The Bookseller

The Mazda Miata MX-5 has been a popular car among automotive enthusiasts for more than a decade, and hardly a single one of the more than 500,000 sold has not been customized by its owner in some way. This book provides specific how-to instructions through approximately 35 projects that include both maintenance and modification procedures. Each project is treated separately, giving readers very specific information about the commitment in time, tools, money, and talent for each project.

Consumer guides & advice.

Fiat Uno Service and Repair Manual

Fiat's first agricultural tractor was presented to the civil and military authorities of Turin in 1918 and marketed the following year by the Federation of Agricultural Consortia. This book uses original photographic documentation to illustrate the origins and development of the company's agricultural products, tackling the technical and human aspects of a story that has seen the introduction of over 500 models since 1918. This is the first comprehensive study of the Turin-based firm's history in the agricultural sector. This updated edition includes all the new Holland new series presented from 2008 up to 2011.
