### **A Level Biology**

A guide designed to cover the A/AS-level specifications implemented in schools from September 2000. Many students will take modular exams throughout the course, and these guides will support their revision and exam preparation over the two

A-level years (or a single year for those taking AS level).

### **The British National Bibliography**

Fold your own models of the Doctor, the TARDIS and monsters from all across time and space, with this brilliant Doctor Who origami book. Follow the easy instructions to make a moving time rotor, a terrifying Weeping Angel, a brilliant bow tie, a miniature K-9 and so much more. Containing 34 origami folding projects plus printed origami paper sheets, this is the ideal creative title for any Doctor Who fan.

### **Mathematics A - Linear Foundation**

Max Tegmark leads us on an astonishing journey through past, present and future, and through the physics, astronomy and mathematics that are the foundation of his work, most particularly his hypothesis that our physical reality is a mathematical structure and his theory of the ultimate multiverse. In a dazzling combination of both popular and groundbreaking science, he not only helps us grasp his often mind-boggling theories, but he also shares with us some of the often surprising triumphs and disappointments that have shaped his life as a scientist. Fascinating from first to last—this is a book that has already prompted the attention and admiration of some of the most prominent scientists and mathematicians.

### **How to Revise for 11+**

### **KS3 Revision Science Year 8**

Providing complete coverage of the 2009 Edexcel IGCSE human biology specification, this book helps students perform to their best in the exam.

### **GCSE AQA Science**

New editions of the bestselling Revise GCSE Study Guides with a fresh new look and updated content in line with curriculum changes. Revise GCSE contains everything students need to achieve the GCSE grade they want. Each title has been written by a GCSE examiner to help boost students' learning and focus their revision. Each title provides complete curriculum coverage with clearly marked exam board labels so students can easily adapt the content to fit the course they are studying. Revise GCSE is an ideal course companion throughout a student's GCSE study and acts as the ultimate Study

Guide throughout their revision.

## **IGCSE Biology**

Exam Board: AQA, Edexcel, OCR, WJEC, EduqasLevel & Subject: Key Stage 3 English, GCSE English Language, GCSE English LiteratureFirst teaching: September 2015 First exams: June 2017 Take your students' writing into the highest mark bands with this practical teacher pack. The Crafting Brilliant Sentences teacher pack provides a systematic approach to teaching sentence grammar to help students craft successful narrative, descriptive, discursive and analytical writing for GCSE. 60 readymade lessons will build your department's confidence in teaching grammar to improve accuracy and boost results. Each chapter focuses first on understanding an element of the sentence and then on using it in different ways to craft effective narrative, descriptive, discursive or analytical writing. \* Provides a consistent approach for your department, working through each aspect of the sentence and enabling you to target areas of weakness.\* Gives you everything you need to teach from detailed lesson plans, including answers, to PowerPoints and worksheets.\* Supports progress: further intervention activities for each lesson will help students to embed their learning, while a progress-tracking spreadsheet allows you to identify where more support is needed.\* Adapt the resources to your needs: the flexible format means lessons can be taught as a full grammar and writing programme, or dipped into to fit your own schemes of work.\* Expert support from Lindsay Skinner, Director of Education for the Bridgewater College Trust and a PiXL Associate.

## **Combined Science**

This is a complete guide to using the Edexcel IGCSE biology, chemistry and physics student books to teach or study science double award, so you can be sure you and your students know where to access all the material you need.
