Judith Viorst's Love and Shrimp

A mesmerizing first novel about trust, dependence, and fear, from a major new writer Ruth is widowed, her sons are grown, and she lives in an isolated beach house outside of town. Her routines are few and

small. One day a stranger arrives at her door, looking as if she has been blown in from the sea. This woman—Frida—claims to be a care worker sent by the government. Ruth lets her in. Now that Frida is in her house, is Ruth right to fear the tiger she hears on the prowl at night, far from its jungle habitat? Why do memories of childhood in Fiji press upon her with increasing urgency? How far can she trust this mysterious woman, Frida, who seems to carry with her own troubled past? And how far can Ruth trust herself? *The Night Guest*, Fiona McFarlane's hypnotic first novel, is no simple tale of a crime committed and a mystery solved. This is a tale that soars above its own suspense to tell us, with exceptional grace and beauty, about ageing, love, trust, dependence, and fear; about processes of colonization; and about things (and people) in places they shouldn't be. Here is a new writer who comes to us fully formed, working wonders with language, renewing our faith in the power of fiction to describe the mysterious workings of our minds. Present State of Literature and Science

Out of the hundreds of published slave narratives, only a handful exist specific to South Carolina, and most of these are not readily available to modern readers. Edited by Susanna Ashton, this collection restores to print seven slave narratives documenting the lived realities of slavery as it existed across the Palmetto State's upcountry, midlands, and lowcountry, from plantation culture to urban servitude. First published between the late eighteenth century and the dawn of the twentieth, these richly detailed firsthand accounts present a representative cross section of slave experiences, from religious awakenings and artisan apprenticeships to sexual exploitations and harrowing escapes. In their distinctive individual voices, narrators celebrate and mourn the lives of fellow slaves, contemplate the meaning of freedom, and share insights into the social patterns and cultural controls exercised during a turbulent period in American history. Each narrative is preceded by an introduction to place its content and publication history in historical context. The volume also features an afterword surveying other significant slave narratives and related historical documents on South Carolina. *I Belong to South Carolina* reinserts a chorus of powerful voices of the dispossessed into South Carolina's public history, reminding us of the cruelties of the past and the need for vigilant guardianship of liberty in the present and future.

PEN/Faulkner Award Finalist: A novel that is “at once a story about a boy growing up in two cultures, a love story, and a mystery” (The Boston Globe). Winner of the Sue Kaufman Prize for First Fiction, *The Long Night of White Chickens* announced Francisco Goldman’s arrival as a major literary talent. It is both a suspenseful mystery and a tale of two worlds that plumbs the darkest depths of the relationship between the United States and Guatemala. Goldman tells the story of Roger Graetz, raised in a Boston suburb by an aristocratic Guatemalan mother and Jewish father, and Flor de Mayo, the beautiful young Guatemalan orphan who lives with the family as a maid. Similar in age, Roger and Flor become close, and remain so even after she leaves to attend college at Wellesley. After graduation, however, Flor returns home to Guatemala City, where she heads a local orphanage that arranges international adoptions. When she’s murdered, Roger is stunned and can’t believe the rumors he hears about her life. Years later, he will travel to Guatemala to uncover the circumstances around Flor’s mysterious death in “a wonderful book” that is as “complex as history, funny as love, painful as death” (The Washington Post Book World). “A richly layered, genre-busting novel that shuttles between suburban Boston and Guatemala City and devours everything in its path.” —Jay McInerney

Dark Night of the Soul

Rape, teen pregnancy, illegitimacy, domestic abuse - in 1970s Australia all were shameful secrets that trapped women in poverty, loss and ongoing emotional trauma. This is one woman's story of all she lost and how hard she fought to survive. A teenager in the 1970s, Gwen Wilson grew up in Western Sydney. It was a tough childhood. Illegitimate, fatherless - her mother in and out of psychiatric hospitals; it would have been easy for anyone to despair and give up. Yet Gwen had hope.

Despite it all, she was a good student, fighting hard for a scholarship and a brighter future. Then she met Colin. Someone to love who would love her back. But that short-lived love wasn't the sanctuary Gwen was looking for. It was the start of a living hell. Rape was just the beginning. By sixteen she was pregnant, her education abandoned. Australian society did not tolerate single mothers; prejudice and discrimination followed her everywhere. In an effort to save her son, Jason, from the illegitimacy and deprivation she'd grown up with, Gwen chose to marry Colin - and too quickly the nightmare of physical abuse, poverty and homelessness seemed inescapable. In 1974, in the dying days of the forced adoption era in Australia, this isolated teenager was compelled to make a decision about her child that would tear her life apart, one she would never truly come to terms with. *I Belong to No One* is one woman's story of all she lost and how hard she fought to survive and eventually triumph.

[Siren Classic: Erotic Contemporary Romantic Suspense, M/F, HEA] Jessy Simmons and her younger sister wanted to get away from a dangerous criminal and bad memories in New York. All they wanted was a fresh start. Brook Hollow, Missouri represented that chance for new beginnings. If only Deputy Lincoln Ramirez would quit making it hard for Jessy to enjoy her new life in the small, beautiful town she was growing to love. Jessy Simmons was a sexy woman with a sassy mouth that threatened Lincoln Ramirez's peace of mind. She was also a mystery, and Lincoln got the sense she was hiding something. He didn't like mysteries he couldn't solve. Lincoln fought the desire he felt for Jessy. He was sure it was a passing fancy, and romantic entanglements just weren't his style. With a stalker and a dangerous criminal from her past, Jessy was trouble for sure. Yet Lincoln was intrigued and couldn't help but feel protective over her. Will Lincoln be able to admit that his feelings are much more serious than he thought and protect Jessy before danger takes her away from him for good? ** A Siren Erotic Romance

You Belong to Me

Like red earth and streaming rain, our loving hearts merged all by themselves. Captured in these centuries-old verses are the intoxication of new love, the romance of courtship, and the longing of separated lovers. Here are the voices of older women advising their younger friends, the words of messengers conveying secrets between lovers, and the musings of lovers to themselves. Culled from large anthologies that date from as early as the first century CE to as late as the eighth, Martha Ann Selby's masterful translations allow the poems to stand on their own in English while still maintaining the flavors of the original verses as reflected in idiom and structure. The book's 200 erotic poems are composed in India's three classical languages: Old Tamil, Maharastri Prakit, and Sanskrit, and grouped according to themes, with annotations provided whenever a brief gloss is necessary. After opening with several informative essays on the poems and how to read them, their origin, and the languages in which they were composed, the book proceeds with the delicate images, voices, and emotions of the verses themselves.

Love is All that Matters

Humans can't become Vampires. Elisavet Katsaros defies this belief when she wakes up in a hospital as a Sanguinarian, or human born vampire. She is the first of her kind in over three hundred years. The transformation was an accident, but there's no going back now. Questions surround Elisavet. Why her? How did it happen? Who is responsible? Above all else, what will the ramifications be for the rest of the World in Shadows? To find peace, she will look for the answers to these questions and more. In digging for the truth, Elisavet uncovers long-buried secrets and the keys to unraveling a murder. With the help of the Vampire Regis, Manias Artotias, she will attempt to right the wrongs of others and start a new chapter in history. Working side by side, powerful emotions flare. Manias finds himself wanting to claim her for his own despite the consequences. She yearns to capture his heart, to be more than just another vampire under his rule. To have a chance they must defy traditions, put their love on the line and risk it all.

interpretations, definitions, and language to make sense in the changing culture. This book equips congregations and church leaders with tools to:

- Discern the key ingredients people look for in community
- Understand the use of space as a key element for experiencing belonging and community
- Develop the “chemical compound” that produces an environment for community to spontaneously emerge
- Discover how language promotes specific spatial belonging and then use this knowledge to build an effective vocabulary for community development
- Create an assessment tool for evaluating organizational and personal community health

Ideas and practices concerning sleep and night-time are constantly changing and widely varied in different cultures and societies. What we do during the day and night is the result of much political struggle. Trade unions, political parties, entrepreneurs, leaders and schools boards, all have an interest in questions of timing for the opening and closing of shops, the starting hours of schools and factories, and the number of hours people have to work and sleep. By drawing together comparative case studies from countries in both Asia and Europe, *Night-time and Sleep in Asia and the West* allows the reader to track the differences in the cultural importance given to the night, and to compare the ways in which the challenges and opportunities of modernity have been played out in the East and the West.

native Gaul he was appointed tutor to the future emperor Gratian, a position through which he achieved great power for himself and his family. He was made consul in 379 and later lived to enjoy a ripe old age as the grand old man of Latin letters. In this modern edition of Ausonius' short poems, collected together under the general heading of epigrams, N.M. Kay gives a line-by-line commentary dealing with points of literary, linguistic, historical and other interest. The epigrams throw light on many aspects of Ausonius' life, career and attitudes as well as on fourth-century Latin literature, and will thus be of interest to students of the fourth-century western world, of Latin literature, and of the epigram form in particular. This edition includes both Latin text and translation.

Where We Belong

The author of several blockbuster novels, Emily Giffin's *Where We Belong* delivers an unforgettable story of two women, the families that make them who they are, and the longing, loyalty and love that binds them together. Marian Caldwell is a thirty-six year old television producer, living her dream in New York City. With a fulfilling career and satisfying relationship, she has convinced everyone, including herself, that her life is just as she wants it to be. But one night, Marian answers a knock on the door . . . only to find Kirby Rose, an eighteen-year-old girl with a key to a past that Marian thought she had sealed off forever. From the moment Kirby appears on her doorstep, Marian's perfectly constructed world—and her very identity—will be shaken to its core, resurrecting ghosts and memories of a passionate young love affair that threaten everything that has come to define her. For the precocious and determined Kirby, the encounter will spur a process of discovery that ushers her across the threshold of adulthood, forcing her to re-evaluate her family and future in a wise and bittersweet light. As the two women embark on a journey to find the one thing missing in their lives, each will come to recognize that where we belong is often where we least expect to find ourselves—a

I Belong to You

My name is Lucy McEachern Irving and I am a 30 yr old mother of four, but I only have one living to put to bed every night. He is amazing, and I love him more than anyone could ever imagine. My book is about his sister and his brothers that GOD blessed me with and then took them back to heaven to be with him all in the same breath. I was madly in love with their father and shortly after we married he began to physically hurt me and yet I stayed throughout all the fights and two deaths of our children. I did manage to find true happiness but my children have always held me back in some way. Everything in my life surrounded what happened when they died and surrounded the deep unending connection that their father and I had. He had a hold on me that is not healthy in any way. I

went through other abuses, and everyone Ive ever loved thought that the way to express their love for me was with violence. After the death of my children I fell into a very dark place and fell into deep addiction with the fault of no one but my own. I had to learn how to deal with my pain sober, and had to relive everything about their deaths all over again because I truly believed I could numb my pain and never deal with it. I managed to find a way to stay sober and after completely losing all faith I began to realize that without that I couldnt go any were. I couldnt get back up without GODs help. I do end up being blessed with the most amazing baby boy and even though it was a fight to get him here to stay with me, I thank GOD for my blessing and dont take it for granted not one second. But after learning how to live without my children s father and learning to be without him, I fell in real love with a wonderful man who supports me and loves me the way love is meant to be. He gave me a child after 5 miscarriages, but even he couldnt protect me from my children s father, and he did come back into my life to destroy me and what I had managed to salvage of my life. Even my new husband isnt perfect and managed to tear me apart in other ways. And to surprise, another death came into my world and destroyed us for so long. We do manage to find each other again, and because of the strength GOD gave me we are now happy and ready to start our lives together allover again with our precious miracle baby. My story is coming in two volumes because there is so much to tell. I want to show people like me that it can get better if you just try. If you give it to GOD it will happen and your dreams can come true. My main goal is to help just one person in
