#1 NEW YORK TIMES BESTSELLER The magnificent conclusion to Rick Atkinson's acclaimed Liberation Trilogy about the Allied triumph in Europe during World War II It is the twentieth century's unrivaled epic: at a staggering price, the United States and its allies liberated Europe and vanquished Hitler. In the first two volumes of his bestselling Liberation Trilogy, Rick Atkinson recounted how the American-led coalition fought through North Africa and Italy to the threshold of victory. Now, in *The Guns at Last Light*, he tells the most dramatic story of all—the titanic battle for Western Europe. D-Day marked the commencement of the final campaign of the European war, and Atkinson's riveting account of that bold gamble sets the pace for the masterly narrative

that follows. The brutal fight in Normandy, the liberation of Paris, the disaster that was Operation Market Garden, the horrific Battle of the Bulge, and finally the thrust to the heart of the Third Reich—all these historic events and more come alive with a wealth of new material and a mesmerizing cast of characters. Atkinson tells the tale from the perspective of participants at every level, from presidents and generals to war-weary lieutenants and terrified teenage riflemen. When Germany at last surrenders, we understand anew both the devastating cost of this global conflagration and the enormous effort required to win the Allied victory. With the stirring final volume of this monumental trilogy, Atkinson's accomplishment is manifest. He has produced the definitive chronicle of the war that unshackled a continent and preserved freedom in the West. A thrilling new Victorian-era urban fantasy for fans of Kevin Hearne's Iron Druid Chronicles, the Showtime series Penny Dreadful, and the Sherlock Holmes movies featuring Robert Downey, Jr. They are the realm's last, best defense against supernatural evil. But they're going to need a lot more silver. As fog descends, obscuring the gas lamps of Victorian London, werewolves prowl the shadows of back alleys. But they have infiltrated the inner circles of upper-crust society as well. Only a handful of specially gifted practitioners are equipped to battle the beasts. Among them are the roguish Simon Archer, who conceals his powers as a spell-casting scribe behind the smooth veneer of a dashing playboy; his layabout mentor, Nick Barker, who prefers a good pub to thrilling heroics; and the self-possessed alchemist Kate Anstruther, who is equally at home in a ballroom as she is on a battlefield. After a lycanthrope targets Kate's vulnerable younger sister, the three join forces with fierce Scottish monster-hunter Malcolm MacFarlane—but quickly discover they're dealing with a threat far greater than anything they ever imagined.
