1876, Philadelphia. Caroline Martin's life has finally taken a turn for the better. After years of hard work, she has met a virtuous and wealthy man whose love seems to promise the kind of life realized only within the comforting novels she keeps on her night table. Tragedy, however, will teach Caroline of the complexity with which God Himself authors the lives of those who turn toward him. Gold Medal winner for Religious Fiction in the 2010 IPPY Awards.

This illustrated, well indexed book, was created exclusively to help you find your family in Counties Cavan and Leitrim in Ireland. Focusing specifically on families within these neighbouring counties, the book includes an introduction to research and sources in each county. The most numerous families from birth records are given, as well as rather rare Cavan and Leitrim families found in heraldic records. Included you will find a full page map of both counties from the Atlas of Ireland, along with a listing of modern parishes and old townlands, along with the address and location of records for more research. This work includes copies of actual records (some worn, torn and faded), it also includes rough sketches of family coats of arms and notes from centuries past - seldom found elsewhere. The resources provided here will help research any family in the county, including old Irish families, and settler families from England, Scotland, Wales and the continent. This book is a hands on guide for finding your family in Cavan and Leitrim - some family history is included - but it is not a gigantic collection of family histories. For that see 'The Book of Irish Families Great and Small'.

Dublin Dead

After a delicate pregnancy, Jenny and Tom are days away from having their sixth

child. But when Jenny is kidnapped by a deranged woman, the family must summon all of their faith as Jenny fights for her life. Religious Fiction. "I literally couldn't put it down and give *Stealing Jenny* my highest recommendation." Lisa M. Hendey, Founder of CatholicMom.com and author of "A Book of Saints for Catholic Moms" "Ellen Gable is a masterful storyteller. *Stealing Jenny* is a smoothly written, chilling tale of gripping suspense. There are terrifying moments and heart-wrenching moments. Catholic faith and hope are tested. Above all, the sacredness and privilege of precious new life is made indisputably evident. I never wanted it to end " Therese Heckenkamp, Traditional Catholic Novels.com "*Stealing Jenny* is my favorite kind of fiction: a thought-provoking psychological suspense novel in its own right, with a life-affirming message that adds even more to its depth. Another finely-plotted story and a cast of very real and well-drawn characters which highlight Ellen Gable's ability to write beautiful Catholic fiction in any genre." Krisi Keley, author, "On the Soul of a Vampire," and "Pro Luce Habere" "*Stealing Jenny* will keep you on the edge of your seat and probably destroy your sleep pattern as you stay up to find out what happens. But beyond being a great suspense, it's also an excellent example of morals in action and family life redeemed." Sarah Reinhard, author "Welcome Baby Jesus: Advent and Christmas Reflections for Families"

Stealing Jenny

In Name Only

Irish detective Mike Mulcahy returns in this suspenseful follow-up to the highly acclaimed international bestseller *The Priest*—and now he's hot on the trail of an international drugs gang. One year later, DI Mike Mulcahy is exactly where he wants to be, coordinating international intelligence for Ireland's National Drugs Unit. But with the economy in meltdown and his department facing tough cutbacks, his dream job is in jeopardy. Then Mulcahy spots a possible link between the murder of a Dublin gangster in Spain and a massive shipment of cocaine abandoned off the south coast of Ireland. Could this be the break he's been praying for? Meanwhile, reporter Siobhan Fallon is still recovering from her ordeal at the hands of a sadistic killer. Work is her only refuge, and while she's an emotional basket case, her nose for a story is as sharp as ever. When a suicide turns out to have a bizarre missing-person's angle, she's convinced there is something darker to it. But with a vital piece of evidence beyond her grasp, she has to turn to Mulcahy for help. Mulcahy and Fallon have no idea what deadly ground they're setting out on together, or that their journey will lead them on a twisted trail of terror to the rocky shores and windswept hills of West Cork and a blood-drenched showdown with a remorseless killer.

County Cavan and County Leitrim, Ireland, genealogy and family history notes

1896, Philadelphia. In this sequel to "In Name Only" (2009 FQP), "A Subtle Grace" continues the story of the wealthy and unconventional O'Donovan Family as they approach the dawn of a new century. (Religious Fiction) At 19, Kathleen (oldest daughter) is unmarried with no prospects. Fearing the lonely fate of an old maid, her impatience leads to an infatuation with the first man who shows interest. The suave, handsome son of the local police chief seems a perfect match. But will her impulsive manner prevent her from recognizing her true beloved? A disturbing turn of events brings a dark shadow that threatens the life-long happiness she desires. Dr. Luke Peterson (the family's new physician) also makes quite an impression on Kathleen. His affection for her leads him to startling revelations: about Kathleen, about his practice and, most importantly, about himself. Will (oldest son) believes God may be calling him to a religious vocation. Eventually, he discovers the hidden circumstances of his humble beginnings compelling him to embark on a pilgrimage to Rome. Although 'A Subtle Grace' is the sequel to 'In Name Only, ' each book can be read independently of the other.
