### The 4 Dreams of Miss X

A QUICK READ - part of the WORLD BOOK DAY 2009 literacy initiative for emergent readers. March 1928. Freddie Smith is on a motoring holiday in the mountains of south west France. He is caught in a violent storm and his car crashes. He is forced

to seek shelter in a boarding house in the nearby village of Axat. There he meets another guest in the tiny hotel, a pale and beautiful young woman called Marie. As the storm rages outside, she explains how the region was ripped apart by wars of religion in the 14th century. She tells how, one terrible night in March 1328, all the inhabitants of Axat were forced to flee from the soldiers into the mountains. The villagers took refuge in a cave, but when the fighting was over, no one came back. Their bodies were never found. Axat itself became a ghost town. When Freddie wakes the following morning, Marie has gone. Worse still, his car will take several days to repair and he has to stay at the boarding house for a few days more. To pass the time, he explores the mountains. Then he realises it is almost 600 years to the day since the villagers disappeared. He decides to go and look for the cave himself. Perhaps, he thinks, he might even find Marie? It is a decision he will live to regret.

de Beynac the Papal Inquisitor will not stop until their villages are burned and the streets run scarlet with their blood. India Serras, the last surviving Cathar knows this better than most, for she protects a treasure so precious the Vatican would kill to destroy it. Renier is well aware of the legend of the treasure of Montségur and will stop at nothing to find India, steal the treasure and use this ultimate power for his own dangerous secrets. For the second time in her life, fate intervenes. Jourdain LeTardif a poor merchant wounded in the dark streets of Carcassonne, collapses at India's doorstep. Against all odds, she realizes who he is, the untold circumstances of his birth and the events that will ultimately change both their lives. India will face her greatest challenge and Jourdain will forever bind his fate to a stranger's and in doing so will discover his own true purpose. A page-turning novel about one of the most intriguing periods of history, characters come alive in a tale of love, evil, heresy and destiny against the fascinating historical backdrop of the turbulent 13th Century.

### **Crucifix Lane**

From the New York Times bestselling author of Labyrinth-"a rich brew of supernaturalism and intrigue."(Kirkus Reviews) In 1891, young Léonie Vernier and her brother arrive at the home of their widowed aunt in Rennes-le-Bains, in southwest France. But nothing is as Léonie had imagined. Their aunt is young, willowy, and beautiful, and the estate is a subject of local superstition. Villagers claim that Léonie's late uncle died after summoning a demon from the old Visigoth sepulchre on its grounds More than a century later, Meredith Martin, an American graduate student, arrives in Rennes-le- Bains while researching the life of Claude Debussy. Haunted by a Tarot reading she had in Paris-and possessing the mysterious deck of cards-she checks into a grand old hotel built on the site of a famous mountain estate destroyed by fire in 1896. There, the pack of Tarot cards and a piece of 19th-century music known as Sepulchre 1891 hold the key to her

### **Death and Representation**

This gothic classic, “The Turn of the Screw” is one of the most famous ghost stories of all time. On Christmas Eve, Douglas reads a manuscript written by a former acquaintance, the governess, whom Douglas claims to have known and who is now dead. The manuscript tells the story of how the young governess is hired by a man who has become responsible for his young nephew and niece after the tragic deaths of their parents. He is uninterested in raising the children. The governess’s new employer gives her full responsibility for the young siblings and explicitly states that he is not to be bothered with communications of any sort. Set in a remote estate this critically acclaimed novella tells the tale of a governess who, looking after two children, becomes convinced that the grounds are haunted. This story has been adapted many times for film and television, most recently in *The Turning* (2020). Famed for its ability to create an intimate sense of confusion and suspense, this novella is a must-read for all horror and ghost story fans.

### **Becoming a Mother**

From the author of the beloved Josephine B. Trilogy, comes a spellbinding novel inspired by the true story of a young woman who rises from poverty to become confidante to the most powerful, provocative and dangerous woman in the 17th century French court: the mistress of the charismatic Sun King. 1660, Paris

Claudette's life is like an ever-revolving stage set. From an impoverished childhood wandering the French countryside with her family's acting troupe, Claudette finally witnesses her mother's astonishing rise to stardom in Parisian theaters. Working with playwrights Corneille, Molière and Racine, Claudette's life is culturally rich, but like all in the theatrical world at the time, she's socially scorned. A series of chance encounters gradually pull Claudette into the alluring orbit of Athénaïs de Montespan, mistress to Louis XIV and reigning "Shadow Queen." Needing someone to safeguard her secrets, Athénaïs offers to hire Claudette as her personal attendant. Enticed by the promise of riches and respectability, Claudette leaves the world of the theater only to find that court is very much like a stage, with outward shows of loyalty masking more devious intentions. This parallel is not lost on Athénaïs, who fears political enemies are plotting her ruin as young courtesans angle to take the coveted spot in the king's bed. Indeed, Claudette's "reputable" new position is marked by spying, illicit trysts and titanic power struggles. As Athénaïs, becomes ever more desperate to hold onto the King's favor, innocent love charms move into the realm of deadly Black Magic, and Claudette is forced to

consider a move that will put her own life—and the family she loves so dearly—at risk. Set against the gilded opulence of a newly-constructed Versailles and the War of Theaters, *THE SHADOW QUEEN* is a seductive, gripping novel about the lure of wealth, the illusion of power, and the increasingly uneasy relationship between two strong-willed women whose actions could shape the future of France.

### **Somewhere in the Middle of Eternity**

Weaving together the uneasy meeting of two cultures, *The Pagoda Tree* is a captivating story of love, loss and fate. Tanjore, 1765. Maya plays among the towering granite temples of this ancient city in the heart of southern India. Like her mother before her, she is destined to become a devadasi, a dancer for the temple. She is instructed in dance, the mystical arts and lovemaking. It is expected she will be chosen as a courtesan for the prince himself. But as Maya comes of age, India is on the cusp of change and British dominance has risen to new heights. The prince is losing his power and the city is sliding into war. Maya is forced to flee her ancestral home, and heads to the bustling port city of Madras, where East and West collide. Maya captivates all who watch her dance. Thomas Pearce, an ambitious young Englishman who has travelled to India to make his fortune, is entranced from the moment he first sees her. But their love is forbidden, and comes at enormous cost. ### **I Am Heathcliff: Stories Inspired by Wuthering Heights**

The United States Congress in 1929 passed legislation to fund travel for mothers of the fallen soldiers of World War I to visit their sons' graves in France. Over the next three years, 6,693 Gold Star Mothers made the trip. In this emotionally charged, brilliantly realized novel, April Smith breathes life into a unique moment in American history, imagining the experience of five of these women. They are strangers at the start, but their lives will become inextricably intertwined, altered in indelible ways. These very different Gold Star Mothers travel to the Meuse-Argonne American Cemetery to say final good-byes to their sons and come together along the way to face the unexpected: a death, a scandal, and a secret revealed. None of these pilgrims will be as affected as Cora Blake, who has lived almost her entire life in a small fishing village off the coast of Maine, caring for her late sister's three daughters, hoping to fill the void left by the death of her son,

Sammy, who was killed on a scouting mission during the final days of the war. Cora believes she is managing as well as can be expected in the midst of the Depression, but nothing has prepared her for what lies ahead on this unpredictable journey, including an extraordinary encounter with an expatriate American journalist, Griffin Reed, who was wounded in the trenches and hides behind a metal mask, one of hundreds of “tin noses” who became symbols of the war. With expert storytelling, memorable characters, and beautiful prose, April Smith gives us a timeless story, by turns heartwarming and heartbreaking, set against a footnote of history--little known, yet unforgettable. Katherine Neville’s groundbreaking novel, *The Eight*, dazzled audiences more than twenty years ago and set the literary stage for the epic thriller. A quest for a mystical chess service that once belonged to Charlemagne, it spans two centuries and three continents, and intertwines historic and modern plots, archaeological treasure hunts, esoteric riddles, and puzzles encrypted with clues from the ancient past. Now the electrifying global adventure continues, in Neville’s long anticipated sequel: *THE FIRE* 2003, Colorado: Alexandra Solarin is summoned home to her family’s ancestral Rocky Mountain hideaway for her mother’s birthday. Thirty years ago, her parents, Cat Velis and Alexander Solarin, believed that they had scattered

the pieces of the Montglane Service around the world, burying with them the secrets of the power that comes with possessing it. But Alexandra arrives to find that her mother is missing and that a series of strategically placed clues, followed swiftly by the unexpected arrival of a mysterious assortment of houseguests, indicates that something sinister is afoot. When she inadvertently discovers from her aunt, the chess grandmaster Lily Rad, that the most powerful piece of Charlemagne's service has suddenly resurfaced and the Game has begun again, Alexandra is swept into a journey that takes her from Colorado to the Russian wilderness and at last into the heart of her own hometown: Washington D.C. 1822, Albania: Thirty years after the French Revolution, when the chess service was unearthed, all of Europe hovers on the brink of the War of Greek Independence. Ali Pasha, the most powerful ruler in the Ottoman Empire, has angered the sultan and is about to be attacked by Turkish forces. Now he sends the only person he can rely upon—his young daughter, Haidee—on a dangerous mission to smuggle a valuable relic out of Albania, through the mountains and over the sea, to the hands of the one man who might be able to save it. Haidee's journey from Albania to Morocco to Rome to Greece, and into the very heart of the Game, will result in revelations about the powerful chess set and its history that will lead at last to the spot where the service was first created more than one thousand years before: Baghdad. Blending exquisite prose and captivating history with nonstop suspense, Neville again weaves an unforgettable story of peril, action, and intrigue. From the Hardcover edition.

### **The Burning Chambers**

This edited volume draws historians and anthropologists together to explore the contested worlds of epidemic corpses and their disposal. Why are burials so frequently at the center of disagreement, recrimination and protest during epidemics? Why are the human corpses produced in the course of infectious disease outbreaks seen as dangerous, not just to the living, but also to the continued existence of society and civilization? Examining cases from the Black Death to Ebola, contributors challenge the predominant idea that a single, universal framework of contagion can explain the political, social and cultural importance and impact of the epidemic corpse.

through the church doors. Alone in the crowd is Constantia Gifford, the taxidermist's daughter. Twenty-two and unmarried, she lives with her father on the fringes of town, in a decaying mansion cluttered with the remains of his once world-famous museum of taxidermy. No one speaks of why the museum was shuttered or how the Giffords fell so low. Connie herself has no recollection—a childhood accident has erased all memory of her earlier days. Even those who might have answers remain silent. The locals shun Blackthorn House, and the strange spinster who practices her father's macabre art. As the last peal of the midnight bell fades to silence, a woman is found dead—a stranger Connie noticed near the church. In the coming days, snippets of long lost memories will begin to tease through Connie's mind, offering her glimpses of her vanished years. Who is the victim, and why has her death affected Connie so deeply? Why is she watched by a mysterious figure who has suddenly appeared on the marsh nearby? Is her father trying to protect her with his silence—or someone else? The answers are tied to a dark secret that lies at the heart of Blackthorn House, hidden among the bell jars of her father's workshop—a mystery that draws Connie closer to danger . . . closer to madness . . . closer to the startling truth.

By the time dawn breaks, Freddie will have unearthed a tragic mystery that goes back through the centuries, and discovered his own role in the life of this old remote town. By turns thrilling, poignant, and haunting, this is a story of two lives touched by war and transformed by courage.

### **The Salisbury Key**

This is an intense tale of love and betrayal set in wartime Vienna. Vienna, 1938: a place of high culture, gilded opera houses and intellectual salons. Beautiful actress Julia Homburg and her politician husband Franz Wedeker embody all the enlightened brilliance of their native city. But Wedeker is Jewish and just across the border the tanks of the Nazi Reich are primed for the Anschluss. When the SS invade, lists are drawn up and disappearances become routine, Franz must be concealed. With daring ingenuity, Julia conjures a hiding place. In the shadow of oppression the old certainties evaporate; the streets are full of spies and collaborators, allegiances shift and ancient hatreds resurface. A clear conscience is a luxury few can afford and Julia finds she must strike a series of hateful bargains with the new order if she and her husband are to survive.

Imagine a land that has seen empires rise and fall. A place where people have killed for power and for religion, and a place where people have died to keep those secrets and beliefs. This is the Languedoc, and this is the book that will share the secrets of this incredible land with you. LABYRINTH told the story of Carcassonne and the search, across centuries, for the grail that people have long rumoured was taken to this place by the Templars fleeing the holy land. Building on Kate Mosse's meticulous research for her bestselling novel, Greg Mosse now shows how the region was home to the Cathars, who clung to this dramatic mountain landscape in stone fortresses and battled against siege, inquisition and massacre to keep their faith, and keep some much older secrets. An astonishing journey through history and across continents, SECRETS OF THE LABYRINTH will take you from the mountains of the Pyrenees, behind the fortified walls of Carcassonne and Montsegur, into the sacred cathedrals of Chartres and St Nazaire, and further out into the Holy Land and the ancient civilisations of Egypt.

A religious revolution that changed the world  
THE TREASURE For two thousand years, an undiscovered treasure rested in the rocky wilds of the French Pyrenees. A series of scrolls written in the first century by Mary Magdalene, these startling documents hold the power to redefine the events and characters of the New Testament. Protected by supernatural forces, the priceless cache can only be uncovered by a special seeker, one who has been chosen for the task by divine providence - The Expected One. THE CHOSEN ONE When journalist Maureen Paschal begins the research for a new book, she has no idea that she is stepping into an ancient mystery so complex and dangerous that thousands of people have killed and died for it. As a long buried family scandal comes to light, she can no longer deny her own role in a deadly drama of epic international consequences.

Sailing in the Caribbean, Captain Alan Lewrie, RN, is once again pursuing a chimera. A rich French prize ship he'd left at anchor at Dominica has gone missing, along with six of his sailors. What starts as a straightforward search for it, and them, from Hispaniola to Barbados, far down the Antilles, leads Lewrie to a gruesome discovery on the Dry Tortugas and to a vile cabal of the most pitiless and depraved pirates ever to sail under the "Jolly Roger" . . . and the suspicion that one of his trusted hands just may be the worst of them all! Against his will--again--the usually irrepressible Lewrie is made his superiors' "cat's-paw" once more, and his covert mission this time is to go up the Mississippi in enemy-held Spanish Louisiana to the romantic but sordid port of New Orleans in search of

pirates and prize, where one false step could betray Lewrie and his small party as spies. Beguilements, betrayal, and death lurk 'round every corner of the Vieux Carré, and it's up to Lewrie's quick but cynical to win the day wits for their survival and wreak a very personal vengeance on his foes!

The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.
