freedom from their stuffy suburban home, freedom to focus on what she wants for a change. And what she wants is something her ex always vetoed—a puppy. A bouncy, adorable puppy. Instead she gets...Fred. Overweight, middle-aged, a bit smelly and obviously depressed, Fred is light-years from perky. But he does manage to put Nina in the path of Alex Moore, her gorgeous, younger-by-a-decade neighbor. Alex seems perfect—he's a sexy, seemingly sane, surprisingly single E.R. doctor—but the age gap convinces Nina that anyone but Alex would be better relationship material. But with every silver-haired stiff she dates, the more she suspects it's the young, dog-loving doc she wants to sit and stay!

Mavis Gallant is the modern master of what Henry James called the international story, the fine-grained evocation of the quandaries of people who must make their way in the world without any place to call their own. The irreducible complexity of the very idea of home is especially at issue in the stories Gallant has written about Montreal, where she was born, although she has lived in Paris for more than half a century. Varieties of Exile, Russell Banks's extensive new selection from Gallant's work, demonstrates anew the remarkable reach of this writer's singular art. Among

Anyone but Alex is the third book about the Philadelphia-based, wildly-handsome English brothers who are all on the look-out for love. (Sort of. Barrett and Fitz are officially off the market, Alex has sampled every piece of available ass from Rittenhouse Square to the Liberty Bell, Stratton can't seem to see what's right in front of him, and don't even get me started on super hottie, Weston) Alex English, the well-known man whore of the country club set, has always preferred to play the field, eschewing a chance with Miss Right for a satisfying quickie with Miss Right-Now. But after seeing his two older brothers take the plunge, something has been aching inside of Alex, and no amount of casual sex seems to fill the void in his heart. Jessica Winslow, whose older brothers are best friends with the English brothers, has returned home from a fifteen-year stay in England, only to find herself face-to-face with her childhood crush, Alex English, on her first night home. She's heard all the rumors, but Jessie remembers the older boy who was so kind to her as a child, and can't help reaching out to Alex in friendship. Between disapproving brothers, scheming exes, and the biggest business deal of English & Sons' illustrious history, Alex and Jessie's budding romance is going to

A wise guy gets wise The school year is almost over, and Alex Ryan still has plenty of pranks to pull and jokes to tell. Then his dad attends the meeting about the seventh-grade outdoor education trip. Alex knows nothing good can come of this -- Mr. Ryan is a jester, too, and the butt of his funny stories is often Alex. Still, Alex is not prepared for the comment that mortifies him in front of pretty, popular Marcia Faitak, his friend Dave Barnett, and the rest of his classmates. When Marcia tries to comfort him, Alex pounces on her. Marcia crumples, and Alex sets out to make up for his remark, even as he struggles to understand what impelled it. When all his attempts at reconciliation fail, Alex conceives a plan, to be executed during the outdoor ed trip. A surefire attention-getter, this should bring Marcia around, entertain Dave, and impress Alex's father. But is this really what Alex wants to do? In the fourth book about the kids at West Creek Middle School, readers will root for Alex Ryan as he discovers his true self, and the wisest way to handle the most oppressive person in his life -- his own father. This sweeping historical novel returns to an age of treachery and political turmoil as a Jacobite beauty fights her attraction to the powerful Scottish nobleman who once broke her heart Taken in by the Braemoor clan as a boy, Neil Forbes fell deeply in love the moment he laid eyes on Janet Leslie. To his delight, Janet, the daughter of a Jacobite, returned his feelings, and they made a solemn pledge to one other. Then Neil discovered the terrible reason he couldn't marry his beloved . . . and could never wed at all. After Neil's betrayal, Janet vowed never again to be seduced by the fickle promise of love. She hoped that her marriage to Alasdair Campbell, a widower and father of three young girls, would give her the security she needed. Now the cruel Earl of Lochaene lies dead, and Janet is suspected of her husband's murder. Worse, Campbell's daughters—and her infant son—could be taken away from her. And the man she once adored with all her heart has just been appointed guardian of her son, the heir to Lochaene. Can she trust Neil, now the politically connected Marquis of Braemoor—or the dangerous desire that his first caress reignites in her? As they give in to passion, a powerful enemy could destroy their newfound love—and expose the secret Neil has been guarding for far too long. This second

Racial Attitudes in English-Canadian Fiction is a critical overview of the appearances and consequences of racism in English-Canadian fiction published between 1905 and 1980. Based on an analysis of traditional expressions in literature of group solidarity and resentment, the study screens English-Canadian novels for fictional representations of such feelings. Beginning with the English-Canadian reaction to the mass influx of immigrants into

Western Canada after World War One, it examines the fiction of novelists such as Ralph Connor and Nellie McClung. The author then suggests that the cumulative effect of a number of individual voices, such as Grove and Salverson, constituted a counter-reaction which has been made more positive by Laurence, Lysenko, Richler and Clarke. The "debate" between these two sides, carried on in fictional and non-fictional writing, is seen to be in part resolved in synthesis after World War Two, as attitudes are forced by wartime alliances and intellectual pressures into a qualified liberalism. The author shows how single novels by Graham, Bodsworth, and Callaghan demonstrated a new concern for the exposure and eradication of racial discrimination, an attitude taken further by the works of Wiebe and Klein. The book concentrates on single texts that best portray deliberately or not, racist ideology or anti-racist arguments, and attempts to explain the arousal in Canada of such ideas.

new best friends in graduate school in England. Alexandra Brennan is fed up with her dead end New York City job-and even more fed up of running into her smug ex-boyfriend. So when he crosses the line by telling her that she'll never get into graduate school in the United Kingdom, that's precisely what she does. Armed with imported cigarettes and extra strength coffee, Alex leaves home and crosses the Atlantic to face all that Great Britain and grad school have to offer, including ill-considered romantic interludes, a red-headed nemesis with intellectual pretensions and ulterior motives, a preponderance of eighties music, and more books than she can possibly read in a year. What she discovers, however, is that instead of running away from home - she may have actually found it. With a cheeky sense of humor and terrific cast of characters, ENGLISH AS A SECOND LANGUAGE is a funny and irreverent novel about a young woman's misadventures on the path to adulthood.

The Game of Our Lives

Hurtling from present day New York to Victorian London, The Sherlockian weaves the history of Sherlock Holmes and Sir Arthur Conan Doyle into an inspired and entertaining double mystery that proves to be anything but "elementary." In December 1893, Sherlock Holmes-adoring Londoners eagerly opened their Strand magazines, anticipating the detective's

next adventure, only to find the unthinkable: his creator, Arthur Conan Doyle, had killed their hero off. London spiraled into mourning-crowds sported black armbands in grief-and railed against Conan Doyle as his assassin. Then in 1901, just as abruptly as Conan Doyle had "murdered" Holmes in "The Final Problem," he resurrected him. Though the writer kept detailed diaries of his days and work, Conan Doyle never explained this sudden change of heart. After his death, one of his journals from the interim period was discovered to be missing, and in the decades since, has never been found. Or has it? When literary researcher Harold White is inducted into the preeminent Sherlock Holmes enthusiast society, The Baker Street Irregulars, he never imagines he's about to be thrust onto the hunt for the holy grail of Holmesophiles: the missing diary. But when the world's leading Doylean scholar is found murdered in his hotel room, it is Harold-using wisdom and methods gleaned from countless detective stories-who takes up the search, both for the diary and for the killer.

The Game of Our Lives is a masterly portrait of contemporary Britain through the lens of soccer. In the last two decades soccer in the United Kingdom has made the transition from a peripheral dying sport to the very center of British popular culture, from an economic basket-case to a booming entertainment industry that has conquered the world. What does it mean when soccer becomes so central to the private and public lives of the British people? Has it enriched this island nation or impoverished it? From the goals, to the players, to the managers, to the money, David Goldblatt describes how the English Premier League was forged by Margaret Thatcher's Britain and an alliance of the big clubs — Arsenal, Liverpool, Manchester United, Chelsea, Tottenham Hotspur — the Football Association and Rupert Murdoch's Sky TV. He identifies the real winners and losers in this extraordinary period, and explains how soccer has closely mirrored the wider political and social scene. Goldblatt argues that no social phenomenon tracks the momentous economic, social and political changes of post-Thatcherite Britain in a more illuminating manner than soccer, and The Game of Our Lives provides the definitive social history of the EPL — most popular soccer league in the world.

Anyone But England is a detailed exploration into the origins of cricket; the romance, cultural identity, hypocrisy, flaws of governance and glory of the game. Mike Marqusee, an American who fell in love with cricket when he moved to the UK in the 1970s, looks at the history of elitism and empire, and how race and class have always been issues in the game.

Scrutinising the long saga of South Africa's exclusion from world cricket, Marqusee charts England's collusion with apartheid, and also details an eye-opening account of Pakistan's controversial 'ball-tampering' tour of England, which provoked intense debate amongst cricket fans about the role of both the media and racism in the modern game. Showing that supporting the game does not mean you need be blind to its flaws, Marqusee's passion and enthusiasm for cricket is threaded through every element of Anyone But England. awkward, thirty-something grad student, is plagued by the sensation that his entire life is a fraud. Scarred by a distant father and a dangerous relationship with his ex Liz, and consumed by a floundering dissertation linking Darwin's theory of evolution with the history of human narrative, Alex has come to view love and other human emotions as "evolutionary surplus, haphazard neural responses that nature had latched onto for its own insidious purposes." When Alex receives a letter from Ingrid, the beautiful woman he knew years ago in Sweden, notifying him of the existence of his five-year-old son, he is gripped by a paralytic terror. Whenever Alex's thoughts grow darkest, he recalls Desmond, the British professor with dubious credentials whom he met years ago in the Galapagos. Treacherous and despicable, wearing his ignominy like his rumpled jacket, Desmond nonetheless caught Alex in his thrall and led him to some life-altering truths during their weeks exploring Darwin's islands together. It is only now that Alex can begin to comprehend these unlikely life lessons, and see a glimmer of hope shining through what he had thought was meaninglessness.
