### Heaven and Earth

After time traveler Caleb Hornblower crash-lands in the twentieth century, he relies on Liberty Stone to help him survive; and Jacob Hornblower heads back into the past to rescue his stranded brother, only to find himself falling for Sunbeam Stone.

### The Coming Storm

“The most successful novelist on Planet Earth” (Washington Post), #1 New York Times bestselling author Nora Roberts concludes her Cordina’s Royal Family quartet with the story of a noble and commoner discovering that despite their societal roles, their love has no forbidden boundaries in Cordina’s Crown Jewel. Princess Camilla de Cordina’s life is governed by others. Her appearance is sculpted and behavior is modified so she can be paraded before a gaping media audience only interested in gossip and scandal. Taking a well-deserved “vacation”, she trades her crown for a felt hat and her de Cordina title for the name Camilla MacGee. With no regal entourage in tow, she takes a job in America working for archeologist Delaney Caine in Vermont. Focused and driven with his own goals, Del doesn’t treat his staff with pleasantries, much less offer deference to a currently uncrowned princess. Nonetheless, Camilla finds her newfound persona and detailed work rewarding. And when she uncovers a loving heart beneath Del’s hardened exterior, an unexpected mutual desire arises between them—a desire that could very well be extinguished should Camilla reveal her true identity.

### The Last Boyfriend

He’s a mystery who keeps his cards close to his chest—but finds himself desiring to prove to Serena that together they’ve hit the jackpot. Tempting Fate Caine MacGregor has never lost a case. His combative persona serves his clients well in the courtroom, and his persuasive arguments have won him many conquests in the bedroom. But in counselor Diana Blade, Caine has met his match. Her legal expertise would

make her an excellent partner, and discovering her personal passions would make an enticing challenge. And as Caine deliberates with Diana about business and pleasure interests, he realizes he's truly mediating for a chance at love.

## **Seduction by Design**

#1 New York Times and USA TODAY bestselling author Nora Roberts presents two classic stories of love that arrives like a storm and changes everything... Second Nature Lee Radcliffe got the scoops that no one else did, the interviews nobody could score. Like bestselling horror writer—and notorious recluse—Hunter Brown. But she never expected that when she met the rugged, intense author, she'd be the one getting all the hard questions...and revealing more of herself than she'd ever dared. Or that he would show her a different way to live, and ultimately, to love. Lessons Learned Carlo Franconi embodied everything that Juliet Trent avoided in a client—he was arrogant, seductive, passionate and entirely too charming. But Juliet prided herself on being the consummate professional. Surely she could resist the famous chef, even if they were going to be spending every waking minute together. Even if Carlo was looking at her like a fine dish he just couldn't wait to taste...

Heartbroken, Abby wants nothing more than to raise her two sons in peace, but journalist Dylan Crosby is penning a book about her infamous husband's life, determined to expose the man's hidden past. But Abby is not a spoiled trophy wife Dylan can easily charm. She is a woman of integrity and mystery desperate to keep him at arm's length—even as their desires for one another are on an unalterable collision course.

## The Donovan Legacy

"Cato, history's most famous foe of authoritarian power, was the pivotal political man of Rome; an inspiration to our Founding Fathers; and a cautionary figure for our times. He loved Roman republicanism, but saw himself as too principled for the mere politics that might have saved it. His life and lessons are urgently relevant in the harshly divided America—and world—of today. With erudition and verve, Rob Goodman and Jimmy Soni turn their life of Cato into the most modern of biographies, a blend of The Decline and Fall of the Roman Empire and Game Change."—Howard Fineman, Editorial Director of The Huffington Post Media Group, NBC and MSNBC News Analyst, and New York Times bestselling author of The Thirteen American Arguments "A truly outstanding piece of work. What most impresses me is the book's ability to reach through the confusing dynastic politics of the late Roman Republic to present social realities in a way intelligible to the modern reader. Rome's Last Citizen entertainingly restores to life the stoic Roman who inspired George Washington, Patrick Henry and Nathan Hale. This is more than a biography: it is a study of how a reputation lasted through the centuries from the end of one republic to the start of another."—David Frum, DailyBeast columnist, former White House speech writer, and New York Times bestselling author of The Right Man Marcus Porcius Cato: aristocrat who walked barefoot and slept on the ground with his troops, political heavyweight who cultivated the image

of a Stoic philosopher, a hardnosed defender of tradition who presented himself as a man out of the sacred Roman past—and the last man standing when Rome's Republic fell to tyranny. His blood feud with Caesar began in the chamber of the Senate, played out on the battlefields of a world war, and ended when he took his own life rather than live under a dictator. Centuries of thinkers, writers, and artists have drawn inspiration from Cato's Stoic courage. Saint Augustine and the early Christians were moved and challenged by his example. Dante, in his Divine Comedy, chose Cato to preside over the souls who arrive in Purgatory. George Washington so revered him that he staged a play on Cato's life to revive the spirit of his troops at Valley Forge. Now, in *Rome's Last Citizen*, Rob Goodman and Jimmy Soni deliver the first modern biography of this stirring figure. Cato's life is a gripping tale that resonates deeply with our own turbulent times. He grappled with terrorists, a debt crisis, endemic political corruption, and a huge gulf between the elites and those they governed. In many ways, Cato was the ultimate man of principle—he even chose suicide rather than be used by Caesar as a political pawn. But Cato was also a political failure: his stubbornness sealed his and Rome's defeat, and his lonely end casts a shadow on the recurring hope that a singular leader can transcend the dirty business of politics. *Rome's Last Citizen* is a timeless story of an uncompromising man in a time of crisis and his lifelong battle to save the Republic.

## **Vision in White**

In her fifty-ninth bestselling novel, Danielle Steel tells an unforgettable story of survival of how two people who lost everything find hope and of the extraordinary acts of faith and courage that bring —and keep— families together On a windswept summer day, as the fog rolls across the San Francisco coastline, a solitary figure walks down the beach, a dog at her side. At eleven, Pip Mackenzie's young life has already been touched by tragedy; nine months before, a terrible accident plunged her mother into inconsolable grief. But on this chilly July afternoon, Pip meets someone who fills her sad gray world with color and light. And in her innocence and in his kindness, a spark will be kindled, lives will be changed, and a journey of hope will begin. From the moment the curly-haired girl walks up to his easel on the sand, Matt Bowles senses something magical about her. Pip reminds him of his own daughter at that age, before a bitter divorce tore his family apart and swept his children halfway across the world. With her own mother, Ophélie, retreating deeper into her grief, Pip spends her summer at the shore the way lonely children do: watching the glittering waters and rushing clouds, daydreaming and remembering how things used to be. That is, until she meets artist Matt Bowles, who offers to teach the girl to draw—and can't help but notice her beautiful, lonely mother. At first, Ophélie is thrown off balance by her daughter's new companion—until she realizes how much joy he is bringing into their lives, despite the sadness she sees in his eyes. As their newfound friend works his subtle magic, mother and daughter slowly begin to heal, to laugh again, to rediscover what they have lost. When summer ends, and Ophélie and Pip must leave the beach for the city, the season of healing continues. Gathering her newfound strength, Ophélie begins a volunteer job at a city outreach program, where she works with the homeless, and can no longer ignore the blessings in her own life. But as soul-sharing phone calls and autumn beach getaways deepen Ophélie and Matt's friendship, fate strikes another blow. Out of the blue, Matt must confront unfinished business from his past. Days later, Ophélie is struck by a stunning betrayal by someone she trusts. And as these events reverberate in two already wounded hearts, something extraordinary happens. Out of the darkness that has shadowed them both comes an unexpected gift of hope. With grace and

compassion, Danielle Steel explores the fragile bonds between mothers and daughters, husbands and wives, family members and lifelong friends. Her haunting, impassioned novel takes us across the complex landscape of loss—to the blessings that arise from even the darkest tragedies. At once a story of triumph and a moving elegy to those who suffer and survive, *Safe Harbour* is perhaps her most powerful and life-affirming novel to date.
