MVMA Specifications Form - Passenger Car; Skylark. 1988

In today's ever-busy, every-hurrying world, it's easy to yearn for slower, simpler times. Life in the old days was hard and far from idyllic, but the people were hard-working, honest, and honorable. In his book, *Communities and Communion in the Texas Hill Country*, author Paul Primrose offers memories, musings, and imaginings focused on life then and now in Llano and surrounding counties in the Texas Hill Country. Some of the people and businesses mentioned now belong to the past. At times witty and scathing and other times sweet and surprisingly soulful, the author's stories provide food for thought for folks of all ages from various walks of life—whether or not one is fortunate enough to be a genuine Texan. The stories, like memories, are not in any particular order.
