The Portable Henry Rollins

New York Times Bestselling Series For three decades, Robert Ludlum's bestselling novels have set the standard in almost every country in the world against which all other novels of international intrigue are measured. Now The Altman Code is the latest volume in the series of novels featuring Robert Ludlum's Covert-One. In the middle of the night, on the dark waterside docks of Shanghai, a photographer is

recording cargo being secretly loaded when he's brutally killed and his camera destroyed. Shortly thereafter Covert-One director Fred Klein brings the word to the President that there's a Chinese cargo ship rumored to be carrying tons of chemicals to be used by a rogue nation to create new biological weapons. The President cannot let the ship land and risk the consequences of a new stockpile of deadly chemical weapons. Klein is ordered to get the President solid proof of what the Chinese ship is ferrying. Covert-One agent Jon Smith is sent to rendezvous in Taiwan with another agent who has acquired the ship's true manifest. But before Smith can get the document, the two agents are ambushed, the second agent is murdered, the proof is destroyed, and Smith escapes with only his life, scant clues to mystery behind the cargo ship, and a verbal message---the President's biological father is still alive, held prisoner by the Chinese for fifty years. As the Chinese cargo ship draws ever closer to its end port, Smith must race against the clock to uncover the truth about the ship and its cargo, a truth that probes the deepest secrets of the Chinese ruling party, the faction in Washington working to undermine the elected government, and the international cabal who is thrusting the world to the very brink of war.

Henry Rollins is an artist whose legendary, no-holds-barred performances encompasses music, acting, and written and spoken word. As Details magazine said when it named Rollins the 1994 Man of the Year: "through two decades of rage and discipline, Henry Rollins has transformed himself from an L.A. punk rocker

into a universal soldier. His enemies: slackers and hypocrites. His mission: to steel your soul and rock your world." Rollins was frontman for the seminal punk band Black Flag, and since 1987 has led the Rollins Band, whose ninth album, *Come In and Burn*, was just released by DreamWorks. As a spoken-word artist, he regularly performs at colleges and theaters worldwide and has released eight spoken-word audiotapes. His album *Get in the Van* won the Grammy for Best Spoken Word Album for 1995. As an actor, he has appeared in *The Chase*, *Johnny Mnemonic*, *Heat*, and David Lynch's forthcoming film, *Lost Highway*. From his days as front man for the band Black Flag and the current Rollins Band to his books and spoken-word audiotapes, Henry Rollins is the music, the attitude, and the voice that takes no prisoners. In his twelve books, he has led us on a hallucinatory journey through the decades--and his mind--with poems, essays, short stories, diary entries, and rants that exist at "the frayed edges where reality ends and imagination begins" (*Publishers Weekly*). For the first time, the best of his legendary, no-holds-barred writings are available. This collection includes new photos and works from such seminal Rollins books as: *High Adventure in the Great Outdoors* *Art to Choke Hearts Bang!* *Black Coffee Blues* *Get in the Van* *Do I Come Here Often?* *Solipsist* *Plus* never before released stories and more From the Trade Paperback edition.
