A Manual of Practical Hygiene

This third edition of Key Science: Chemistry has been fully revised to meet the requirements of all 2001 GCSE specifications. It is aimed at middle-ability students, but contains enough material for high achievers. Topics are clearly differentiated between core material for GCSE science: Double-Award/Single-Award and extension material for GCSE science: chemistry.

Industrial Refrigeration

Note on the Stability of Pu(IV) in Alkaline Solution

Ohio's Health

Containing the core content of the AQA Chemistry 2006 onwards specification, this revision guide reflects the 'How Science Works' element of the course.

Bulletin

This resource has separate books for biology, chemistry and physics. Each book is accompanied by a teacher's resource pack on customizable CD-ROM or as a printed pack. The series is designed to work in conjunction with the Separate Science for AQA series, so that coordinated and separate science can be taught alongside each other.
