The Mazatecan Indians of Oaxaca still believe that plant knowledge can be communicated through Desheto's pre-Columbian mushroom ritual. Each year when the rains came the Prince of Plants would continue to share this hidden history of the Americas with his scribe Ani. To deepen Ani's knowledge, the Prince of Plants sent his scribe on a journey through the most remote tribes of the Americas to find the last remnants of the ancient Ghost Dance ritual.

Fire Falling

THE FOREIGNER When the Foreigner's (David Gershom) ship lands in middle-

eastern Sumarrah, he is achingly lonely. His recent inheritance is enough for a re-start in his career and his personal life; both have been lackluster and unsatisfying. He believes he has a better chance of finding happiness in this expat community where all the Americans are starting over. David does not know why he has passed through life without the deep connections he sees others able to make. His alienation and desperate struggle to connect with God and his fellow man lead to a series of adventures until a violent experience changes his life overnight. Events unfold quickly in this suspenseful novel that has many twists as it follows David Gershom's path to a new life. In the early chapters, David builds two different friend groups simultaneously. He quickly becomes part of The Gang, a group of five ambitious young men who enjoy the pleasures of this world to the maximum. They are hilarious, hard-drinking, and success-oriented. He is also befriended by a group that is primarily Christian, who fracture his preconceived notions about what Christians are like. A member of The Gang betrays David and the others, taking every penny from David's inheritance. Abandoned by The Gang, he is the victim of a violent attack and is rescued by the Christian friends he had previously shunned because he preferred the hilarity and fast-living of The Gang. The tragic event causes him to lose everything, but eventually gives him all he has been looking for. In the process, he almost loses the woman he loves due to a miscommunication. The novel ends with an encouraging glimpse at how one charming Christian community helps turn ashes into beauty. They start a non-profit to serve the men of Mangham House, the place of despair where David was attacked and that houses desperate men, many with a criminal past. And he gets the girl! George Elezar- Unstuffy Christian takes David off-guard when they meet aboard ship; embodies the best in us as Samaritans. Jalal- Professor befriends David. This Muslim once confides in brother he is a Christian. Father beats him badly; David relates. Maria- Read Scriptures to Jalal during his coma; helped bring him to Christ. Ahmad- Owns exotic restaurant, the hub of Sumarrah's social scene. A good man but an unbeliever who operates successfully in both of David's worlds. Larry- Lazy employee at Mangham House; knows everyone's business; thinks he is a philosopher-comedian; labels David a "Bible-thumper." Jimmy Roarke- Friend David always longed for. They drink, go to movies, and carouse. Jimmy falls for a con-man's pitch and encourages David to invest. Both lose their savings. Jimmy turns his back on David when he is near death. Jimmy's betrayal hurts deeply. Liz- Only single daughter of five sisters who leaves for better opportunities. David and Liz collaborate on service projects for employees at Mangham House. Romance ensues, but no path to love is ever smooth. The book is ideal for book clubs and small group studies. Thought provoking discussion questions for each chapter are included at the end of the book.

She's about to find out.

Entrapped (Cursed Magic Series: Book 3)

Five young teens tapped as models for theme park "guides" are pitted against Disney villains and witches that threaten both the future of Walt Disney World and the stability of the world outside its walls.

Dawn Rising

On the eve of his graduation from New Salem High, Thomas Scargen awakens from an all-too-real nightmare depicting his father's mysterious disappearance. Before the boy can regain his composure and slack back into his familiar world of artifice and hologames, Thomas is torn away from his home and hastily ushered into a secret world of magic. He quickly begins to discover his magical potential and grasp his manifesting abilities, but he lacks perhaps the most important component: control. Yareli Chula, Spirit Summoner and member of The Council of Mages, has been dispatched to recover the boy and bring him to The Council. There he can find the discipline he needs and the answers he seeks, but getting him there alive will be anything but easy. Yareli is not the only one searching for the Scargen boy. Along his journey, Thomas will ride atop a teleport dragon, duel a High Demon of the Depths, run with the Lions of Sirati, outfox a spirit ghost, race a vampire, and quote Shakespeare with a whiskey-swilling werewolf—all in the hope of discovering the truth about his father. This quest will be fraught with darkness and a malevolence far more unyielding than anything Thomas has come across in his fantasy books. Armed with his newly realized powers and his unlikely companions, Thomas Scargen will have to face this pervasive evil without being entirely consumed by The Shadow of the Gauntlet.

Love in New York: Book 1 (Lost and Found)

The night Claire Tanith's small village is attacked, her mother sends her alone into the cursed forest, the one she'd been forbidden to enter all her life with these mysterious words: 'They will protect you.' On the run from her attackers, she soon finds the forest is not as abandoned as she'd once thought. Beautiful and elegant, the elves seem to be everything the legends said they would be. But legends sometimes forget the true history of things and Claire's eyes are soon opened to a world she never knew. One that has been kept from her for most of her life. All Claire wants to do is return home and start looking for her mother, the only family she ever had. But the elves have different plans. The mysterious mark that appeared on her arm isn't a curse, at least not to them anyway, and before she knows it, she is whisked away on a mission she never agreed to, unless they help her in return. Now she is stuck on an adventure with the perverted elf, Aeron, and one with an attitude, Farron. But there is more to this adventure than she'd ever hoped for.

Charlie and the Ice Dragon

Claire finally has a clue to her mother's whereabouts, and she won't let anything stand in her way this time. Not even the Syndicate, the fact that it could be a trap to lure her out of hiding, or the seemingly insurmountable mission she is currently tasked with: to find the other Star Children while she still can. The mark on her arm is slowly consuming her, body and mind, and it's a race against time to complete

her mission, locate her mother, and hopefully, find a way to stop her magic-- or at least slow its potentially devastating progression. And to top it all off, a certain silver-haired elf refuses to leave her alone.

Dead by Dusk

A curse. A magical key, and a broken girl. Sylvie's life has been haunted by shadows for as long as she can remember. They've chased and tormented her from one foster home to another, ruining anything good she might have had. As she got older they forced her into a cycle of depression, paranoia, and abject poverty as she bounced from job to job, barely keeping her head above water. She thought she'd finally put them behind her when she lucked into a decent job. But an errant act of kindness put an end to that. Fired, and on the brink of homelessness Sylvie fears she's been pulled back into the dark cycle again. It'll take a miracle to save her. When a mysterious letter arrives, inviting her to Brookmoors Academy of Sorcery and Invocation, she realizes what she needed all along wasn't a miracle. It was magic. The offer to learn magic isn't as simple as it seems. She'll have to pass strange esoteric tests, interviews, and trials without any knowledge of the arcane. As she embarks upon the unknown she begins to wonder if her mental illness, paranoia, and fear of shadows that has plagued her entire life may be something more sinister. Something that doesn't want her going to Brookmoors and learning magic. Magic may be everything Sylvie ever dreamed of, but she'll have to survive long enough to learn it.
