Biology Higher Level

“Sweetbriar Cottage is a story to fall in love with. True-to-life characters, high stakes, and powerful chemistry blend to tell an emotional story of reconciliation.”

—Brenda Novak, New York Times bestselling author

When Noah and Josephine discover their divorce was never actually finalized, their lives are turned upside down. Following his divorce, Noah gave up his dream job and settled at a remote horse ranch in the Blue Ridge Mountains of northern Georgia, putting much-needed distance between himself and the former love of his life. But then Noah gets a letter from the IRS claiming he and Josephine are still married. When he confronts Josephine, they discover that she missed the final step in filing the paperwork and they are, in fact, still married. Josephine is no happier about the news than Noah. Maybe the failed marriage—and botched divorce—was her fault, but her heart was shattered right alongside his, more than he would ever believe. The sooner they put this marriage behind them, the better for both of their sakes. But when Josephine delivers the final paperwork to his ranch, the two become stranded in his cottage during the worst spring snowstorm in a decade. Being trapped with Josephine is a test of Noah’s endurance. He wrestles with resentment and an unmistakable pull to his wife—still beautiful, still brave, and still more intriguing than any woman he’s ever known. As they find themselves confronted with each other and their shared past, old wounds surface and tempers flare. But when they are forced out into the storm, they must rely on each other in a way they never

have before. Josephine finally opens up about her tragic past, and Noah realizes she's never been loved unconditionally by anyone—including him. Will Noah accept the challenge to pursue Josephine's heart? And can she finally find the courage to trust Noah?

"Sweetbriar Cottage is a wonderful story, full of emotional tension and evocative prose." —Francine Rivers, New York Times bestselling author of Redeeming Love

You and I Are More Than Friends We're Like a Really Small Gang . Best Gift Birthday/ Valentine's Day Gift/Anniversary for Friends, Father FAMILY. Lined Blank Notebook Journal to Write Funny Ideas. Coworker Notebook

In 1995, Puerto Rico was seized with mass hysteria over a new menace lurking in the rainforests, gruesomely killing livestock, leaving strange holes in their necks, and draining their bodies of blood. Described by eyewitnesses as a devilish creature three feet tall with spikes along its back and a mouth full of razor-sharp fangs, the strange animal was given the name Chupacabra—Spanish for “goat-sucker.” Join noted monster hunter Nick Redfern and his spirited crew as they traverse the rugged backcountry of Puerto Rico, Mexico, and Texas investigating the continuing legacy of this fearsome beast. Whether he’s interviewing locals, analyzing physical evidence, or sorting out the facts from the legends, Nick’s journey into the realm of the Chupacabra will make you wonder just what’s out there lurking in the night. Praise: “Gonzo-style investigator and author Nick Redfern again plunges

into the mysterious thickets that shroud the world's unknown animals, this time surfacing with an eye-opening look at the much-feared, bloodsucking thing known as the Chupacabra. It's a breathless road trip . . . no adventurous spirit will want to miss."—Linda Godfrey, author of *American Monsters and Real Wolfmen*

New Ways Open New Doors Happy 33rd Birthday

One of the most charming characteristics of young scientists is their ability to see the amazing in what others view as common. They don't look past the familiar. Rather, they constantly question why things are the way they are. These investigative volumes are perfect for inquiring minds! They'll learn how rocks and rainbows form, why the moon seems to change shape, and many other things through carefully researched, accessible narratives and helpful, illustrative photographs. Features include: Topics relate to elementary curricular content, including Next Gen Science Standards. Each volume concludes with a diagram to synopsise important information. Comprehensible texts help readers understand the relevance of science concepts in their everyday lives.

Portuguese Short Stories For Beginners (Vol 1)

Our BOOK COVER is very precious and never leaves. Hope you find what you are looking for here thanks

Augusta; Or, the Dependent Niece: in Letters. In Two Volumes.

The year is 1999 and a deadly influenza pandemic is sweeping the globe. Chillingly, bacteria across the spectrum have become resistant to antibiotics at the same time. Genetics professor Nan Schulte receives cryptic communications that send her on a desperate and unconventional search to discover what underlies the microbial kingdom's escalating virulence. As societies throughout the world begin shutting down, and travel becomes increasingly difficult, Nan races to gather enough information to come up with a solution. In a war between humans and microbes, who will win? Informed by both hard science and consciousness research, "The Resistance Factor" asks compelling questions as relevant today as they were when the book was written twenty years ago. Eerily prescient and meticulously researched, it examines the myriad faces of disease as it presents in humanity. Fast-paced, heart-wrenching, suspenseful, "The Resistance Factor" will surprise and challenge you.

Nobody Knows I'm a Skeleton

Meal Planner

A soulful mystery for fans of *Thirteen Reasons Why* and *Paper Towns* When Nicole Castro, the most beautiful girl in her wealthy New Jersey high school, is splashed with acid on the left side of her perfect face, the world takes notice. But quiet loner Jay Nazarro does more than that—he decides to find out who did it. Jay understands how it feels to be treated like a freak, and he also has a secret: He’s a brilliant hacker. But the deeper he digs, the more danger he’s in—and the more he falls for Nicole. Too bad everyone is turning into a suspect, including Nicole herself.

The Secret Country

Special Effects

Jo's Boys

Olá ! Hello! Do you understand this first Portuguese word? Yes, you do! Why? Because it was presented to you using a new technique that is making learning languages easier than ever - the Bilingual Reading. We created this book using this technique so that you can learn Portuguese vocabulary in a fast and fun way and whenever you want. How does this work? It is simple: Bilingual Reading works by reading two

versions of the same book or text at once. One version will be on the language you want to learn (in this case we will help you to learn Portuguese vocabulary) and the other version will be in your native language or some other language you are comfortable with - here we will use English. Using this method, you will quickly start to learn Portuguese for foreigners from basics and learn Portuguese language easy by accumulating vocabulary. Learning Portuguese language books (in Portuguese English dual language format) is a process that will soon allow you to read texts that are more complex without having to spend hours and hours looking for every word meaning on a dictionary! In order to make it easier for you the Portuguese learn step by step, we made this Portuguese short stories for beginners book. It includes 12 Portuguese short stories for beginners written using straightforward grammar to facilitate the work of all that are interested in Portuguese language courses or just in reading some simple Portuguese books. This simple stories makes this book a great tool in Portuguese for foreigners of all ages. Using Portuguese English parallel text, this book will increase your bilingual reading comprehension skills and maximize the time you invest in reading thanks to the Portuguese translation. The book is organized as a Portuguese phrase book learning tool: you can start by reading each paragraph of each story in the two languages (in Portuguese English parallel text), then move to read the full story in each language, rereading to consolidate the Portuguese literature fundamentals whenever is necessary. This way you will feel the progress of Portuguese language learning when

moving from story to story and see your Portuguese vocabulary grow as your bilingual reading comprehension increases. Let's Start?

Sight Singing

Join Tom on an incredible treasure hunt through time and battle history's mightiest warriors. The eleventh book in an action-packed, time-travelling series - perfect for fans of Beast Quest.

Yankee Bride/rebel Bride

This sequel to Louisa May Alcott's Little Women and Little Men chronicles the return of the classmates of Plumfield, Jo's school for boys. Ten years after the events of Little Men, readers reencounter Nat, the orphaned street musician, now a conservatory student; restless Dan, back from the gold mines of California; business-minded Tom, a reluctant medical student; sailor Emil, home from the sea; and other old friends. Alcott's sensitive and sympathetic portrayals of young adults make her novels a delight for readers

of all ages.'If anyone had told me what wonderful changes were to take place here in ten years, I wouldn't have believed it, ' said Mrs Jo to Mrs Meg, as they sat on the piazza at Plumfield one summer day, looking about them with faces full of pride and pleasure.'This is the sort of magic that money and kind hearts can work. I am sure Mr Laurence could have no nobler monument than the college he so generously endowed; and a home like this will keep Aunt March's memory green as long as it lasts, ' answered Mrs Meg, always glad to praise the absen

Heaven's Word Search
