. But the Oversoul is truly in control of this journey. It has downloaded a complete copy of itself to the Ship's computers. And only Nafai, who wears the Cloak of the Starmaster by the Oversoul's command, really understand what this will mean to all their plans for the future. Homecoming series The Memory of Earth The Call of Earth The Ships of Earth Earthfall Earthborn At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Savage Damsel and the Dwarf

As a final battle with Overlord looms near, the H.I.V.E. heroes are up against an unimaginably dangerous weapon. Bad news for the Higher Institute of Villainous Education, aka H.I.V.E.: Overlord is reborn and has developed the chilling ability to move from body to body, erasing the host's personality—and ultimately killing them. Overlord must find Otto, the only host designed to truly contain him, and for that he needs to know the location of H.I.V.E. He also plans to take control of a secret U.S. Army facility that is home to the Autonomous Weapon Program, a computer-controlled system uniquely vulnerable to Overlord's control. In the face of these threats, Nero is forced to activate Zero Hour, a plan designed to deal with any member of G.L.O.V.E—the Global League of Villainous Enterprises—who is on the brink of true global domination. Nero also knows that Otto must not be allowed

to fall into Overlord's hands, and a desperate race across the globe begins.

The Overlord Protocol

'Authentic, taut and compelling. Brookes is the real deal' Charles Cumming Fearing for his life, journalist Philip Mangan has gone into hiding from the Chinese agents who have identified him as a British spy. His reputation and life are in tatters. But when he is caught in a terrorist attack in East Africa and a shadowy Chinese figure approaches him in the dead of night with information on the origins of the atrocity, Mangan is suddenly back in the eye of the storm. Meanwhile, thousands of miles away on a humid Hong Kong night, a key MI6 source is murdered minutes after meeting spy Trish Patterson. From Washington, D.C. to the hallowed halls of Oxford University and dusty African streets, a sinister power is stirring that will use Mangan and Patterson as its pawns - if they survive. Deeply steeped in tension and paranoia, *Spy Games* is Adam Brookes' follow-up to his award-nominated debut *Night Heron* and a remarkable, groundbreaking spy thriller.

Earthfall

The underground history of the American education will take you on a journey into the background, philosophy, psychology, politics, and purposes of compulsion

schooling.

Ultra

Geek. Wuss. Superhero They were supposed to be the perfect creation: super-powered humans with extraordinary abilities, designed to keep the planet safe in dangerous times. Heroes. But too many of those creations went rogue. The Heroes were branded ULTRAs by the government, hunted down. Civil wars erupted. In the end, the ULTRAs were wiped from existence, consigned to the history books. Until now Kyle Peters is a teenager going nowhere. He's a geek, he's awful at sports, and he doesn't have the courage to tell the girl of his dreams how he feels. His life is at a standstill, and it doesn't look like changing any time soon. But when Kyle is caught up in a terrifying hostage situation at a soccer stadium, he discovers he is capable of amazing things: he has the abilities of an ULTRA. Now, with a rival ULTRA devastating the planet, and the government keen to wipe all ULTRAs from existence once more, Kyle must battle his own fears and master his powers if he is to become what the world needs more than anything: a true Hero. But Kyle fast learns that becoming a Hero is way more difficult than it seems in the stories. ULTRA: The Last Hero is a gripping, fast-paced superhero/urban fantasy story, and the first in a series. With loveable characters, nail-biting action and adventure, and thrilling twists and turns, ULTRA is sure to delight all fans of the genre.

Retribution

The struggle for human survival continues following an alien invasion of Earth in this second book in the Earthfall trilogy, from the author of the H.I.V.E. series. After the harrowing events of Earthfall, twelve-year-old Sam and his fellow resistance members meet an enigmatic man named Mason who is slowly building an army to fight back against the invaders, the Voidborn. Sam and the others join Mason and his soldiers on a mission to disable Voidborn technology in Tokyo. But Sam soon discovers that Mason has an agenda beyond what he has already admitted: He isn't content just to destroy the Voidborn's machines; he plans to destroy the Voidborn once and for all with a plan that will cost the lives of millions of innocent people. But something is coming, something even worse than the Voidborn. Something very old and very evil. Something that might mean the end for them all.

Alibi Junior High

While en route to a training exercise in the Arctic, Otto and his friends stop off for a tour of the new G.L.O.V.E. flagship, Dreadnought, and when Dreadnought is commandeered by a rogue villain, they try to thwart his evil plans.

Aftershock

When missing agent Otto is suspected of leading the mysterious attacks on the leaders of the world's villainous forces, Raven and Wing race against time to find him before other G.L.O.V.E. assassins can locate him.

The Alex Rider Collection

Key members of G.L.O.V.E. are being assassinated and Otto, gone rogue, is behind the killings. Raven and Wing must find him before the order to eliminate him can be carried out . . .

Two Hot Dogs With Everything

High-octane adventures continue in the eighth book of the H.I.V.E. series, and the team of supremely talented criminals is forced to question everything they know about life as villains. Otto and Raven are desperate to rescue their friends from the clutches of Anastasia Furan, head of the evil Disciples organization. First they must track down the location of the Glasshouse, the prison where Furan trains children to become ruthless assassins. But Otto is also being hunted. In the three months since his “expulsion” from H.I.V.E., The Artemis Section—an elite intelligence division that goes after the toughest targets and reports only to the US president—has had an opportunity to locate him. Earthfall

HIGHER INSTITUTE OF VILLAINOUS EDUCATION Otto Malpense may only be thirteen years old, but so far he has managed to run the orphanage where he lives, and he has come up with a plan clever enough to trick the most powerful man in the country. He is the perfect candidate to become the world's next supervillain. That is why he ends up at H.I.V.E., handpicked to become a member of the incoming class. The students have been kidnapped and brought to a secluded island inside a seemingly active volcano, where the school has resided for decades. All the kids are elite; they are the most athletic, the most technically advanced, and the smartest in the country. Inside the cavernous marble rooms, floodlit hangars, and steel doors, the students are enrolled in Villainy Studies and Stealth and Evasion 101. But what Otto soon comes to realize is that this is a six-year program, and leaving is not an option. With the help of his new friends: an athletic martial-arts expert; a world-famous, beautiful diamond thief; and a spunky computer genius -- the only other people who seem to want to leave -- can Otto achieve what has never been done before and break out of H.I.V.E.?

H.I.V.E. 4: Dreadnought

Pupils and staff at H.I.V.E. are horrified to discover that Dr Nero has been captured by the forces of H.O.P.E., the Hostile Operative Prosecution Executive, the world's newest and most ruthlessly efficient security force. Three months pass without any news of his fate, and Number One has decided to appoint a sinister new headmistress for the school, somebody that the pupils and staff had thought that they'd seen the last of. Meanwhile Otto is also struggling to cope with new abilities that are starting to manifest themselves; can he really be unconsciously interfacing with computers without physical contact? And if he is, what exactly do these new powers really mean? The only way to find Nero and the truth behind the lies is to escape H.I.V.E.. Otto must get out, and take the risks which come with being a rogue agent. Then he just has to break into MI6.

Tiny Pretty Things

Sam and his friends embark on one last mission, one final epic final battle against their alien enemies to determine the fate of the Earth in this fast-paced, action-packed conclusion to Mark Walden's Earthfall Trilogy. After the death of his father, Sam is still struggling to come to terms with the Illuminate powers that he inherited, the changes that the alien nanites have wrought on his body, and the mysterious summons calling to him, urging him to come and retrieve "his birthright." After separating himself from his friends, Sam realizes the call is coming from the Primarch, an ancient spaceship and the first of the Voidborn, a

digitized Illuminate consciousness, that was driven insane after it was left drifting lost and alone in space for thousands of years. It's calling to him to join the fight and destroy the Vore. But just as Sam thinks he finally has an ally against the Vore, he realizes the Primarch has an agenda all its own... As the final conflict takes place in the skies above the Grand Canyon, Sam is forced to confront the fact that even with some surprising new allies, the price for defeating the Earth's invaders may be vastly more than he is prepared to pay. One thing is certain, whatever happens, life will never be the same for Sam—or for the rest of humanity—ever again.

H.I.V.E.

Book Two in the Shaken Series Finally at peace with the mistakes of her disastrous first marriage, Anna Kaklis is ready to experience love again, and Lily Stewart is the woman she will fight to keep forever. As she gathers her courage to go to the next level with Lily, she is suddenly handed the reins of Premier Motors. It's an irresistible opportunity, and Lily's support is crucial. Believing she has it, Anna throws herself into her long-cherished dream of building the family business into a powerhouse empire. Anna's good fortune thrills Lily, but the demand on Anna's time does not—the sacrifices required for Anna's success grow more and more difficult to make. Inevitably, Lily's lifelong insecurities leave her feeling a distant second best. When tragedy strikes, her old habits take over. If life was perfect and

the future a sure thing, Anna and Lily would walk off into the sunset together. Instead, they stand on shaky ground. Anna will fight to keep Lily forever, but what can she do when the fight isn't hers? In this second book of The Shaken Series, 2007 Lambda Literary award winner KG MacGregor continues the compelling tale of two women who discover that real love has no limits. The SHAKEN series was originally published as a single volume by BookEnds Press. Portions of the trilogy have been changed substantially in this new form.

Jelly Belly

Sam awakens to see strange vessels gathered in the skies around London. As he stares up, people stream past, walking silently toward the enormous ships, which emit a persistent noise. Only Sam seems immune to the signal. Six months later, he is absolutely alone.

Only the Good Spy Young

HOW FAR WILL OTTO GO TO PROTECT HIS FRIENDS? Otto Malpense and his friends thought their first year at the Higher Institute of Villainous Education was the most adventurous and exciting that they would ever encounter. They were dead wrong. When Otto and Wing are allowed off campus to attend Wing's father's funeral, they have no idea it's a trap, all part of a lethal plan organized by Cypher, the most ruthless supervillain any of them have ever known. He intends to use them to retrieve the Overlord Protocol, a device that has the capacity to help him take over the world. But when things go terribly wrong, Otto will stop at nothing to hunt him down and make him pay. With the help of Laura, Shelby, Raven, and his former

nemesis, Dr. Nero, Otto must find a way to defeat an enemy that has overcome some of the planet's most infamous villains without even breaking a sweat. Because if he doesn't, the world as they know it will be changed forever.
