(© 2010) The Subcommittee on the Catechism, United States Conference of Catholic Bishops, has found that this catechetical high school text is in conformity with the Catechism of the Catholic Church and fulfills the requirements of Core Course V of the Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age. Meeting Jesus in the Sacraments reveals the sacraments as the definitive way that Jesus remains present to the Church and the world today. The text explores concrete ways for students to understand the sacraments, participate in their rites, and benefit from their graces. The text is organized around the traditional definition of sacrament from the Catechism of the Catholic Church—an efficacious sign of grace, instituted by Christ and entrusted to the Church, by which divine life is dispensed to us by the work of the Holy Spirit. This definition is clarified by organizing the chapters around four dimensions of the sacrament: memorial, celebration, communion, and transformation. Through regular placement of "For Reflection" panels and assignments that focus on deeper research, developing a personal and communal prayer life, and active transformation of self and society, this text allows students to come to know Jesus through participation in the sacraments and the grace of their effects. Selections from Catholic blogs and profiles of saints offer a practical application of the sacrament to teenagers.

(© 2012) This textbook has been found in conformity with the Catechism of the Catholic Church. Our Catholic Faith: Living What We Believe offers a general overview of the Catholic faith as outlined by the four pillars of the Catechism of the Catholic Church and is designed for use in an introductory Catholic high school theology course. Because students enter Catholic high school with diverse catechetical instruction and formation experiences, a primary objective of this text is to get students up to speed early in their high school careers. Students are challenged to accept Jesus, commit themselves to him through the Church, and to live lives of loving service.

Your Life in Christ introduces high school students to the essential message of Christian moral teaching--love of God and love of neighbor. Against this backdrop, students encounter and explore Catholic teaching that applies the mandate to love in real-life scenarios and situations. In a culture where moral relativism increasingly blurs distinctions between right and wrong, students quickly see that this subject couldn't be more relevant. Students consider and study such topics as conscience formation, law, Jesus as a moral guide, sin and forgiveness, respect for life, and sexuality.

Advanced Language & Literature

(© 2015) The Subcommittee on the Catechism, United States Conference of Catholic Bishops, has found that this catechetical high school text is in conformity with the Catechism of the Catholic Church and fulfills the requirements of Core Course IV of the Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age. Students deepen their understanding of Jesus Christ, the fullness of God's Revelation, as they encounter him in the living Body of Christ, the Catholic Church. Jesus and the Church: One, Holy, Catholic, Apostolic supports Course IV of the USCCB curriculum and is the first high school textbook released by Ave Maria Press in its new Encountering Jesus series. As they engage with the content of this text, students will recognize Christ present and active in their lives through the visible and vibrant mission of Church, defined by her four characteristics--one, holy, catholic, and apostolic. While Jesus and the Church places the foundations of the Church in their historical and scriptural context, the textbook goes further by guiding students to recognize the sacred nature of the Church and engaging them to more actively participate in the living Body of Christ and serve as witnesses to the sacred Gospel in the world today. Simply put, the goal of the book--as in the Encountering Jesus series as a whole--is to change the lives of students by making real-life connections between what they are learning about the Church and how they encounter Jesus in the contemporary world.
