Scripture teaches us that our daughters are gifts from God. Is this really true? In all seasons of life? The answer is yes. But sometimes we can miss this truth in the whirlwind of emotions, activities, peer pressure, and media influence. How can we raise strong girls when we feel so weak? The key is knowing this: as we are raising our daughters, our heavenly Father is raising us. He is using the challenges and joys of parenting to teach us about our own relationship with Him—to help us understand and receive His amazing love so that we can then lavish it on our daughters. So join us as we examine our lives, renew our minds, and embrace the responsibility and honor of parenting. Discover how to become strong and courageous parents being used by God to build strong and courageous daughters. Learn how to envision your daughter so that in all places, in all situations, and in all seasons she is sure of this: I am God's Girl!

When Girls Don't Tell a personal account of revictimization from child sexual abuse By Rev. Dr. Margaret Jamal "When Girls Don't Tell" is an accounting of revictimization told candidly by a female minister who was compelled to reveal her own past experiences after counseling so many young women and girls in recovery programs regarding sexual abuse that started from childhood. She found that sharing her experiences helped to loose the bondage of silence that was festering anger, frustration and destructive behaviors in many of those that she sought to help. "When Girls Don't Tell" sheds light on this growing problem (of child sexual abuse and revictimization) as well as offer solutions. It gives insight about some causes, symptoms and behaviors of those experiencing revictimization from child sexual abuse. This writing also addresses how many situations (of revictimization of child sexual abuse survivors) can be avoided altogether. In addition, "When Girls Don't Tell" includes a section called "My Time to Tell" that readers can use to begin writing their own journal towards the path to healing from abuse. It allows those who are ready to disclose, the opportunity to express their own experiences. This can greatly help with the process of healing. Who should buy this book? ***** Chapter 1 "Snakes in the Projects" WHEN GIRLS DON'T TELL (Poem excerpt) I. When girls don't tell, many times it is the shame Or because they cannot name the thing to tell. What is it called? II. When girls don't tell, it could be that they're afraid Not knowing what would then be said By the hearer of their terror III. When girls don't tell, it's not because they want to hide it It certainly isn't due to pride They feel so low and sometimes dirty IV. When girls don't tell, many times they fear rejection They are afraid of harsh correction That the hurter warned would come As much as I can recall my own revictimization experiences totaled nine times with nine different perpetrators from the age of four until I was twenty two years old. This writing explores the effects of several of those incidents.

Entrepreneurship isn't just about starting companies, Glangchai writes, it is a skillset and a way of thinking that is particularly useful in the fields of science, mathematics, engineering, and technology. Entrepreneurship involves identifying needs, brainstorming creative solutions, innovating, and taking calculated risks. In short, it's about having a vision and making it a reality. The true value in learning and practicing entrepreneurship, Glangchai argues, lies in nurturing and growing an overall mindset—the ability to learn from failure and to work well with others to bring your ideas to life. Deeply informative, warm, and grounded in real-world experience, VentureGirls includes a plethora of activities and lessons that focus on strengthening kids' ingenuity and resilience. VentureGirls is essential reading for anyone who wants to raise girls and young women who realize their strength, engage in the world, and feel empowered to make a positive impact.

The future welfare of both Church and state depends chiefly on the manner in which the rising generation is brought up, for if all parents were to give their children a good religious training, the future prosperity of both Church and state would be assured, because a good religious training will make children

good Christians, and, as experience proves, good Christians are always good citizens. In our "Popular Instructions on Marriage" we have briefly outlined the duties of parents in the bringing up of their children. In this little work we enter more fully into details, and clearly point out, almost step by step, the manner in which Christian parents should bring up their children from birth to the time when they embrace that state of life for which God has destined them may this little book prove useful in directing and assisting parents in the proper performance of the noble but difficult task of making their children exemplary Christians and virtuous citizens!

Briarwood Girls

When Ellen Mandel's friend underwent a double mastectomy for stage-two breast cancer, she needed all the support she could get. Ellen, ever caring, answered the call. Some send flowers to sick friends. Others (Ellen included) send teddy bears. But no one needs as many teddy bears as Ellen delivered, no matter how ridiculous their costumes might be. Realizing her friend was in danger of disappearing beneath an avalanche of plush toys, Ellen switched tactics and began sending funny stories instead. A cross between a clumsy Calamity Jane (yes, you read that right) and Gracie Allen, Ellen had plenty of material for her hilarious, life-affirming vignettes. She wrote of her wonderful (if slightly crazy) family and the trials of growing up as a young baby boomer. She sent reports on the antics of her grandchildren and her own attempts to survive as a self-confessed "technological imbecile" in the modern world. Mostly, she just made her friend laugh. Letters to Dr. Wiggly collects Ellen's tales into one funny, poignant, and always-loving collection. Walk a few miles in Ellen's shoes-the road's sometimes rocky, but the trip's always hilarious.
