Essential Guide to Becoming a Disciple

The Last Disciple

This helpful guide uses Scripture and real-life stories to illustrate the essential elements of Christian discipleship. It does so by looking at image, worship, community, and mission.

A Disciple's Path Daily Workbook

What does living for Jesus look like in the everyday stuff of life? Many Christians have unwittingly embraced the idea that “church” is a once-a-week event rather than a community of Spirit-empowered people; that “ministry” is what pastors do on Sundays rather than the 24/7 calling of all believers; and that “discipleship” is a program rather than the normal state of every follower of Jesus. Drawing on his experience as a pastor and church planter, Jeff Vanderstelt wants us to see that there’s more—much more—to the Christian life than sitting in a pew once a week. God has called his people to something bigger: a view of the Christian life that encompasses the ordinary, the extraordinary, and everything in between. Packed full of biblical teaching, compelling stories, and real-world advice, this book will remind you that Jesus is filling the world with his presence through the everyday lives of everyday people People just like you.

Restoring True Identity

The Gospel According to Mark

Mark Toulouse explores how the denomination can draw on its unique past to build its future.

Justice in Love

Where have all the disciples gone? There is a missing force in Christianity today.

It's a critical one, and its absence has led to weak believers, disintegrating families, ineffective churches, and a decaying culture. Without it, we lack what we need to fully live as heaven's representatives on earth. That missing force is discipleship. In Kingdom Disciples, Tony Evans outlines a simple, actionable definition of discipleship to help the church fulfill its calling. Readers will learn: What a disciple is What a disciple cares about How to be a disciple and make disciples What discipleship looks like in community What the impact of discipleship on the world can be Kingdom disciples are in short supply, and the result is a legion of powerless Christians attending powerless churches, having a powerless presence in the world. The power, authority, abundance, victory, and impact God has promised will only come about when we understand and align ourselves with His definition of discipleship. Kingdom Disciples calls believers and churches back to our primary, divinely ordained responsibility to be disciples and make disciples. Only when we take seriously this assignment will the world see heaven at work on earth. Will you accept the assignment? Kingdom Disciples is useful as base material for a course on discipleship.

Intentional Disciple

This is a book designed to disciple and ground the believer in Christ Jesus creating a personal identity founded from the word of God. A great study for groups, individuals, classes or home fellowships

Contagious Disciple Making

"God's kingdom is our true home, but we've picked up a habit of resisting it. And when, finally, we do fall in, most of us find we've survived so long outside his kingdom that we've lost all instinct for thriving in it. That's where Roger Helland meets us. Roger has thought long and studied hard on these matters. He has pondered deeply what it means to be fully alive in Christ and for Christ, and he's tested his insights in classrooms, in churches, with denominations, but mostly in his own life. In *Magnificent Surrender*, he's distilled what he's learned into a field guide for kingdom living. But Roger draws from an even deeper source. His book derives its force and depth from Paul's letter to the Colossians. Indeed, *Magnificent Surrender* is an extended pastoral reflection on and application of that letter. *Colossians*, in four brief chapters, presents the glory of Jesus Christ and the glory of a life wholly submitted to him. It is a manifesto of the rich life. *Magnificent Surrender* heralds that brilliantly. It's a wise, loving, and sometimes stern invitation to read *Colossians* again, with fresh eyes and fierce resolve. It's also a challenge to take to heart its promise and its exhortation--that we can and must live in, through, with, and for Christ, who is all and in all, supreme and sufficient." -Mark Buchanan, from the Foreword

Discipleship that Fits

It is hard to deny that today's world can seem apathetic toward Christians. Some may look down at their iPhones when we mention God, motion for the check when we bring up church, or casually change the subject when we talk about prayer. In a world full of people whose indifference is greater than their desire to know Christ, how can we dream of growing the church? In *Contagious Disciple Making*, David Watson and Paul Watson map out a simple method that has sparked an explosion of homegrown churches in the United States and around the world. A companion to Cityteam's two previous books, *Miraculous Movements* and *The Father Glorified*, *Contagious Disciple Making* details the method used by Cityteam disciple-makers. This distinctive process focuses on equipping spiritual leaders in communities where churches are planted. Unlike many evangelism and church-growth products that focus on quick results, contagious disciple-making takes time to cultivate spiritual leadership, resulting in lasting disciple-making movements. Through *Contagious Disciple Making* readers will come to understand that a strong and equipped leader will continue to grow the church long after church planters move on to the next church. Features include: Engagement tools for use in the field
Practical techniques to equip others to make disciples

There were tens of thousands of races, and all of them stood together! Generation after generation of almighty beings had fallen, one after another rising to prominence as a new star had risen to prominence. In this vast world, who was the master of this world? A youth began with an unremarkable service disciple. Relying on the piece of broken beast skin passed down from generation to generation, he cut through all the thorns and thistles, becoming a king god who ruled the world!

Compiles stories and wisdom from three church leaders about how to foster an environment where people can grow in their Christian faith.

The Gospel According to Matthew

You are the right person for this job! It's one of those words that seems to hold so much meaning but somehow resides just out of our reach: disciple. How do I become one? And how do I become a disciple-maker? There's no secret formula, nor is there a one-size-fits-all plan for disciple-making, but there are examples to follow. And there are certainly adventures to be had! Disciple-making at its core is learning—and demonstrating—how to relate lovingly to God and to others. These pages are at once practical and packed with stories; they are big-picture-minded and strategy-filled. Read on to see how a disciple-making lifestyle will affect your view of: belonging hospitality relationship-building asking the right questions community and how to best love others In fact, discipleship is already in the heart of every Christian. Magnificent Surrender

"To be a disciple of Jesus Christ is to be in a position of privilege and blessing beyond anything the world might offer," begins author Jeremy Walker. *Life in Christ* explores the unsearchable riches of the Christian pilgrimage and traces its trajectory, highlighting key elements in the believer's experience. Do you wrestle with assurance? Have you grasped the engagement demanded in Christian living? Do you find the way wearying at times? Do you struggle with your Christian identity? Walker provides instruction for Christians to assess their own standing

and progress in the faith exhorting and equipping and always pointing them ahead to the hope of the glory of Christ. Along the way, he encourages God's people to live a life to the praise of His glory as he examines some of the basic truths that establish and direct a true child of God. "In this splendid book on the very central issues of eternity, Jeremy Walker, like J. C. Ryle of old, carries the reader along with an excellent, gripping style. It is a book that everyone should read and then pass on to others who need an explanation of the true gospel, especially those slaves of political correctness sadly found in many modern pulpits." Proven Methods for Turning Believers into Disciples What does it mean to grow a "convert" into a "disciple"? And how do we help our people get there? Neil Anderson's Freedom in Christ ministry has been walking individuals through these steps for over a quarter century. Now he turns his attention to pastors and church leaders, teaching them how to help their people resolve personal and spiritual conflicts, including everything from difficult marriages to unrepentant sin to church disputes. Before someone can mature spiritually, they must be established alive and free in Christ through genuine repentance and faith in God. This means churches must resolve their people's conflicts as the first step to discipleship, rather than referring them to professional counselors. We as believers have the answers for mental and emotional problems, and through this ministry of reconciliation true discipleship happens.

Ephesians Bible Study Book

Ministry is often examined in terms of who the minister is, not what the minister does. But the vocation to ministry must be understood as a call to identity as well as to practice, one that is rooted in Jesus' life and ministry as well as the Spirit's charisms. In *Introducing the Practice of Ministry* Kathleen A. Cahalan defines ministerial leadership as carried out through the practices of teaching, preaching, pastoral care, worship, social ministry, and administration for the sake of nurturing the life of discipleship in the community of believers. In her examination of charisms for each of the practices of ministry, Cahalan presents readers with a Trinitarian foundation, noting that the practices of discipleship and ministry have their origin in the very practices of God." Kathleen A. Cahalan is associate professor of theology at Saint John's University School of Theology, Seminary in

Collegetown, Minnesota. She is author of *Formed in the Image of Christ: The Sacramental-Moral Theology of Bernard Häring* (Liturgical Press, 2004) and *Projects That Matter: Successful Planning and Evaluation for Religious Organizations* (Alban Institute, 2003). She is the past-president of the Association of Practical Theology. "

The Challenge to Care

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Introducing the Practice of Ministry

Many believers struggle with assurance of salvation, tending to approach obedience to God out of either guilt or legalism. We exist to display God's glory, declare God's gospel, and disciple for God's Great Commission. Instead of embracing these truths, many Christians have believed the lie that their identity in Christ does not affect how they live their lives in obedience to him. The gospel tells us that "being" (identity) comes before "doing" (obedience). This lack of understanding our gospel identity frequently results in either legalistic pride or frustrating guilt. The purpose of this book is to help believers understand their identity in the three persons of the Trinity and then joyfully serve God with gospel obedience. The gospel indicatives in the Bible serve as the fountain and power for obeying the moral imperatives in the Bible. The gospel roots our assurance of salvation and motivation to obey God in our identity, not in moralism, which elevates our performance instead of exalting the finished work of Christ.

Multiply

Ephesians Bible Study Book includes small-group experiences for six sessions, weekly individual study opportunities, applicable Scripture, "How to Use This Study," and tips for leading a group. Although Ephesians is one of the New Testament's shortest books in terms of word count--only 6 chapters and 155 verses--it is perhaps the most applicable to today's culture. Specifically he addressed issues related to their new life, the community of believers, the pursuits of unity and holiness, and life's challenges. Therefore, the Book of Ephesians and this study offer practical answers to contemporary believers' basic questions about the Christian life and our identity in Christ. Imitating Jesus

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The Imperfect Disciple

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Establishing an Identity Founded in Christ Jesus

Too many discipleship books are written for clean, perfect people who know all the right Sunday school answers. The Imperfect Disciple is for the rest of us--people who screw up, people who are weary, people who are wondering if it's safe to say what they're really thinking. For the believer who is tired of quasi-spiritual lifehacks being passed off as true, down-and-dirty discipleship, here is a discipleship book that isn't afraid to be honest about the mess we call real life. With incisive wit, warm humor, and moving stories, Jared Wilson shows readers how the gospel works in them and in their lives when - they can't get their act together - they think God is giving them the silent treatment - they think church would be better without all the people - they're not happy with the person in the mirror - and much more Wilson frees readers from the self-doubt and even the misplaced self-confidence they may feel as they walk with Jesus down the often difficult road of life. The

result is a faith that weathers storms, lifts burdens, and goes forth to make more imperfect disciples.

Saturate

In an era of religious mass production, so many church models invest their energies toward gathering a crowd, singing songs, and preaching good sermons. Much of the focus is on the shop window. While this is important, it is not enough. Doing church is not enough. Churches that grow disciples don't simply attract a crowd, they provide a strategic theological basis for what they do, and that requires serious thinking about the methodology of church life. *The Last Disciple* is a book for those interested, not simply in doing church, but in asking hard questions about why we do what we do. Answers to these hard questions are the very basis of the foundation of the local church's existence. Rather than simply attracting a crowd, have you evaluated why your church does church? Have you ever felt that your church tradition has lost the meaning behind its existence? What would it look like if you recaptured your church's meaning? Is it possible to do this while bridging the relevancy gap of common culture? There will be different answers for different contexts, but this book will give you tools for thinking it through by asking the right questions.

Be Bold

For far too long, the church has tried to make disciples using a one-size-fits-all approach. Some churches advocate 1-on-1 discipling, others try getting everyone into a small group, while still others training through mission trips or service projects. Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching. But does one size really fit everyone? Based on careful biblical study and years of experience making disciples in the local church, Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives. In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context. *Discipleship That Fits* shows you the five key ways discipleship occurs. It looks at how Jesus made disciples and how disciples were formed in the early church. Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ: Public Relationships: The church gathering corporately for worship Social Relationships: Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships: Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships: Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship: Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories, Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it, how the early church practiced it, and how churches are discipling people today.
