In 2011, I began creating online tutorial videos on Youtube, with a vision to share my GCSE expertise in English language and literature. As I write, these videos have been viewed over 10 million times across 214 different nations. My GCSE English Youtube channel has over 60,000 subscribers. To accompany these videos, I have published over 20 revision guide eBooks-one of which you are currently looking at! My guide to the previous GCSEs in English language and literature sat at the top of the Amazon bestseller's list for over 45 weeks and achieved huge acclaim; this book aims to build on those strengths. In this eBook, you'll receive detailed guidance on every question in the AQA GCSE English Language exams. Please note that this eBook is not endorsed by or affiliated to any exam boards; I am simply an experienced teacher using my expertise to help students. However, if you read some of the 100+ reviews for this guide, you will see that it has already helped students, teachers and parents across the UK. As an extra bonus, this eBook contains links to five special video tutorials which are only available to those who purchase this guide. These links appear later in the text. I hope you enjoy the eBook. You should also purchase the accompanying eBook which covers the English Literature exams.

### **The Other Side of the Dale**

What does it mean to be a sporty woman in the 21st century? From the launch of Net-A-Porter, serving up sports clothing for fashionistas, to the introduction of #plankie as the new Instagram selfie for yoga bunnies; exercise for women has finally gone mainstream. But if sweating has never been so hot for female celebrities, then why are there still so many obstacles for girls and women when it comes to sport? Why do girls still hate school sports lessons? Why is sport consistently defined as male territory, with TV cameras replicating the male gaze as they search out the most beautiful women in the crowd? Will women ever flock to watch football, rugby and boxing in their millions? Or turn up to the park with friends for a Sunday morning kickabout? How long do we have to wait to see the first multi-millionaire female footballer or basketball player? Eat. Sweat. Play is an engaging and inspirational work by sports writer Anna Kessel. PRAISE FOR EAT. SWEAT. PLAY "Anna Kessel's book should inspire a whole generation of women. It ought to be on the school curriculum." Hadley Freeman "Fascinating, compelling and thought-provoking" The Pool "A piercing call to arms, [Anna] argues that if women and girls embrace being active, it will lead to a sea change for women's bodies, self-image and outlook. It is brilliant." The Stylist

Take a trip to the country with Gervase Phinn's heartwarming tales of life as a school inspector in Yorkshire 'Gervase Phinn's memoirs have made him a hero in school staff-rooms' Daily Telegraph \_\_\_\_\_ As the newly appointed County Inspector of Schools in North Yorkshire, Gervase Phinn reveals in this warm and wonderfully humorous account, the experiences of his first year in the job - and what an education it was! He quickly learns that he must slow his pace and appreciate the beautiful countryside - 'Are tha'comin' in then, mester, or are tha' stoppin' out theer all day admirin' t'view?' He encounters some larger-than-life characters, from farmers and lords of the manor to teaching nuns and eccentric caretakers. And, best of all, he discovers the delightful and enchanting qualities of the Dales children, including the small boy, who, when told he's not very talkative, answers: 'If I've got owt to say I says it, and if I've got owt to ask I asks it.' With his keen ear for the absurd and sharp eye for the ludicrous, Gervase Phinn's stories in The Other Side of the Dale will not fail to make you weep with laughter.

### **Writing (For Papers 1 and 2)**

If you're at this point, you must be getting ready for your English language exams, so we have a few words of advice for you: Exams aren't bad. They're your opportunity to show off just how much you know about English--and you have been studying it since you were five, so you definitely know a thing or two! Don't worry about your exams--worry never changes anything--instead, try and see them as an opportunity to show off what you know. Practising exam papers is a good way to revise and, because this exam is still relatively new, there aren't that many past papers out there. The papers in this book have been created to try and replicate the exam experience for you. Some people might suggest using your literature texts for practice, but the whole point of this exam is that it is unseen: it's best to work on extracts you've never read before. There is more than one way to tackle an exam paper. You could sit it in one go and complete it in exam conditions from start to finish. You could go at the papers gently, with modelled examples in front of you to help (check out the videos at [youtube.com/mrbruff](https://www.youtube.com/mrbruff)). Another method is to try three question threes all in a row, slide tackling your way through the paper. You might want to complete all of the Section B questions before beginning Section A. However you do it, take your time, and use the indicative content at the end to check your work. The indicative content isn't everything. You might make a point that we haven't included. Marking your own work is quite difficult so, although these are good to practise on, you should share with someone who understands the marking system to mark your work and give you feedback. This book is not a guide to the exam: it is a set of practice papers. For a detailed question-by-question guide to AQA English language, you should pick up a copy of 'Mr Bruff's Guide to GCSE English Language' in paperback on Amazon, or eBook at [mrbruff.com](https://www.mrbruff.com). Please note: we are not endorsed by or affiliated to the AQA exam board. We are simply two experienced teachers creating resources.

### **AQA GCSE English Language**

A search for the Beast, a Yeti-like creature within the heart of the Amazon, becomes a quest for self-discovery in this young adult coming-of-age story filled with international adventure, rich mythology, and magical realism from globally celebrated novelist Isabel Allende. Fifteen-year-old Alexander Cold has the chance to take the trip of a lifetime. Parting from his family and ill mother, Alexander joins his fearless grandmother, a magazine reporter for International Geographic, on an expedition to the dangerous, remote world of the Amazon. Their mission, along with the others on their team—including a celebrated anthropologist, a local guide and his young daughter Nadia, and a doctor—is to document the legendary Yeti of the Amazon known as the Beast. Under the dense canopy of the jungle, Alexander is amazed to discover much more than he could have imagined about the hidden worlds of the rain forest. Drawing on the strength of the jaguar, the totemic animal Alexander finds within himself, and the eagle, Nadia's spirit guide, both young people are led by the invisible People of the Mist on a thrilling and unforgettable journey to the ultimate discovery.
