tale of ambition and love in *The Shadows Between Us* “They’ve never found the body of the first and only boy who broke my heart. And they never will.”

Alessandra is tired of being overlooked, but she has a plan to gain power: 1) Woo the Shadow King. 2) Marry him. 3) Kill him and take his kingdom for herself. No one knows the extent of the freshly crowned Shadow King’s power. Some say he can command the shadows that swirl around him to do his bidding. Others say they speak to him, whispering the thoughts of his enemies. Regardless, Alessandra knows what she deserves, and she’s going to do everything within her power to get it. But Alessandra’s not the only one trying to kill the king. As attempts on his life are made, she finds herself trying to keep him alive long enough for him to make her his queen—all while struggling not to lose her heart. After all, who better for a Shadow King than a cunning, villainous queen? “Tricia Levenseller’s latest, *The Shadows Between Us*, is a decadent and wickedly addictive fantasy, full of schemes and court intrigue, and delightful descriptions of food, which I am always a fan of.” —Kendare Blake, #1 New York Times bestselling author of the *Three Dark Crowns* series

Blood Family

One conversation is all it takes to break a world wide open. Seventeen-year-old Macy Lyons has been through something no one should ever have to experience. And she's dealt with it entirely alone. On the outside, she's got it pretty good. Her family's well-off, she's dating the cute boy next door, she has plenty of friends, and although she long ago wrote her mother off as a superficial gym rat, she's thankful to have allies in her loving, laid-back dad and her younger brother. But a conversation with a boy at a party one night shakes Macy out of the carefully maintained complacency that has defined her life so far. The boy is Sebastian Ruiz, a recovering addict who recognizes that Macy is hardened by dark secrets. And as Macy falls for Sebastian, she realizes that, while revealing her secret could ruin her seemingly perfect family, keeping silent might just destroy her. The Fix follows two good-hearted teenagers coming to terms with the cards they were dealt. It's also about the fixes we rely on to cope with our most shameful secrets and the hope

and fear that come with meeting someone who challenges us to come clean. Something mysterious and terrible is happening throughout Victorian London: Ghosts are disappearing. When this reaches the attention of the Ghost Bureau, the diligent but clueless Mr. Lapsewood, a paranormal paper-pusher, is sent to investigate, and what he discovers is grave. The Black Rot has arrived—a voracious spiritual infestation whereby empty haunted houses suck in unsuspecting ghosts and imprison them. Lapsewood’s investigation weaves through the plotlines of several other memorable characters—both living and dead—including an undertaker’s son who can see ghosts, a serial throat-slasher reminiscent of Jack the Ripper, an evangelical exorcist, and many more. The living and dead must

work together if they hope to destroy the Black Rot—before it destroys both the ghost and human worlds. This highly atmospheric and biting funny ghost story by successful British author Gareth P. Jones will delight fans of Eva Ibbotson and Neil Gaiman. Praise for *Constable & Toop* STARRED REVIEWS "Jones has crafted a menacing, spooky Victorian London full of criminals and unfinished business, which is well balanced by the biting satire and buffoonery of the Bureau. Add to that a cast of fascinating, well-wrought characters—from the smarmy and threatening Jack, to the precocious, pot-stirring aspiring journalist, Clara—and it's a winning combination of macabre atmosphere, whimsical antics, and heartfelt, earnest friendship." --Booklist, starred review "This story is sure to tickle the funny bone and satisfy the taste for some gruesome adventure while appealing to both girls and boys. A fun read that includes intrigue, murder, mystery, and a young damsel who rescues them all." --School Library Journal, starred review "Both spine-chilling and raucously funny, this ghostly Victorian mystery knits humor and horror into a lively supernatural escapade for confident readers." --Library Media Connection, highly recommended "Jones is interested in giving readers more than spooky thrills; his characters have moral heft and are concerned with issues such as culpability, whether people can be considered good if they have done bad things, and the importance of living life to its fullest." --Kirkus Reviews "British author Jones offers a witty take on Victorian ghost stories that mixes dark humor and satire with an almost traditional boy's adventure format." --Publishers Weekly "It is part mystery, part adventure, and thoroughly delightful." --VOYA

An international literary phenomenon -- now available for the first time in English translation -- Candy is a hip, harrowing tale of risk and desire, the story of a young Chinese woman forging a life for herself in a world seemingly devoid of guidelines. Hong, who narrates the novel, and whose life in many ways parallels the author's own, drops out of high school and runs away at age 17 to the frontier city of Shenzhen. As Hong navigates the temptations of the city, she quickly falls in love with a young musician and together they dive into a cruel netherworld of alcohol, drugs, and excess, a life that fails to satisfy Hong's craving for an authentic self, and for a love that will define her. This startling and subversive novel is a blast of sex, drugs, and rock 'n' roll that opens up to us a modern China we've never seen before. Banned in China -- with Mian Mian labeled the 'poster child for spiritual pollution' -- Candy still managed to sell 60,000 copies, as well as countless additional copies in pirated editions. Candy has been published in eight countries to date and has become a bestseller in France.
