Shattering Glass

"Horrific, totally engrossing. . . A compelling look at insane brilliance." --Ann Rule A psychopathic mastermind whose reign of terror had no limits--even murder. . . For

years, Eddie Lee Sexton ruled his family with perverse domination. He enforced every cruelty imaginable, from vicious beatings to raping his daughters and fathering their children. Yet the sadistic father nearly escaped death row on a legal technicality. Lowell Cauffiel's unsparing non-fiction thriller reveals a house of horrors Eddie Lee Sexton thought no one would ever see. Now updated, it shows how Sexton's sick genius ultimately dodged justice, and investigates the tragic aftermath of his victimized family. "An odyssey into American pathology. Deeply disturbing." --Detroit Free Press "A balanced and grimly engaging true-crime account." --Publishers Weekly "Cauffiel knows how to dramatize true crime." --Elmore Leonard Warning! Peer Gynt and Brand

I am Gwen Frost, and I have a Gypsy gift. It's called psychometry - that's a fancy way of saying that I see images in my head and get flashes of other people's memories off almost everything I touch, even guys. My gift makes me kind of nosy. Okay, okay, maybe a lot nosy—to the point of obsession sometimes. I want to know everything about everyone around me. But even I don't want to know the secrets my friend Paige is hiding or the terrible loss that will send me to a new school - Mythos Academy, where the teachers aren't preparing us for the SATs, but to battle Reapers of Chaos. Now I have no friends and no idea how my gift fits in with all these warrior whiz kids. The only thing I do know is that my life is never, ever going to be the same. . . "Touch of Frost is an intriguing start to an exciting new series!"—Award-winning author Jeri Smith-Ready 11,000 Words

A Dream So Dark

For a moment, a face flashed before my eyes--the most hideous face I'd ever seen. No matter how hard I tried to forget what had happened, I saw him everywhere I went. It was Loki--the evil god that I'd helped set free against my will. I should have known that my first official date with Logan Quinn was destined to end in disaster. If we'd gotten into a swordfight, or been ambushed by Reapers, I'd have been more prepared. But getting arrested mid-sip at the local coffee hangout? I didn't see that one coming. I've been accused of purposely helping the Reapers free Loki from his prison--and the person leading the charge against me is Linus Quinn, Logan's dad. The worst part is that pretty much everyone at Mythos Academy thinks I'm guilty. If I'm going to get out of this mess alive, I'll have to do it myself. . . "An amazingly addictive new series."--Fresh Fiction Praise for the Mythos Academy series "Kiss of Frost has just as much ass-kicking as the first book in the series." --Good Choice Reading "Lots of twists and turns and a surprise ending will leave the reader breathless!" --RT Book Reviews on Kiss of Frost, 4 Stars "A great start to a new young adult paranormal series." --Night Owl Reviews on Touch of Frost "It has literally everything: mystery, romance, mythology, boarding schools. What could be better?" --Simply Nerdy Book Reviews on Touch of Frost

Spartan Frost

The fifth book in the "outstanding" (Romantic Times) Elemental Assassin fantasy series featuring Gin Blaco, who by day is a waitress at a Tennessee BBQ joint, and

by night is a tough female assassin. Old habits die hard for assassins. And I plan on murdering someone before the night is through. Killing used to be my regular gig, after all. Gin Blanco, aka the Spider, assassin-for-hire. And I was very, very good at it. Now, I'm ready to make the one hit that truly matters: Mab Monroe, the dangerous Fire elemental who murdered my family when I was thirteen. Oh, I don't think the mission will be easy, but turns out it's a bit more problematic than expected. The bitch knows I'm coming for her. So now I'm up against the army of lethal bounty hunters Mab hired to track me down. She also put a price on my baby sister's head. Keeping Bria safe is my first priority. Taking Mab out is a close second. Good thing I've got my powerful Ice and Stone magic—and my irresistible lover, Owen Grayson—to watch my back. This battle has been years in the making, and there's a good chance I won't survive. But if I'm going down, then Mab's coming with me . . . no matter what I have to do to make that happen.

Frost

St Vladimir's Academy isn't just any boarding school - hidden away, it's a place where vampires are educated in the ways of magic and half-human teens train to protect them. Rose Hathaway is a Dhampir, a bodyguard for her best friend Lissa, a Moroi Vampire Princess. They've been on the run, but now they're being dragged back to St Vladimir's where the girls must survive a world of forbidden romances, a ruthless social scene and terrifying night time rituals. But most of all, staying alive.

Kiss of Frost

The brilliant second book from a rising star of the picture book world, tipped as 'one to watch' by The Bookseller magazine. There's a team of dognappers on the loose. They've stolen lots of pooches, but this time they're up against a very clever dog. The cunning Penelope Dognapper is keen to get her hands on the latest rare breed, the lesser spotted woof. Her big mistake is sending Patrick, her accomplice, to do the job. He has great difficulty identifying the right dog - that dog! - and in a house that also contains a snake, rabbit and characterful cat, you can imagine the chaos that ensues as he tries to steal the dog. That dog is a very smart one. He's quick, clever and a bit of a detective in his spare time and he might just have worked out who's behind the dastardly crimes. Will he avoid getting caught himself and rescue his fellow creatures?

A Touch Of Frost

What kind of assassin works pro bono? It's hard to be a badass assassin when a giant is beating the crap out of you. Luckily, I never let pride get in the way of my work. My current mission is personal: annihilate Mab Monroe, the Fire elemental who murdered my family. Which means protecting my identity, even if I have to conceal my powerful Stone and Ice magic when I need it most. To the public, I'm Gin Blanco, owner of Ashland's best barbecue joint. To my friends, I'm the Spider, retired assassin. I still do favors on the side. Like ridding a vampire friend of her oversized stalker—Mab's right-hand goon who almost got me dead with his massive fists. At least irresistible Owen Grayson is on my side. The man knows too much about me, but I'll take my chances. Then there's Detective Bria Coolidge,

one of Ashland's finest. Until recently, I thought my baby sister was dead. She probably thinks the same about me. Little does she know, I'm a cold-blooded killer . . . who is about to save her life.

Touch of Frost

A new Penguin edition of Ibsen's two great verse plays, in masterful versions by one of our greatest living poets, Geoffrey Hill. These two powerful and contrasting verse dramas by Ibsen made his reputation as a playwright. The fantastical adventures of the irrepressible Peer Gynt - poet, idler, procrastinator, seducer - draw on Norwegian folklore to conjure up mountains, kidnappings, shipwrecks and

trolls in an exuberant examination of truth and the self; while Brand, an unsparing vision of an idealistic priest who lives by his steely faith, explores free will and sacrifice. This volume brings together the poet Geoffrey Hill's acclaimed stage version of Brand with a new poetic rendering of Peer Gynt, published for the first time. This Penguin edition includes an interview with Geoffrey Hill about recreating Ibsen in English, an introduction by Janet Garton and editorial materials by Tore Rem.

Frost & Dark Frost

For the first time, the full origin story of Gin Blanco's transformation into the fearsome assassin known as the Spider—book ten in the red-hot Elemental Assassin urban fantasy series. How did I end up in a career where I always have blood on my hands? Well, let me tell you a story about an assassin who thought she could do no wrong. . . . Ten years ago. A blistering hot August night. I remember like it was yesterday. The night I, Gin Blanco, truly became the Spider. Killing people is what I do best, especially now that I've honed my Ice and Stone magic. But back then, I had yet to learn one very important rule: arrogance will get you, every single time. This particular job seemed simple: murder a crooked building contractor with ties to ruthless Fire elemental Mab Monroe. My mentor, Fletcher Lane, had some misgivings, but I was certain that I had the situation under control . . . right up until I exposed my weaknesses to a merciless opponent who exploited every single one of them. There's a reason assassins aren't supposed to feel anything. Luckily, a knife to the heart can fix that problem, especially when I'm the one wielding it. . . .

Who You Wit'?

Mystic City

New school year, same old problems . . . At Mythos Academy, everyone knows exactly who I am: Rory Forseti, Spartan girl and the daughter of Reapers. Even though I fought alongside my cousin Gwen Frost to save the mythological world from Loki and his evil Reapers of Chaos, I'm still the most hated girl at the academy because of all the horrible things my parents did. I had hoped that this school year would be different, but the other kids just won't let me forget about my parents. But something strange is going on at the Colorado academy. First, I run into a Viking guy who dislikes me more than most. Then I notice some odd artifacts in the Library of Antiquities. And worst of all, I start hearing rumors about a new group of Reapers who can summon mythological monsters. I might be the most hated girl at Mythos Academy, but I'm also the only one who can save it . . .
