A Handbook of Civilization

This public domain book is an open and compatible implementation of the Uniform System of Citation.

The Indigo Book

Gazetteer of the Bombay Presidency

A practical and comprehensive reference work, the Oxford Handbook provides the best single-volume source of original scholarship on all aspects of Coleridge's diverse writings. Thirty-seven chapters, bringing together the wisdom of experts from across the world, present an authoritative, in-depth, and up-to-date assessment of a major author of British Romanticism. The book is divided into sections on Biography, Prose Works, Poetic Works, Sources and Influences, and Reception. The Coleridge scholar today has ready access to a range of materials previously available only in library archives on both sides of the Atlantic. The

Bollingen edition, of the Collected Works of Samuel Taylor Coleridge, forty years in production was completed in 2002. The Coleridge Notebooks (1957-2002) were also produced during this same period, five volumes of text with an additional five companion volumes of notes. The Clarendon Press of Oxford published the letters in six volumes (1956-1971). To take full advantage of the convenient access and new insight provided by these volumes, the Oxford Handbook examines the entire range and complexity of Coleridge's career. It analyzes the many aspects of Coleridge's literary, critical, philosophical, and theological pursuits, and it furnishes both students and advanced scholars with the proper tools for assimilating and illuminating Coleridge's rich and varied accomplishments, as well as offering an authoritative guide to the most up-to-date thinking about his achievements.

The Works and Correspondence of David Ricardo: Volume 11, General Index

Answers to exercises in The Little, Brown handbook

First Report of the Royal Commission on Opium

Deanes' Manual of the History and Science of Fire-arms

Debates

The Oxford Handbook of Samuel Taylor Coleridge

Cyclopædia Bibliographica: A Library Manual Of Theological And General Literature, and guide to books for Autors,preachers,students,and literary men.

Records of the Cape Colony: Nov. 1815-May 1818

The Bibliographer's Manual of English Literature Containing an Account of Rare, Curious, and Useful Books, Published in Or Relating to Great Britain and Ireland, from the Invention of

Printing

Volume 40 of the Naval Chronicle (1818) includes reports from the Arctic and an account of Queen Charlotte's funeral.

Handbook of Biography

Mason's Manual of Legislative Procedure

Debates of the Senate: Official Report (Hansard)

Annals of Cleveland--1818-1935

The Naval Chronicle: Volume 40, July-December 1818

1818-1819

Records of the Cape Colony: May 1818-Jan. 1820

Part of an eleven-volume set which contains all of Ricardo's published and unpublished writings, and provides great insight into the early era of political economics.
