The Chimps of Fauna Sanctuary

From the author of *THE BRIDGE FROM ME TO YOU*, a groundbreaking novel about what matters most -- when time is running out. What do you do with your last day on earth? There are 27 hours and fifteen minutes left until an asteroid strikes North America, and, for Emerson and everyone else who didn't leave, the world will end. But Emerson's world already ended when she ran away from home last year. Since then she has lived on the streets, relying on her wits and her friend Vince to help her find places to sleep and food to eat. The city's quieter now that most people are gone, and no one seems to know what to do as the end approaches. But then Emerson and Vince meet Carl, who tells them that he has been granting people's wishes. He gave his car away so a woman could take her son to see the ocean for the first time, and he gives Emerson and Vince all the money he has in his wallet. Suddenly this last day seems full of possibility. Emerson and Vince can grant a lot of wishes in 27 hours --- maybe even their own.

All We Have Is Now

On the upside is a cute boy who loves dogs as much as Marley does . . . but young love has lots of opportunity for humiliation and misinterpreted signals. Luckily Marley is a girl who trusts her instincts and knows the truth when she sees it, making her an immensely appealing character and her story funny, heartfelt, and emotionally true.

Baby Can't Sleep

Under Wildwood is the second book in the New York Times bestselling adventure

series the Wildwood Chronicles from Colin Meloy, lead singer of the Decemberists, and Carson Ellis, the acclaimed illustrator of The Mysterious Benedict Society. Ever since Prue McKeel returned home from the Impassable Wilderness after rescuing her brother from the malevolent Dowager Governess, life has been pretty dull. School holds no interest for her, and her new science teacher keeps getting on her case about her dismal test scores and daydreaming in class. Her mind is constantly returning to the verdant groves and sky-tall trees of Wildwood, where her friend Curtis still remains as a bandit-in-training. But all is not well in that world. Dark assassins with mysterious motives conspire to settle the scores of an unknown client. A titan of industry employs inmates from his orphanage to work his machine shop, all the while obsessing over the exploitation of the Impassable Wilderness. And, in what will be their greatest challenge yet, Prue and Curtis are thrown together again to save themselves and the lives of their friends, and to bring unity to a divided country. But in order to do that, they must go under Wildwood. In Under Wildwood, Colin Meloy and Carson Ellis reveal new dimensions of the epic fantasy-adventure series begun with the critically acclaimed, bestselling Wildwood.

Don't Judge Me

When Phoebe finds a beautiful antique at a flea market, she's not sure whether it's as valuable as it looks. But inside she discovers something truly amazing a letter written during World War II, from a young girl to her sister who's been evacuated

Turns out, the other girl likes birds, too, and when she invites Mia to come with her to take photos, Mia jumps at the chance. Something to do AND the money she needs to pay for camp for next year! There's just one more problem: How will she keep her weird new job a secret from her BFFs?

Kylie Jean Cupcake Queen

As teenagers Brooklyn and Nico work to help each other recover from the deaths of Brooklyn's boyfriend--Nico's brother Lucca--and their friend Gabe, the two begin to rediscover their passion for life, and a newly blossoming passion for one another.

My Secret Guide to Paris

The “moving” true story of a woman fighting to give a group of chimpanzees a second chance at life (People). In 1997, Gloria Grow started a sanctuary for chimps retired from biomedical research on her farm outside Montreal. For the indomitable Gloria, caring for thirteen great apes is like presiding over a maximum-security prison, a Zen sanctuary, an old folks’ home, and a New York deli during the lunchtime rush all rolled into one. But she is first and foremost creating a refuge for her troubled charges, a place where they can recover and begin to trust humans again. Hoping to win some of this trust, journalist Andrew Westoll spent months at Fauna Farm as a volunteer, and in this “incisive [and] affecting” book, he vividly recounts his time in the chimp house and the histories of its residents (Kirkus Reviews). He arrives with dreams of striking up an immediate friendship with the legendary Tom, the wise face of the Great Ape Protection Act, but Tom seems all too content to ignore him. Gradually, though, old man Tommie and the rest of the

“troop” begin to warm toward Westoll as he learns the routines of life at the farm and realizes just how far the chimps have come. Seemingly simple things like grooming, establishing friendships and alliances, and playing games with the garden hose are all poignant testament to the capacity of these animals to heal. Brimming with empathy and entertaining stories of Gloria and her charges, *The Chimps of Fauna Sanctuary* is an absorbing, bighearted book that grapples with questions of just what we owe to the animals who are our nearest genetic relations. “A powerful look at how we treat our closest relatives.” —The Plain Dealer “I knew the prison-like conditions of the medical research facility from which Gloria rescued these chimpanzees; when I visited them at their new sanctuary I was moved to tears. . . . Andrew Westoll is a born storyteller: *The Chimps of Fauna Sanctuary*, written with empathy and skill, tenderness and humour, involves us in a world few understand. And leaves us marveling at the ways in which chimpanzees are so like us, and why they deserve our help and are entitled to our respect.” —Dr. Jane Goodall “This book will make you think deeply about our relationship with great apes. It amazed me to discover the behaviors and feelings of the chimpanzees.” —Temple Grandin, author of *Animals in Translation*

Lisa Schroeder's Sweet Treats Collection

Charmed Life #1: Caitlin's Lucky Charm

Four best friends, one lucky bracelet, and an utterly charming new middle-grade series! Caitlin would stay at summer camp forever if she could. Her new best friends in the world, Hannah, Mia, and Libby are there. And at home? Everything's different: Her dad is worried he might be losing his job; her mom is repainting the

whole house and making the kids volunteer at a soup kitchen; and Caitlin is starting sixth grade at a new school, where none of the girls are as fun or friendly as her Cabin 7 BFFs. But Caitlin has a good-luck charm -- or a good-luck charm bracelet anyway. The Cabin 7 girls bought it together, and Caitlin is taking the first turn wearing it. She's sure it will help turn her luck around . . . but when?

How to Be Cool in the Third Grade

Super-Intelligent Machines combines neuroscience and computer science to analyze future intelligent machines. It describes how they will mimic the learning structures of human brains to serve billions of people via the network, and the superior level of consciousness this will give them. Whereas human learning is reinforced by self-interests, this book describes the selfless and compassionate values that must drive machine learning in order to protect human society. Technology will change life much more in the twenty-first century than it has in the twentieth, and Super-Intelligent Machines explains how that can be an advantage.
