Inside the Secret Life of Fairies

What is it about fairies that enchants us so? Where do these elusive beings live, and what do they do? Why is it some see fairies and others do not? What's the truth about glamour? And why when they promise your dreams will come true, do fairies grant threewishes? Maggie Hamilton has spent a decade exploring the rich world of the fairy. Having talked with people from all walks of life, she captures their astonishing, sometimes poignant encounters with fairies here. Read about the fairies found in people's homes and gardens, deep in nature, and in city streets and parks. On this mesmerising journey deep into this achingly beautiful otherworld, you'll discover the many exquisite possibilities present at dawn and dusk, and why the fairy kingdom has an ecology all of its own. Learn about the notes plants sound, and why some indigenous peoples no longer need to pick a plant to access its healing properties. Find out how to work with fairies to heal the earth and your own bruised spirit, and how this quest can transform you inside and out. For those with their own fairy stories to tell, and fairy lovers everywhere.

The Garden of Infinite Possibilities

The best-selling author of the Notes from the Universe trilogy and featured instructor in the movie and book The Secret explains the importance of being courageous and trusting oneself to achieve a life of fulfillment, in an uplifting reference that shares practical advice on how to apply his "Law of Attraction" principles.

Inside the Secret Life of Fairies

Using a sample collected from Ashley Madison, this book is the result of a yearlong inquiry into women's extramarital experiences. Ultimately, these women reject the binary proposition of marriage that assumes that either we work on our marriages and remain monogamous within them, or we break up the relationship and take up other relationships. These women conceive of an alternate solution to a marriage that is not wholly working, where their own needs are ignored, unmet, and not prioritized. Thus, the women in this study are engaging in secret defiance of the expectations of marriage and primary partnerships. This book gives voice to women's experiences and perceptions regarding their participation in infidelity, and glimpses into the interworkings of our most intimate relationships, and the ways women negotiate marriages that fall short of their expectations.

Infinite Possibilities (10th Anniversary)

"Awealth of inspiration and practical tips for enjoying the Kingdom of God, thePure Land of the Buddha, now." —Thich Nhat Hanh, bestselling author of Peace Is EveryStep "Fornewcomers to Buddhism (and non-Buddhists interested in universal wisdom!) and'old hands' at practice . . . [Das] promises nothing less than a liberatedlife, freed from angst over the tyranny of time, though the practice of lovingpresence." —Sylvia Boorstein, author of Happiness Is An Inside Job Internationallyrenowned meditation scholar Lama Surya Das delivers a penetrating and practicalguide to discovering the power of living fully in the now. In the tradition ofthe Dalai Lama's The Art of Happiness and Noah Levine's Heartof the Revolution, Buddha Standard Time is a roadmap to discoveringyour own inner kingdom of awareness, patience, and love.

The Wealthy Greek's Contract Wife

In The Seven Spiritual Laws of Success, Deepak Chopra distills the essence of his teachings into seven simple, yet powerful principles that can easily be applied to create success in all areas of your life. Based on natural laws that govern all of creation, this book shatters the myth that success is the result of hard work, exacting plans, or driving ambition. Instead, Chopra offers a life-altering perspective on the attainment of success: Once we understand our true nature and learn to live in harmony with natural law, a sense of well-being, good health, fulfilling relationships, energy and enthusiasm for life, and material abundance will spring forth easily and effortlessly. Filled with timeless wisdom and practical steps you can apply right away, this is a book you will cherish for a lifetime, for within its pages are the secrets to making all your dreams come true. "A must-read for anyone who missed The Prophet, by Kahlil Gibran." — The New York Times

The Secret Life of Violet Grant

ARE YOU READY TO BREAK FREE OF LIMITATIONS AND EXPERIENCE MIRACLES? The world burned on fire with inspiration

when bestselling author Dr. Joe Vitale revealed the four phrases of Ho'oponopono – a Hawaiian healing spirituality of profound wisdom and power – in his globally successful book, Zero Limits. Now he shares The Fifth Phrase, the most powerful healing and cleaning statement of all. Along the way, he also shares new secrets, insights and methods for faster results, deeper awakening and a life of magic and miracles. The practice of Ho'oponopono guides you through the journey of life with the tools you need to rid yourself of hindrances and open yourself up to infinite possibilities. Don't let your unconscious mind undermine your efforts. You have more control over it than you ever suspected. With his unique and successful method, Joe Vitale will change the way you think and help you achieve more in life than you ever thought possible. You will learn: • The Four Phrases of Ho'oponopono • How to develop Your Own Phrases for Greater Spiritual Growth • Advanced Cleaning Methods • Higher-Level Healing Philosophies • The Fifth Phrase, Joe Vitale's most advanced clearing phrase of all, revealed for the first time This promises to be the most illuminating book so far on the power of transformation. Just reading it will enrich, entertain and enlighten. Joe Vitale is a spiritual teacher best known for his appearance in the movie The Secret and as the bestselling author of The Attractor Factor and Zero Limits.

Choose Them Wisely

We're not talking about rooms that are just full of books. We're talking about bookshops in barns, disused factories, converted churches and underground car parks. Bookshops on boats, on buses, and in old run-down train stations. Fold-out bookshops, undercover bookshops, this-is-the-best-place-I've-ever-been-to-bookshops. Meet Sarah and her Book Barge sailing across the sea to France; meet Sebastien, in Mongolia, who sells books to herders of the Altai mountains; meet the bookshop in Canada that's invented the world's first antiquarian book vending machine. And that's just the beginning. From the oldest bookshop in the world, to the smallest you could imagine, The Bookshop Book examines the history of books, talks to authors about their favourite places, and looks at over three hundred weirdly wonderful bookshops across six continents (sadly, we've yet to build a bookshop down in the South Pole). The Bookshop Book is a love letter to bookshops all around the world. -- "A good bookshop is not just about selling books from shelves, but reaching out into the world and making a difference." David Almond (The Bookshop Book includes interviews and quotes from David Almond, Ian Rankin, Tracy Chevalier, Audrey Niffenegger, Jacqueline Wilson, Jeanette Winterson and many, many others.)

The Five Supreme Secrets of Life

The largest part of the world's food comes from its soils, either directly from plants, or via animals fed on pastures and crops. Thus, it is necessary to maintain, and if possible, improve the quality—and hence good health—of soils, while enabling them to support the growing world population. The Soil Underfoot: Infinite Possibilities for a Finite Resource arms readers with historical wisdom from various populations around the globe, along with current ideas and approaches for the

wise management of soils. It covers the value of soils and their myriad uses viewed within human and societal contexts in the past, present, and supposed futures. In addition to addressing the technical means of maintaining soils, this book presents a culturally and geographically diverse collection of historical attitudes to soils, including philosophical and ethical frameworks, which have either sustained them or led to their degradation. Section I describes major challenges associated with climate change, feeding the increasing world population, chemical pollution and soil degradation, and technology. Section II discusses various ways in which soils are, or have been, valued—including in film and contemporary art as well as in religious and spiritual philosophies, such as Abrahamic religions, Maori traditions, and in Confucianism. Section III provides stories about soil in ancient and historic cultures including the Roman Empire, Greece, India, Japan, Korea, South America, New Zealand, the United States, and France. Section IV describes soil modification technologies, such as polymer membrane barriers, and soil uses outside commercial agriculture including the importance of soils for recreation and sports grounds. The final section addresses future strategies for more effective sustainable use of soils, emphasizing the biological nature of soils and enhancing the use of "green water" retained from rainfall.

The Bookshop Book

Shares advice on realizing one's goals and offers inspirational views on universal mysteries while explaining how to overcome psychological obstacles using spiritual exercises and illustrative analogies.

Buddha Standard Time

Infinite Possibilities

“There are at least two kinds of games,” states James Carse as he begins this extraordinary book. “One could be called finite; the other infinite.” Finite games are the familiar contests of everyday life; they are played in order to be won, which is when they end. But infinite games are more mysterious. Their object is not winning, but ensuring the continuation of play. The rules may change, the boundaries may change, even the participants may change—as long as the game is never allowed to come to an end. What are infinite games? How do they affect the ways we play our finite games? What are we doing when we play—finitely or infinitely? And how can infinite games affect the ways in which we live our lives? Carse explores these questions with stunning elegance, teasing out of his distinctions a universe of observation and insight, noting where and why and how we play, finitely and infinitely. He surveys our world—from the finite games of the playing field and playing board to the infinite games found in culture and religion—leaving all we think we know illuminated and transformed. Along the way, Carse finds new ways of understanding everything from how an actress portrays a role, to how

we engage in sex, from the nature of evil, to the nature of science. Finite games, he shows, may offer wealth and status, power and glory. But infinite games offer something far more subtle and far grander. Carse has written a book rich in insight and aphorism. Already an international literary event, Finite and Infinite Games is certain to be argued about and celebrated for years to come. Reading it is the first step in learning to play the infinite game.

The Infinity Year of Avalon James

Recommended read for leaders, students and educators who want to cultivate growth mindset, resilience and grit, and make a difference in their lives and in the lives of others. What leads a demotivated salesman to suddenly start selling fast? What leads an underperforming student to swiftly turn their grades around? What leads an average student to become the best? What leads the best to perform even better? What if you too can open the door to a life of infinite possibilities? In this mindset-transforming book full of inspiring stories of trials and triumph, you will discover how to: -Uncover the mindset that you can use to generate long-lasting impact on your personal, professional and academic lives. -Discover how to be resilient, driven and future-ready with the Infinite Possibilities Manifesto. -Be the best you can be, by tapping into the secret power of super-achievers that you can use to increase your focus, multiply your productivity and accelerate your performance in any field. -Become an influencer who can build enthusiastic high-performing teams.

Life on Earth

Avalon James and Atticus Brightwell have a secret--one that they aren't allowed to discuss with anyone. This secret is shared between two best friends. When you and your best friend turn ten years old magical things are said to happen. You both will receive some kind of magical power. It can be a power you can call on time and time again. Or it can be a power that comes once when you need it most. It's your Infinity Year and the possibilities are endless. The past year hasn't been great with her family being torn apart and bullying at school, so Avalon is depending on her magical ability to appear soon and help. With the clock ticking and her eleventh birthday approaching, which would be the end of her powers, Avalon's hopes are running high. Will she and Atticus get the powers they so desperately want and need? Dana Middleton's debut novel is a wonderfully enchanting story of the possibility of magic and the even more magical bond between two best friends.

Infinite Possibility

From New York Times bestselling author Lisa Renee Jones comes the fourth and final part in the sexy, suspenseful The Secret Life of Amy Bensen series—finally revealing the long-awaited wedding between Amy and Liam. But with the

explosive secret they're hiding, will their enemies ever let them live happily ever after? For six long years I lived on the run, in fear and devastated by loss. That began to change the day I met Liam Stone, who is so much more than his money and power, and even the protection he has offered me. He is passion. He is friendship. He is love and happiness, and the man who made my enemies his own. And now with his help, the secret that drove me into hiding is buried, our enemies contained. Liam and I can finally start our life and put this behind us. The nightmare is over. Unless...it's not.

Carlyle and the Open Secret of His Life

Infinite Possibilities is the masterwork from teacher, author, and featured speaker Mike Dooley. As the next step beyond his immensely popular Notes from the Universe trilogy, and his follow up, Choose them Wisely, this book contains even more enriching wisdom for living an abundant, joyous life. Mike Dooley knows that we create our own reality, our own fate, and our own luck. We're beings filled with infinite possibility—just ready to explore how powerful we truly are. Manifesting the magnificence of our dreams isn't about hard work, but rather about belief and expectation. These principles transcend belief, realizing the truth about our human nature. Your dreams are not accidental, nor inconsequential. And if someone were tell the truth about life, reality, and the powers we all possessed, would it be recognized? Our lives are full of adventures—and not exactly the sky-diving, mountain-climbing variety—but something better. Readers will laugh, applaud, and be inspired by Mike Dooley's wit and wisdom.

Infinite Possibilities

Do you know who you are? Are you living to your fullest potential? Do you consider yourself a success story? Are you happy with your life? Has the traditional education system enabled you to achieve harmony in all areas of your life? The problem why most people live mediocre lives is because of the negative programmings and conditionings they have received from the traditional education system. This includes their parents, teachers, and society who dictate how they think, behave, act, and achieve. Many are well-educated, some have earned several degrees but they are living in frustration, mediocrity, and poverty. There are some families that have a history of producing brilliant academicians but they consistently struggle with poverty. Why is this so? Why is it that some individuals with little or no formal education will rise to the pinnacle of greatness? Why is it that some will amass great fortunes while others languish in abject poverty? Why will some experience harmony in all areas of their lives while others won't? The answers to these questions are to be found in the one thing that gives rise to all: the human mind. The traditional education system has succeeded in controlling the human mind. And this is the reason why most people are not in control of their own destinies. They have unconsciously chosen to remain ignorant of their potent powers. They have given away power that belongs to them. This is why they are suffering unnecessarily. No wonder the world has an abundance of mediocre people but with an acute shortage of excellent minds. It is without a doubt

that the overdependence of the traditional education system has failed countless people. But there is some good news. Men and women in all corners of the world are prospering in all areas of their lives because they have found a different school that offers a different system of education that challenges your belief systems. The School of Infinite Possibilities is a school that is turning lives around, rearranging destinies, and replacing mediocrity with excellence. Admission into this school is free for all who desire better things.

Forsaken

The New York Times bestselling author, teacher, and speaker provides the next step beyond his immensely popular Notes from the Universe trilogy with this special 10th anniversary edition of the modern classic that contains even more enriching wisdom for living an abundant, joyous life. We create our own reality, our own fate, and our own luck. We are all filled with infinite possibilities, and it's time to explore how powerful we truly are. With clear-eyed and masterful prose, Infinite Possibilities effortlessly reveals our true spiritual nature and exactly what it takes to find true happiness and fulfillment. Witty and intelligent, this is "the perfect book at the perfect time. It is full of wisdom, answers, and guidance—a unique combination that is guaranteed to help anyone during times of change and transition" (Ariane de Bonvoisin, bestselling author of The First 30 Days). This tenth anniversary edition features a new foreword by Bob Proctor and a new introduction from the author.

Master Key System - Law of Attraction

Man goes through the ups and downs of life wondering if his life can ever be problem-free, prosperous and joyous. He ponders if it is actually possible to attain everything - wealth, joy, love and God. Why is something or the other always missing in life? What is the secret that life holds within its womb? This is exactly what this book reveals to you. It unveils the five supreme secrets of life that can transform your life: First Secret: 'Considering a situation to be a problem is the only problem.' Every problem contains a solution, a gift, a ladder, a lesson and a challenge. Learn the art of solving problems. Second Secret : 'Attention on attention is the greatest meditation. Attention on the greatest meditation is the way to attain God.' Learn the art of getting liberated from the past and the future and living in the present. Learn the art of self-realisation. Third Secret: 'You gain out of whatever you give. Whatever you take only helps you to sustain.' Learn the art of attaining wealth, love and God. Fourth Secret : 'Whatever you get at a given time is exactly what you need at that time.' Learn the art of changing your perspective on the events occurring in life. Fifth Secret: 'You are with your body; you are not the body.' Learn the art of knowing your true self.

The Home of Infinite Possibilities

An immensely practical, hands-on journey through the techniques of the most radical mystical figure of the last century, Neville Goddard, who taught that your mind is God. This fresh take from a powerful new voice appeals to the growing audience around Neville. "According to Neville, there is only one power in the universe out of which all things emanate. Not a 'good' source and a separate 'evil' one, but one universal source bending in obedience to the creative will of men and women everywhere. The how remains a mystery; but this eternal fact is nonetheless true. As soon as I was able to feel and accept this to be true, I was free." --Katherine Jegede Growing up in London, Katherine Jegede was always searching for a philosophy to make sense of life. When she found the mind-as-creator philosophy of Neville Goddard, she thought she had found it. Falling victim to a terrible crime, however, caused Jegede to rethink everything she thought she knew. Rather than abandoning Neville's ideas, however, she discovered within them a new source of strength and fortitude. She not only rebounded from her crisis, but also used Neville's creative-mind principles to become a television presenter, something she had never before imagined possible. In this primer and introduction to Neville's methods, Jegede powerfully guides the reader through his techniques--and explains how to apply them, now, in your life.

Playing the Matrix

The New York Times and USA TODAY bestselling author of the explosively sexy Inside Out and the Secret Life of Amy Bensen series will seduce you with this sultry tale of possession and ecstasy, wild fantasies and dangerous secrets—first in the racy and suspenseful Careless Whispers series. Ella awakes alone in Italy, no longer sure of who she is. One thing is certain: a gorgeous man has claimed her as his own. He's tall, dark, and sexy, the kind of rich, powerful man who makes a girl long to be possessed. And possess her he does, whispering wicked promises in her ear, indulging her deepest desires, stealing her trust—and her cautious heart. Soon, though, she discovers that nothing is as it seems. The truth will shatter her world, but it will also set her free...if it doesn't destroy her first. New York Times and USA TODAY bestselling author Lisa Renee Jones, whose searing novels generate “enough heat to start a fire” (RT Book Reviews), dares you to fall in love with her irresistibly surprising and scandalously erotic new series.

Unbroken

In this third book in the sexy, suspenseful “The Secret Life of Amy Bensen” series from New York Times bestselling author Lisa Renee Jones, we meet Amy's brother Chad—and the woman who either loves him or wants him dead. Six years ago, Chad's hunt for a dangerous treasure turned deadly when his family home was set on fire, his parents killed. Faking his and his sister Amy's death to protect her from further retaliation, he set her up in a new life with a friend's help, letting her believe he'd died. But now the men who hired Chad to find the treasure have found him, imprisoning and torturing him to learn where it's hidden. A dark-haired beauty named Gia helps him escape, promising him access to his worst enemy. And

as he tries to unravel the deep secrets of the past, he starts falling for her...only to discover she's not what she seems. Unable to trust anyone, Chad focuses on only two things: protecting his sister Amy and getting revenge. Is love even possible in the midst of heartache?

Leveraging the Universe

The magnanimous universe is your true home. Are you aware that infinite possibilities show up when you allow yourself to be in the natural flow of the magnanimous universe and to have the ease of that? Are you willing to receive what you desire? What is the power of committing to your own life?

Finite and Infinite Games

More than fifty years ago, John Coltrane drew the twelve musical notes in a circle and connected them by straight lines, forming a five-pointed star. Inspired by Einstein, Coltrane put physics and geometry at the core of his music. Physicist and jazz musician Stephon Alexander follows suit, using jazz to answer physics' most vexing questions about the past and future of the universe. Following the great minds that first drew the links between music and physics-a list including Pythagoras, Kepler, Newton, Einstein, and Rakim-The Jazz of Physics reveals that the ancient poetic idea of the Music of the Spheres," taken seriously, clarifies confounding issues in physics. The Jazz of Physics will fascinate and inspire anyone interested in the mysteries of our universe, music, and life itself.

Infinite Possibilities

"Passion, redemption, and a battered old suitcase full of secrets: the New York Times-bestselling author of A Hundred Summers returns with another engrossing tale of lost love and female ambition that crosses generations. Manhattan, 1964. Vivian Schuyler, newly graduated from Bryn Mawr College, has recently defied the privilege of her storied old Fifth Avenue family to do the unthinkable for a budding Kennedy-era socialite: break into the Mad Men world of razor-stylish Metropolitan magazine. But when she receives a bulky overseas parcel in the mail, the unexpected contents draw her inexorably back into her family's past, and the hushed-over crime passionnel of an aunt she never knew, whose existence has been wiped from the record of history. Berlin, 1914. Violet Schuyler Grant endures her marriage to the philandering and decades-older scientist Dr. Walter Grant for one reason: for all his faults, he provides the necessary support to her liminal position as a young American female physicist in prewar Germany. The arrival of Dr. Grant's magnetic former student at the beginning of Europe's fateful summer interrupts this delicate detente. Lionel Richardson, a captain in the British Army, challenges Violet to escape her husband's perverse hold, and as the world edges into war and Lionel's shocking true motives become

evident, Violet is tempted to take the ultimate step to set herself free and seek a life of her own conviction with a man whose cause is as audacious as her own. As the iridescent and fractured Vivian digs deeper into her aunt's past and the mystery of her ultimate fate, Violet's story of determination and desire unfolds, shedding light on the darkness of her years abroad and teaching Vivian to reach forward with grace for the ambitious future--and the love--she wants most."--

The Fifth Phrase

Read about the fairies found in people's homes and gardens, deep in nature, and in city streets and parks.

The Secret Language of Your Body

Builds on the author's principles from Infinite Possibilities and Manifesting Change in a step-by-step guide to self-fulfillment that explains how to tap the unlimited energy of the universe to transform a life in spite of personal circumstances, make appropriate choices and align beliefs in accordance with goals. Reprint.

The Soil Underfoot

"Takes the form of a journal in which Mike asks what's on his mind during pivotal times in his life. As one of today's New Thought leaders and reality theorists, he offers a platform for this wide-ranging dialogue that expands our perspectives on essential truths"--Amazon.com.

Denial

Being Alone, whether by circumstance or choice, is not tragic. What is tragic, and so wasteful of the preciousness of life, is that too many of us think we are nothing alone. We seek our happiness and fulfillment, our answers, our very identity in others when we first must find it in ourselves - something we can only do alone. Celebrating Time Alone affirms that it's all right to be alone, to want to be alone, even to be lonely at times because the rewards of solitude can make the deprivations so worthwhile. In the fall of 1996, Lionel Fisher embarked on a cross-country journey in search of men and women who have stretched the envelope of their aloneness to Waldenesque proportions, achieving great emotional clarity in the process. He also spoke with their urban counterparts who, through necessity or choice, prefer to savor their individuality in smaller servings. In a writing style that is at once eloquent and down to earth, the author interweaves their real-life stories with his own insights and experiences to offer counsel, inspiration, and affirmation on living well alone.

Infinite Possibilities (10th Anniversary)

"The second book in the sexy, suspenseful new "The Secret Life of Amy Bensen" series from New York Times bestselling author, Lisa Renee Jones"--

Celebrating Time Alone

In *Playing the Matrix*, New Thought leader and New York Times best-selling author Mike Dooley shares his most impactful, transformational program for creating major life changes and shaping our futures. Previously only available at live workshops, this information has been delivered in 132 cities, 34 countries, upon 6 continents. For the first time, these complete ideas can be at your fingertips in book form. At the heart of the Matrix lies a simple yet highly unexpected concept for creating major life change, unlike anything shared by other teachers, past or present. It clearly reveals why "manifesting" sometimes works with incredible ease, why it sometimes doesn't work at all, and why, on occasion, it works and yet in hindsight we wish it hadn't. You'll not only learn about the "Bermuda Triangle of Manifesting" that too often leads to heartbreak and loss, you'll discover how to navigate around it, under full sail, with new "Aha " moments as you come to understand: -How to achieve clarity in purpose and desire -How to avoid contradictions and self-sabotage -How to fuel your dreams with passion while not attaching to unimportant details and outcomes -How to plan and take action on your dreams without messing with the "cursed hows" -And so much more. *Playing the Matrix* lays out the actual physical and metaphysical mechanics of manifestation, including your role in the equation of reality creation, so that you can deliberately orchestrate the changes you most wish to see. Once you begin working with the Universe instead of unwittingly working against it, you will truly astound yourself.

The Secret Life of Mrs. Claus

The Secret Language of Your Body unveils the secrets to understanding the messages of your body, revealing the underlying causes of symptoms and medical conditions, and offers processes for healing. The Seven Spiritual Laws of Success

In the Garden of Infinite Possibilities, only 3 rules: Rule n.1: "There are infinite possibilities." Rule n.2: "Thoughts become things." Rule n.3: "NEVER forget the first two!" For the first time, a voyage spanning Quantum Physics, Personal Growth and Spirituality, through the eyes of a curious child, and a Master Teacher who knows the Infinite. Their journey to escape mind control and arrive to an extraordinary revelation.

Manifesting Change

In his hand was a contract to prove she owed him thousands... Ilios Manos wasn't interested in Elizabeth Wareham's sob story. So what if she was broke and had nowhere to stay? He wanted his money back and his revenge, and he would exact his price from her however it suited him.... But when Ilios looked closely, he sensed Lizzie's innocence and knew he couldn't take that from her lightly. So he chose the next best thing—he was a man in need of a wife.... He would show her mercy...and she would take his name!

The Secret Life of the Cheating Wife

This beautiful origami art book is a collection of the best contemporary pieces from some of the worlds most renowned papercraft artists. Thanks to pioneering masters such as Dr. Robert J. Lang, origami has transcended its humble roots as a traditional Japanese papercraft to take its place among the global fine arts. In Folding Paper: The Infinite Possibilities of Origami, Dr. Lang and Asian art curator Meher McArthur chronicle origami's remarkable evolution and showcases the widespread applications of paper folding solutions in the fields of contemporary mathematics, engineering, design, and the international peace movement. Based around a groundbreaking museum show by the same name, Folding Paper features the work of more than forty leading origami artists from around the world. It traces the development of paper folding in both the East and the West, recognizing the global influences on this international art form. Now in the early twenty-first century, origami is a sophisticated fine art form consisting of many different styles, from representational to geometric,

abstract, and even conceptual. It has become a symbol of peace, an inspiration for engineers, and a conduit for scientific advancement. Featured origami artists include: Brian Chan Erik Joisel Erik and Martin Demaine Tomoko Fuse Daniel Kwan Michael LaFosse Jeannine Moseley Akira Yoshizawa Combining Dr. Lang's and McArthur's illuminating narrative history with lavish color photographs of more than sixty breathtaking works—from Joel Cooper's haunting Cyrus mask to Linda Tomoko Mihara's delicate Crane Cube to Eric Joisel's lifelike Pangolin model—Folding Paper is an enthralling introduction to the contemporary art of paper folding.

Metahuman

Infinite Possibilities is the masterwork from teacher, author, and featured speaker Mike Dooley. As the next step beyond his immensely popular Notes from the Universe trilogy, and his follow up, Choose them Wisely, this book contains even more enriching wisdom for living an abundant, joyous life. Mike Dooley knows that we create our own reality, our own fate, and our own luck. We're beings filled with infinite possibility—just ready to explore how powerful we truly are. Manifesting the magnificence of our dreams isn't about hard work, but rather about belief and expectation. These principles transcend belief, realizing the truth about our human nature. Your dreams are not accidental, nor inconsequential. And if someone were tell the truth about life, reality, and the powers we all possessed, would it be recognized? Our lives are full of adventures—and not exactly the sky-diving, mountain-climbing variety—but something better. Readers will laugh, applaud, and be inspired by Mike Dooley's wit and wisdom.

Escaping Reality

For three very different women trying to get what they want, it's a Christmas where miracles happen. Love is magical, and changing their lives is as close as changing their outfits--or their Mrs. Claus costume.

Earth Abides

Is it possible to venture beyond daily living and experience heightened states of awareness? In his latest book, Deepak Chopra says that higher consciousness is available here and now. "Metahuman helps us harvest peak experiences so we can see our truth and mold the universe's chaos into a form that brings light to the world."—Dr. Mehmet Oz, Attending Physician, New York–Presbyterian, Columbia University New York Times bestselling author Deepak Chopra unlocks the secrets to moving beyond our present limitations to access a field of infinite possibilities. How does one do this? By becoming metahuman. To be metahuman, however, isn't science fiction and is certainly not about being a superhero. To be metahuman means to move past the limitation constructed by the mind and enter a new state of awareness where we have

deliberate and concrete access to peak experiences that can transform people's lives from the inside out. Humans do this naturally—to a point. For centuries the great artists, scientists, writers, and many so-called ordinary people have gone beyond the everyday physical world. But if we could channel these often bewildering experiences, what would happen? Chopra argues we would wake up to experiences that would blow open your body, mind, and soul. *Metahuman* invites the reader to walk the path here and now. Waking up, we learn, isn't just about mindfulness or meditation. Waking up, to become metahuman, is to expand our consciousness in all that we think, say, and do. By going beyond, we liberate ourselves from old conditioning and all the mental constructs that underlie anxiety, tension, and ego-driven demands. Waking up allows life to make sense as never before. To make this as practical as possible, Chopra ends the book with a 31-day guide to becoming metahuman. Once you wake up, he writes, life becomes transformed, because pure consciousness—which is the field of all possibilities—dawns in your life. Only then does your infinite potential become your personal reality. Advance praise for *Metahuman* "Our world is preoccupied with material progress, yet too often we overlook the miracle of our very existence. In this remarkable book, Deepak Chopra reminds us not to be distracted by the idols of our age but to marvel at the deep truths of being. *Metahuman* is a handbook to becoming fully alive."—Arthur C. Brooks, PhD, Professor, Harvard Kennedy School; author of *Love Your Enemies*

The Jazz of Physics

The School of Infinite Possibilities

The "Master Key" is here given to the world as a means of tapping the great cosmic intelligence and attracting from it that which corresponds to the ambitions, and aspirations of each reader. Every thing and institution we see around us, created by human agency, had first to exist as a thought in some human mind. Thought therefore is constructive. Human thought is the spiritual power of the cosmos operating through its creature man. "The Master Key" instructs the reader how to use that power, and use it both constructively and creatively. The things and conditions we desire to become realities we must first create in thought. "The Master Key" explains and guides the process Used as thus instructed "The Master Key" will make of the reader a greater, better personality, and equipped with a new power to achieve any worthy personal purpose and a new ability to enjoy life's beauty and wonder. Folding Paper

His touch spirals through me, warm and sweet, wicked and hot. I shouldn't trust him. I shouldn't tell him my secrets. But how do I not when he is the reason I breathe? He is what I need. At the young age of eighteen, tragedy and a dark secret

force Lara to flee all she has known and loved to start a new life. Now years later, with a new identity as Amy, she's finally dared to believe she is forgotten—even if she cannot forget. But just when she lets her guard down, the ghosts of her past are quick to punish her, forcing her back on the run. On a plane, struggling to face the devastation of losing everything again and starting over, Amy meets Liam Stone, a darkly entrancing recluse billionaire, who is also a brilliant, and famous, prodigy architect. A man who knows what he wants and goes after it. And what he wants is Amy. Refusing to take “no” as an answer, he sweeps her into a passionate affair, pushing her to her erotic limits. He wants to possess her. He makes her want to be possessed. Liam demands everything from her, accepting nothing less. But what if she is too devastated by tragedy to know when he wants more than she should give?
