Melancholy Ghost

In the time between the First and Second World Wars, a young boy grows up in a small Polish town. Life has settled down after WWI, and the boy splits his time between helping run his father's bakery and going to school. However, as the Nazis slowly advance into Poland and the war begins, the boy is swept away to be a part of the workforce meant to build the Autobahn. Away from home for the first time, and too naive to comprehend the ramifications of the war, the boy is forced to grow up on his own in a very short amount of time in order to survive the ordeal that is now known as the Holocaust. Following his life through the war and the uncertainty of life after it, this book tells the true story of one man's life as he fights for survival. Now 91 years old, Jack Rath tells his story as he goes from being the baker's son to a survivor of one of the worst events in history.

When the Ghost Dog Howls (Goosebumps Horrorland #13)

Take a little Horror home with you! In HorrorLand's eerie gift shop Andy finds a hound's-tooth necklace. The big tooth is yellow, has two sharp points, and, according to the shopkeeper, is said to grant wishes. But Jonathan Chiller knows something else about the tooth. It's said to be haunted by the ghost of a huge hound. A ghost that's got a mouthful of sharp teeth--but wants this one back.

Ghost of a Rose

Veteran state police Detective Sergeant Frank O'Hara pursues a crazed serial killer whose crimes bear the grisly signature of Gary Ledbetter, a vicious murderer arrested by O'Hara and executed years earlier. Reprint.

The Legend of the Ghost Buck

Dog on a Rope

This chapbook is an exploration of a chronic condition that has followed me for a long time. The Black Dog, depression, has been with me all of my adult life, on and off. The Box of Frogs, anxiety, is a more recent acquisition over the last 25 years. Keeping the depression company, these two have been part of my life and relationships with everyone, especially my family and friends. I have come late to poetry, after dabbling as a literate teen, and I can only hope I have improved. This is a personal exploration of these feelings, and I hope that it will be of help to some to see them expressed in words on a page.

Secret of the Mountain Dog

The Legend of King Pudge

Ash was looking forward to a summer of camping with friends and time travelling. Then his Great Aunt fades away (literally), his near-death nightmare gets even weirder and he keeps falling into someone else's dreams. On top of that, his house is attacked and he gets trapped in the past while trying to help a new friend who isn't too friendly. Juna isn't having a great time of it either: having escaped from her parole officer, she barely survives falling out of a plane and getting sucked into a bizarre tornado that keeps appearing in the most unlikely situations. While Ash and Juna try to get out of the past and back home, events and dreams keep pointing them to the place where it all starts and ends, where shadows dance and time bends. If they can get there, they may be able to stop an implacable enemy from destroying their future. Of course, getting there means surviving first.

When the Ghost Dog Howls (Goosebumps Horrorland #13)

Legend of the Ghost Dog

Because even his top N Y analyst couldn't crack any of the secrets of his amnesiac past, he had to go to Mexico for answers- specifically a pueblo fantasma in the remote Sierra Madre, where his mother was waiting, in the only hotel in town. In the remote Sierra Madre, behind a tunnel hewn through a mountain peak, one of five cupping the town as the fingers of one hand, is the strangest pueblo fantasma in all of Mexico. There is one hotel, run by a serial killer, and directly across the street, one cantina, run by the narco cartel banker. The town was founded in 1495, after a party of Conquistadors, who had been pursuing the last surviving Aztec Eagle knights through the mountains, after the fall of Tenochtitlan, discovered silver in the ashes of the fire they had made the previous night. There had been thirteen Conquistadors, and for four hundred years their descendants ruled the town, which became the richest in Mexico, with a treasury, a mint, even an opera house, and of course a vast Cathedral, until Pancho Villa and his army took the town in 1914, when the ruling descendants of the Conquistadors were all shot by firing squad, taking to their graves the secret of where they had hidden their treasure. After the Revolution prospectors drawn by the legend of the

Treasure of the Sierra Madre, some said thirteen treasures, blew up most of the buildings of the mediaeval town, but of the treasure, or treasures, nothing was ever found. The Nahuatl speaking natives of the remote mountains, believe it never will be, for it is the property of the Lord of Death, the ruler of Mictlan, and anyone who discovers its location, will be delivered to one of the nine levels of that vast realm, located below the silver mines, under the mountains. The story is about a search for answers, included in which are what happened to a disgraced but enormously wealthy Bishop, and where he hid the treasures - the secret of which the old cabbalist fucker took to Mictlan, where his bastard son must go, if he is ever to decode any of the secrets of his amnesiac past. At 351 pages, 66 of which have illustrations by the author, this is a beautiful edition sumptuous edition

Ghost of Guadalajara

So I Met a Ghost

After muddling through two wars and an economic downturn, the president prepares for the stretch run of his re-election campaign by relapsing into a cocaine habit that triggers a fatal heart attack. Meanwhile, a group of Democratic senators decide the surest way to connect with voters is by finding their own version of Ronald Reagan --- presidential looking, smooth talking, friendly, affable, and a gets-his-hands dirty outdoorsman. A photo op of the candidate chopping wood leads to a heat stroke. Thus, it is politics as usual as the behinds-the-scenes operatives wheel and deal and navigate through a landscape that includes assassins for hire, voting machine hackers, and a Spanish prosecutor intent on taking the liars who concocted the war in Iraq to a court of law. Against this backdrop, Jay Dean Fine, a high school football coach fired for cheating, tries to make amends and get his dream back on track by working as a cowboy on a cattle ranch in the Flint Hills of Kansas while he figures out how to reunite with the wife and daughter he had left behind in Texas two years earlier. Returning home, he follows Interstate 35 back to the Dallas-Fort Worth Metroplex, encountering as twisted a version of America as Huck Finn and Jim encountered in their trip down the Mississippi River.

The First Death, Ghost Dog- The Urban Legend

From the household cat to horses that can fly, a surprisingly wide range of animals feature in religions and mythologies all across the world. The same animal can take on different roles: the raven can be a symbol of evil, a harbinger of death, a wise messenger or a shape-changing trickster. In Norse mythology, Odin's magical ravens perch on his shoulders and bring him news. This compendium draws upon religious texts and myths to explore the ways sacred traditions use animal images, themes and associations in rituals, ceremonies, texts, myths, literature and folklore across the world. Sections are organized by the main animal classifications such as mammals, birds, reptiles, fish, amphibians and insects. Each chapter covers one significant grouping (such as dogs, cats or horses), first describing an animal scientifically and then detailing the mythological attributes. Numerous examples cite texts or myths. A final section covers animal hybrids, animal monsters and mythical animals as well as stars, constellations and Zodiac symbols. An appendix

describes basic details of the religions and mythologies covered. A glossary defines uncommon religious terms and explains scientific animal names.

Ghosts Coloring Book 1

Imagine an America very similar to our own. It's got homework, best friends, and pistachio ice cream. There are some differences. This America been shaped dramatically by the magic, monsters, knowledge, and legends of its peoples, those Indigenous and those not. Some of these forces are charmingly everyday, like the ability to make an orb of light appear or travel across the world through rings of fungi. But other forces are less charming and should never see the light of day. Elatsoe lives in this slightly stranger America. She can raise the ghosts of dead animals, a skill passed down through generations of her Lipan Apache family. Her beloved cousin has just been murdered, in a town that wants no prying eyes. But she is going to do more than pry. The picture-perfect facade of Willowbee masks gruesome secrets, and she will rely on her wits, skills, and friends to tear off the mask and protect her family. Darcie Little Badger is an extraordinary debut talent in the world of speculative fiction. We have paired her with her artistic match, illustrator Rovina Cai. This is a book singular in feeling and beauty. Praise for Elatsoe ★ "[A] refreshing voice. Indigenous myths, modern-day technology, and the supernatural successfully blend to build a fast-paced murder mystery."—Publishers Weekly, starred review ★ "A brilliant, engaging debut written by a talented author, it seamlessly blends cyberstalking with Vampire Citizen Centers and Lipan Apache stories."—Kirkus Reviews, starred review

Trucker Ghost Stories

A mix of mystery and history, *Gourmet Ghosts* is a unique guide to more than 40 haunted bars and restaurants in Los Angeles. Including new and previously-unpublished stories, photographs and eyewitness accounts, this book also digs into the newspaper archives to find out if there's any truth to the tales - and offers tips on the best food, drink and Happy Hours. From Downtown to Hollywood and from West Hollywood to the Westside, you can find out which booth to choose if you want to dine with a ghost, read about "The Night Watchman" at the Spring Arts Tower, walk in the steps of "Glover's Ghost" at Yamashiro or examine the strange pictures from the Queen Mary and the Mandrake Bar. Your table is ready!

Haunted

The mysterious dog showed up at Jax's door just when she needed an adventure. But adventure sometimes brings trouble -- and dangers that even a great dog can't help you escape. In the Catskill Mountains, mystery is waiting . . . Just when she needs it most, a little excitement comes to Jax's mountain. First, a beautiful, giant dog stops at her door. Even though he has no collar, the Tibetan mastiff doesn't act like a stray -- and he seems to want to stay with Jax. Then lights appear in the old, abandoned monastery up the mountain. The mastiff, who likes being called Mo-Mo, leads Jax to the mountaintop. There she meets a boy her age, Yeshe, who has come all the way from Tibet with his teacher to open the abandoned building -- and to search for a long-lost statue, possibly hidden away in the monastery. But

someone else is searching for the statue, too, and when Jax's adventure turns dangerous, she'll have to count on her new friend, and the mysterious dog that's found her, to get her back down the mountain safely.

Gourmet Ghosts - Los Angeles

In a uniquely entertaining book by a rising star, here are uncanny true tales of haunted highways, weird encounters, and legends of the road. It may have happened to you; it's happened to almost everyone who's ever driven down a highway at night, or in the fog, or snow. Something suddenly appears: a flash of movement, a shadow—what was it? It could be, as the true stories in this book attest, a ghost. These are true stories from the highways and byways of America. These firsthand accounts are as varied as the storytellers themselves—some are detailed and filled with the terror and suspense that made people feel they had to share what happened to them with others; others are brief and straightforward retellings of truly chilling events. Here is a chupacabra attack on the desert highway between L.A. and Las Vegas; ghost trains and soldiers; UFOs; the prom girl ghost of Alabama; a demon in Texas, and other accounts of the creepy, scary things that truckers and other drivers and passengers told to editor Annie Wilder. With so many different stories, *Trucker Ghost Stories* moves beyond the usual haunted house to offer stories to entice any ghost story reader and anyone who's ever wondered. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Legends of Texas

Seventeen-year-old Wolfgang Schaefer's only chance to escape the city of Doors and the doppelganger out to kill him is to find the one door that accepts humans. While searching, Wolfgang uncovers a secret which makes him doubt everything he thought was true about himself, his missing father, and the motives of the factions who rule the city. Together with a horse called Pilgrim and his best friend the seductive, blond changeling Marie, Wolfgang realizes that escape might not be possible without turning into the thing he hates most—a monster.

Greek and Roman Ghost Stories

A thrilling mystery set against a stark landscape and the inspiration of Nome's real-life dog hero, Balto. Twelve-year-old Tee has just moved to Nome, Alaska, with her writer father and sullen little brother, Jack. Jack isn't happy about the idea of living in the middle of nowhere, but Tee and her dog Henry are thrilled -- so much open space to run around and sniff! But on a walk near their new house, Henry spots something that has him seriously spooked. Tee sees a mysterious shadow, and it seems to be following them. Have they disturbed a restless spirit? And what other secrets might this dark place be holding?

Ghost Dog and Other Hawaiian Legends

When chew toys start to disappear and doggie treats are missing from the schoolyard, the Barkley dogs are suspicious. Could it be Sweetcakes, the bully

Doberman, playing her old tricks? Jack learns that the true culprit may have to do with an old legend of a ghost dog

The Last Grandmaster - the Legend of Hua

When my parents split up I started drawing pictures of gravestones in a church near my dad's (I know it is weird, get over it), and here is where I met Beth. But I soon found that Beth was no ordinary girl, but she was in fact a ghost. I am not talking creepy ghost, the kind that puts a curse on you, but just an ordinary person really. I soon learned she was being chased by some nasty piece of work, and I soon realised there was only me who would be able to help her. Not only was I going to try to save her from her hunter, but also try to help her move on, go into the light, and all that. Not much to ask, seeing as I was a teenager, was it! In the process I would learn that the 'unknown' was pretty clear, and that some men can be more evil than anything conjured up by the wildest of imaginations. So I met a Ghost is a sometimes creepy, sometimes funny short novel for young adults by author Paul McAvoy. A page-turner you will not want to draw breath until the last page is read

The Legend that was Clapham

From ghost hunter to ghost, haunted. Barrett has a plan-help Austin regain his memory, surround him with his friends and loved ones, and lead him into the light. Unfortunately, the tragic investigation of a melancholy ghost derails everything. As new lead investigator, Thai struggles to maintain the high ratings SCI has always enjoyed. After a few subpar investigations, the network execs demand results, even if it means the team must put their lives on the line for a house more deadly than its dead occupants. There are worse things than being dead. Austin knows something is wrong. Most people ignore him, time eludes him, and his hands are basically worthless. If only he could remember what happened, he would have the answers he so desperately seeks. He's sick of Barrett's lies and Casey's deflections. Austin will have to figure this one out on his own. Will the truth set him free, or destroy his soul?

Real Ghost Stories

The epic tale of Grandmaster Sin Kwang The's extraordinary struggle and ultimate triumph to become the youngest Grandmaster in history. "The Last Grandmaster" artfully weaves the legendary stories of historic martial arts heroes with the Grandmaster's own life story, set against many riveting events in the history of modern China.

A Room for the Dead

History teacher, lecturer and published writer Mark Beck is leading his rather quiet and scholarly life when he is drawn into the political world of Mexican politics. He enters a world of drug cartels, shady characters, and assassinations. His adventures eventually leads him to a spiritual rebirth and the ability to actually live some of the history he was only able to study and write about leading him to the

revelation that, one man can change history.

Ghost of Doors

Moving to Alaska with her father and sullen younger brother, 12-year-old Tee happily explores her new home's open spaces with her dog, Henry, who is seriously alarmed by a menacing shadow with links to dark local secrets. By the author of the Suddenly Supernatural series.

The Story of Edgar Sawtelle

Balto has a quiet life as a sled dog—until tragedy strikes. Dozens of children in Nome become sick with diphtheria. Without antitoxin serum, they will perish—and the closest supply is 650 miles away! The only way to get the serum to Nome is by sled, but can the dogs deliver it in time? Heading bravely into a brutal blizzard, Balto leads the race for life. A Kansas City Children's Book Award for Grades 1-3
From the Trade Paperback edition.

Virginia Folk Legends

A riveting family saga, *The Story of Edgar Sawtelle* explores the deep and ancient alliance between humans and dogs, and the power of fate through one boy's epic journey into the wild. Born mute, speaking only in sign, Edgar Sawtelle leads an idyllic life with his parents on their farm in remote northern Wisconsin. For generations, the Sawtelles have raised and trained a fictional breed of dog whose thoughtful companionship is epitomized by Almondine, Edgar's lifelong companion. But with the unexpected return of Claude, Edgar's uncle, turmoil consumes the Sawtelle's once-peaceful home. When Edgar's father dies suddenly, Claude insinuates himself into the life of the farm – and into Edgar's mother's affections. Grief-stricken and bewildered, Edgar tries to prove Claude played a role in his father's death, but his plan backfires, spectacularly. Edgar flees into the vast wilderness lying beyond the farm. He comes of age in the wild, fighting for his survival and that of the three yearling dogs who follow him. But his need to face his father's murderer, and his devotion to the Sawtelle dogs, turn Edgar ever homeward. Wroblewski is a master storyteller, and his breathtaking scenes – the elemental north woods, the sweep of seasons, an iconic American barn, a ghost made of falling rain – create a family saga that is at once a brilliantly inventive retelling of Hamlet, an exploration of the limits of language, and a compulsively readable modern classic. From the Hardcover edition.

Legend of the Ghost Dog

Stories, interviews and essays from inside the American Indian Movement (AIM) 1971-2011. *Ghost Rider Roads* is a "white woman's rider through Indian Country" and chronicles her time with various members of old AIM. The book includes stories which emerged from her interviews with Vernon Bellecourt (1931-2007) founder of the American Indian Movement), John Graham, recently convicted to a life sentence for the murder of Anna Mae Aquash. And her mini interview with Native poet/activist John Trudell. Also included is a rare 1970's article about the FBI

Cointelpro/Pine Ridge shootings written by Judy Gumbo and Stew Albert, and a special section about Leonard Peltier with contemporary essays (2011) provided by Delaney Bruce and LPDOC (his defense committee). All woven together with commentaries and news clips by antoinette nora claypoole, recent recipient of Oregon Literary Arts fellowship. In sum, the book chronicles AIM and hopes to provide information for a new generation of activists, with a special emphasis and supporting the ongoing work to Free Leonard Peltier.

Occupational Hazard Perfect Lies

The ancient parish of Clapham was peopled by a unique and long established community with a fiercely beating heart of its own - until the City fathers decided to destroy it. In *The Legend That Was Clapham*, Donald Bullock describes its creation, its characters, its delightful way of life, and the tragedy of its destruction. He paints scenes and happenings that are, by today's standards, scarcely credible. It is a tragically sad, uproariously funny, and immensely soul-searching story of a wonderful and unique culture that was wantonly and thoughtlessly destroyed by a set of misguided do-gooders. "A book that needed writing. Clapham was a paradise. Its needless destruction was wicked. People should know." - Jim Clements "Terrible. They wantonly destroyed a community - a unique culture. Thank heavens it's all been put on record." - Jennifer Davies "At last only my Dad's shop was left. He wouldn't go. They fetched me to get him out. I found him crying at his counter. They began to batter the walls and I led him out peppered in debris. He was soon dead of a broken heart" - Betty Dix "Moving and absorbing. I can't wait for the author's 'Hovels and Haydust' " - Wendy Lambert

The Box of Frogs and the Black Dog

Take a little Horror home with you! In HorrorLand's eerie gift shop Andy finds a hound's-tooth necklace. The big tooth is yellow, has two sharp points, and, according to the shopkeeper, is said to grant wishes. But Jonathan Chiller knows something else about the tooth. It's said to be haunted by the ghost of a huge hound. A ghost that's got a mouthful of sharp teeth--but wants this one back.

Sacred and Mythological Animals

When you buy this book you get an electronic version (PDF file) of the interior of this book. The perfect coloring book for every child that loves ghosts. 40 coloring pages haunted by ghosts. Art is like a rainbow, never-ending and brightly colored. Feed the creative mind of your child and have fun! Each picture is printed on its own 8.5 x 11 inch page so no need to worry about smudging.

The Ghost Who Wouldn't Give Up

Ellie had been watching him for years and admired his charm, his knowledge, his success. Never in her wildest dreams did she think she would work beside him, but luck was on her side. She was granted the opportunity of a lifetime. At first she had been a captive audience hoping to learn what she could. They developed a great working relationship, complete with hard work, fun banter and mutual respect. It

wasn't until she noted bizarre occurrences making her realize that the very person she looked up to wasn't who he claimed to be after all. If her suspicions were correct, he might be tied to some of the most horrific cold case crimes in the valley. There are times when the truth reveals itself and we acknowledge it for a brief moment as we would an old acquaintance, moving on and going about our day, choosing to believe the lies instead--their familiarity providing more comfort than the truth. Often, we see what we want to see, but do we truly know the identity behind the mask?

The Baker's Son

Behind Every Legend Lies the Truth. Moving is nothing new for ten-year-old Nikki Landry. Her father relocates their raggedy old houseboat several times a year in search of better crabbing spots. However, their latest move has brought her to a mysterious bayou where she feels something is watching her from a nearby island. Nikki learns of a local legend about something sinister inhabiting those swamps, stealing the souls of dogs which would explain the strange howling sounds. Papa reassures her there's nothing on the island but gators and snakes. He should know. He's spent his whole life trapping and fishing those bayous and swamps. But maybe there's something Papa doesn't know. Nikki and her new friends begin to uncover strange happenings from years ago that may have started the old legend and town folks aren't talking. Then her beloved beagle goes missing. Join Nikki as she seeks to discover the real truth behind the legend of Ghost Dog Island before it's too late.

Dog Tales & Other Gems

Landmark of anthropological and mythological scholarship explores Grail legend, uniting its folkloric and Christian elements by using printed texts to prove the parallels existing between every feature of the legend of the Holy Grail and the recorded symbolism of ancient Mystery cults. A major source for Eliot's *The Waste Land*.

The Legend of Ghost Dog Island

Explore the haunted history of the Greco-Roman world in this illustrated edition of Lacy Collison-Morley's classic introduction to Greek and Roman ghost stories.

Barkley's School for Dogs Book #4: Ghost Dog

Book of Short Stories about Dogs, mainly Field Spaniels, Holiday Journeys & Ghosts. Some are true and others are purely fiction. Nine of the stories were written by well known characters who own, show & are Kennel Club Judges in Field Spaniels and other Breeds.

Balto and the Great Race (Totally True Adventures)

They say a dog's best friend is a man, or is he? On a frightening, cold and rainy Halloween, a group of teenagers are faced with a past that comes home with a vengeance. The readers are left feeling the same as when *Jaws* was first watched:

TERRIFIED AS HELL!

Elatsoe

Presents a collection of legends and tales that were gathered by field workers of the Virginia Writers' Project of the WPA.

Where Shadows Dance

Haunted is a novel made up of twenty-three horrifying, hilarious, and stomach-churning stories. They're told by people who have answered an ad for a writer's retreat and unwittingly joined a "Survivor"-like scenario where the host withholds heat, power, and food. As the storytellers grow more desperate, their tales become more extreme, and they ruthlessly plot to make themselves the hero of the reality show that will surely be made from their plight. This is one of the most disturbing and outrageous books you'll ever read, one that could only come from the mind of Chuck Palahniuk.

Ghost Rider Roads

Includes the booklet Narcissism "The Killer of Love" What could drive an individual who is emotionally strong and highly successful, with a hearty appetite for life, to suddenly lose all desire to live? What could possibly strip a religious person of all belief in God with the blink of an eye? Those vital questions are about to be answered. A Beautifully Disturbing Saga of Love and Survival. Within the throes of a madly passionate romance is the most ghastly soul rape and mind crime conceivable. The Great American "Psychopathic" Love Story exists in a world where nothing is real as perceived. Beneath the surface of what seems to be a fairy tale romance is the outline for what may very well be the perfect murder, and if you are naive enough to think it can't happen to you, you're wrong dead wrong. Steven lives a life that most can only dream of. At a young age, he achieved fame in the music industry with the now iconic heavy metal band Slayer, and later as a world-renowned airbrush artist. He has everything that a man could want, except for what he desires most, which is, true love. A handsome, successful, charming man that lives and breathes romance, but has been unable to find the one woman that can captivate his heart. One glorious afternoon, Ashley stumbles into his life, and she is everything that he's hoped for and dreamed of. Their story begins as a passionate, tender, and erotic tale of two people falling in love. Together they seem to have the love that dreams are made of and fairy tales are written about. But do they really? Sometimes when it seems too good to be true, the love of your life may not be the person you think they are. On the surface, Steven and Ashley are the quintessential portrait of an enchanted romance, but underneath an illusion of ideal love is a transparent layer of lies, manipulation, and deceit. Unknowingly, Steven has become trapped in the lethal world of a pathological psychopath. Be prepared to have every one of your emotions assaulted by this unique true story. You will laugh, feel the passion and intense love, you'll get angry, experience excruciating pain, and yes, there will be tears. Live the story as the author experienced it. A memoir that is insanity in the raw, and just when you think it is all over, it begins again before leading to a shocking ending that will not

soon be forgotten. Ghost of a Rose is the first romance of it's kind. Without any knowledge of its existence, the author documented from the beginning to end of his relationship with a pathological narcissist. The media has incorrectly portrayed Narcissistic Personality Disorder long enough. This is the true nature of the beast, and as melodramatic it may seem at times, this is what a victim experiences when having the life sucked out of him or her by an emotional vampire. You'll witness first hand the idealization "honeymoon" stage, the gaslighting phase, the abandonment, the torment, confusion, awakening, and healing as it all took place. Through the eyes of the author, you'll bear witness to a man systematically destroyed by a narcissist until his life is left in ruin. 'Dynamic personal stylized writing. Brilliant! A death to birth with a delivery that is painful as bloody hell.' - Becky Joyce Reed "This book saved my life!" - Debbie Perez

From Ritual to Romance

This is a faith based book supporting the belief in God, Christ, and prayer. There is suspense! There is action! There is romance! These stories tell of King Pudge's early life and that of his masters. His companions are listed because like he they also become Ghost Dogs. Did King Pudge really come back from death? Yes! At least he was seen by three different folks at different times. He also left evidence that he had returned. The stories of course are fictional and meant only for entertainment purposes. But understand all things are possible with God. In addition to his life and the stories afterward there are also stories of the author's neighbors (NEIGHBORS) and some of his exploits while he and his cousins were growing up in GROWING UP like the GREAT COON HUNT. The final story is of the author's father and his hunting companions. While at a fish fry at Williams Landing his father repeatedly falls into short cat naps in which he relives many of his hunting escapades with his old friends of the past in GHOST HUNT. The stories told around the CAMPFIRES IN THE DARK are sure to tickle your funny bone. Some of these stories are very humorous, as I have pointed out, but others are very sad as you will soon see. I think over all you will enjoy being with the gang on PLEASURE CREEK as they fish for fun and adventure. So why not cast your bait in and join us. You just may catch a ton of fun to store up for that special rainy day when you can sit back and relive them all over again? Your friend, Words Hardee.
