#### **Origin**

From the grand majesty of the Breakers to the beautiful proportions of Rosecliff, these houses are enduring reminders of the architectural flowering of the Gilded Age. Where the salty air mingles with the far-off laughter of women in ball gowns, the houses of the Newport Cliff Walk preside in grandeur over the crashing waves below. Walking along the paved trail, it's easy to imagine the faintest hint of a waltz coming from the windows of Beechwood, or to envision the Duchess of Windsor's carriage arriving for a visit at Fairholme. Ed Morris takes you on a tour of twenty-four historic mansions and landmarks, entertaining along the way with tales of splendor and style, social maneuvering and matchmaking.

Pia has always known her destiny. She is meant to start a new race, a line of descendants who will bring an end to death. She has been bred for no other purpose, genetically engineered to be immortal and raised by a team of scientists in a secret compound hidden deep in the Amazon rainforest. Now those scientists have begun to challenge her, with the goal of training her to carry on their dangerous work. For as long as she can remember, Pia's greatest desire has been to fulfill their expectations. But then one night she finds a hole in the impenetrable fence that surrounds her sterile home. Free in the jungle for the first time in her life, Pia meets Eio, a boy from a nearby village. Unable to resist, she continues sneaking out to see him. As they fall in love, they begin to piece together the truth

about Pia's origin—a truth with nothing less than deadly consequences that will change their lives forever. Origin is a beautifully told, electric new way to look at an age-old desire: to live forever. But is eternal life worth living if you can't spend it with the one you love?

### **Life and Letters of James Hinton**

Swiss Vendetta, Tracee de Hahn's mesmerizing debut, is an emotionally complex, brilliantly plotted mystery set against the beautiful but harsh backdrop of a Swiss winter. Inspector Agnes Lüthi, a Swiss-American police officer in Lausanne, Switzerland, has just transferred to the Violent Crimes unit from Financial Crimes to try to shed all reminders of her old life following her husband's death. Now, on the eve of the worst blizzard Lausanne has seen in centuries, Agnes has been called to investigate her very first homicide case. On the lawn of the grand Château Vallotton, at the edge of Lac Léman, a young woman has been found stabbed to death. The woman, an appraiser for a London auction house, had been taking inventory at the château, a medieval fortress dripping in priceless works of art and historical treasures. Agnes finds it difficult to draw answers out of anyone—the tight-lipped Swiss family living in the château, the servants who have been loyal to

the family for generations, the aging WWII survivor who lives in the neighboring mansion, even the American history student studying at the Vallotton château's library. As the storm rages on, roads become impassible, the power goes out around Lausanne, and Agnes finds herself trapped in the candlelit halls of the château with all the players of the mystery, out of her depth in her first murder case and still struggling to stay afloat after the death of her husband.

### **Conquest of a Conspiracy**

Ancient Egypt, 51 B.C. Sisters Arsinoe and Cleopatra face a devastating choice: to allow Rome's army to siphon power from their ailing father, or to take matters-and the dynasty-into their own hands It's the dawn of a new era for Egypt as Cleopatra

and her brother, Ptolemy, are welcomed to the throne after their father's death. But joint rule breeds its own conflicts: can the Nile be shared? Long overlooked by his father in favor of the beguiling Cleopatra, Ptolemy is determined to prove his ability as both man and king-but, at eleven, he is no match for his elder sister, who's quick to assert her primacy throughout the land. Their sister Arsinoe is torn between her siblings in one of history's greatest power struggles. As the palace echoes with rumors, scandals and betrayal, Arsinoe's love for her childhood friend Alexander deepens into a forbidden passion that could endanger both their lives. When Cleopatra is forced to flee a rebel uprising, Arsinoe decides she has no choice but to follow her sister into exile. Yet while Cleopatra gathers an army to retake the crown, Arsinoe begins to doubt whether her sister is the champion Egypt needs. Faced with the choice of betraying her family or her country, Arsinoe will determine a kingdom's fate and the course of history. The BSAVA Manual of Rodents and Ferrets is a new title to the BSAVA range. The Manual is split into two distinct sections: the first part is dedicated to rodents covering biology, husbandry and clinical techniques, as well as the diseases particular to these animals. The second part of the Manual is devoted to ferrets and discusses biology, husbandry and clinical techniques, and diseases by body system. Coverage includes main disease conditions as well as medicine and surgery. The straightforward and clinical approach ensures that veterinarians in practice will find it useful as a general reference text.

Bestselling Author Offers Women New Insights into the Confusing Inner World of Men It's the rare woman who isn't perplexed by her husband. What's going on inside his man-brain? What secrets is he keeping? What is he afraid of? Why is he so obsessed with (fill-in-the-blank)? Why do men see things so differently? And what about his spiritual life (or lack of it)? David Murrow leads women on a groundbreaking tour of a man's heart, mind, and soul. More than just a book about what men think, it explores the deep forces that determine what they say, do, and believe--secrets most men do not give voice to. Readers will be surprised, fascinated, and encouraged by what they find.

### **Latter-day Lyrics**

One of the world's great folk story-cycles adapted for the stage by leading theatre maker Tim Supple, from the stories written by the seminal Lebanese novelist Hanan al-Shaykh. This unique edition will unlock the ancient tales for a new generation of readers and performers. Written by Arabic writers from tales gathered in India, Persia and across the great Arab Empire, the One Thousand and One Nights are the never-ending stories told by Shahrazad night after night, under sentence of death, to the king Shahrayar who has vowed to marry a virgin every night and kill her in the morning. Shahrazad prolongs her life by keeping the King engrossed in a web of stories that never ends - a fascinating kaleidoscope of life, love and destiny. The tales that unfold are erotic, violent, supernatural and endlessly surprising. The web of tales woven by Shahrazad were exoticised and bowdlerised in the West under the title of the Arabian Nights. This adaptation unearths the true character of One Thousand and One Nights as it is in the oldest Arabic manuscripts. In turns erotic, brutal, witty, poetic and complex, the tales tell of love and marriage, power and punishment, rich and poor, and the endless trials and uncertainties of fate. The great cities and thriving trade routes of the Islamic world provide the setting for these stories that employ supernatural mystery and intense realism to portray the deep and endless drama of human experience.

After Edwy is smuggled off to Refuge City to stay with his brother and sister, Rosi, Bobo, and Cana are stuck alone—and in danger—in Cursed Town in the thrilling follow-up to *Children of Exile* from New York Times bestselling author, Margaret Peterson Haddix. It's been barely a day since Edwy left Fredtown to be with his parents and, already, he is being sent away. He's smuggled off to boarding school in Refuge City, where he will be with his brother and sister, who don't even like him very much. The boarding school is nothing like the school that he knew, there's no one around looking up to him now, and he's still not allowed to ask questions!

Alone and confused, Edwy seeks out other children brought back from Fredtown and soon discovers that Rosi and the others—still stuck in the Cursed Town—might be in danger. Can Edwy find his way back to his friends before it's too late?

## The Calamities of Jane

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Western literary study flows out of eighteenth-century works by Alexander Pope, Daniel Defoe, Henry Fielding, Frances Burney, Denis Diderot, Johann Gottfried Herder, Johann Wolfgang von Goethe, and others. ### **God Is Order Not Out of Order**

Charlie Wales is a young man who wants everything. Fresh from University he's seduced by the excitement of a new life in London that promises sex, sophistication and lots of money. There's Vero, the beautiful French girl who might finally fall for him. Unemployed, there's the lure of art but also the promise of fast money in the City. And his friends are all spiralling into a world of drink, drugs and selfish greed. But as the choices begin to tear him apart, there's also the danger that all the things he desires are on the brink of crashing around him This debut novel, written by a 30-year-old bond trader, does not merely pick over the carcass of the financial markets in the wake of the recent crash. It is also a heartbreaking love story, a withering study of the years of excess, and a touching contemplation of how good people end up doing terrible things.

### **Flat Tip Screwdrivers**

Once upon a time, the name Baghdad conjured up visions of the most magical, romantic city on earth, where flying carpets carried noble thieves off on wonderful

adventures, and vicious viziers and beautiful princesses mingled with wily peasants and powerful genies. This is the world of the Arabian Nights, a magnificent collection of ancient tales from Arabia, India, and Persia. The tales - often stories within stories - are told by the sultana Scheherazade, who relates them as entertainments for her jealous and murderous husband, hoping to keep him amused and herself alive. Though early Islamic critics condemned the tales' 'vulgarity' and worldliness, the West has admired their robust, bawdy humour and endless inventiveness since the first translations appeared in Europe in the eighteenth century. Today these stories stand alongside the fables of Aesop, the fairy tales of the Brothers Grimm, and the folklore of Hans Christian Andersen as some of the Western literary tradition's most-quoted touchstones.
