Essay from the year 2015 in the subject English Language and Literature Studies - Literature, , language: English, abstract: This eassy offers an feminist analysis of the literary character of Desdemona from William Shakespeare's "Othello."

Othello and Colour Prejudice

On the views and philosophy of Jasabīra Siṅgha Āhalūwālīā on Sikhism; contributed articles.

The Country Wife

In the fictional New England town of Starkfield, an unnamed narrator is forced to stay at the home of Ethan Frome during a winter storm. He relates his encounter with Frome, "the most striking figure in Starkfield, he was but the ruin of a man, with a careless powerful look - in spite of a lameness checking each step like the jerk of a chain". When the beautiful cousin of Frome's bitter wife comes to help with housekeeping, Frome's attraction to her does not go unnoticed. Edith Wharton is a Pulitzer-Prize-winning author.

Othello, an Annotated Bibliography

William Faulkner [RL 8 IL 7-12] An aristocratic Southern woman hides a macabre secret. Themes: lost love; secret passions. 36 pages. Tale Blazers.

The Unfortunate Traveller

Presents the texts of thirteen tragedies by sixteenth-century playwright William Shakespeare, including "Romeo and Juliet," "Macbeth," "Hamlet," and "Othello."

The Improbability of Othello

Turning Turk

A Rose for Emily

Othello

Selected papers from the first seven Othello's Island Conferences held in Nicosia, Cyprus on medieval and early modern studies, held at the Centre for Visual Arts and Research (CVAR) annually between 2013 and 2019. Edited by Jane Chick of the University of East Anglia, and Michael Paraskos, of Imperial College London, the volume covers diverse topics, ranging from non-figurative mosaics in late-antiquity, to various reinterpretations of Shakespeare's Othello, to visits by Lithuanian aristocrats to Italian spas amongst other topics.

Narrative and Dramatic Sources of Shakespeare

This volume is the Proceedings of the First International Workshop on Entertainment Computing (IWECC 2002). Entertainment has been taking very important parts in our life by refreshing us and activating our creativity. Recently by the advancement of computers and networks new types of entertainment have been emerging such as video games, entertainment robots, and network games. As these new games have a strong power to change our lives, it is good time for people who work in this area to discuss various aspects of entertainment and to promote entertainment related researches. Based on these considerations, we have organized a first workshop on entertainment computing. This workshop brings together researchers, developers, and practitioners working in the area of entertainment computing. It covers wide range of entertainment computing such as theoretical issues, hardware/software issues, systems, human interfaces, and applications. The particular areas covered by the workshop are: 1. Computers & Games Computer game algorithms, modeling of players, web technologies for networked games, human interface technologies for game applications. 2. Home/Arcade Games and Interactive Movies Video game computer technologies, motion capture technologies, real-time computer graphics technologies, interactive movie systems, story generation for games/movies, human factors of video games.

Shakespeare and Modern Drama

The story of Desdemona from Shakespeare's Othello is re-imagined by Nobel Prize laureate Toni Morrison, Malian singer and songwriter Rokia Traoré, and acclaimed stage director Peter Sellars. Morrison's response to Sellars' 2009 production of Othello is an intimate dialogue of words and music between Desdemona and her African nurse Barbary. Morrison gives voice and depth to the female characters, letting them speak and sing in the fullness of their hearts. Desdemona is an extraordinary narrative of words, music and song about Shakespeare's doomed heroine, who speaks from the grave about the traumas of race, class, gender, war — and the transformative power of love. Toni Morrison transports one of the most iconic, central, and disturbing treatments of race in Western culture into the new realities and potential outcomes facing a rising generation of the 21st century.

The Tragedies

Goodnight Desdemona (Good Morning Juliet) is an exuberant comedy and feminist revisioning of Shakespeare's Othello and Romeo and Juliet. It takes us from a dusty office in Canada's Queen's University, into the fraught and furious worlds of two of Shakespeare's best-known tragedies, and turns them upside-down. Constance Ledbelly is the beleaguered "spinster" academic, and unlikely heroine who embarks on a quest for Shakespearean origins and, ultimately, her own identity. When she deciphers an ancient and neglected manuscript, Constance is propelled through a very modern rabbit hole and lands smack in the middle of the tragic turning points of each play in turn. Her attempts to save first Desdemona, then Juliet, from their harrowing fates, result in a wild unpredictable ride through comedy and near-tragedy, as mild-mannered Constance learns to love, sword-fight, dance Renaissance-style, and master a series of disguises... Goodnight Desdemona (Good Morning Juliet) a gender-bendy, big-hearted and crazily intelligent romp, where irony and anger sing in perfect harmony with innocence and poignancy.

Goodnight Desdemona (Good Morning Juliet) (Play)

From choosing the right topic to proofreading their finished work, RESEARCH PAPERS, 16e helps students confidently tackle the process of creating a successful research paper, one step at a time. Featuring straightforward, step-by-step descriptions--each of which is supported by current examples and hands-on exercises--this edition offers today's students an unparalleled writing resource. In keeping with the authors' commitment to providing the most user-friendly and up-to-date writing manual on the market, students will also find the very latest information on documentation styles, including the 2009 MLA and 2010 APA updates, plagiarism, and online research, all contained within a convenient large format and easy-to-use spiral binding. Important Notice: Media content referenced within the product description or the product text may not be available in the

ebook version.

King Lear

A feminist critique of the character Desdemona in Shakespeares "Othello"

The first-and still the best-research worktext for students, Research Papers leads students through the step-by-step process of writing research papers, from initial research to final proofreading. This unique, spiral-bound manual gives students a wealth of examples, as well as exercises that provide hands-on practice in the academic writing process. Up-to-the-minute sections on documentation, plagiarism, and online research make Research Papers the most current resource available to today's students.

Queering the Shakespeare Film

This book is open access and available on www.bloomsburycollections.com. It is funded by Knowledge Unlatched. A range of mainstream and independent English language film productions of A Midsummer Night's Dream, Romeo and Juliet, Othello, Twelfth Night, and The Merchant of Venice take centre stage in Queering the Shakespeare Film. This study critiques the various representations of the queer – broadly understood as that which is at odds with what has been deemed to be the normal, the legitimate, and the dominant, particularly – but not exclusively – as regards sexual matters, in the Shakespeare film. The movies chosen for analysis correspond deliberately with those Shakespeare plays that, as written texts, have been subjected to a great deal of productive study in a queer context since the beginnings of queer theory in the early 1990s. Thus the book extends the ongoing queer discussion of these written texts to their counterpart cinematic texts. Queering the Shakespeare Film is a much-needed alternative and complementary critical history of the Shakespeare film genre.

The Construction and Types of Shakespeare's Verse as Seen in the Othello

Othello Thrift Study Edition

Performing Transversally expands on Bryan Reynolds' controversial transversal theory in exciting ways while offering groundbreaking analyses of Shakespeare's plays - Hamlet , Othello , Macbeth , Taming of the Shrew , Titus Andronicus , Henry V , The Tempest , and Coriolanus - and textual, filmic, and theatrical adaptations of them. With his collaborators, Reynolds challenges traditional readings of Shakespeare, re-evaluating the critical methodologies that characterize them, in regard to issues of cultural difference, authorship, representation, agency, and iconography. Reynolds demonstrates the value of his 'investigative-expansive mode,' outlining a 'transversal poetics' that points toward a critical future that is more aware of its subjective interconnectedness with the topics and audiences it

seeks to engage than is reflected in most Shakespeare criticism and literary-cultural scholarship.

Turning Turk looks at contact between the English and other cultures in the early modern Mediterranean, and analyzes the representation of that experience on the London stage. Vitkus's book demonstrates that the English encounter with exotic alterity, and the theatrical representations inspired by that encounter, helped to form the emergent identity of an English nation that was eagerly fantasizing about having an empire, but was still in the preliminary phase of its colonizing drive. Vitkus' research shows how plays about the multi-cultural Mediterranean participated in this process of identity formation, and how anxieties about religious conversion, foreign trade and miscegenation were crucial factors in the formation of that identity.

Shakespeare's dramatis personae exist in a world of supposition, struggling to connect knowledge that cannot be had, judgments that must be made, and actions that need to be taken. For them, probability—what they and others might be persuaded to believe—governs human affairs, not certainty. Yet negotiating the space of probability is fraught with difficulty. Here, Joel B. Altman explores the problematics of probability and the psychology of persuasion in Renaissance rhetoric and Shakespeare's theater. Focusing on the Tragedy of Othello, Altman investigates Shakespeare's representation of the self as a specific realization of tensions pervading the rhetorical culture in which he was educated and practiced his craft. In Altman's account, Shakespeare also restrains and energizes his audiences' probabilizing capacities, alternately playing the skeptical critic and dramaturgic trickster. A monumental work of scholarship by one of America's most respected scholars of Renaissance literature, *The Improbability of Othello* contributes fresh ideas to our understanding of Shakespeare's conception of the self, his shaping of audience response, and the relationship of actors to his texts.

Research Papers, Spiral bound Version

Harley Granville-Barker's Prefaces to Shakespeare Originally Published in Five Series Between 1927 and 1947 Covering Ten Plays are Collected in Four Volumes: Volume I (Hamlet), Volume II (King Lear, Cymbeline, Julius Caesar), Volume III (Antony and Cleopatra, Coriolanus) and Volume IV (Love's Labour's Lost, Romeo and Juliet, The Merchant of Venice, Othello). An Actor, Dramatist,

Producer And A Profound Shakespearean Scholar, Granville-Barker Brought About A Revolution In His Shakespearean Productions In The First Decade Of The Twentieth Century By Recapturing, With His Experience And Expertise, The Spirit And Vitality Of The Plays As They Were Produced On The Elizabethan Stage. He Saw Shakespeare As A Man Of The Theatre And Gave A Lie To Lamb That The Plays Of Shakespeare Were Less Calculated For Performance On A Stage Than Those Of Any Dramatist Whatsoever. About The Productions G.B. Harrison Remarks That They Were The Most Important Productions For A Hundred Years Not Only Because They Were Beautiful In Themselves, But Because For The First Time Since The Seventeenth Century Shakespeare S Plays Were Played Just As They Were Written, And Not Cut And Rearranged To Suit The Scene-Shifter. The Prefaces Are Elaborate Explications Of What Shape The Productions, And How And Why Granville-Barker S Alert Attention To The Minutiae Of A Text And Threadbare Discussions Of Various Aspects Of The Plays Reveal The Dramatic Wealth Of A Shakespearean Play. The Prefaces With Their Focus On The Integrity And Vitality Of A Play Have Become A Landmark In Shakespearean Criticism. T.S. Eliot Has Rightly Remarked: Perhaps More Than Any Other Single Writer, H. Granville-Barker By His Prefaces, Illuminating The Plays With The Understanding Of The Producer, Has Suggested The Need For A Synthesis Of The Several Points Of View From Which Shakespeare Can Be Studied. Any Teacher And Student Of Shakespeare Will Find These Books Immensely Valuable.

A Case on Othello

Set in Harlem in the 1860s, 1928 and the 1990s, this prelude to Shakespeare's Othello tells the story of Othello's relationship with his first wife.

'He's a fool that marries, but he's a greater fool that does not marry a fool.' This bawdy, hilarious, subversive and wickedly satirical drama pokes fun at the humourless, the jealous, and the adulterous alike. It features a country wife, Margery, whose husband believes she is too naïve to cuckold him; and an anti-hero, Horner, who pretends to be impotent in order to have unrestrained access to the women keen on 'the sport'. A number of licentious and hypocritical women request Horner's services - the country wife among them. The Country Wife has provoked powerfully mixed reactions over the years. The seventeenth century libertine king Charles II saw it twice, and is said to have joined the 'dance of the cuckolds' at the end of one performance; the eighteenth century actor-playwright David Garrick declared it 'the most licentious play in the English language'; the Victorian Macaulay compared it to a skunk, because it was 'too filthy to handle and too noisome even to approach'. Twentieth century productions heralded it a Restoration masterpiece. Sexually frank, and as ready to criticise marriage as infidelity, the virtuosity, linguistic energy, brilliant wit, naughtiness and complexity of this ribald play have made it a staple of the modern stage. This student edition contains a lengthy, entirely new introduction, by leading scholar, Tiffany Stern, with a background on the author, structure, characters, genre, themes, original staging and performance history, as well as an updated bibliography and a fully annotated version of the playtext.

Othello

Othello's Secret uncovers the relationship between the play and the conflicts that have torn apart its Cypriot setting, providing a new and powerfully political reading. Exploring the domestic and military anxieties connected by Shakespeare, Christofides highlights the ways in which these issues resonate with current ideological and geographical divisions in Cyprus, divisions rooted in the 16th century struggles to control the island. Challenging the conventional view of Othello as a Venetian play, this book offers a fierce and personal example of how early modern literature can purposefully contribute to even the most complex geopolitical debates.
