Bien Dit!

(© 2010) The Subcommittee on the Catechism, United States Conference of Catholic Bishops, has found that this catechetical high school text is in conformity

with the Catechism of the Catholic Church and fulfills the requirements of Core Course V of the Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age. Meeting Jesus in the Sacraments reveals the sacraments as the definitive way that Jesus remains present to the Church and the world today. The text explores concrete ways for students to understand the sacraments, participate in their rites, and benefit from their graces. The text is organized around the traditional definition of sacrament from the Catechism of the Catholic Church--an efficacious sign of grace, instituted by Christ and entrusted to the Church, by which divine life is dispensed to us by the work of the Holy Spirit. This definition is clarified by organizing the chapters around four dimensions of the sacrament: memorial, celebration, communion, and transformation. Through regular placement of "For Reflection" panels and assignments that focus on deeper research, developing a personal and communal prayer life, and active transformation of self and society, this text allows students to come to know Jesus through participation in the sacraments and the grace of their effects. Selections from Catholic blogs and profiles of saints offer a practical application of the sacrament to teenagers.

Being healthy is much more than being physically fit and free from disease. Health is the state of well-being in which all of the components of health -- physical, emotional, social, mental, spiritual, and environmental -- are in balance. To be truly healthy, you must take care of all six components. - p. 11.

(© 2012) This textbook has been found in conformity with the Catechism of the Catholic Church. Our Catholic Faith: Living What We Believe offers a general overview of the Catholic faith as outlined by the four pillars of the Catechism of the Catholic Church and is designed for use in an introductory Catholic high school theology course. Because students enter Catholic high school with diverse catechetical instruction and formation experiences, a primary objective of this text is to get students up to speed early in their high school careers. Students are challenged to accept Jesus, commit themselves to him through the Church, and to live lives of loving service.

A dramatic rethinking of the encounter between Montezuma and Hernando Cortés that completely overturns what we know about the Spanish conquest of the Americas. On November 8, 1519, the Spanish conquistador Hernando Cortés first met Montezuma, the Aztec emperor, at the entrance to the capital city of Tenochtitlan. This introduction—the prelude to the Spanish seizure of Mexico City and to European colonization of the mainland of the Americas—has long been the symbol of Cortés’s bold and brilliant military genius. Montezuma, on the other hand, is remembered as a coward who gave away a vast empire and touched off a wave of colonial invasions across the hemisphere. But is this really what happened? In a departure from traditional tellings, *When Montezuma Met Cortés* uses “the Meeting”—as Restall dubs their first encounter—as the entry point into a comprehensive reevaluation of both Cortés and Montezuma. Drawing on rare primary sources and overlooked accounts by conquistadors and Aztecs alike, Restall explores Cortés’s and Montezuma’s posthumous reputations, their achievements and failures, and the worlds in which they lived—leading, step by step, to a dramatic inversion of the old story. As Restall takes us through this sweeping, revisionist account of a pivotal moment in modern civilization, he calls into question our view of the history of the Americas, and, indeed, of history itself.

The powerful story that has captivated the sports world and inspired many to believe in miracles On October 16, 2010, Eric LeGrand's life drastically changed course in a single moment. Eric was known for his skill as a key Rutgers defensive lineman and as a much-loved teammate who could make anyone smile. During the

heated fourth quarter of a tie game against Army, a crushing tackle left Eric sprawled motionless on the ground while the entire stadium went silent with fear and anticipation. Doctors later discovered that Eric's body was paralyzed from the neck down, marking the beginning of a long, grueling, and emotional road to recovery. What Eric didn't know then, however, was that the months to come would be a remarkable, transformative journey—one so profound that he would call the time since his accident the best years of his life. In this moving memoir, Eric tells the uplifting story of how he is rebuilding his future in the face of hardship. Doctors said that he would never again breathe without a ventilator. Five weeks later, though, he astonished them by drawing breath on his own. He thrilled fans only months later by posting a picture of himself online standing with support during a rehabilitation session. A year after the accident, the nation watched as he led his Rutgers teammates onto the field in his wheelchair—a powerful gesture that was voted best sports moment of 2011 by Sports Illustrated readers. Now, Eric is on his way to graduating from Rutgers University, has a budding career as a sports broadcaster, and uses his experience to spread a message of belief and positivity. He also joined the roster of the Tampa Bay Buccaneers in May 2012 in a symbolic move that recognized his "character, spirit, and perseverance," said Bucs head coach Greg Schiano. Though Eric relies on his family, friends, and faith, his belief and hope for a better future make him a role model for anyone who has experienced tragedy or faced daunting obstacles. Believe is a story of finding purpose in pain and facing setbacks with strength.
