Working for the Devil

Chilling Adventures of Sabrina meets Stranger Things in award-winning author S. A. Hunt's *Burn the Dark*, first in the *Malus Domestica* horror action-adventure series about a punk YouTuber on a mission to bring down witches, one vid at a time. Robin is a YouTube celebrity gone-viral with her intensely-realistic witch hunter series. But even her millions of followers don't know the truth: her series isn't fiction. Her ultimate goal is to seek revenge against the coven of witches who wronged her mother long ago. Returning home to the rural town of Blackfield, Robin meets friends new and old on her quest for justice. But then, a mysterious threat known as the Red Lord interferes with her plans. "Brilliant!" —Jonathan Maberry, *New York Times* bestselling author *The Malus Domestica* series #1: *Burn the Dark* #2: *I Come with Knives* #3: *The Hellion* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Lush and Seething Hell

When Alex Dolan is hired by multibillionaire Stanislaw Clayton to write a book about the Sioux Crossing Supercollider, it seems like a dream job. Then something

goes wrong at the site. Very wrong. After the incident, Dolan finds himself changed, and the only one who can stop the disaster from destroying us all.

Death & Honey

Along with his pals Lane and Rigo, Cael journeys to the Emyrean to rescue his sister and Gwennie, risking everything while outmaneuvering Boyland, while Gwennie makes a bold move that changes the course of an Emyrean man's life.

A Cast of Stones (The Staff and the Sword Book #1)

An exhilarating thrill-ride through the underbelly of cyber espionage in the vein of David Ignatius's *The Director* and the television series *Leverage*, *CSI: Cyber*, and *Person of Interest*, which follows five iconoclastic hackers who are coerced into serving the U.S. government. An Anonymous-style rabble rouser, an Arab spring hactivist, a black-hat hacker, an old-school cipherpunk, and an online troll are each offered a choice: go to prison or help protect the United States, putting their brains and skills to work for the government for one year. But being a white-hat doesn't always mean you work for the good guys. The would-be cyberspies discover that behind the scenes lurks a sinister NSA program, an artificial intelligence code-named Typhon, that has origins and an evolution both dangerous and disturbing.

Where To Download Blackbirds Miriam Black 1 Chuck Wendig

And if it's not brought down, will soon be uncontrollable. Can the hackers escape their federal watchers and confront Typhon and its mysterious creator? And what does the government really want them to do? If they decide to turn the tables, will their own secrets be exposed—and their lives erased like lines of bad code? Combining the scientific-based, propulsive narrative style of Michael Crichton with the eerie atmosphere and conspiracy themes of *The X-Files* and the imaginative, speculative edge of Neal Stephenson and William Gibson, *Zer0es* explores our deep-seated fears about government surveillance and hacking in an inventive fast-paced novel sure to earn Chuck Wendig the widespread acclaim he deserves.

Under the Empyrean Sky

When Atlanta Burns saves a pair of teens from bullies, another teen ends up dead by an apparent suicide, while Atlanta hopes to avoid further trouble by investigating the killing of a local dog, which leads her to more bullies associated with a dogfighting ring.

Empire State

The man of her dreams might be the cause of her nightmares. Six months ago, Abby Sinclair was struggling to pick up the pieces of her shattered life. Now, she

has an enchanted iPod, a miniature unicorn living in her underwear drawer, and a magical marketplace to manage. But despite her growing knowledge of the OtherWorld, Abby isn't at all prepared for Brystion, the dark, mysterious, and sexy-as-sin incubus searching for his sister, convinced Abby has the key to the succubus's whereabouts. Abby has enough problems without having this seductive shape-shifter literally invade her dreams to get information. But when her Faery boss and some of her friends vanish, as well, Abby and Brystion must form an uneasy alliance. As she is sucked deeper and deeper into this perilous world of faeries, angels, and daemons, Abby realizes her life is in as much danger as her heart—and there's no one she can trust to save her.

Burn the Dark

In the sixth and final thriller of the “wildly entertaining” (Kirkus Reviews) Miriam Black series, Miriam tries to break the curse of her powers, but first she must face The Trespasser a final time. Still reeling from the events of The Raptor and the Wren, Miriam must confront two terrifying discoveries: the Trespasser now has the power to inhabit the living as well as the dead, and Miriam is pregnant. Miriam knows her baby is fated to die, but Miriam is the Fatebreaker. And if the rules have changed for her nemesis, her own powers are changing as well. Miriam will do whatever it takes to break her curse and save her child. But as Miriam once again finds herself on the hunt for a serial killer and in need of an elusive physic, she can

NEW YORK TIMES BESTSELLER • Iron Druid Atticus O’Sullivan, hero of Kevin Hearne’s epic urban fantasy series, has a point to make—and then drive into a vampire’s heart. When a Druid has lived for two thousand years like Atticus, he’s bound to run afoul of a few vampires. Make that legions of them. Even his former friend and legal counsel turned out to be a bloodsucking backstabber. Now the toothy troublemakers—led by power-mad pain-in-the-neck Theophilus—have become a huge problem requiring a solution. It’s time to make a stand. As always, Atticus wouldn’t mind a little backup. But his allies have problems of their own. Ornerly archdruid Owen Kennedy is having a wee bit of troll trouble: Turns out when you stiff a troll, it’s not water under the bridge. Meanwhile, Granuaile is desperate to free herself of the Norse god Loki’s mark and elude his powers of divination—a quest that will bring her face-to-face with several Slavic nightmares. As Atticus globetrots to stop his nemesis Theophilus, the journey leads to Rome. What better place to end an immortal than the Eternal City? But poetic justice

won't come without a price: In order to defeat Theophilus, Atticus may have to lose an old friend. Don't miss any of Kevin Hearne's phenomenal Iron Druid Chronicles novels: HOUNDED | HEXED | HAMMERED | TRICKED | TRAPPED | HUNTED | SHATTERED | STAKED Praise for Kevin Hearne and The Iron Druid Chronicles "[The Iron Druid books] are clever, fast paced and a good escape."—Jason Weisberger, Boing Boing "Celtic mythology and an ancient Druid with modern attitude mix it up in the Arizona desert in this witty new fantasy series."—Kelly Meding, author of Chimera "Outrageously fun."—The Plain Dealer, on Hounded "Superb . . . plenty of quips and zap-pow-bang fighting."—Publishers Weekly (starred review), on Hounded "Exciting . . . [Atticus] is one of the best main characters currently present in the urban fantasy genre."—Fantasy Book Critic, on Tricked "Funny, razor-sharp . . . plenty of action, humor, and mythology."—Booklist (starred review), on Shattered

of his kingdom. Protected for millennia by the heirs of the first king, the kingdom's dynasty nears its end and the selection of the new king begins--but in secret and shadow. As danger mounts, Errol must leave behind the stains and griefs of the past, learn to fight, and discover who is hunting him and his companions and how far they will go to stop the reading of the stones. "With an engaging, imaginative world that bristles with danger, characters that keep you guessing, and a story that sticks with you, A Cast of Stones will keep you devouring pages until the very end. I highly recommend it!" --John W. Otte, author of Failstate "Carr's debut, the first in a series, is assured and up-tempo, with much to enjoy in characterization and description--not least the homely, life-as-lived details." -Publishers Weekly This fast-paced fantasy debut set in a medieval world is a winner. Both main and secondary characters are fully drawn and endearing, and Errol's transformation from drunkard to hero is well plotted. Carr is a promising CF author to watch. Fans of epic Christian fantasies will enjoy discovering a new voice. "Like the preceding series title, Inescapable, this tale of suspense offers a colorful cast of characters, small-town drama, and a hint of romance. A sure bet for fans of Hannah Alexander." --Library Journal "[Good fantasy books] have to be excellent. Good storytelling and exceptional characters with circumstances that are easy enough to follow and wrap your brain around but keep you entertained and guessing Cast of Stones has found itself firmly in that list of books. I absolutely, one hundred percent loved this book." --Radiant Lit

The Hedgewitch Queen The Bandit King Blood Call (coming August 2015)

Faerie Blood

Take a wonderfully crazed excursion into the demented heart of a tropical paradise—a world of cargo cults, cannibals, mad scientists, ninjas, and talking fruit bats. Our bumbling hero is Tucker Case, a hopeless geek trapped in a cool guy's body, who makes a living as a pilot for the Mary Jean Cosmetics Corporation. But when he demolishes his boss's pink plane during a drunken airborne liaison, Tuck must run for his life from Mary Jean's goons. Now there's only one employment opportunity left for him: piloting shady secret missions for an unscrupulous medical missionary and a sexy blond high priestess on the remotest of Micronesian hells. Here is a brazen, ingenious, irreverent, and wickedly funny novel from a modern master of the outrageous.

A Brush of Darkness

The first book in the Miriam Black series: “A sassy, hard-boiled thriller with a paranormal slant” (The Guardian) about a young woman who can see the darkest corners of the future. Miriam Black knows how you’re going to die. This makes her daily life a living hell, especially when you can’t do anything about it, or stop trying

to. She's foreseen hundreds of car crashes, heart attacks, strokes, and suicides. She merely needs to touch you—skin to skin contact—and she knows how and when your final moments will occur. Miriam has given up trying to save people; that only makes their deaths happen. But then she hitches a ride with Louis Darling and shakes his hand, and she sees in thirty days that Louis will be murdered while he calls her name. Louis will die because he met her, and Miriam will be the next victim. No matter what she does she can't save Louis. But if she wants to stay alive, she'll have to try. "Think Six Feet Under co-written by Stephen King and Chuck Palahniuk" (SFX), and you have *Blackbirds*: a visceral, exciting novel about life on the edge.

Double Dead

For readers of Brent Weeks, Joe Abercrombie, Peter V. Brett, and Scott Lynch comes the first book in a fantastic, hilarious new sword-and-sorcery series that puts a clever new twist on the golden age of epic fantasy. Robbing tombs for fun and profit might not be a stable career, but Egil and Nix aren't in it for the long-term prospects. Egil is the hammer-wielding warrior-priest of a discredited god. Nix is a roguish thief with just enough knowledge of magic to conjure up trouble. Together, they seek riches and renown, yet often find themselves enlisted in lost causes—generally against their will. So why should their big score be any different? The trouble starts when Nix and Egil kill the demonic guardian of a long-lost crypt,

nullifying an ancient pact made by the ancestors of an obscenely powerful wizard. Now the wizard will stop at nothing to keep that power from slipping away, even if it means freeing a rapacious beast from its centuries-old prison. And who better than Egil and Nix—the ones responsible for his current predicament—to perform this thankless task? Praise for *The Hammer and the Blade* and Paul S. Kemp “A gripping tale [with] the feeling of a classic *Dungeons & Dragons* campaign.”—*Publishers Weekly* “Most heroes work up to killing demons. Egil and Nix start there and pick up the pace.”—Elaine Cunningham, author of the *Thorn Trilogy* “Kemp delivers sword and sorcery at its rollicking best, after the fashion of Fritz Leiber’s *Fafhrd and the Gray Mouser*.”—*Library Journal*

The Blue Blazes

Blood will water the corn It's been a year since the Saranyu flotilla fell from the sky, and life in the Heartland has changed. Gone are the Obligations and the Harvest Home festivals. In their place is a spate of dead towns, the former inhabitants forced into mechanical bodies to serve the Emyrean—and crush the Heartland. When Cael awakens from a Blightborn sleep, miles away from the world he remembers, he sets out across the Heartland to gather his friends for one last mission. As the mechanicals, a war flotilla, and a pack of feral Emyrean girls begin to close in on the Heartland, there isn't much time to make their next move. But if they can uncover a secret weapon in time, Cael and his friends might just find themselves with the power to save the world—or destroy it—resting in their hands.

Acting White

In the tradition of Randall Kennedy's *Nigger* and Shelby Steele's *The Content of Our Character*, *Acting White* demonstrates how the charge that any African-American who is successful, well mannered, or well educated is "acting white," is a slur that continues to haunt blacks. Ron Christie traces the complex history of the phrase,

Where To Download Blackbirds Miriam Black 1 Chuck Wendig

from Uncle Tom's Cabin to the tensions between Martin Luther King, Jr., and Malcolm X to Bill Cosby's controversial NAACP speech in 2004. The author also writes candidly of being challenged by black students for his "acting white," and also of being labeled a race traitor in Congress by daring to be Republican. This lucid chronicle reveals how this prevalent put-down sets back much of the hard-earned progress for all blacks in American society. Deftly argued and determinedly controversial, this book is certain to spur thoughtful discussion for years to come.

John Dies at the End

Kendis Thompson of Seattle thinks she's as normal as the next computer geek, and up till now, she's been right. But her world is about to turn on its ear, for she is the daughter of a Seelie Court mage and her mortal husband—and her faerie blood is awakening. Suddenly the city she's known all her life is transforming before her eyes. Trolls haunt the bike trails. Fairies and goblins run loose in the streets. An old woman who is not what she seems and a young wanderer running from his past stand ready to defend Seattle—and Kendis—from magical assault. She will need those allies, for the power rising within her is calling her fey kin to the Emerald City to find her. And kill her.

Miriam Black is trying to live an ordinary life, keeping her ability to see how someone dies hidden until a serial killer crosses her path. This is the second book in the Miriam Black series. “Visceral and often brutal, this tale vibrates with emotional rawness that helps to paint a bleak, unrelenting picture of life on the edge.” —Publishers Weekly Miriam is trying. Really, she is. But this whole “settling down thing” just isn’t working out. She lives on Long Beach Island all year in a run-down, double-wide trailer. She works at a grocery store as a checkout girl. And her relationship with Louis—who’s on the road half the time in his truck—is subject to the mood swings Miriam brings to everything she does. It just isn’t going well. Still, she’s keeping her psychic ability—to see when and how someone is going to die just by touching them—in check. But even that feels wrong somehow. Like she’s keeping a tornado stopped up in a tiny bottle. Then comes the one bad day that turns it all on her ear.

Damn Fine Story

In the fourth installment of the Miriam Black series, Miriam heads to the southwest in search of another psychic who may be able to help her understand her curse, but instead finds a cult of domestic terrorists and the worst vision of death she's had yet. Miriam is becoming addicted to seeing her death visions, but she is also trying out something new: Hope. She is in search of another psychic who can help her with her curse, but instead finds a group of domestic terrorists in her deadliest vision to date.

Island of the Sequined Love Nun

In the Zombie apocalypse the last Vampire on Earth has a hell of time keeping his food alive. Coburn's been dead now for close to a century, but seeing as how he's a vampire and all, it doesn't much bother him. Or at least it didn't, not until he awoke from a forced five-year slumber to discover that most of human civilization was now dead—but not dead like him, oh no. See, Coburn likes blood. The rest of the walking dead, they like brains. He's smart. Them, not so much. But they

Where To Download Blackbirds Miriam Black 1 Chuck Wendig

outnumber him by about a million to one. And the clotted blood of the walking dead cannot sustain him. Now he's starving. And nocturnal. And more pissed-off than a bee-stung rattlesnake. The vampire not only has to find human survivors (with their sweet, sweet blood), but now he has to transition from predator to protector—after all, a man has to look after his food supply.

The Harvest

"What do Luke Skywalker, John McClane, and lonely dog on Ho'okipa Beach have in common? Simply put, we care about them. Great storytelling is making readers care about your characters, the choices they make, and what happens to them. It's making your audience feel the tension and emotion of a situation right alongside your protagonist. And to tell a damn fine story, you need to understand why and how that caring happens"--Back cover.

Complete Double Dead

From indie horror author and bestselling sensation Ania Ahlborn, this brand-new supernatural thriller questions: how far would you go for success, and what would you be capable of if the promise of forever was real? With his marriage on the rocks and his life in shambles, washed up crime writer Lucas Graham is desperate

for a comeback. So when he's promised exclusive access to notorious cult leader and death row inmate Jeffrey Halcomb, the opportunity is too good to pass up. Lucas leaves New York for the scene of the crime—a split-level farmhouse on the gray-sanded beach of Washington State—a house whose foundation is steeped in the blood of Halcomb's diviners; runaways who, thirty years prior, were drawn to his message of family, unity, and unconditional love. Lucas wants to tell the real story of Halcomb's faithful departed, but when Halcomb goes back on his promise of granting Lucas exclusive information on the case, he's left to put the story together on his own. Except he is not alone. For Jeffrey Halcomb promised his devout eternal life...and within these walls, they're far from dead.

Mockingbird

First in the ghostly urban fantasy series by New York Times bestselling author Daniel José Older “Because I’m an inbetweener—and the only one anyone knows of at that—the dead turn to me when something is askew between them and the living. Usually, it’s something mundane like a suicide gone wrong or someone revived that shouldn’ta been.” Carlos Delacruz is one of the New York Council of the Dead’s most unusual agents—an inbetweener, partially resurrected from a death he barely recalls suffering, after a life that’s missing from his memory. He thinks he is one of a kind—until he encounters other entities walking the fine line between life and death. One inbetweener is a sorcerer. He’s summoned a horde of

But in uncovering this man's identity, Carlos confronts the truth of his own life—and death....

City of the Lost

“Think Thomas Harris’ Will Graham and Clarice Starling rolled into one and pitched on the knife’s edge of a scenario that makes Jurassic Park look like a carnival ride. Another rip-roaring, deeply paranoid thriller about the reasons to fear the future.” -- Kirkus Reviews (starred review) Hannah Stander is a consultant for the FBI—a futurist who helps the Agency with cases that feature demonstrations of bleeding-edge technology. It’s her job to help them identify unforeseen threats: hackers, AIs, genetic modification, anything that in the wrong hands could harm the homeland. Hannah is in an airport, waiting to board a flight home to see her family, when she receives a call from Agent Hollis Copper. “I’ve got a cabin full of over a thousand dead bodies,” he tells her. Whether those bodies are all human, he doesn’t say. What Hannah finds is a horrifying murder that points to the impossible—someone weaponizing the natural world in a most unnatural way. Discovering who—and why—will take her on a terrifying chase from the Arizona

The Return of the Incredible Exploding Man

"David Wong has updated the Lovecraft tradition and infused it with humor that rather than lessening the horror, increases it dramatically. Every time I set the book down down, I was wary that something really was afoot, that there were creatures I couldn't see, and that because I suspected this, I was next. Engaging, comic, and terrifying." -- Joe Garden, Features Editor, The Onion "Wong is like a mash-up of Douglass Adams and Stephen King 'page-turner' is an understatement." --Don Coscarelli, director, Phantasm I-V, Bubba Ho-tep "That rarest of things--a genuinely scary story."--David Wellington, author of Monster Island, Vampire Zero "JOHN DIES AT THE END has a cult following for a reason: it's horrific, thought-provoking, and hilarious all at once. Within These Walls

Dead Things

Stephen Blackmoore's dark urban fantasy series follows necromancer Eric Carter through a world of vengeful gods and goddesses, mysterious murders, and restless ghosts. Necromancer is such an ugly word, but it's a title Eric Carter is stuck with. He sees ghosts, talks to the dead. He's turned it into a lucrative career putting troublesome spirits to rest, sometimes taking on even more dangerous things. For a fee, of course. When he left LA fifteen years ago, he thought he'd never go back.

Where To Download Blackbirds Miriam Black 1 Chuck Wendig

Too many bad memories. Too many people trying to kill him. But now his sister's been brutally murdered and Carter wants to find out why. Was it the gangster looking to settle a score? The ghost of a mage he killed the night he left town? Maybe it's the patron saint of violent death herself, Santa Muerte, who's taken an unusually keen interest in him. Carter's going to find out who did it, and he's going to make them pay. As long as they don't kill him first.

Vultures

You wouldn't like Coburn. People don't, as a rule; he's not a nice man. And that's okay, because he doesn't like people much either. People are food. You see, Coburn's a vampire, and has been for close on a century. Five years ago, Coburn went to sleep - wasn't exactly planned - and he's just woken up to find almost everybody in the world dead. And not cool, interesting dead like him; oh, no. Coburn looks basically human, and these guys really don't. He likes blood, and they like flesh. He's smart; them, not so much. But they outnumber him by about a million to one, and their clotted blood cannot sustain him. Now he's starving, on the run, and more pissed-off than a beestung rattlesnake.

Models for Writers

The award-winning and critically-acclaimed master of horror returns with a pair of chilling tales—both never-before-published in print—that examine the violence and depravity of the human condition. Bringing together his acclaimed novella *The Sea Dreams It Is the Sky* and an all-new short novel *My Heart Struck Sorrow*, John Hornor Jacobs turns his fertile imagination to the evil that breeds within the human soul. A brilliant mix of the psychological and supernatural, blending the acute insight of Roberto Bolaño and the eerie imagination of H. P. Lovecraft, *The Sea*

Dreams It Is the Sky examines life in a South American dictatorship. Centered on the journal of a poet-in-exile and his failed attempts at translating a maddening text, it is told by a young woman trying to come to grips with a country that nearly devoured itself. In My Heart Struck Sorrow, a librarian discovers a recording from the Deep South—which may be the musical stylings of the Devil himself. Breathtaking and haunting, A Lush and Seething Hell is a terrifying and exhilarating journey into the darkness, an odyssey into the deepest reaches of ourselves that compels us to confront secrets best left hidden.

Half-Resurrection Blues

This brilliant thriller, set in a parallel prohibition-era New York, follows detective Rad Bradbury as he discovers an open hole in reality that forces two universes to fight for survival. Original.

Wanderers

A decadent rock star. A deeply religious radio host. A disgraced scientist. And a teenage girl who may be the world's last hope. From the mind of Chuck Wendig comes "a magnum opus . . . a story about survival that's not just about you and me, but all of us, together" (Kirkus Reviews, starred review). NOMINATED FOR THE

BRAM STOKER AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • NPR • The Guardian • Kirkus Reviews • Publishers Weekly • Library Journal • Polygon Shana wakes up one morning to discover her little sister in the grip of a strange malady. She appears to be sleepwalking. She cannot talk and cannot be woken up. And she is heading with inexorable determination to a destination that only she knows. But Shana and her sister are not alone. Soon they are joined by a flock of sleepwalkers from across America, on the same mysterious journey. And like Shana, there are other “shepherds” who follow the flock to protect their friends and family on the long dark road ahead. For as the sleepwalking phenomenon awakens terror and violence in America, the real danger may not be the epidemic but the fear of it. With society collapsing all around them—and an ultraviolent militia threatening to exterminate them—the fate of the sleepwalkers depends on unraveling the mystery behind the epidemic. The terrifying secret will either tear the nation apart—or bring the survivors together to remake a shattered world. Praise for Wanderers “This career-defining epic deserves its inevitable comparisons to Stephen King’s *The Stand*.”—Publishers Weekly (starred review) “A suspenseful, twisty, satisfying, surprising, thought-provoking epic.”—Harlan Coben, #1 New York Times bestselling author of *Run Away* “A true tour de force.”—Erin Morgenstern, New York Times bestselling author of *The Night Circus* “A masterpiece with prose as sharp and heartbreaking as *Station Eleven*.”—Peng Shepherd, author of *The Book of M* “A magnum opus . . . It reminded me of Stephen King’s *The Stand*—but dare I say, this story is even
