God Knows

When world-class biblical scholar Bart Ehrman first began to study the texts of the Bible in their original

Download File PDF Gods Problem How The Bible Fails To Answer Our Most Important Question Why We Suffer Bart D. Ehrman

languages he was startled to discover the multitude of mistakes and intentional alterations that had been made by earlier translators. In *Misquoting Jesus*, Ehrman tells the story behind the mistakes and changes that ancient scribes made to the New Testament and shows the great impact they had upon the Bible we use today. He frames his account with personal reflections on how his study of the Greek manuscripts made him abandon his once ultraconservative views of the Bible. Since the advent of the printing press and the accurate reproduction of texts, most people have assumed that when they read the New Testament they are reading an exact copy of Jesus's words or Saint Paul's writings. And yet, for almost fifteen hundred years these manuscripts were hand copied by scribes who were deeply influenced by the cultural, theological, and political disputes of their day. Both mistakes and intentional changes abound in the surviving manuscripts, making the original words difficult to reconstruct. For the first time, Ehrman reveals where and why these changes were made and how scholars go about reconstructing the original words of the New Testament as closely as possible. Ehrman makes the provocative case that many of our cherished biblical stories and widely held beliefs concerning the divinity of Jesus, the Trinity, and the divine origins of the Bible itself stem from both intentional and accidental alterations by scribes -- alterations that dramatically affected all subsequent versions of the Bible.

Who Was John the Baptist?

Download File PDF Gods Problem How The Bible Fails To Answer Our Most Important Question Why We Suffer Bart D Ehrman

Have you ever wondered why there are so many religions in the world? Each one claims to be true, and attempts to affirm it by tales of miracles and books of wisdom. But they can't all be right, can they? In this book, Daniel Clausen shows the origins of false religion and idolatry through the Bible, logic, and his personal experiences as a former occultist and cult leader, where he gained a real and active demonic backing, resulting in a loyal, but deceived following. Read on, and discover the truth of HOW GODS ARE MADE.

Journal of a Mad Man

David Pawson presents a unique overview of both the Old and New Testaments.

A Clash of Ideologies

The Problem of God is written by a skeptic who became a Christian and then a pastor, all while exploring answers to the most difficult questions raised against Christianity. Growing up in an atheistic home, Mark Clark struggled through his parents' divorce, acquiring Tourette syndrome and OCD in his teen years. After his father's death, he began a skeptical search for truth through science, philosophy, and history, eventually finding answers in Christianity. In a disarming, winsome, and persuasive way, The Problem of God responds to the top ten God questions of our present age, including: Does God even exist? What do we do with Christianity's violent history? Is Jesus just another myth? Can the Bible be trusted?

Download File PDF Gods Problem How The Bible Fails To Answer Our Most Important Question Why We Suffer Bart D Ehrman

Why should we believe in Hell anymore today? The book concludes with Christianity's most audacious assertion: how should we respond to Jesus' claim that he is God and the only way to salvation.

The Problem of God

Bart D. Ehrman, the New York Times bestselling author of *Jesus, Interrupted* and *God's Problem* reveals which books in the Bible's New Testament were not passed down by Jesus's disciples, but were instead forged by other hands—and why this centuries-hidden scandal is far more significant than many scholars are willing to admit. A controversial work of historical reporting in the tradition of Elaine Pagels, Marcus Borg, and John Dominic Crossan, Ehrman's *Forged* delivers a stunning explication of one of the most substantial—yet least discussed—problems confronting the world of biblical scholarship.

God According to God

From the Publisher: Bart Ehrman, author of the bestsellers *Misquoting Jesus* and *Truth and Fiction in The Da Vinci Code*, here takes readers on another engaging tour of the early Christian church, illuminating the lives of three of Jesus' most intriguing followers: Simon Peter, Paul of Tarsus, and Mary Magdalene.

Misquoting Jesus

Download File PDF Gods Problem How The Bible Fails To Answer Our Most Important Question Why We Suffer Bart D Ehrman

The biblical scholar recounts the events surrounding the discovery and handling of the Gospel of Judas, and provides an overview of its content, in which Judas is portrayed as a faithful disciple.

Dealing with Bible Problems

In his book *Dealing with Bible Problems*, Dr. Boice argues for the historical and scientific truthfulness of Scripture by selecting a few of the best-known and most representative attacks and demonstrating that the alleged difficulty presents no insoluble problem when it is dealt with by an appropriate and reasonable methodology.

Problems

Can a forest that is reputed to be haunted come to life through the hard work and endeavour of one man with a plan? Tom Bay sees the potential to create a fantastic leisure project for a town that has not got much going for it, and he also comes up against a lot of obstacles. Has he got the patience, nerve, enterprise and most of all, can he finance the scheme to make a dream into reality? It is a massive task but Tom with the help of his son Edward makes a decision that changes his life forever.

Mind of God

Joseph Heller's powerful, wonderfully funny, deeply moving novel is the story of David -- yes, King David -- but as you've never seen him before. You already

Download File PDF Gods Problem How The Bible Fails To Answer Our Most Important Question Why We Suffer Bart D Ehrman

know David as the legendary warrior king of Israel, husband of Bathsheba, and father of Solomon; now meet David as he really was: the cocky Jewish kid, the plagiarized poet, and the Jewish father. Listen as David tells his own story, a story both relentlessly ancient and surprisingly modern, about growing up and growing old, about men and women, and about man and God. It is quintessential Heller.

The Triumph of Christianity

The author of *Lost Christianities* reveals how ancient scribes erroneously or deliberately changed New Testament stories in the face of period cultural, theological, and political disputes, explaining how numerous Christian beliefs are based on altered texts. 50,000 first printing.

Theodicy

A top Bible scholar and "New York Times"-bestselling author of *Misquoting Jesus* challenges the varied and contradictory biblical explanations for why an all-powerful God allows suffering.

Grape Juice in the Bible: God's Blessing for His People!

In this 1710 treatise, Gottfried Leibniz's only book-length work, he applies the idea of philosophical "optimism"-that we live in the best of all possible worlds-to the "problem of evil"-If a benevolent God exists, why do terrible things happen? He explores the

Download File PDF Gods Problem How The Bible Fails To Answer Our Most Important Question Why We Suffer Part D Ehrman

possibility that humanity's happiness is not necessarily part of God's plan. Much of Leibniz's thinking in the realm of the sciences flowed from his philosophy—he believed the universe to operate under simple, intelligible, interconnected rules. Understanding how he approached the metaphysical world and humanity's place in it is vital to understanding his contributions to modern science. The impact of the work of German mathematician GOTTFRIED WILHELM LEIBNIZ (1646-1716) on modern science and technology is all but incalculable. His notation for infinitesimal calculus—which he developed independently of Newton—remains in use today, and his invention of binary counting is the basis for modern computing. He was a powerfully influential philosopher as well, and is still considered, alongside Descartes and Spinoza, one of the great 17th-century rationalists.

God's Gift by Glenn Johnson

One hundred taxis lined up on Church Street in Oslo on November 26, 1942, deployed in order to round up the city's Jews and send them to Auschwitz. This reality anchors *God of Sense and Traditions of Non-Sense*: it is theology from a Holocaust perspective. The brash Elihu excoriating Job for his insistence that he is owed an explanation for the calamities that have befallen him. This is the book's opening salvo. Job speaking of a God of sense, Elihu and Job's three friends inaugurating a tradition of non-sense: this is the existential and theological predicament. The problem of finite suffering in this life addressed in the

Download File PDF Gods Problem How The Bible Fails To Answer Our Most Important Question Why We Suffer Bart D Ehrman

theological tradition with the prospect of infinite, endless suffering, in this book described as a key element in Traditions of Non-Sense. Back to the millions of Jews, among them 188 women and 42 children from Oslo, deported, gassed, and cremated--in God of Sense this is not seen as a problem that defeats belief, but as the reality that demands a religious and theological account of human existence.

God at War

It is a concise treatment of how a believer is to understand and solve problems using the Scriptures in dependence upon the Holy Spirit.

The Big Big Rhyming Bible!

One of the earliest sources of humanity's religious impulse was severe weather, which ancient peoples attributed to the wrath of storm gods. Enlightenment thinkers derided such beliefs as superstition and predicted they would pass away as humans became more scientifically and theologically sophisticated. But in America, scientific and theological hubris came face-to-face with the tornado, nature's most violent windstorm. Striking the United States more than any other nation, tornadoes have consistently defied scientists' efforts to unlock their secrets.

Meteorologists now acknowledge that even the most powerful computers will likely never be able to predict a tornado's precise path. Similarly, tornadoes have repeatedly brought Americans to the outer limits of

Download File PDF Gods Problem How The Bible Fails To Answer Our Most Important Question Why We Suffer Bart D Ehrman

theology, drawing them into the vortex of such mysteries as how to reconcile suffering with a loving God and whether there is underlying purpose or randomness in the universe. In this groundbreaking history, Peter Thuesen captures the harrowing drama of tornadoes, as clergy, theologians, meteorologists, and ordinary citizens struggle to make sense of these death-dealing tempests. He argues that, in the tornado, Americans experience something that is at once culturally peculiar (the indigenous storm of the national imagination) and religiously primal (the sense of awe before an unpredictable and mysterious power). He also shows that, in an era of climate change, the weather raises the issue of society's complicity in natural disasters. In the whirlwind, Americans confront the question of their own destiny-how much is self-determined and how much is beyond human understanding or control.

O Death, Where Is Thy Sting

O Death, Where Is Thy Sting By DR Vin Smith DD The biggest question a human being will ever pose is that ages old mystery-is there life after death? There are many ways to pose that question Peggy Lee addressed the query in song in 1969, with the haunting number, Is That All There Is? A similar line of thinking is, does heaven exist? And perhaps the core question would be, is there a God? We can talk about the absurdity of hanging your faith on primordial ooze, maybe a lightening strike to spark life in a random pool of natural chemicals. When we finish grappling with discordant theories that take no logic

Download File PDF Gods Problem How The Bible Fails To Answer Our Most Important Question Why We Suffer Bart D Ehrman

or reasonable explanations into account, then we can begin to examine the world itself. A sunset, the breathtaking depth and breadth of Creation itself, and uncountable stars shining in a night sky. After being awestruck by nature itself, often the next step a thoughtful person takes is to reexamine the Bible. Start with the possibility of an actual creator. Step away from some off-the-wall view that a world was built by spontaneous means. Perhaps even something as preposterous as the presence of gravity creating life out of whole cloth. Then, when you open your Bible, you see that maybe it is time to examine its words to see if there is logic behind the testimony, contained within sixty-six books, in two testaments. After awhile, you begin to seriously question yourself. "Maybe Grandma was right Maybe there is a God." You begin to think that perhaps you have been in deep denial. Even running from the truth that has always stood right in front of you. Suddenly, from seemingly out of nowhere, God speaks to your heart. "But from there you will seek the Lord your God and you will find him, if you search after him with all your heart and with all your soul." (Deuteronomy 4:29) ESV

O Death, Where is thy sting: Road to Redemption offers twenty-three touchstones along the road to salvation---a definitive answer to the most important question that can ever be asked. Is there salvation? The answer is a resounding YES!

God's Problem LP

What is the meaning of life? The question has been asked by the brightest philosophical minds for

Download File PDF Gods Problem How The Bible Fails To Answer Our Most Important Question Why We Suffer Part D Ehrman

centuries. Still to this day answers vary greatly depending on the worldview. Solomon, the wisest king in Israel's history, set all his energies to search for the ultimate meaning of life under the sun. His conclusions may shock and surprise you--vanity, chasing after the wind, absurdity, vanishing smoke. Are these the musings of a genius or of a mad man? If you are looking for a candy-coated appraisal of life then go ahead and put this book down. However, if you are looking for a no-frills, brutally honest, ragged-edged assessment of reality, then you have discovered an indispensable volume. In *Journal of a Mad Man*, pastor and author Derrick McCarron will carefully guide readers verse by verse through Solomon's meditations recorded in the Old Testament book of wisdom--Ecclesiastes. Not only will readers attempt to plumb the depths of some of mankind's most vexing questions, but they will also discover Solomon's secrets for wise living in a warped world.

How Gods Are Made

Misquoting Jesus

Marxism is one of the revolutionary social-scientific theories that has come to have a prominent place in New Testament studies in the United States. It is often combined with liberation theology and applied to apocalyptic texts. This book argues that the basic presuppositions of these three ideological systems are ultimately at odds with one another. The study then traces the kinds of moves scholars in New

Download File PDF Gods Problem How The Bible Fails To Answer Our Most Important Question Why We Suffer Bart D Ehrman

Testament studies have made to overcome this problem.

Tornado God

The “marvelous” (Reza Aslan, bestselling author of *Zealot*), New York Times bestselling story of how Christianity became the dominant religion in the West. How did a religion whose first believers were twenty or so illiterate day laborers in a remote part of the empire become the official religion of Rome, converting some thirty million people in just four centuries? In *The Triumph of Christianity*, early Christian historian Bart D. Ehrman weaves the rigorously-researched answer to this question “into a vivid, nuanced, and enormously readable narrative” (Elaine Pagels, National Book Award-winning author of *The Gnostic Gospels*), showing how a handful of charismatic characters used a brilliant social strategy and an irresistible message to win over hearts and minds one at a time. This “humane, thoughtful and intelligent” book (*The New York Times Book Review*) upends the way we think about the single most important cultural transformation our world has ever seen—one that revolutionized art, music, literature, philosophy, ethics, economics, and law.

Peter, Paul, and Mary Magdalene

God and Human Suffering

The *God Delusion* caused a sensation when it was

Download File PDF Gods Problem How The Bible Fails To Answer Our Most Important Question Why We Suffer Bart D. Ehrman

published in 2006. Within weeks it became the most hotly debated topic, with Dawkins himself branded as either saint or sinner for presenting his hard-hitting, impassioned rebuttal of religion of all types. His argument could hardly be more topical. While Europe is becoming increasingly secularized, the rise of religious fundamentalism, whether in the Middle East or Middle America, is dramatically and dangerously dividing opinion around the world. In America, and elsewhere, a vigorous dispute between 'intelligent design' and Darwinism is seriously undermining and restricting the teaching of science. In many countries religious dogma from medieval times still serves to abuse basic human rights such as women's and gay rights. And all from a belief in a God whose existence lacks evidence of any kind. Dawkins attacks God in all his forms. He eviscerates the major arguments for religion and demonstrates the supreme improbability of a supreme being. He shows how religion fuels war, foments bigotry and abuses children. The God Delusion is a brilliantly argued, fascinating polemic that will be required reading for anyone interested in this most emotional and important subject.

Difficulties Associated With Articles Of Religion Among Particular Baptists

Professor Hall has written a major work on an agonizing subject, at once brilliant, comprehensive, and thought provoking. In contrast to many writers who gloss over one or the other, Dr. Hall is true both to the reality of suffering and to the affirmation that God creates, sustains, and redeems. Creative is his

Download File PDF Gods Problem How The Bible Fails To Answer Our Most Important Question Why We Suffer Bart D Ehrman

view that certain aspects of what we call suffering -- loneliness, experience of limits, temptation, anxiety -- are necessary parts of God's good creation. These he distinguishes from suffering after the fall, the tragic dimension of life. Unique is his structure: creation--suffering as becoming the fall--suffering as a burden redemption--conquest from within. Professor Hall succeeds in moving the reader beyond the customary way of stating the problem: "How can undeserved suffering coexist with a just and almighty God?" He also evaluates five popular, leading thinkers on suffering: Harold Kushner, C.S. Lewis, Diogenes Allen, George Buttrick, and Leslie Weatherhead.

Forged

An all-new devotional Bible, the New Men's Devotional Bible helps apply God's Word to a new generation of Christian men. It includes a full year of all-new devotions by well-known---and not-so-well-known---men of God. Added features from its bestselling predecessor make this Bible more engaging, practical, and versatile than ever. Features:

- * Complete text of the NIV---the most read, most trusted Bible translation
- * A full year of weekday and weekend devotions along with application statements, questions for reflection, and more
- * Devotions written by a gifted author team also feature insights by Rob Bell, Chuck Colson, Brennan Manning, Brian McLaren, John Piper, Lee Strobel, Rick Warren, and Ravi Zacharias
- * Multiple reading plans for year-after-year use
- * Introductions for each book of the Bible
- * Over 400 callouts spotlighting key verses of the Bible for

memorization and contemplation * Author index with biographical information on each contributor * Subject index to help you locate topics easily * Presentation page * Easy-to-read typesetting in a double-column format

The God Delusion. 10th Anniversary Edition

One of the great enigmas in the Bible is that concerning John the Baptizer. While the physical aspects of who he was are quite apparent from the Scriptures, the spiritual aspects are ambiguous. We know that he was the one who was ordained to "Prepare the way of the Lord," "to make ready a people prepared for the Lord." There is, however, another aspect of John's identity that is often overlooked. On at least two separate occasions Jesus indicated that John was more than just someone who was born to be His forerunner. This short study not only examines many of the details of John's life, but also attempts unravel the mystery about who he really was. Finally, by using the example of John the Baptist, this book also looks at how the Faithful God fulfills His promises and purposes despite having to deal with unbelieving man.

Unlocking the Bible

This 30-day devotional encourages you to give praise despite your circumstances, and guides you on how to do so when you feel like you have nothing left. If you are going through a hard time and you need

Download File PDF Gods Problem How The Bible Fails To Answer Our Most Important Question Why We Suffer Bart D Ehrman

assurance that God has not left your side- pick up this book and discover the promises that the Lord has for his children.

The Problem of the Old Testament Considered with Reference to Recent Criticism

The best-selling author of Heaven paints a realistic picture of who God is and what God is doing in the world, encouraging believers to share their faith more clearly and genuinely in a world filled with pain and fear.

God's Problem

Examines contradictions and discrepancies that come to light when the New Testament is studied from a historical perspective, including varying views of Jesus and salvation and forgeries in the names of the apostles.

Biblical Studies A to Z, Book 5

“This is as important a book on this subject as I recall ever having read.” — Huston Smith “Brilliant. Schroeder’s book demands the attention of anyone who wonders if God must be exiled from the modern, enlightened mind.” — David J. Wolpe, author of Why Faith Matters In his first book since 2002’s acclaimed The Hidden Face of God, popular scientist Gerald Schroeder combines decades of scientific research and biblical study to present a groundbreaking new

paradigm of how to understand God. Readers of Jack Miles' *God: A Biography*, Francis Collins's *The Language of God*, and Richard Friedman's *Who Wrote the Bible* will find much to contemplate in *God According to God*.

Jesus, Interrupted

In the ancient Near East, when the gods detected gross impropriety in their ranks, they subjected their own to trial. When mortals suspect their gods of wrongdoing, do they have the right to put them on trial? What lies behind the human endeavor to impose moral standards of behavior on the gods? Is this effort an act of arrogance, as Kant suggested, or a means of keeping theological discourse honest? It is this question James Crenshaw seeks to address in this wide-ranging study of ancient theodicies. Crenshaw has been writing about and pondering the issue of theodicy - the human effort to justify the ways of the gods or God - for many years. In this volume he presents a synthesis of his ideas on this perennially thorny issue. The result sheds new light on the history of the human struggle with this intractable problem.

God's Promises for Tough Times

Modern Christians are often baffled by the problem of evil, frequently attributing pain and suffering to some mysterious "good" purposes of God. Gregory Boyd instead declares that biblical writers did not try to intellectually understand evil but rather grappled to overcome it.

The Bible and the Problem of Poverty

A diagnosis of a stage IV cancer is quite a jolt for any family. This is the news that came to Jeff Wisdom, a husband and father in his mid-forties. When the diagnosis of an advanced cancer comes to a family, it can challenge faith and hope. Through the Valley is a biblical-theological reflection on suffering. It details what Scripture says about suffering and what God has promised, both now and in the future. It draws comfort and encouragement from some lessons learned. And it acknowledges and wrestles with some unresolved questions and issues. Jeff's reflections, as one who has endured cancer and chemotherapy, help to bridge Scripture's message and the experience of living with a deadly disease. Excerpts from his wife's journal are included to provide a window into this walk in a dark valley. This book does not address every aspect of the Bible's teaching on suffering, but it makes an important contribution to the topic of the suffering that comes seemingly unexplained as the result of living in a fallen world.

God's Problem

In times of questioning and despair, people often quote the Bible to provide answers. Surprisingly, though, the Bible does not have one answer but many "answers" that often contradict one another. Consider these competing explanations for suffering put forth by various biblical writers: The prophets: suffering is a punishment for sin The book of Job, which offers two different answers: suffering is a test, and you will be

Download File PDF Gods Problem How The Bible Fails To Answer Our Most Important Question Why We Suffer Bart D. Ehrman

rewarded later for passing it; and suffering is beyond comprehension, since we are just human beings and God, after all, is God Ecclesiastes: suffering is the nature of things, so just accept it All apocalyptic texts in both the Hebrew Bible and the New Testament: God will eventually make right all that is wrong with the world For renowned Bible scholar Bart Ehrman, the question of why there is so much suffering in the world is more than a haunting thought. Ehrman's inability to reconcile the claims of faith with the facts of real life led the former pastor of the Princeton Baptist Church to reject Christianity. In *God's Problem*, Ehrman discusses his personal anguish upon discovering the Bible's contradictory explanations for suffering and invites all people of faith—or no faith—to confront their deepest questions about how God engages the world and each of us.

Through the Valley

One Bible, Many Answers In *God's Problem*, the New York Times bestselling author of *Misquoting Jesus* challenges the contradictory biblical explanations for why an all-powerful God allows us to suffer.

The Lost Gospel of Judas Iscariot

Full of noises and rhymes about lions, whales, food, builders, sheep and talking donkeys. Young children will love it, and there are lots of big useful spaces for adding your own pictures. Draw all over it! N.B. Similar to *The BIG BRIGHT Rhyming Bible* BUT the text inside this book is NOT in colour. In the *BIG BRIGHT*

Rhyming Bible the text is in various colours.

If God Is Good

It was in the year of 1976 that the Lord sovereignly and miraculously spoke to me to begin studying and publishing Biblical teachings to be shared with a world-wide audience. For the encouragement of the readership, let me recount this event that began with the first teaching the Lord gave me. As I was sitting at my desk in the pastor's study of the church taking care of administrative duties, suddenly and unexpectedly, the Lord spoke clearly, not audibly but rather in my spirit, to "clear the desk, get out a blank sheet of paper and pen because I want to teach you." The only things I had on my desk were a picture of my wife and sons, praying hands with thorns, and a calendar. It was such a shocking experience, that I really didn't know what he meant by "clearing the desk." So at first I just moved them around on the desk. Then I heard the Lord say, "I didn't say move them around, I said clear the desk!" So, I took these three items from my desk and moved them to my book shelf. In obedience to Him, I got out a blank piece of paper and a pen and just sat still at my desk, not knowing what to do next. Then the Lord began to teach me the following specific truths about His Word, the Scripture as recorded in the Holy Bible: 1. There is a thread that runs through the Bible from Genesis to Revelation on any given subject that contains the whole counsel of God. 2. When researching any subject, read and record every Scripture passage pertaining to that topic. 3. For every word in Scripture

Download File PDF Gods Problem How The Bible Fails To Answer Our Most Important Question Why We Suffer Bart D Ehrman

there is a balanced word, i.e. faith and works, heaven and hell, angels and demons, etc. 4. My Word is perfectly balanced. 5. Do not teach anything before you have the balance to that subject. 6. Record the entire Scripture passages and references on each subject. 7. Print out My Word directly from the Bible passages. 8. The best commentary on the Bible is the Bible. 9. Do not make this a commentary of your teachings but rather of My Word. 10. The Holy Spirit is the primary Teacher. 11. Only use Hebrew and Greek definitions of words to clarify word meanings. 12. The Bible does not contradict itself, so keep reading until the answer is found. 13. My Word is the "plumb-line" of Truth. 14. On either side of the "plumb-line" of Truth there are two ditches: Legalism and License. 15. The Truth sets you free and you are free indeed. What began as one teaching has developed into hundreds of teachings. It is to these principles and directives that I have adhered and have recorded the teachings He has revealed to me over the past 40 years.

NIV, Men's Devotional Bible, eBook

Articles of religion or confessions of faith are used to inform others of what a person, a church, or society believes with respect to religious beliefs. Some churches restrict membership to those who will subscribe to their articles of religion. One of the problems that this brings is that there comes a time when a new believer cannot, in conscience, subscribe to a tenet of belief that they do not understand. It may be the article is badly worded or poorly written or may, in fact, be in error. In which case a new believer

Download File PDF Gods Problem How The Bible Fails To Answer Our Most Important Question Why We Suffer Part D Ehrman

could not in conscience subscribe to something they do not understand. Or it may be a member of the church who begins to realize their articles of religion are in error. This book seeks to inform of the difficulties that articles of religion among Particular Baptists have experienced since the first London Baptists 1646 2nd Edition was published and offers an alternative solution to this problem. This book contains the First Particular Baptists London Confession 1646 2nd Edition, The Second London Baptists Confession 1689, Bierton Particular Baptists 1831, The Gospel Standard articles of religion 1878 and Bierton Particular Baptists, Pakistan 2016 with observations of the difficulties that have proven difficult, in the past.
