The Airel Saga Box Set (Complete Series)

(The Complete Airel Saga Series, Books 1-6) NEW YORK TIMES and USA TODAY Bestseller Top #10 Amazon Bestseller #1 Barnes & Noble Bestseller Top #10 Bestseller on iTunes, and Kobo Fans of Veronica Roth, Suzanne Collins, Cassandra Clare and James Dashner will love this series by Aaron Patterson and Chris White. "Move over Twilight! Here comes Aaron Patterson!" --Joshua Graham, bestselling author of Beyond Justice and Darkroom "I was surprised by how much I really, really liked this book. I have not jumped on the whole "fallen angel" bandwagon, just as I didn't jump on all of the vampire stories that came out after Twilight. This is not your typical fallen angel story. It is one that has left me breathlessly waiting for the next one in the series. Hurry up please!!!" --Sandra Stiles *This box set is the complete series. It includes all the Airel Saga books 1-6. AIREL The Awakening (Book 1) All Airel wanted was to be normal She seems like an average 17-year-old in the anonymous little city of Boise, Idaho: Airel. But those untroubled days are soon to end, and the change she undergoes will be so radical she will wonder if it wasn't all an illusion to begin with. Pursued ferociously, relentlessly by an ancient enemy in the deepest darkness, now she will have to learn how to fight for her life. And all because of who she is, because of her lineage. Because of this she will never have what she wants most: she will never be normal. AIREL: The Discovering (Book 2) All Airel wanted was to be normal How will Airel manage now that everything's changed? She thinks she might be

falling in love, though Michael Alexander isn't her type. But those eyes. Why does she want what she can't have? Why does she fall for the one thing she knows she shouldn't allow herself to feel? A killer stalks her movements. She needs someone she can trust. But will her trust be betrayed? And if so, will her love survive? MICHAEL: The Curse (Book 3) All Michael wanted was to be free Appearances can be deceptive: Michael. Choices made in ignorance still have consequences. Michael bought the lie, now he wants the truth. But people who live on beaches shouldn't build castles made of sand. As they flee for their lives, as the authorities hunt them down, will Michael be able to keep Airel safe, or even alive? Will he have what it takes, and can he be man enough for his love? MICHAEL: The Mark (Book 4) All Michael wanted was to be free But it turns out freedom isn't cheap, and it isn't easy. Michael will have to make hard decisions now. The chase for truth will take them from Oregon to Africa, on a journey fraught with peril at every step. There's something about Airel's friend Kim, too; something's not right with her. And who is this brash latecomer, Ellie? Is it admiration he feels for her, or is it something else? Whom can he trust? More importantly, can he trust himself? URIEL: The Inheritance (Book 5) All Uriel wanted was to be loved When heroes start to tell lies, even to themselves: Uriel. She's spent thousands of years fighting against her destiny, fighting against her bereaved father, against El Himself. "It's just one letter, but it's my letter, father" What happened in Cape Town is going to have consequences for everyone she knows and loves, even though they all make efforts to plug back into their routine at home. She can't help wondering when the bill for all she's done is finally going to come due. Has she thrown off the Mark? And who will the traitor be this time? URIEL: The Price (Book 6) All Uriel wanted was to be loved... Uriel has kept more than one deep dark secret for thousands of years. It's only fitting, then, that she should be the one to suffer the shock when it matters most. Bloodlines and ghosts, echoes from the ancient past. In the smash, what will break out into the light? Once more, we see how the evil deeds of the past play out in the generations that follow, and with grave consequences—and startling revelations. Betrayal, deceit, and murder are unavoidable in the stunning conclusion to the Airel Saga. * * * Aaron Patterson is a NEW YORK TIMES and USA Today bestselling author of the thrilling hard-boiled Mark Appleton series, (1)SWEET DREAMS, (2)DREAM ON and (3)IN YOUR DREAMS and also the Sarah Steele Series, BREAKING STEELE and TWISTING STEELE. Spanning the years of 1940-1965, THE LAST LION picks up shortly after Winston Churchill became Prime Minister-when his tiny island nation stood alone against the overwhelming might of Nazi Germany. The Churchill conjured up by William Manchester and Paul Reid is a man of indomitable courage, lightning fast intellect, and an irresistible will to action. THE LAST LION brilliantly recounts how Churchill organized his nation's military response and defense; compelled FDR into supporting America's beleaguered cousins, and personified the "never surrender" ethos that helped the Allies win the war, while at the same time adapting himself and his country to the inevitable shift of world power from the British Empire to the United States. More than twenty years in the making, THE LAST LION presents a revelatory and unparalleled portrait of this brilliant, flawed, and dynamic leader. This is popular history at its most stirring.

Love Inspired Historical March 2015 Box Set

Harlequin Kimani Romance March 2015 Box Set

Together for the first time in one valuable box set, three compelling stories of family and friendship from the New York Times bestselling author of The Beach House, Mary Alice Monroe. The Book Club On the surface, it is a monthly book club. But for five women, it is so much more: everything from an escape from daily responsibilities to the sense of community and security it provides. They are from different walks of life, embracing the challenge of change. And as they share their hopes and fears and triumphs, they will hold fast to the true magic of the book club—friendship. The Four Seasons The Season sisters have gathered for the funeral of their younger sister. Her death, and the legacy she leaves them, will trigger a cross-country journey in search of a stranger with the power to mend their shattered lives. As the emotions of the past reverberate into the present, the three search for the girls they once were, in hopes of finding what they really lost: the women they were meant to be. Skyward When burned-out ER nurse Ella Majors can take no more misery, she accepts a temporary position caring for a little girl. Harris Henderson, a single father, seems better able to deal with the creatures he rehabilitates in his birds-of-prey sanctuary than with his own daughter. Then something magical begins to happen: the timeless beauty of the South Carolina coast and the majestic grace of the wild birds weave a healing spell on all their injured hearts.
