The Canine Handbooks is the leading series of dog breed manuals, here are a few reviews: "This is a very complete & comprehensive book about French bulldogs. I would highly recommend this book to new puppy owners & people wishing to learn more about the breed," SUSAN SIMON, Secretary, FRENCH BULL DOG CLUB OF AMERICA (French Bulldog Handbook) "This book is well written, easy to follow. You can jump to issues you may have or read it cover to cover. It is a book that you will go back to over and over. It covers everything; well worth buying," MARY GOSLING, Founder, BRITISH COCKAPOO SOCIETY (Cockapoo Handbook) "Brilliant book! There is everything you need to know about Schnauzers in this book, truly a great insight into these beautiful dogs from start to finish," G.M. HICKEY, LONDON, UK (Schnauzer Handbook) "An EXCELLENT BOOK, well written & informative, an absolute must-have. Very breed specific, unlike lots of other books, this has been written by someone who knows the breed. If you are thinking of getting a Pug you need this book, 10/10," D. REVIEWS FOR THE CAVALIER KING CHARLES SPANIEL HANDBOOK: "The essential guide book for Cavalier owners. So much is covered within the pages

of this book," DENNIS HOMES, breeder of two AKC Champions & UK Top Cavalier 2017. "This is the very best book about dogs that I have ever read. It is full of practical tips, advice and information," P.H., UK "I typically find that I am underwhelmed at the generalization within the Cavalier King Charles Spaniel books (I own many). As a Cavvy lover (pet owner and breeder), I am impressed! Linda Whitwam has done thorough research and quotes people worldwide, owners and breeders alike. She is obviously as taken with this breed as am I and wants to help all of us with the LONGEVITY of these precious furever puppy-dogs! The latest research is added (vaccines/food/exercise) as well as "HOW TO's" throughout the book, not to mention the many pictures, which are incredibly helpful to all of us. I will use this as an ongoing resource within my Kennel and recommend to adoptive parents alike." JINA EZELL, top USA breeder. "What a wonderfully comprehensive guide to the Cavalier King Charles Spaniel as a breedFor anyone considering keeping a cavalier then I would recommend this as an absolute bible," MISS L. EVANS, UK "Excellent advice book for any cavalier owner - worthwhile investing," SAMANTHA, AUSTRALIA

Introducing Microsoft Power BI

This is a comprehensive guide to the Cavalier King Charles Spaniel. John Evans presents a history of the breed and basic genetics before offering sound advice on buying, feeding, training, showing, breeding, and health care. Throughout, the emphasis is on the sensitivity of the breed and he advocates the use of herbal and homoeopathic remedies for ailments wherever possible. There is also a very useful section on keeping Cavaliers in kennels.

Brittanys

With the confidence and personality of a dog many times his size, the Cavalier King Charles Spaniel is one of the world's most beloved toy breeds, continuing to rank as the most popular toy breed in his land of origin, "that sceptered isle," England. Author Juliette Cunliffe, a British dog specialist, well describes this charming and elegant purebred dog in this

Comprehensive Owner's Guide, beginning with the breed's history and development in the U.K. and tracing the Cav to the U.S., where it has become a favorite choice as a purebred pet. The chapter on characteristics includes a discussion of the breed's physical traits, IQ, health considerations, and personality. New owners will welcome the well-prepared chapter on finding a reputable breeder and selecting a healthy, sound puppy. Chapters on puppy-proofing the home and yard, purchasing the right supplies for the puppy as well as house-training, feeding, and grooming are illustrated with photographs of handsome adults and puppies. In all, there are over 135 full-color photographs in this useful and reliable volume. The author's advice on obedience training will help the reader better mold and train into the most well-mannered dog in the neighborhood. The extensive and lavishly illustrated chapter on healthcare provides up-to-date detailed information on selecting a qualified veterinarian, vaccinations, preventing and dealing with parasites, infectious diseases, and more. Sidebars throughout the text offer helpful hints, covering topics as diverse as historical dogs, breeders, or kennels, toxic plants, first aid, crate training, carsickness, fussy eaters, and parasite control. Fully indexed.

Cavalier King Charles Training

The Cavalier King Charles Spaniel looks about as royal as it sounds with its long, silky coat and feathered ears and feet. This beautiful breed will win you over with its playful spirit and loyal companionship. The

Cavalier is devoted to its owner and is generally very friendly, affectionate and eager to please. Good with children and other dogs, Cavaliers make wonderful family pets and excellent companions for the elderly. While their easy-going personalities make them expert lap dogs, they aren't quite as adept at being guard dogs and will probably greet any intruder with a friendly tail wag. This guide will walk you through the in's and out's of owning this phenomenal breed. Whether you're someone playing with the idea of getting a Cavalier, or have already embarked on your journey with your pup, this guide will offer an insight into how to create a happy and fulfilling life for you and your CKCS. This book will answer all your questions such as: Is a Cavalier King Charles Spaniel the right dog for me? I brought my Cav home. What now? How can I successfully train my Cavalier? What are some common mistakes should I avoid? Whether you are a long-time owner or considering bringing a Cavalier into your home for the first time, this book will guide you through any questions you may have. Learn the fascinating history of this breed and why it has been a favorite of royal families throughout history. Discover how they interact with each other and their owners and why proper nutrition is so essential to the well-being of your dog. Learn the basics of care and the proper way to puppy-proof your home, both indoor and outdoor, to keep your Cavalier safe from harm. Chapters topics cover in this book include: Cavalier King Charles Spaniel Breed History Choosing Your Cavalier Preparing For Your Cavalier Bringing Home Your CKCS Being a Puppy Parent Potty Training Your Cavalier Socializing Your Cavalier Cavaliers and Your Other Pets Exercising

The Parrotlet, or Pocket Parrot, is indigenous to regions of Central and South America, Mexico, and the Caribbean Islands. Their natural habitats are diverse, ranging from forests to semi-arid regions. They are the smallest parrot species in the world and are characterised by their beautiful plumage and big personalities! This book will introduce you to the various species of these pint-sized parrots by discussing their appearance and biology, typical behaviour, reproduction and breeding, their feeding needs, socialisation and bonding, how to (try to) train them, and what makes these feathery bundles of energy entertaining and unique. It will also tell you what you need to know in order to decide whether or not this is the pet for you and, if it is, where to buy one, how to select your bird or birds, what you need to buy before you bring it home, and how to take proper care of it. The owner must know what Parrotlets require with regards to their environment. The cage and the necessary equipment is examined in this book as these all impact on the health and happiness of captive birds, especially active and intelligent ones like these. The Parrotlet is susceptible to the same bacterial, viral, parasitic and fungal infections and infestations that other birds may contract. Anyone who is serious about owning one needs to know what to look for and how to deal with common conditions. There is also information about

diseases one can catch from a parrot. Covered in this book: - Appearance - Basics - Behaviour - Biology - Bonding - Buying - Cages - Costs - Different types - Diseases - Environment - Feeding - Health - Hygiene - Personality - Reproduction - Settling in - Socialisation - Training . and much more
