Making a Baby: an Inclusive Guide to How Every Family Begins

The Sustainable House Handbook is your comprehensive guide to building an affordable, eco-

friendly and energy- plus water-efficient green home for the future. In this book, sustainability expert and Gardening Australia presenter Josh Byrne takes takes readers through the process of planning a 10-Star rated high-performance home according to the Australian Nationwide House Energy Rating Scheme (NatHERS), and outlines how it is possible to build with conventional materials, in an accessible and cost-effective way. Josh shows how to create a family home that is comfortable year-round, without the need for air conditioning or additional heating, how to integrate solar power to cover household needs, and how to reduce water usage by integrating rainwater tanks and greywater recycling systems. He also discusses how to cleverly incorporate organic food production in the garden while maintaining a highly attractive space that improves health and wellbeing. Illustrated throughout with photos, plans, charts, diagrams and useful statistics and measurements, The Sustainable House Handbook is an accessible, easy-to-follow resource for anyone planning their dream house, or thinking about how to live more sustainably.

vintage fan's ideal go-to guide.

The Barefoot Investor

**** Fully reviewed and updated for the 2019-2020 financial year**** This is the only money guide you'll ever need That's a bold claim, given there are already thousands of finance books on the shelves. So what makes this one different? Well, you won't be overwhelmed with a bunch of 'tips' or a strict budget (that you won't follow). You'll get a step-by-step formula: open this account, then do this; call this person, and say this; invest money here, and not there. All with a glass of wine in your hand. This book will show you how to create an entire financial plan that is so simple you can sketch it on the back of a serviette and you'll be able to manage your money in 10 minutes a week. You'll also get the skinny on: Saving up a six-figure house deposit in 20 months Doubling your income using the 'Trapeze Strategy' Saving \$78,173 on your mortgage and wiping out 7 years of payments Finding a financial advisor who won't rip you off Handing your kids (or grandkids) a \$140,000 cheque on their 21st birthday Why you don't need \$1 million to retire with the 'Donald Bradman Retirement Strategy' Sound too good to be true? It's not. This book is full of stories from everyday Aussies — single people, young families, empty nesters, retirees — who have applied the simple steps in this book and achieved amazing, life-changing results. And you're next.

An inclusive, holistic, evidence-based guide for pregnancy, birth, and the postpartum journey—created for modern moms by the experts at the Motherly online community. Pregnancy isn't just about creating a baby. It's also about the powerful transformation we go through on the journey to becoming "mama." We created The Motherly Guide to Becoming Mama to coach and inspire you each step of the way. This is the pregnancy book we wish we'd had when we first became mothers—a mama-

centered guide that doesn't just focus on your baby's needs, but honors and coaches you through this profound life change. Here's the most important thing to remember: you are a phenom, and you are going to rock this. And you don't have to do this alone. At your highest highs and your lowest lows, there is a village of professionals and peers to traverse this path with you. This book won't bog you down with demands, give you more to be worried about, or tell you what to do. It's impossible to know exactly what to expect during your pregnancy—after all, you are your own amazing woman with unique dreams, experiences, and needs. Instead, we've filled this illustrated guide with the best knowledge, wisdom, and support we have to offer, including:

- Getting pregnant—planning, conception, fertility challenges, and finding the right care provider and birth strategy for you
- Pregnancy month by month—how to understand, nourish, and support your own body and your baby's health throughout your pregnancy
- Giving birth—everything you need to feel empowered and prepared through the four stages of labor
- The “fourth trimester”—helping you heal, process your experience, and thrive in the super-important and often ignored postpartum period
- Tests and complications—no scare tactics, no intimidation; just good, well-researched information about the ways you can best prevent and prepare for challenges
- Partners, friends, and family—our best tips for your whole support team
- The many faces of mama—adoption, surrogacy, fostering, and the beautiful variety of motherhood experiences
- Answers to the most common questions mamas have about finances, maternity leave, baby gear,

relationships with family, nutrition, fitness, and much more Whether this is your first baby or your fourth, whether you're still deciding about pregnancy or have an unplanned baby on the way, becoming mama involves your body, mind, emotions, lifestyle, relationships, schedule, spirituality, worldview—and most of all, your heart. This is an unprecedented time to embark on the journey of motherhood. You are part of a new generation of women elevating empowerment in all its forms. The Motherly Guide to Becoming Mama was made for you—a loving and supportive embrace of your unique motherhood journey in all its power, complexity, and beauty.

The Motherly Guide to Becoming Mama

'Like a best friend, Jordanna will hold your hand and guide you towards your dream life.' - Melissa Ambrosini, bestselling author of *Mastering Your Mean Girl* 'Witty, practical and laugh out loud funny.' - Cassie Mendoza-Jones, *You Are Enough* Everyone can manifest. We're all doing it-every second of every day-without even realising it. For years, journalist and

podcaster Jordanna Levin thought that she was psychic. She would worry about things and they would come true. But she wouldn't just worry; she would feel them, take subconscious action towards them and believe with every cell of her being that they would happen-and most of the time, they did. A broken foot, a cancelled flight, a tragic love story the list went on. She soon realised that she wasn't just predicting the future, she was manifesting it. Until one day she changed the game. If she could manifest mishaps and disasters, why not the things she actually wanted? In this warm and witty book, Jordanna shares her personal experiences and struggles along with her foolproof equation for manifesting whatever you desire, from your dream job to a lasting relationship. Whether you're a matter-of-fact skeptic or a somewhat hippie yoga-lover, *Make It Happen* will empower you to take ownership of your life and create anything you want.
