The Science Teacher

The College Board College Handbook 2001 includes the award-winning College Explorer CD-ROM. This book/disk combination gives students the most complete and trusted source of college facts in print, a state-of-the-art college-search program, and direct links to college Web sites on the Internet. Students can do customized electronic searches to find colleges with the features they want, and get in-depth information on: -- college admission policies, academic requirements, deadlines, and acceptance rates-- majors-- SAT and ACT score ranges-- sports, activities, and student services-- special academic programs-- Internet addresses, and much moreBased on the College Board's Annual Survey of Colleges, The College Board College Handbook 2001 is the only comprehensive guide to every accredited four-year and two-year college in the country. Long rated the most up-to-date, authoritative guide, the thirty-eighth

Read Book Grade 11 Physical Science March Control Test Paper 2013

edition has an easy-to-read format that includes handy charts and indexes. Full-color Guidance-at-a-Glance divider tabs separate the major sections, and the College Times magazine section provides colorful, timely, and informative articles covering the topics students want and need to know.
