## Harper's Magazine

The Enigma of Clarence Thomas is a groundbreaking

## Download Free My Grandfathers Son Unknown Binding Clarence Thomas

revisionist take on the Supreme Court justice everyone knows about but no one knows. Most people can tell you two things about Clarence Thomas: Anita Hill accused him of sexual harassment, and he almost never speaks from the bench. Here are some things they don't know: Thomas is a black nationalist. In college he memorized the speeches of Malcolm X. He believes white people are incurably racist. In the first examination of its kind, Corey Robin – one of the foremost analysts of the right – delves deeply into both Thomas's biography and his jurisprudence, masterfully reading his Supreme Court opinions against the backdrop of his autobiographical and political writings and speeches. The hidden source of Thomas's conservative views, Robin shows, is a profound skepticism that racism can be overcome. Thomas is convinced that any government action on behalf of African-Americans will be tainted by racism; the most African-Americans can hope for is that white people will get out of their way. There's a reason, Robin concludes, why liberals often complain that Thomas doesn't speak but seldom pay attention when he does. Were they to listen, they'd hear a racial pessimism that often sounds similar to their own. Cutting across the ideological spectrum, this unacknowledged consensus about the impossibility of progress is key to understanding today's political stalemate.

### **The Engineer's Vest Pocket Book**

A French bulldog who loves gourmet food has trouble finding a family that is just right for him.

black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother’s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father’s life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father*

“Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride’s *The Color of Water* and Gregory Howard Williams’s *Life on the Color Line* as a tale of living astride America’s racial categories.”—Scott Turow

“Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither.”—The New York Times Book Review

“Obama’s writing is incisive yet forgiving. This is a book worth savoring.”—Alex Kotlowitz, author of *There Are No Children Here*

“One of the most powerful books of self-discovery I’ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel.”—Charlayne Hunter-Gault, author of *In My Place*

“*Dreams from My Father* is an exquisite, sensitive study of this wonderful young author’s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life.

Perceptive and wise, this book will tell you something about yourself whether you are black or white.”—Marian Wright Edelman

### **Through the Eyes of Grace**

It's late summer 1793, and the streets of Philadelphia are abuzz with mosquitoes and rumors of fever. Down near the docks, many have taken ill, and the fatalities are mounting. Now they include Polly, the serving girl at the Cook Coffeehouse. But fourteen-year-old Mattie Cook doesn't get a moment to mourn the passing of her childhood playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to a new fight—the fight to stay alive.

## **The Enigma of Clarence Thomas**

On Faith is an inspiring collection of the late Supreme Court justice Antonin Scalia's reflections on his own faith, on the challenges that religious believers face in modern America, and on the religious freedoms protected by the Constitution. Featuring a personal introduction by Justice Scalia's son Father Paul Scalia, this volume will enrich every reader's understanding of the legendary justice. Antonin Scalia reflected deeply on matters of religion and shared his insights with many audiences over the course of his remarkable career. As a Supreme Court justice for three decades, he vigorously defended the American constitutional tradition of allowing religion a prominent place in the public square. As a man of faith, he recognized the special challenges of living a distinctively religious life in modern America, and he inspired other believers to meet those challenges. This volume contains Justice Scalia's incisive thoughts on these matters, laced with his characteristic wit. It includes outstanding speeches featured in *Scalia Speaks* and also draws from his Supreme Court opinions and his articles. In addition to the introduction by Fr. Scalia, other highlights include Fr. Scalia's beautiful homily at his father's funeral Mass and reminiscences from various friends and law clerks whose lives were influenced by Antonin Scalia's faith.
