## Ancient Mariner

This Graphic Novel Series features classic tales retold

# Read Online God Is Not Dead What Quantum Physics Tell Us About Our Origins And How We Should Live Amit Goswami

with attractive color illustrations. Educators using the Dale-Chall vocabulary system adapted each title. Each 70 page, softcover book retains key phrases and quotations from the original classics. Introduce literature to reluctant readers and motivate struggling readers. Students build confidence through reading practice. Motivation makes all the difference. What's more motivation then the expectation of success?

## **The Christian Atheist**

Growing up, all my friends would have described my family as a Christian family. I assumed all my friends were Christians as well. We all believed in God. We occasionally attended church. We were good people. Even though we believed in God, we didn't know his word, didn't understand the gospel, and didn't pursue his will. We believed in God, but we lived as if he didn't exist. After pastoring for eighteen years, I've noticed a large percentage of people in my church living similar lives. Some seem to be Christian in name only without a lot of visible spiritual fruit. Others boldly claim Christ is Lord while living lives diametrically opposed to the teachings in scripture. The more I looked, the more I found Christian Atheists everywhere. While it is often easy to spot the hypocrisy in others, it is generally more difficult to see in the mirror. One day in an honest moment, I painfully admitted that although I unquestionably believed in God, I was leading the church as if he didn't exist. I wrongly depended more on my own abilities than on his Spirit. Sadly, I dangerously cared more what people thought about

# Read Online God Is Not Dead What Quantum Physics Tell Us About Our Origins And How We Should Live Amit Goswami

me than what God thought about me. And although I preached about putting your whole faith in God, I still lived as if everything was up to me. The book *Christian Atheism* reflects my personal journey toward a more authentic God-honoring life.

## **The Purple Book, Updated Edition**

A New York Times bestseller people can believe in—by "a pioneer of the new urban Christians" (*Christianity Today*) and the "C.S. Lewis for the 21st century" (*Newsweek*). Timothy Keller, the founding pastor of Redeemer Presbyterian Church in New York City, addresses the frequent doubts that skeptics, and even ardent believers, have about religion. Using literature, philosophy, real-life conversations, and potent reasoning, Keller explains how the belief in a Christian God is, in fact, a sound and rational one. To true believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism. And to skeptics, atheists, and agnostics, he provides a challenging argument for pursuing the reason for God.

## **God's Not Dead 2 Church Kit**

This book, based on the film in theaters April 1, 2016, is perfect for churches to give to visitors and everyone who attends their *God's Not Dead 2* sermon series and movie events. It will lead readers to discover answers to their questions about the existence of God, and empower them to defend their faith even in the midst of opposition.

## **An Experiment in Criticism**

Did Jesus Really Exist? The search for the historical Jesus continues to be headline news. Any speculative theory seems to get instant attention as the debate rages about His real identity and the claims made in His name. Did Jesus really exist? Is there real historical evidence that demonstrates that He lived and actually said and did the things the Gospels record? Is there any validity to the speculative claims that the Jesus story was a myth, borrowed from a variety of pagan cultures of the ancient world? In this follow-up to the book *God's Not Dead* (that inspired the movie), *Man, Myth, Messiah* looks at the evidence for the historical Jesus and exposes the notions of skeptics that Jesus was a contrived figure of ancient mythology. It also looks at the reliability of the Gospel records as well as the evidence for the resurrection that validates His identity as the promised Messiah. *Man, Myth, Messiah* will be released concurrent to the *God's Not Dead* movie sequel, which will cover the same theme.

## **God's Not Dead. He Is Surely Alive.**

Growing up the son of agnostics, John Koessler saw a Catholic church on one end of the street and a Baptist on the other. In the no-man's land between the two, this curious outside wondered about the God they worshipped—and began a lifelong search to comprehend the grace and mystery of God. *A Stranger in the House of God* addresses fundamental questions and struggles faced by spiritual seekers and

# Read Online God Is Not Dead What Quantum Physics Tell Us About Our Origins And How We Should Live Amit Goswami

mature believers. Like a contemporary Pilgrim's Progress, it traces the author's journey and explores his experiences with both charismatic and evangelical Christianity. It also describes his transformation from religious outsider to ordained pastor. John Koessler provides a poignant and often humorous window into the interior of the soul as he describes his journey from doubt and struggle with the church to personal faith

## **A Christmas Carol**

God's not dead . . . but they're trying to kick him out of the public square! Welcome back to Hope Springs . . . where Christian Grace Wesley teaches high school history. She is on the hot seat with the school district after she answers Brooke Thawley's question about Jesus during a classroom discussion. Suddenly, Brooke becomes a pawn in an epic court case that could cost Grace the career she loves. Tom Endler, a lawyer with the teachers' union, is tapped to reluctantly represent Grace in her fight for her First Amendment rights. He finds himself fighting for a cause he doesn't even believe in. Tom's research leads him to Amy Ryan, a reporter and former skeptic who found faith while battling cancer and watching the classroom battle unfold at Hadleigh University a year ago. Both are soon on a journey to understand what genuine faith really means as they fight to save Grace's job and avoid a court decision that could cripple the free speech rights of all Christians in the marketplace. Based on the highly anticipated movie sequel, this novel tells more about the story behind

the new blockbuster film and gives fans an update on favorite characters from the original film.

## **A Midsummer-night's Dream**

### **God is Dead. God Remains Dead. And We Have Killed Him.**

The Grand Design, by eminent scientist Stephen Hawking, is the latest blockbusting contribution to the so-called New Atheist debate, and claims that the laws of physics themselves brought the Universe into being, rather than God. In this swift and forthright reply, John Lennox, Oxford mathematician and author of God's Undertaker, exposes the flaws in Hawking's logic. In lively, layman's terms, Lennox guides us through the key points in Hawking's arguments - with clear explanations of the latest scientific and philosophical methods and theories - and demonstrates that far from disproving a Creator God, they make his existence seem all the more probable.

### **The Reason for God**

Atheism is on the march in the western world, and its enemy is God. Religion, the New Atheists claim, is dangerous, it kills or poisons everything. And if religion is the problem with the world, their answer is simple: get rid of it. But are things really so straightforward? Tackling the likes of Richard Dawkins, Stephen Hawking, Christopher Hitchens, and Daniel Dennett head on, John Lennox highlights the

# Read Online God Is Not Dead What Quantum Physics Tell Us About Our Origins And How We Should Live Amit Goswami

fallacies in their approach, arguing that their irrational and unscientific methodology leaves them guilty of the same obstinate foolishness of which they accuse dogmatic religious folks. Erudite and wide-ranging, Gunning for God packs some debilitating punches. It also puts forward new ideas about the nature of God and Christianity that will give the New Atheists' best friends and worst enemies alike some stimulating food for thought.

## **Cold-Case Christianity**

This is the story of a boy, from the country, who chose to become a US Air Force physician, one who even spent a year at an Army Special Forces camp in Vietnam where one of his duties was to pull guard duty. Later he became a respected Obstetrician and Gynecologist. His story includes several close calls with death and his conversion from being a pro-abortion physician, who did abortions in his medical practice, to one who has spent years helping women choose life for their babies.

## **God's Not Dead**

Answering this question will be the defining decision of your life. If you believe God is real, how can you effectively defend your faith when it matters most? In many countries of the world, Christians are assaulted for their beliefs-in America, they are insulted out of their faith. Our response? Real faith isn't blind. It is based on evidence! Christianity answers the deepest questions of the heart and mind. This four-week study

# Read Online God Is Not Dead What Quantum Physics Tell Us About Our Origins And How We Should Live Amit Goswami

will help you discover answers in your search for God, effectively address our culture's assault of skepticism, become a defender of your faith, and take the kind of stand that the teacher Grace took in God's not Dead 2. Book jacket.

## **Between Heaven and Hollywood**

"Based on the movie from Pure Flix"--Cover.

## **God's Not Dead**

A different kind of evangelism book Just as the author's book God's Not Dead laid out the logical reasoning for God's existence, and Man Myth Messiah established the existence and identity of Jesus Christ, now Rice Brooks brings a definitive book on the logical necessity to make the proclamation of the Gospel our highest priority. In fact, it is actually the ultimate justice issue and, therefore, the most important of all human rights. Consciously or subconsciously, many now believe that demonstrating tolerance is more important than truth.

Fundamentally, the right to know the truth is even greater than the freedom to believe. Because Jesus Christ is the Truth, then humanity shouldn't be denied the right to hear about Him, make its own decision, and then have the freedom to tell others. This unique book is written to achieve the following goals: To recast the gospel as a human rights issue To reset the gospel as our top priority To explain why truth exists in the first place To defend the truth of the Bible To explain why God's design and purpose make gender

# Read Online God Is Not Dead What Quantum Physics Tell Us About Our Origins And How We Should Live Amit Goswami

issues absurd To show that immorality is wrong regardless of the law of man What is truth? Does God really exist? Is the Bible true? All of this will be examined more closely in this book. Jesus claimed He was the Truth, not just spoke the truth. Therefore, if Christ is the Truth, and all deserve to know what is true, then the most basic right of all is to know Jesus Christ and make Him known.

## **God's Not Dead Adult Study Guide: What Do You Believe?**

The Evidence Behind the Hit Movie The goal of God's Not Dead: Evidence for God in an Age of Uncertainty is straightforward: to help readers develop "a faith that is real and credible—and strong enough to help others find faith in God." To that end, Rice Brooks outlines a roadmap that guides seekers to acknowledge the most basic truths of Christianity: There is overwhelming and exciting evidence for God's existence The God who exists is indeed the God of the Bible God has revealed his nature through his Son, Jesus Christ As shown during the movie, this is the original book on which the main character bases much of his debate points with the atheistic professor. Persuasive arguments crafted with tools borrowed from logic, science, and philosophy, as well as scripture, solidify the faith of the Christian reader and provide starting points for discussions with skeptics. With clear, easy-to-follow explanations of key concepts and controversies, God's Not Dead is apologetics for the twenty-first century, presented in layman's terms. Readers will be empowered not only

# Read Online God Is Not Dead What Quantum Physics Tell Us About Our Origins And How We Should Live Amit Goswami

to talk about their own faith with confidence but to lead others to a relationship with Jesus.

## **God Is Not Dead**

Filled with Scripture readings, group discussion points and questions, the six week study guide will help you discover what you believe and how to stand for it. For use with, or separate from, the DVD-based study.

## **Thimblrig's Ark**

Between Heaven & Hollywood is David's inspirational journey from the wheat fields of his Mennonite home outside of Dodge City Kansas, to the bright lights of Los Angeles. This story of perseverance will assure you that your dreams aren't frivolous. They might be the most important part of your life. White has starred in more than twenty-five movies and produced forty films, including the blockbuster God's Not Dead. He serves as a Managing Partner of Pure Flix, the largest faith-based movie studio in the world. With his signature wit and sidesplitting hilarity, David's story of faithfulness, grounded in the biblical truth that no dream is too big for God, will inspire you to relentlessly pursue your dreams, and in the process, bring the reality of God's kingdom a little closer to the here and now. God has planted a dream in your heart that is both unique to you and essential to the world. White reminds us that there is no one too common, too uneducated, too poor, too inexperienced, or too broken that he or she cannot be used by God.

## **A Stranger in the House of God**

Why do we read literature and how do we judge it? C. S. Lewis's classic *An Experiment in Criticism* springs from the conviction that literature exists for the joy of the reader and that books should be judged by the kind of reading they invite. He argues that 'good reading', like moral action or religious experience, involves surrender to the work in hand and a process of entering fully into the opinions of others: 'in reading great literature I become a thousand men and yet remain myself'. Crucial to his notion of judging literature is a commitment to laying aside expectations and values extraneous to the work, in order to approach it with an open mind. Amid the complex welter of current critical theories, C. S. Lewis's wisdom is valuably down-to-earth, refreshing and stimulating in the questions it raises about the experience of reading.

## **Buh Neni Zcela Mrtev**

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and

## Read Online God Is Not Dead What Quantum Physics Tell Us About Our Origins And How We Should Live Amit Goswami

the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

### **The Book of Mormon**

What should Christian witness look like in our contemporary society? In this timely book, Alan Noble looks at our cultural moment, characterized by technological distraction and the growth of secularism, laying out individual, ecclesial, and cultural practices that disrupt our society's deep-rooted assumptions and point beyond them to the transcendent grace and beauty of Jesus.

### **Lord, I'm Not Dead Yet**

### **God Is Not Dead**

A compelling argument for Christianity that equips believers like never before. The goal of *God's Not Dead: Evidence for God in an Age of Uncertainty* is straightforward: to help readers develop "a faith that is real and credible-and strong enough to help others find faith in God." To that end, Rice Brooks outlines a roadmap that guides seekers to acknowledge the most basic truths of Christianity: There is overwhelming and exciting evidence for God's

# Read Online God Is Not Dead What Quantum Physics Tell Us About Our Origins And How We Should Live Amit Goswami

existence The God who exists is indeed the God of the Bible God has revealed his nature through his Son, Jesus Christ Persuasive arguments crafted with tools borrowed from logic, science, and philosophy, as well as scripture, solidify the faith of the Christian reader and provide starting points for discussions with skeptics. With clear, easy-to-follow explanations of key concepts and controversies, God's Not Dead is apologetics for the twenty-first century, presented in layman's terms. Readers will be empowered not only to talk about their own faith with confidence but to lead others to a relationship with Jesus.

## **God's Not Dead 2 Study Guide**

Encourage students to use this guide to grow deeper in their relationship with God and their friends by discovering what they believe, why, and how to stand up for it. For use with, or separate from, the God's Not Dead Student Kit.

## **Brief Answers to the Big Questions**

### **The Human Right**

The God Delusion caused a sensation when it was published in 2006. Within weeks it became the most hotly debated topic, with Dawkins himself branded as either saint or sinner for presenting his hard-hitting, impassioned rebuttal of religion of all types. His argument could hardly be more topical. While Europe is becoming increasingly secularized, the rise of

# Read Online God Is Not Dead What Quantum Physics Tell Us About Our Origins And How We Should Live Amit Goswami

religious fundamentalism, whether in the Middle East or Middle America, is dramatically and dangerously dividing opinion around the world. In America, and elsewhere, a vigorous dispute between 'intelligent design' and Darwinism is seriously undermining and restricting the teaching of science. In many countries religious dogma from medieval times still serves to abuse basic human rights such as women's and gay rights. And all from a belief in a God whose existence lacks evidence of any kind. Dawkins attacks God in all his forms. He eviscerates the major arguments for religion and demonstrates the supreme improbability of a supreme being. He shows how religion fuels war, foments bigotry and abuses children. The God Delusion is a brilliantly argued, fascinating polemic that will be required reading for anyone interested in this most emotional and important subject.

## **God's Not Dead: What Do You Believe?**

“Make Disciples of All Nations” In this book, Rice Brooks explains the progress of the Church in terms of its obedience to the apostolic mandate. This mandate, which has been called the Great Commission, must be recovered and embraced if the Church is going to get back into the race for the destiny of the planet. The orders of Jesus to His followers to "make disciples of all nations" is far more than simply giving people a basic gospel message. This mandate includes not only individual transformation, but cultural as well. About the author: Rice Brooks is the president of Morning Star International (MSI), a family of churches and

# Read Online God Is Not Dead What Quantum Physics Tell Us About Our Origins And How We Should Live Amit Goswami

ministries currently operating in 35 nations. He is also the senior pastor of Bethel World Outreach Center in Nashville, Tennessee, where he lives with his wife and their five children. He is the co-founder of Champions for Christ, a ministry to college and professional athletes, as well as the president of Victory Campus Ministries, reaching out to hundreds of university campuses around the world.

## God's Not Dead 2

'We have left dry land and put out to sea! We have burned the bridge behind us - what is more, we have burned the land behind us!' Nietzsche's devastating demolition of religion would have seismic consequences for future generations. With God dead, he envisages a brilliant future for humanity: one in which individuals would at last be responsible for their destinies. One of twenty new books in the bestselling Penguin Great Ideas series. This new selection showcases a diverse list of thinkers who have helped shape our world today, from anarchists to stoics, feminists to prophets, satirists to Zen Buddhists.

## God's Not Dead 2

Throughout history, Christianity has come under fire for holding to a standard the culture abandons. Today's headlines increasingly reflect the pressure that comes as warning shots across the bow before the full-on attack of persecution begins. The movie God's Not Dead gave us a front row seat to the one-on-one debate regarding the existence of God

## Read Online God Is Not Dead What Quantum Physics Tell Us About Our Origins And How We Should Live Amit Goswami

between atheist Professor Radisson and Christian university student Josh Wheaton. Now in *God's Not Dead 2* the stakes are much higher than a college course as high school history teacher Grace Wesley becomes the pawn in an epic court case that has the potential to cripple free speech rights for Christians. An innocent question regarding Jesus from 16-year-old student Brooke Thawley ignites a firestorm on faith from Grace's accurate answer. The *God's Not Dead 2 40-Day Devotional* book digs deeper into the cultural questions of civil disobedience and religious freedom, coupled with the sovereignty of God and the Biblical heroes who have traveled this road before us. This 40-day journey will inspire, motivate, and challenge you to not only grow closer to God, but also deepen your roots to stand strong in the storms that life will surely bring. And once again, we shall see—God is not dead—He's surely alive!

### **God's Not Dead 2 Gift Book: Who Do You Say I Am?**

Christopher Hitchens, described in the *London Observer* as “one of the most prolific, as well as brilliant, journalists of our time” takes on his biggest subject yet—the increasingly dangerous role of religion in the world. In the tradition of Bertrand Russell's *Why I Am Not a Christian* and Sam Harris's recent bestseller, *The End Of Faith*, Christopher Hitchens makes the ultimate case against religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a

# Read Online God Is Not Dead What Quantum Physics Tell Us About Our Origins And How We Should Live Amit Goswami

distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble Telescope's awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix. From the Hardcover edition.

## **God is Not Dead**

A systematic analysis of how modern man can and does believe in God.

## **Man, Myth, Messiah**

This study is based on the sequel to one of the most successful faith-based movies of all time. The highly anticipated *Gods Not Dead 2: Hes Surely Alive* features a star-studded cast including Melissa Joan Hart, Jesse Metcalfe, Hayley Orrantia, and Duck Dynasty's Sadie Robertson.

## **The God Delusion. 10th Anniversary Edition**

The electrifying, "cutting-edge" (USA Today) debut work of fiction from Ron Currie, author of the forthcoming novel *The One-Eyed Man* (March 2017) Ron Currie's gutsy, funny book is instantly gripping: If God takes human form and dies, what would become of life as we know it? Effortlessly combining outlandish humor with big questions about mortality, ethics, and human weakness, Ron Currie, Jr., holds a

# Read Online God Is Not Dead What Quantum Physics Tell Us About Our Origins And How We Should Live Amit Goswami

funhouse mirror to our present-day world. God has inhabited the mortal body of a young Dinka woman in the Sudan. When she is killed in the Darfur desert, he dies along with her, and word of his death soon begins to spread. Faced with the hard proof that there is no supreme being in charge, the world is irrevocably transformed, yet remains oddly recognizable.

## **Every Nation in Our Generation**

A beautiful notebook for Christians and their favorite Bible verses and personal prayer! This great Catholic design and text illustration is perfect for all devotional Christians and churchgoers. Thankfulness, Gratefulness, Gratitude and the power of the holy ghost guide your life and you are fulfilled. Do not forget your new notebook for the next church mess, prayer circle or catholic festival!

## **God's Not Dead 2 Study Guide with DVD**

In the history of western literature there has never been a factual description of God. We often hear that "no one has seen God and lived to tell about it." However, if the Supreme Truth wishes to reveal Himself to whomever and whenever He so chooses, then the Infinite can be known to the infinitesimal. This extraordinary event is now being shared by a physician-scientist who had this most extraordinary experience in 1971 at the age of 20. His material qualifications hopefully will convince readers that the descriptions of this revelation are neither capricious

## Read Online God Is Not Dead What Quantum Physics Tell Us About Our Origins And How We Should Live Amit Goswami

nor imaginary. Those who are naturally disposed to seek the deeper Truth are the primary audience for these expressions of supreme good fortune and hope. But, any religiously or spiritually inclined individual will be highly benefited. The style of writing is that of a seeker, intended for serious seekers. Scientists will easily be carried along through the process of discrimination between matter and spirit. The pearls of Eastern wisdom, and quotes from the Vedas, especially the Bhagavad Gita, the Bible, and the Koran, will help readers understand that the path to enlightenment is being drawn by well-established spiritual traditions. However, the revelation of God Himself in His Personal and Impersonal aspects will be described for the readers, as it was shown to this seeker. The experiment was done, and fortunately, the result was realized by the Grace of God Himself. Although its verification is clear and confirmed in the great religious traditions, this is the factual description of one who has seen God and lived to tell about it. It is the hope that these descriptions will help humanity to appreciate that indeed God is not dead. It is we who remain imprisoned due to our ignorance, as it were, in vehicles of mostly water and other elements. The person is the spiritual being within this vehicle and it is offered that even agnostics and some atheists will read these descriptions and be rejuvenated in their sojourns toward our spiritual Home. Thoughtful people should read this book and know that there is a genuine optimism within God's creation. Once we understand this, then our lives take on a deep intrinsic eternal meaning. You too may say, as I did, that "God really is a Person!"

# Read Online God Is Not Dead What Quantum Physics Tell Us About Our Origins And How We Should Live Amit Goswami

## **God Is Dead**

Stephen Hawking was recognized as one of the greatest minds of our time and a figure of inspiration after defying his ALS diagnosis at age twenty-one. He is known for both his breakthroughs in theoretical physics as well as his ability to make complex concepts accessible for all, and was beloved for his mischievous sense of humor. At the time of his death, Hawking was working on a final project: a book compiling his answers to the "big" questions that he was so often posed--questions that ranged beyond his academic field. Within these pages, he provides his personal views on our biggest challenges as a human race, and where we, as a planet, are heading next. Each section will be introduced by a leading thinker offering his or her own insight into Professor Hawking's contribution to our understanding. The book will also feature a foreword from Academy Award winning actor Eddie Redmayne, who portrayed Hawking in the film *The Theory of Everything*, and an afterword by Hawking's daughter, Lucy Hawking, as well as personal photographs and additional archival material.

## **God and Stephen Hawking**

Move over, Richard Dawkins and Christopher Hitchens—a highly regarded nuclear physicist enters the debate about the existence of God—and comes down on the side of the angels. Goswami's hypothesis is that quantum physics holds the key to all the unsolved mysteries of biology—the nature and origin

# Read Online God Is Not Dead What Quantum Physics Tell Us About Our Origins And How We Should Live Amit Goswami

of life, fossil gaps of evolution, why evolution proceeds from simple to complex, and why biological beings have feeling and consciousness. In *God Is Not Dead*, Goswami moves beyond theory and shows how a God-based science puts ethics and values where it belongs: at the center of our lives and societies. He provides a scientific model that steers between scientific materialism and religious fundamentalism; a model that has implications for how we live both individually and collectively. *God Is Not Dead* is a fascinating tour of quantum physics, consciousness, and the existence and experience of God.

## **Gunning for God**

You know about Noah, but what about the animals? Thimblerig is a little groundhog with big problems. He's a loner con-artist who's losing his mojo; the wild dogs who run the forest harass him at every turn; he's started having vivid nightmares of apocalyptic floods; and worst of all - he believes he sees unicorns when everyone knows unicorns are only the stuff of legend. But what one animal calls problems, Thimblerig calls opportunity. His problems inspire him to come up with the ultimate con: convincing a group of gullible animals that a world-ending flood is coming, that the fabled unicorns have told him where the only safe place will be, and that only he can lead them to safety. And all for a reasonable price, of course. But when the flood really does come, Thimblerig has a choice to make: either he really does save the ones who have trusted him, or he loses everything. And he discovers that his problems have only just begun.

## **Disruptive Witness**

Designed as a four-week series based on the hit movie, *Gods Not Dead*, this church kit includes everything you need to launch a sermon series and outreach campaign. This series will challenge people and help them discover what they believe and to stand up for it. Kit includes:

### **God Is Not Great**

### **God's Not Dead 2**

In today's uncertain world, storms will arise that test your faith in a loving heavenly Father. At times, the winds and waves of the world's deceptions will roll in and seek to erode your confidence in God. Without a firm foundation in the truth of God's Word, you may be tempted to go off course and accept less than God's best for you. However, when you hear Jesus' words, receive them, and put them into practice, you will construct a life the torrents cannot shake, "because it was well built" (Luke 6:48). The Purple Book will help you understand foundational truths that God wants you to hear on topics such as sin, salvation, spiritual gifts, prayer, worship, generosity, and evangelism. It will show you how the Bible is "God-breathed and is useful for teaching, rebuking, correcting and training in righteousness" (2 Timothy 3:16). It will help you understand that the faith you hold has true power to change lives and transform nations. It will give you a solid foundation the enemy
