On 22 April 1915, the men of the 1st Canadian Division faced chlorine gas, a new lethal weapon against which they had no defence. In defiance of a particularly horrible death, or, at the very least, severe lung injury, these untested Canadians fought almost continuously for four days, often hand-to-hand, as they clung stubbornly against overwhelming odds to a vital part of the Allied line after the French units on their left fled in panic. By doing so, they saved 50,000 troops in the Ypres salient from almost

certain destruction, and, in addition, prevented the momentum of the war from tipping in favour of the Germans. In this new, deeply researched account, the distinguished military historian George H. Cassar skillfully blends into the history of the battle the graphic and moving words of the men on the front line. Illustrated with outstanding photographs and numerous maps, and drawing from diaries, letters, and documents from every level of planning, Hell in Flanders Fields is an authoritative, gripping drama of politics, strategy, and human courage.

Alien Mate 2

Coto's Captive by Laurann Dohner Book five in the Zorn Warriors series. Lynn is tracking a dangerous, wounded animal, which turns out to be a big, sexy alien instead. And he's the hottest guy she's ever met. Coto's trip to Earth takes a dangerous turn. He is attacked and injured. The only high point is the courageous woman who tends his wounds. Coto desires her and he will never let her go. Bridal Bonds by Leora Gonzales Sequel to Bridal Pact Andi signed up for the Bridal Pact, but what with having to dissolve her possibly sabotaged mismatch and being kidnapped by extremists determined to wreck the Earth-Phaeton warrior alliance, her space adventure sucks big-time. But before she can catch the next shuttle back to Earth, she's claimed by two new suitors, the dominant Rodin and the happy-to-try-it Tamin. The doctors come as a pair, one warrior providing the discipline she didn't know she craved and the other lightening her bruised heart. But

bonding to not one but two alien warriors? If only Andi dares to try. No Way Out: Kari by Jaid Black Story 11 in the series Trek Mi Q'an. Written to stand-alone, but we recommend you read the stories in sequence for maximum enjoyment. Whisked from Earth to the matriarchal planet of Galis by forces unknown, Kara Summers finds refuge in the mountainous crystal fortress of the Gy'at Li sector. Taken in and renamed Kari by the sector's High Mystik, she spends seventeen years being honed into a formidable warrior. Sent to Crystal City to complete her training, Kari Gy'at Li knows there is one species of male she must avoid at all costs because of their proclivity for stealing women-the warriors of Tryston. When Kari is hunted by an eight-foot-tall muscled warrior, she realizes what she must do-vanquish the predator or become the prey. This book gives readers the backstory on Kari and Death; their total story will be told over the course of the next three books. Escape by Tara Nina Paoni Warrior Shia must capture or kill Kal, an escaped Lanius-the worst of alien criminals-but she has no idea who she is truly up against. Kal knows his imprisonment was unjustified. Turning the tables, he takes Shia captive, igniting her curiosity and a lust she can't control. But siding with him will put both her heart and her life on the line. Reader Advisory: These stories have graphic sexual language and scenes-no closed bedroom doors (or other rooms) here!

Rapturous, A Tame Quantum Novel

A slightly TAMER version of Rapturous—all the romance, all the heat, just a little less erotic. Control is his mantra...until one woman breaks his control—and his heart. It's Oscar night, and Academy Award-winning director Hayden Roth spontaneously kisses the woman he desires above all others, even though he knows she can never be his. Addison York craves her boss's best friend, Hayden, but he has never given her an ounce of encouragement--until tonight when he kissed her after winning the Oscar. Was that kiss the start of something or another in a long line of frustrations where Hayden is concerned? Something is keeping him from acting on the attraction that simmers between them, and Addie is determined to find out what it is. But when she stumbles upon the secret that Hayden, Flynn and her other close friends have kept from her, will she allow hurt feelings to get in the way of true love? When Hayden won't share his BDSM lifestyle with her, Addie decides to conduct her own research. Will she be intrigued or repulsed? And what will Hayden do when he finds out how she's been spending her evenings?

Then fate steps in. There's a crash and Megan must escape or die. The cyborgs are rescuing the sex bots-taking them onboard their ship. She knows cyborgs hate humans. They'll kill her if she asks for help so she devises an insane plan-pretend to be the most realistic sex bot ever made. His name is Ice, and Megan is now his personal sex bot. He will satisfy every sexual fantasy she's ever had-and as many more as she can dream up. She just has to figure out how to keep her big, sexy cyborg from discovering that she is all woman.

Claws and Fangs

When it came in September 1975, Papua New Guinea's independence was marked by both anxiety and elation. In the euphoric aftermath, decolonisation was declared a triumph and immediate events seemed to justify that confidence. By the 1990s, however, events had taken a turn for the worse and there were doubts about the capacity of the State to function. Before independence, Papua New Guinea was an Australian Territory. Responsibility lay with a minister in Canberra and services were provided by Commonwealth agencies. In 1973, Prime Minister Gough Whitlam declared that independence should be achieved within two years. While Australians were united in their desire to decolonise, many Papua New Guineans were nervous of independence. This superlative history presents the full story of the 'trial

From its ancient incarnation as a song to recent translations in modern languages, Homeric epic remains an abiding source of inspiration for both scholars and artists that transcends temporal and linguistic boundaries. The Cambridge Guide to Homer examines the influence and meaning of Homeric poetry from its earliest form as ancient Greek song to its current status in world literature, presenting the information in a synthetic manner that allows the reader to gain an understanding of the different strands of Homeric studies. The volume is structured around three main themes: Homeric Song and Text; the Homeric World, and Homer in the World. Each section starts with a series of 'macropedia' essays arranged thematically that are accompanied by shorter complementary 'micropedia' articles. The Cambridge Guide to Homer thus traces the many routes taken by Homeric epic in the ancient world and its continuing relevance in different periods and

cultures.

Haunting Blackie

Being a female mechanic on a space station for eight years has taught Dawn a lot of tough life lessons that have hardened her heart. She's got a temper and a mouth to match her red hair and has never backed away from a challenge. Then she's kidnapped and blackmailed into agreeing to be a cyborg's personal sex slave. Iron is one big bastard with long, fiery red hair, intense, dark blue eyes and a stubborn streak as thick as his dense muscles. If Iron thinks he can tame her, he's about to learn that "meek" is not in Dawn's vocabulary. But with that handsome face, a body to die for, a wickedly talented tongue and those magical hands, the guy just doesn't fight fair. Dawn is intent on melting Iron's icy resolve to never fall in love with a human. He's winning her heart and she's determined to win his right back. These two redheads have just met their matches. Let the battle for love begin.

Ral's Woman

King Grim Vasteri is the strongest and most feared warrior in the Tornian Empire. He is the King of Luda, blood brother to the Emperor and his line will die with him. He will have no offspring for no female would join with him, for once he was scarred he was considered 'unfit'. The Tornian Empire has been dying ever since the great infection caused the birth of females to become a rarity. Since then they have been searching

the known universes, for compatible females. The Emperor's discovery of a compatible female on a slave ship changed that. He has ordered Grim to find his Empress' home world so more 'unprotected' females could be obtained, knowing Grim would never be allowed to join with one. Lisa Miller is a widowed mother of two little girls, Carly and Miki. Her husband died just a year ago, after a long battle with cancer and she misses him immensely. Friends want her to start dating again, but in her heart, she knows there isn't a man on the planet she could love like her Mark and who could love their girls as their own. Therefore, she'll stay alone. When Lisa is discovered 'unprotected' at her husband's grave site, she wakes on an alien ship heading for an alien world. Refusing to accept this she confronts the large alien males, demanding she be returned to her children. Seeing his chance to have a female, Grim agrees to accept and protect her offspring if she agrees to join with him and only him. Realizing this is the only way she can retrieve her children, Lisa agrees and the Tornian Empire changes forever.

Especially when they plan to escape their buyers as soon as possible, anyway. Even better, Nara's buyer wants her for just six days, long enough to get him through his heat until women from his planet can come to his aid. Six days and then freedom? Sign her up. However, Nara's completely unprepared for the impact Captain Cathian Vellar has on her body. To survive his heat, the Tryleskian must feed-and Nara is his favorite meal. Her body can barely withstand the rapture. Soon, her heart is just as engaged. But enduring the pinnacle of Cathian's heat he could kill Nara, and he refuses to risk her life.

A Trial Separation

Blue Echohawk doesn't know who she is. She doesn't know her real name or when she was born. Abandoned at two and raised by a drifter, she didn't attend school until she was ten years old. At nineteen, when most kids her age are attending college or moving on with life, she is just a senior in high school. With no mother, no father, no faith, and no future, Blue Echohawk is a difficult student, to say the least. Tough, hard and overtly sexy, she is the complete opposite of the young British teacher who decides he is up for the challenge, and takes the troublemaker under his wing. This is the story of a nobody who becomes somebody. It is the story of an unlikely friendship, where hope fosters healing and

Death & Discrimination

All Rena wanted was to steal back a spaceship and earn enough money to buy her freedom from her travesty of a life. Her mission to recover stolen property from pirates backfired and she became a possession when she encountered cyborgs instead. Now, one of them will own her. Rena is a survivor and she wants the very tall, big, brutally sexy cyborg who doesn't like to share anything that belongs to him. Steel is beyond irritated when he is maneuvered into ownership of a fragile human female. She's not nearly big enough to handle his size or strength, yet she's determined to get him into bed-into her. Steel realizes just what this little female is capable of when he awakens, chained to his bed, with her riding his very turned-on body. For a man who prides himself on his unyielding control, Steel soon finds Rena stripping him of it an inch at a time.
