Tolley's Professional Negligence

Tort law is a core element of every law degree in England and Wales. Unlocking Torts will ensure you grasp the main concepts with ease. This book explains in detailed, yet straightforward, terms: Negligence and negligence related torts including occupiers' liability and employers' liability Land based torts such as trespass, nuisance and Rylands v Fletcher Liability for animals Torts relating to goods Trespass to the person Defamation and other torts relating to reputation Economic torts, breach of a statutory duty, vicarious liability, defences and remedies The fourth edition is fully up to date with the major recent cases including major developments in vicarious liability. It also includes changes after the Defamation Act 2013. The Unlocking the Law series is designed specifically to

make the law accessible. Each chapter opens with a list of aims and objectives, contains activities such as quick quizzes and self-test questions, key facts charts to consolidate your knowledge, and diagrams to aid learning. Cases and judgments are prominently displayed, as are primary source quotations. Summaries help check your understanding of each chapter, there is a glossary of legal terminology. New features include problem questions with guidance on answering, as well as essay questions and answer plans, plus cases and materials exercises. All titles in the series follow the same formula and include the same features so students can move easily from one subject to another. The series covers all the core subjects required by the Bar Council and the Law Society for entry onto professional qualifications as well as popular option units. The series website www.unlockingthelaw.co.uk provides free resources such as multiple choice questions, key questions and answers, revision mp3s and cases and materials exercises.

A Treatise Upon the Law Applicable to Negligence

Q&A Torts 2013-2014

Hit the ground running with the best-selling tort law textbook from leading academics Kirsty Horsey & Erika Rackley. Are you new to tort law and seeking to understand its complexities? This textbook provides a lively, insightful and thought-provoking account which assumes no prior knowledge. As well as comprehensive coverage of the legal concepts and case law, there are a range of carefully chosen features to develop understanding including annotated judgments and statutes, diagrams, and problem questions in each chapter. Do you want to become a reflective and critical thinker? This book will help you not just to learn but rather to understand tort law, and to think about why the law is the way it is and how it could be different. Make your studies interesting and intellectually stimulating with questions raised throughout the book, including in the 'counterpoint' and 'pause for reflection' features. Do you want to take your studies further and engage with current issues? The new edition includes some of the latest research, policy, and debate. The discussion continues beyond the textbook too: there are video clips from recent news items and links to topical sites on the Online Resource Centre and you can follow the author Twitter feed for updates and comment.

Q&A Torts

More than most other books about the criminal law, this presentation focuses on "Learning Criminal Law as Advocacy Argument." In each criminal-law topic, it presents in building-block form the limited repertoire of core issues and related arguments so that you can concentrate on learning and practicing those that your professor has stressed in class, in her materials, and on her old exams. You can know the issues on the exam before you go into the exam room. In each criminal-law topic there is a limited repertoire of core issues that must be identified and then resolved with advocacy argument. This pattern of issues and arguments arises from embedded and recurring factual patterns and the resulting criminal law performance of prosecutors, defense lawyers, and trial and appellate judges over decades and even centuries. Your professor presents only some of the core issues and related arguments from these repertoires in her course and on her criminal-law exam. Thus, you can systematically learn the set of core issues and arguments in each topic presented by your professor and know the issues before you go into the exam room. The exam then presents no surprises. What do you mean by resolving the core issues "with advocacy argument?" Identifying the core issues from your professor's course is the first critical task. The second critical task is resolving these issues with advocacy argument. Advocacy argument is the lawyer's single-minded marshalling of the relevant facts and doctrine that are necessary to resolve the identified issues in favor of either the prosecution or defense. This book helps you with both tasks: identifying the exam issues and resolving them.

Emerson's Bar Review Institute : Full Text Answers to the Six Essay Questions on the July 1993 California Bar Exam

How to Write Law Essays and Exams provides law students with a practical and proven method of analysing and answering essay and exam questions. The book focuses on those questions that give students the most trouble, namely problem questions, but its techniques are equally applicable to other types of essays. In addition to providing a framework for analysing and writing law essays, the book teaches students how to identify relevant legal authorities, distinguish and harmonise conflicting legal precedents and evaluate the applicability of the law to the facts of the question at hand. The book also contains specific law-related revision techniques and general writing tips. Designed for law students of all levels, including those on A-level, university, conversion, and vocational courses, the text helps students understand their substantive courses while at the same time teaching vital writing and analytical skills. Online Resources The book is accompanied by online resources, including: a case breakdown to help students

with reading cases, frequently asked questions, and some tips on citation styles and conventions.
