Star Wars: Dark Force Rising

The embattled Republic reels from the attacks of Grand Admiral Thrawn, who has marshaled the remnants of the Imperial forces and driven the Rebels back with an abominable technology recovered from the Emperor's secret fortress: clone soldiers. As Thrawn mounts his final siege, Han Solo and Chewbacca struggle to form a coalition of smugglers for a last-ditch attack, while Princess Leia holds the Alliance together and prepares for the birth of her Jedi twins. The Republic has one last hope—sending a small force into the very stronghold that houses Thrawn's terrible cloning machines. There a final danger awaits, as the Dark Jedi C'baoth directs the battle against the Rebels and builds his strength to finish what he already started: the destruction of Luke Skywalker. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

The Last Command concludes the adaptation of Timothy Zahn's best-selling Thrawn Trilogy, drawing to a shattering climax

Meanwhile, dark Jedi Master C'baoth plans to kidnap the newborn twins of Princess Leia and raise them as the first of a new legion of dark Jedi!

With the help of a trusted team of undercover experts and Beau's son, Milton is determined to track down the killers. And he isn't just after the man who gave the order. He's heading right for the top. Milton plans to follow the trail of cocaine from the nightclubs of Amsterdam all the way to its source in Colombia. Disguised as an ambitious buyer, he's prepared to work his way up the cartel hierarchy one rung at a time. But the ladder can be slippery and, as Milton travels deeper into a world of violence, ruthlessness and greed, he finds himself in a jungle that could prove impossible to escape.

Dark Force Rising

This novella includes an excerpt from the novel STAR WARS: SURVIVOR'S QUEST by Timothy Zahn and an interview with the author. THE EMPIRE STRIKES A DEAL The history of the planet Kariak has been one of seemingly endless violence— thanks to the constantly erupting revolutions among the many divided tribes of the native Eickarie race battling for dominance. Yet none of these tribes has held sway since a mysterious Warlord and his legion of alien mercenaries seized power and began a fifty-year reign of terror. Now, at last, the tide may be turning: the leaders of the warring Eickarie factions have forged an alliance—strong enough to capture a city and corner the Warlord and his minions in their fortress. And the post-Palpatine Empire of the Hand is lending support to this revolt against tyranny by deploying no less a fighting force than the Imperial 501st Legion of stormtroopers. Once infamously known as “Vader’s Fist,” the legendary 501st are the best men for the dangerous objective at hand—capturing the Warlord alive. It’s a risky mission that might be jeopardized when Imperial unit commander Twister and his comrades, Shadow, Cloud, and Watchman, are waylaid by a band of zealous freedom fighters, armed with their own agenda . . . and plenty of firepower. The Eickarie renegades—determined to free hundreds of their people from the Warlord’s dungeons—have an offer to make, and a strategy that could give the Imperials the edge in the bloody showdown to come. But can Twister and his men trust their new allies? Or will they get more than they bargain for?

Heirs of the Force

“Glorious. A story that will be found and enjoyed and dreamed about for years to come.”—Neil Gaiman A stunning modern-day Dickensian fable and a celebration of friendship and bravery for freethinkers everywhere. It all starts on the morning the letter D disappears from language. First, it vanishes from Dhikilo’s parents’ conversation at breakfast, then from the road signs outside and from her school dinners. Soon the local dentist and the neighbor’s dalmatian are missing, and even the Donkey Derby has been called off. Though she doesn’t know why, Dhikilo is summoned to the home of her old history teacher Professor Dodderfield and his faithful Labrador, Nelly Robinson. And this is where our story begins. Set between England and the wintry land of Liminus, a world enslaved by the monstrous Gamp and populated by fearsome, enchanting

creatures, *D (A Tale of Two Worlds)* is told with simple beauty and warmth. Its celebration of moral courage and freethinking is a powerful reminder of our human capacity for strength, hope and justice.

The Dark Rival

NEW YORK TIMES BESTSELLER • Grand Admiral Thrawn faces the ultimate test of his loyalty to the Empire in this epic Star Wars novel from bestselling author Timothy Zahn. “If I were to serve the Empire, you would command my allegiance.” Such was the promise Grand Admiral Thrawn made to Emperor Palpatine at their first meeting. Since then, Thrawn has been one of the Empire’s most effective instruments, pursuing its enemies to the very edges of the known galaxy. But as keen a weapon as Thrawn has become, the Emperor dreams of something far more destructive. Now, as Thrawn’s TIE defender program is halted in favor of Director Krennic’s secret Death Star project, he realizes that the balance of power in the Empire is measured by more than just military acumen or tactical efficiency. Even the greatest intellect can hardly compete with the power to annihilate entire planets. As Thrawn works to secure his place in the Imperial hierarchy, his former protégé Eli Vanto returns with a dire warning about Thrawn’s homeworld. Thrawn’s mastery of strategy must guide him through an impossible choice: duty to the Chiss Ascendancy, or fealty to the Empire he has sworn to serve. Even if the right choice means committing treason. Praise for *Thrawn: Treason* “Another excellent addition to the new canon . . . *Thrawn: Treason* will reward you thoroughly for your time.”—GeekMom “If you’ve ever enjoyed a Thrawn story—whether that was *Heir to the Empire* and its sequels or Zahn’s new novels—you’ll find more of what you enjoy in *Treason*.”—Dork Side of the Force

That's because the prize is a rare sculpture worth a whopping fifty million credits. If Lando's not careful, he's going to go bust, especially after meeting identical twins Bink and Tavia Kitik, master thieves who have reason to believe that the sculpture is a fake. The Kitiks are beautiful, dangerous, and determined to set things right—and they've convinced Lando to help them expose the scam. But what they're up against is no simple double cross, nor even a twisted triple cross. It is a full-blown power play of colossal proportions. The Last Command: Star Wars Legends (The Thrawn Trilogy)

THE SUNDAY TIMES BESTSELLER Grand Admiral Thrawn and Darth Vader team up against a threat to the Empire in this thrilling novel from bestselling author Timothy Zahn. "I have sensed a disturbance in the Force." Ominous words under any circumstances, but all the more so when uttered by Emperor Palpatine. On Batuu, at the edges of the Unknown Regions, a threat to the Empire is taking root—its existence little more than a glimmer, its consequences as yet unknowable. But it is troubling enough to the Imperial leader to warrant investigation by his most powerful agents: ruthless enforcer Lord Darth Vader and brilliant strategist Grand Admiral Thrawn. Fierce rivals for the emperor's favor, and outspoken adversaries on Imperial affairs—including the Death Star project—the formidable pair seem unlikely partners for such a crucial mission. But the Emperor knows it's not the first time Vader and Thrawn have joined forces. And there's more behind his royal command than either man suspects. In what seems like a lifetime ago, General Anakin Skywalker of the Galactic Republic, and Commander Mitth'raw'nuruodo, officer of the Chiss Ascendancy, crossed paths for the first time. One on a desperate personal quest, the other with motives unknown . . . and undisclosed. But facing a gauntlet of dangers on a far-flung world,

they forged an uneasy alliance—neither remotely aware of what their futures held in store. Now, thrust together once more, they find themselves bound again for the planet where they once fought side by side. There they will be doubly challenged—by a test of their allegiance to the Empire . . . and an enemy that threatens even their combined might.

The Star Kingdom is a minor nation among the worlds of the Diaspora, its closest neighbors weeks or months away, with little in the way of resources. But those factions are mistaken. The universe is not a safe place. Travis Long is about to find that out. At the publisher's request, this title is sold without DRM (Digital Rights Management).
