Across the Void

A happily married woman's perfect life shatters when her husband turns up dead hundreds of miles away from where he should have been, and she suddenly discovers that there was a part of him she knew nothing about. Alice Dupont's perfect marriage was a perfect lie. When her husband, Chris, dies in a car accident, far from where he should have been, Alice's life falls apart. After the police close the case, she is left with more questions than answers. While learning to cope with her loss and her new identity as a single mother of two, Alice becomes obsessed with unraveling the mystery surrounding her husband's death and decides to start her own investigation. Retracing her husband's last known whereabouts, she soon discovers clues that lead her to a small island near Nantucket. As she insinuates herself into the lives of the island's inhabitants in an effort to discover what they knew about her husband, Alice finds herself increasingly involved in their private lives and comes to a disturbing realization: she has been transformed into a person she no longer recognizes. In seeking an answer to what her husband was doing before he died, Alice discovers not only a side of him she never knew, but sides of her own character she has never explored. Part mystery, part moving family drama, part psychological page-turner, Alice's Island is a novel whose vivid characters hold the reader rapt right up until the final page.

Zombie

When a sudden storm destroys Charles' ship and he is presumed dead, Rose believes something sinister is at work and she sets off on a perilous journey, with the fate of the entire world at stake.

Alice's Island

Many years after a sea captain rescues a group of German castaways from a storm and receives a gold-and-diamond emblem from a grateful survivor, the captain's son learns of the object's link to a World War II tale about a man's effort to solve his soldier father's murder.

Dark Days

As the rules of civilization crumble, a lawyer, a pilot, and a nurse become comrades-in-arms in the fight against extinction.

The Queen's Adept

Tras sobrevivir a la devastadora pandemia que ha asolado el mundo y con la esperanza de ahondar en el misterio del Necrosum, el pequeño grupo de supervivientes de Carranque llega finalmente a la Alhambra de Granada, donde el aparato militar ha instalado uno de los últimos bastiones de resistencia de la Humanidad. Sin embargo, una vez allí descubrirán que las cosas no son cómo les habían prometido y los protagonistas deberán afrontar una realidad aún peor que todo lo que habían conocido hasta entonces. El autor se sirve de los muertos vivientes para describir situaciones de extrema dureza y dramatismo, explorando la complejidad del ser humano cuando se encuentra cara a cara con el terror en un mundo manifiestamente hostil, y lanzando al lector, en definitiva, a una montaña rusa de sensaciones que desemboca en la conclusión final.

The Last Passenger

A visceral space thriller—perfect for fans of *Arrival* and *The Martian*—following the sole survivor of a catastrophic accident in space that leaves her drifting in the void with only the voice of her estranged husband, a NASA scientist, to guide her back to Earth. Commander Maryam “May” Knox awakes from a medically induced coma alone, adrift in space on a rapidly failing ship, with little to no memory of who she is or why she’s there. Slowly, she pieces together that she’s the captain of the ship, *Hawking II*; that she was bound for Europa—one of Jupiter’s moons—on a research mission; and that she’s the only survivor of either an accident—or worse, a deliberate massacre—that has decimated her entire crew. With resources running low, and her physical strength severely compromised, May must rely on someone back home to help her. The problem is: everyone thinks she’s dead. Back on Earth, it’s been weeks since *Hawking II* has communicated with NASA, and Dr. Stephen Knox is on bereavement leave to deal with the apparent death of his estranged wife, whose decision to participate in the Europa mission strained their marriage past the point of no return. But when he gets word that NASA has received a transmission from May, Stephen comes rushing to her aid. What he doesn’t know is that not everyone wants May to make it back alive. Even more terrifying: she might not be alone on that ship. Featuring a twisting and suspenseful plot and compelling characters, *Across the Void* is a moving and evocative thriller that you won’t be able to put down.

Los caminantes Hades Nebula no 3

This Ecuadorian short story collection explores domestic horrors and everyday violence, a “grotesque, unflinching” portrait of twenty-first-century Latin America (*Publishers Weekly*). “Ampuero’s literary voice is tough and beautiful at once: her stories are exquisite and dangerous objects.” —Yuri Herrera, author of *Signs Preceding the End of the World* In lucid and compelling prose, María Fernanda Ampuero sheds light on the hidden aspects of home: the grotesque realities of family, coming of age, religion, and class struggle. A family’s maids witness a

horrible cycle of abuse, a girl is auctioned off by a gang of criminals, and two sisters find themselves at the mercy of their spiteful brother. With violence masquerading as love, characters spend their lives trapped reenacting their past traumas. Heralding a brutal and singular new voice, *Cockfight* explores the power of the home to both create and destroy those within it.

Trust

A dutiful Samurai, a madcap Ninja and a bizzarro Zen Monk team up to battle the undead in Feudal Japan. Can these unlikely allies stay friends long enough to stop the zombees from taking over their homeland?

Cockfight

The People's Covenant and God's Hammer have raged a Cold War that has lasted for over twenty years. A war without armies, where battles are fought in the dark and information is the most dangerous weapon. In this world—which sometimes seems the Middle Ages, sometimes the Renaissance and sometimes the Nineteenth Century—lives Yáxtor Brandan, empirical adept at the service of the Queen of Alboné. A relentless, amoral and unscrupulous character, Yáxtor fights to recover his own past as he tries to prevent a new player in the espionage game to end the world, as he knows it. A fascinating fast-moving and complex plot, full of tension and surprises and excellently paced; a main character for whom it should be impossible to feel the slightest sympathy, and yet somehow we do, even as his cruelty disturbs us more and more -an extremely difficult feat to pull off so successfully; powerful secondary actors, who either leave you with a sense of uneasiness with regard to their motivations and loyalties, or make you want to shout out -as people did in the early days of cinema- "Look out, don't trust him!"; and a pervading atmosphere of tragedy, especially in a final unexpected and shocking, yet on reflection almost inevitable, scene. In short, a totally addictive and highly original novel set in a world that is at once both strangely familiar and disturbingly alien. —Steve Redwood, author of *Fisher of Devils*.

Los Caminantes

Four Christians left behind after The Rapture join forces to create the Tribulation Force, fighting the enemies of God left on Earth after three-quarters of the world's population has perished amid disease and natural disaster.

The Traitor's Emblem

En una base militar en Nueva Jersey mantienen custodiada a una vampira terriblemente poderosa. Cuando esta escapa, desata el terror y el apocalipsis en forma de plaga vampírica. En la cercana población de Hillsdale, coinciden varios supervivientes: Sonia, una policía; y Jimmy, un inteligente friki de Star Wars. Ambos acuden al campamento militar, pero solo encuentran a Elexia, la vampira encargada de convertir humanos. En su huida conocen a Jared, un militar malhablado, violento y bebedor que deserta de su puesto para liquidar a las letales criaturas. Este es el inicio de una aventura que llevará a los tres protagonistas a

luchar por sobrevivir a la plaga a medida que descubren que gran parte de Estados Unidos ha caído. Pero puede que haya una pequeña esperanza, puede que exista alguna manera de vencer a Elexia

With sensuous imagery and musical cadence, Berti conjures up a star-crossed love story for a brother and sister in pre-revolutionary China. Their hearts' desires collide with their parents' strictness, superstitions, the delicate balance between modernity and tradition, and with the indelible memory of their grandmother, who visits the young girl in her dreams from the "imagined country" of her death.

Winter Moon

The second entry in this “inventive and exciting” zombie series that began with Monster Island (Publishers Weekly). This is where it begins. This is where the end of the world begins? She wakes up alone and feeling like she's half-dead. She can't remember her name. She staggers outside, looking for help—and that's when she sees that the dead have returned to life, that zombies are running in the streets and devouring the living. And she's one of them. She isn't breathing. The zombies leave her alone. Because they know she's one of their kind. And yet she differs from the brainless ghouls around her in some crucial ways. Somehow she's kept her intelligence intact, if not her memory. And being dead has certain compensations. She has developed strange powers. She calls herself Nilla, and all she knows is that staying alive only gets harder after you die? Meanwhile the National Guard has its hands full with the worst epidemic ever to strike the American west. From California to Colorado every town, every city is being overrun. Captain Bannerman Clark isn't prepared for this. He's semi-retired and he hasn't fired a gun in years, not since the Vietnam war. Yet it seems there's no one else around to take charge. As the world we know collapses he must find in himself the brains, the guts, and the moral courage to lead the survivors to safety, if there's any to be had. Meanwhile, behind the scenes, shadowy players are just beginning to show their hands. There's more going on here than meets the eye, and Clark and Nilla both have parts to play in a game they can't comprehend?

Los caminantes Necrópolis no2

This collection of forty new essays, written by the leading scholars in adaptation studies and distinguished contributors from outside the field, is the most comprehensive volume on adaptation ever published. Written to appeal alike to specialists in adaptation, scholars in allied fields, and general readers, it hearkens back to the foundations of adaptation studies a century and more ago, surveys its ferment of activity over the past twenty years, and looks forward to the future. It considers the very different problems in adapting the classics, from the Bible to Frankenstein to Philip Roth, and the commons, from online mashups and remixes to adult movies. It surveys a dizzying range of adaptations around the world, from Latin American telenovelas to Czech cinema, from Hong Kong comics to Classics Illustrated, from Bollywood to zombies, and explores the ways media as different as radio, opera, popular song, and videogames have handled adaptation. Going still further, it examines the relations between adaptation and such intertextual practices as translation, illustration, prequels, sequels, remakes, intermediality, and transmediality. The volume's contributors consider the similarities and differences between adaptation and history, adaptation and performance, adaptation and revision, and textual and biological adaptation, casting an appreciative but critical eye on the theory and practice of adaptation scholars--and, occasionally, each other. The Oxford Handbook of Adaptation Studies offers specific suggestions for how to read, teach, create, and write about adaptations in order to prepare for a world in which adaptation, already ubiquitous, is likely to become ever more important.

Reporter Kate Kilroy accepts an assignment to travel on the Valkyrie, a German ship veiled in secrecy for decades after it was discovered adrift in 1939 with only one passenger aboard, a baby boy named Isaac Feldman. Obsessed with understanding his origins, Feldman has spent a small fortune restoring the Valkyrie to try to solve the mystery. Assembling a team of experts and sparing no expense, he aims to precisely recreate the circumstances of the Valkyrie's doomed final voyage. Little does Feldman or his team know that the ship has an agenda of its own. As the Valkyrie begins to weave its deadly web, Kate realizes that she must not only save herself, but the world as she knows it.

Kill the Next One

An audacious psychological thriller where nothing is what it seems. Ted McKay had it all: a beautiful wife, two daughters, a high-paying job. But after being diagnosed with a terminal brain tumor he finds himself with a gun to his temple, ready to pull the trigger. Then the doorbell rings. A stranger makes him a proposition: why not kill two deserving men before dying? The first target is a criminal, and the second is a man with terminal cancer who, like Ted, wants to die. After executing these

kills, Ted will become someone else's next target, like a kind of suicidal daisy chain. Ted understands the stranger's logic: it's easier for a victim's family to deal with a murder than with a suicide. However, as Ted commits the murders, the crime scenes strike him as odd. The targets know him by name and possess familiar mementos. Even more bizarrely, Ted recognizes locations and men he shouldn't know. As Ted's mind begins to crack, dark secrets from his past seep through the fissures. Kill the Next One is an immersive psychological thriller from an exciting new voice.

Los caminantes : Edicion Deluxe

La saga «Los caminantes», de Carlos Sisí, es un desgarrador relato que recoge los últimos días de la civilización tal y como la conocemos. Tras sobrevivir a la sobrecogedora pandemia que hace que los muertos vuelvan a la vida, los supervivientes se enfrentan a la tarea de llegar al final de cada día. La novela narra con un lenguaje visual y directo cómo los destinos de estos supervivientes se entretajan en torno a un misterioso y macabro personaje: el padre Isidro. «Los caminantes» nos sumerge en un entorno de indecible presión psicológica, explorando la oscuridad del alma humana a medida que se enfrenta a sus peores pesadillas. En 2009, Carlos Sisí sorprendió a los lectores españoles con una novela que situaba el apocalipsis zombi en las soleadas tierras malagueñas. Los caminantes supuso el pistoletazo de salida para una saga que ha acabado siendo un referente del género en nuestro país. Este ómnibus incluye las cuatro novelas de la serie: Los caminantes, Los caminantes: Necrópolis, Los caminantes: Hades Nebula y Los caminantes: Aeternum.

The Imagined Land

Jim Pike, the disillusioned manager of a hotel that is hosting a Star Trek convention, finds himself leading a ragtag crew of survivors as a strange virus turns the convention-goers into zombies.

Monster Nation

Después de la catástrofe de Barcelona, los personajes han vuelto a Tèrmens, Lleida, donde siguen luchando por sobrevivir. Las cosas no marchan bien porque algunos de los Aeternum, privados de los procesos biológicos químicos del cuerpo, están cayendo poco a poco en un estado plano de existencia. Juan Aranda sabe que el destino de la comunidad está en peligro y el profesor Jukkar le pide volver a Carranque para encontrar la solución a sus problemas.

Los caminantes Tempus fugit no 5

A midwestern noir series set in the harsh landscape of the northern Minnesota Iron Range--Hot Lunch Special is all about family, food and the fight for survival. The Khourys are a classic immigrant success story: A fractious and quarrelsome

Lebanese family who carved their slice of the American Dream by becoming the largest distributors of vending machine sandwiches in the upper northern Midwest. Unfortunately, the Khourys gains have been ill-gotten and a branch of the Chicago Irish Mob has come back to collect a past debt. Fealty is demanded, shots are fired, and long-hidden family secrets are fully revealed. Now, Dorothy Khoury, the daughter of the family patriarch is forced to unite her splintered bloodline and fight back. Only one question is worth asking: is blood thicker than sandwiches?

Zombie Talk offers a concise, interdisciplinary introduction and deep analytical set of theoretical approaches to help readers understand the phenomenon of zombies in contemporary and modern culture. With essays that combine Humanities and Social Science methodologies, the authors examine the zombie through an array of cultural products from different periods and geographical locations: films ranging from White Zombie (1932) to the pioneering films of George Romero, television shows like AMC's The Walking Dead, to literary offerings such as Richard Matheson's I am Legend (1954) and Seth Grahame-Smith's Pride, Prejudice and Zombies (2009), among others.

Tribulation Force

Antes de la trilogía zombi por excelencia en España. Antes de Los Caminantes, Necrópolis y Hades Nebula. Esta es la precuela más esperada de la saga de terror postapocalíptico de Carlos Sisi. Un desgarrador relato de supervivencia humana.

Are you one of the many victims of an unbroken curse? Today, countless Christians throughout the world are plagued by unexplained poverty, calamities, and a variety of adverse circumstances. Their lives are tragically filled with heartache and desperation as they continuously struggle against overpowering temptation, physical and mental illness, and a myriad of catastrophic events. Usually they are unaware that their plight is the result of an unbroken curse that has been placed upon them and perhaps upon their families. Some of the causes: Hatred and jealousy Trespassing on the Devil's territory Handling unholy things Inherited curses Breaking vows to God The solution: The Bible specifically instructs every believer to avoid curses and to recognize and break them. Yet, an astonishing number of Bible-believing Christians have either not read or do not remember these essential spiritual principles. Thus, many believers live under the affliction of unbroken curses. This book will show you the necessary biblical steps to recognize, prevent, and break every type of curse.

Apocalypse Z

This is the 4th book in a 4 book series. Brianna is lost for the fourth time in

her life. The first life-altering event occurred when her mother died. The second was when she was kidnapped at the age of seventeen and forced to be a slave. She would never forget those ten months. Everything changed again the day Stephan steamrolled into her life. That first month with him was, in some ways, more confusing than the prior ten. As a slave, she'd known her place. With Stephan everything was new and different. He'd given her freedom and so much more. Five months after Stephan rescued her, Brianna once again finds her life flipped upside down. In this fourth, and final, installment of Finding Anna, Brianna must unearth strength she never knew she possessed. She must learn to trust herself, embrace who she is, and discover who she wants to be. Only by facing her demons can Brianna find true happiness and peace.

BONUS: This edition contains an excerpt from Dean Koontz's The City. "Koontz is brilliant in the creation of his characters and in building tension." CHICAGO SUN-TIMES In Los Angeles, a hot Hollywood director, high on PCP, turns a city street into a fiery apocalypse. Heroic LAPD officer Jac McGarvey is badly wounded and will not walk for months. His wife and his child are left to fend for themselves against both criminals that control an increasingly violent city and the dead director's cult of fanatic fans. In a lonely corner of Montana, Eduardo Fernandez, the father of McGarvey's murdered partner, witnesses a strange nocturnal sight. The stand of pines outside his house suddenly glows with eerie amber light, and Fernandez senses a watcher in the winter woods. As the seasons change, the very creatures of the forest seem in league with a mysterious presence. Fernandez is caught up in a series of chilling incidents that escalate toward a confrontation that could rob him of his sanity or his life--or both. As events careen out of control, the McGarvey

family is drawn to Fernandez's Montana ranch. In that isolated place they discover their destiny in a terrifying and fiercely suspenseful encounter with a hostile, utterly ruthless, and enigmatic enemy, from which neither the living nor the dead are safe.

Monster Island

First in the cult classic trilogy: "A fantastic zombie novel . . . There are many layers to this zombie apocalypse, and this book just gets things rolling" (Booklist). Welcome to New York City, Population Zero? The power grid has collapsed. There is no running water, no light, no heat. The massive neon signs of Times Square are dark now, and the subway trains crouch silent in their tunnels, waiting for commuters who will never return. An epidemic of staggering lethality has passed over the city and left nothing living in its wake. And yet the city is not deserted. The dead have returned to life, and they're hungry. The millions of people who once worked and lived in New York have been turned into cannibalistic monsters whose only function is to consume. No living person would dare enter the city--it would be suicide. Dekalb doesn't have a choice. He must protect his daughter's future, and that means retrieving vital medical supplies from the UN building in Midtown. A cadre of teenage girl soldiers have been recruited to help him find what he needs, and get back alive. They're well armed. They're devoted to their mission and willing to sacrifice anything to pull it off. But the odds against them are staggering. Especially when it turns out that not all zombies are created equal. Deep inside the city a medical student named Gary comes back from the dead different--his mind is intact. He can still think and feel. He's hungry, just like the rest, but unlike them he can plan, plot, and scheme. He can even lead the others, bending them to his will. Soon he has a small army at his command, a growing mob of rotting corpses all devoted to one cause: to find meat for their master. When Dekalb and Gary cross paths sparks will fly, destinies will clash--and the future of humanity will be decided, one head shot at a time.

Autumn: The City

The city of Malaga is dead, but the promised eternal rest has yet to come to its inhabitants. In the Carranque camp, thirty survivors have built a shelter to keep out the dangers of the world. They fight not only to recover the city, but also the

physical and mental degradation of surviving day to day after the pandemic. One of the survivors, Isabel, casts handwritten notes from the penthouse into the dead-filled streets below. But a mad priest, Father Isidro, is the only living soul to find these cries for help. And now he knows precisely where to find the camp and carry out his morbid judgment.

AUTUMN is a self-publishing phenomenon which has been downloaded more than half a million times since publication in 2001 and has spawned a series of sequels and a movie starring Dexter Fletcher and David Carradine. Film rights to HATER, another book by Moody, have been bought by Guillermo del Toro (HELLBOY, PAN'S LABYRINTH) and Mark Johnson (producer of the CHRONICLES OF NARNIA films). A disease of unimaginable ferocity has torn across the face of the planet leaving billions dead. A small group of survivors shelter in the remains of a devastated city, hiding in terror as the full effects of the horrific infection start to become clear. The sudden appearance of a company of soldiers again threatens the survivors' fragile existence. Do they bring with them hope, help and answers, or more pain, fear and suffering?

Insomnia

El campamento de Carranque vive momentos dulces. Tras haber sobrevivido el ataque del Padre Isidro y sus enloquecedoras huestes de caminantes, los supervivientes se entregan a ensoñaciones y esperanzas de futuro propiciadas por los descubrimientos del doctor Rodríguez. Juan Aranda, su líder, decide utilizar su nueva condición para explorar la ciudad en busca de otras personas que continúen todavía con vida. Sin embargo, han pasado ya tres meses desde que se iniciara la pandemia zombi que asoló el planeta y sobrevivir es cada día más duro. Su periplo personal, no exento de vicisitudes, le aleja de Carranque, donde mientras tanto una serie de acontecimientos amenazan con convertirlo en una ciudad de muertos: una necrópolis. En 2009, Carlos Sisí sorprendió a los lectores españoles con una novela que situaba el apocalipsis zombi en las soleadas tierras malagueñas. Los caminantes supuso el pistoletazo de salida para una saga que ha acabado siendo un referente del género en nuestro país. Minotauro publicará en octubre el eBook de la saga completa.

The Wanderers

Dos ingenieros que desarrollan un sistema de reconocimiento de voz capaz de detectar sonidos de otra realidad. Una investigadora de lo paranormal que puede ver y oír cosas que no percibe la gente corriente y un periodista interesado en sus trabajos y avances. Un autor que consigue un éxito mundial con su libro La puerta, que habla de experiencias con la tabla ouija. Y detrás de La puerta, seres de otro plano que anhelan devorar las almas de los humanos. Alma nos describe un mundo sin un Más Allá. Todo está aquí, rodeándonos.

Hot Lunch Special

Llega la continuación de la saga de zombis más famosa de nuestra geografía. En esta cuarta novela Carlos Sisi recupera a sus personajes más emblemáticos y da respuesta a los interrogantes que planteó en Hades Nebula. La vacuna Esperantum ha hecho posible la creación del Nuevo Mundo en las calles de Barcelona. Los supervivientes se han organizado para recuperar parte de la ciudad y pasan sus días limpiando las calles de zombis. Pero este delicado equilibrio se verá seriamente amenazado cuando la vacuna empiece a perder efecto y las personas a las que se les ha administrado comiencen a ver a sus compañeros como una amenaza.
