Ulysses S. Grant: Memoirs and Selected Letters (LOA #50)

Donald Trump has called for a turnaround in the foreign policy of the United States

(US). A key reason is that US foreign engagements have in recent decades proved of little benefit to the US middle and working classes. Trump's opponents have challenged him to prove that he can offer a better alternative to the foreign policy which has been pursued by the US since the Second World War. This volume shows that a sane US foreign policy that adjusts US postwar trajectory can be accomplished if leaders have the courage and integrity to do so. The principles and many details of an alternative policy based on democratic nationalism are described in this book. Democratic nationalism presumes that the US is a large family in which the needs of members of the family have a certain legitimate priority over those of people abroad. While Donald Trump has raised the level of discussion of these ideas in US public life, he does not have a monopoly on them. The shifts in the US foreign policy which are envisioned in this book can be made by any president and any political party. The shifts and the considerations which motivate them are deserving of careful attention by any US chief executive. This is not a Republican agenda, nor a Democratic one. We believe that it is a US agenda.

Constructing Panic

The Performance Appraisal Handbook is a must-read for every manager, whether they're writing a performance review for the first time or the hundredth. It's packed with the information and tools you need to make their company's appraisal process work better for everyone. Readers will know:

- How to write and conduct effective

appraisals • How to prevent potential lawsuits stemming from an appraisal • Essential employment law basics. The 2nd edition is completely updated with latest laws and provides sample forms and policies. Also, there is now going to be a CD-ROM which will include the forms, checklists and quizzes from the book.

Report Of The Pennsylvania State Railroad Commission For The Year Ending

Mark Tremblay and Paige Sanchez were embarking on a new life together. They had just moved into their new home the home Mark had bought before they met, after returning from duty in Afghanistan with the Navy SEALs. But as they looked out over tree-covered hills, admiring the panoramic view, their attention was drawn to something that would change their lives. Hooded men dressed in camouflage and carrying assault rifles were running up the sloping lawn toward them. Only through the experience he'd gained in combat was Mark able to protect Paige and get to safety. But Mark wasn't able to protect his stepchildren, out in a local park with their babysitter. Mark and Paige emerge from the attack to discover that their children and the nanny are gone. Who were those men and what did they want? Mark may have left the SEALs but he certainly hasn't left the heat of battle with his new job at the FBI. In the weeks preceding the attack Mark had been working his way into the fringes of a mafia family. But it isn't the organized crime

families that pose the biggest threat. FBI intelligence has revealed that ISIS is in the process of bringing its religious war to America by infiltrating the mafia and placing sleeper cells within it. Mark is in the way of ISIS's plans - and they want him removed. Can Mark stave off 'The Ultimate Threat' in his mission to save not only his family but the freedom of America as well? 'The Ultimate Threat' is a turbo-charged action thriller that will keep readers gripped to the last page. 'A brilliant action story ripped straight from the headlines.' - Tom Kasey, best-selling author of 'Cold Kill.'

Hoax Springs Eternal

This technical memorandum provides lightning protection engineering guidelines and technical procedures used by the George C. Marshall Space Flight Center (MSFC) Electromagnetics and Aerospace Environments Branch for aerospace vehicles. The overviews illustrate the technical support available to project managers, chief engineers, and design engineers to ensure that aerospace vehicles managed by MSFC are adequately protected from direct and indirect effects of lightning. Generic descriptions of the lightning environment and vehicle protection technical processes are presented. More specific aerospace vehicle requirements for lightning protection design, performance, and interface characteristics are available upon request to the MSFC Electromagnetics and Aerospace Environments Branch, mail code EL23. Goodloe, C. C. Marshall Space

Martial arts master Ronin Black's need for control is tested by the one woman he'd risk everything for. Original.

Lightning Protection Guidelines for Aerospace Vehicles

The Storekeeper's Daughter

In this work, Catharine Davies makes a contribution to the history of print culture. In her examination of a broad range of material she gains insight into Protestant consciousness and a deeper understanding of the English Reformation. We find that the attitude of the Protestants was at this stage far from triumphalist. Rather, contemporary printed sources reflect the defensive attitude of a minority who were still uneasy in their relations with the ruling regime, and who saw the Reformation as a newly established and fragile opportunity for radical change. This book bears out revisionist views of the English Reformation, but also balances them by providing a sense of the creativity of the protestant camp.

Humor, Wit, & Fantasy

This cultural history of mainline Protestantism and American cities--most notably, New York City--focuses on wealthy, urban Episcopalians and the influential ways they used their money. Peter W. Williams argues that such Episcopalians, many of them the country's most successful industrialists and financiers, left a deep and lasting mark on American urban culture. Their sense of public responsibility derived from a sacramental theology that gave credit to the material realm as a vehicle for religious experience and moral formation, and they came to be

distinguished by their participation in major aesthetic and social welfare endeavors. Williams traces how the church helped transmit a European-inflected artistic patronage that was adapted to the American scene by clergy and laity intent upon providing moral and aesthetic leadership for a society in flux. Episcopalian influence is most visible today in the churches, cathedrals, and elite boarding schools that stand in many cities and other locations, but Episcopalians also provided major support to the formation of stellar art collections, the performing arts, and the Arts and Crafts movement. Williams argues that Episcopalians thus helped smooth the way for acceptance of materiality in religious culture in a previously iconoclastic, Puritan-influenced society.

Letters at 3am

The categories of classical narratology have been successfully applied to ancient texts in the last two decades, but in the meantime narratological theory has moved on. In accordance with these developments, Narratology and Interpretation draws out the subtler possibilities of narratological analysis for the interpretation of ancient texts. The articles make a contribution to the theory of narrative as well as to our understanding of ancient literature including epic, lyric, tragedy and historiography.

Teen's Guide for a Purposeful Life

The Mass for Children is a beautiful explanation of the Traditional Catholic Latin Mass for children. In this full color reprint, Father Kelly gives the scriptural and historical background for the parts of the Mass. For example, when the altar boy moves the Missal from the right side of the altar to the left, he is representing the shift from the old law (Jewish religion) to the new law (Christian religion). "The Jewish religion was meant to get people ready for Our Lord. When He came, he gave us our perfect religion," Father explains. A great First Communion prep supplement, this book would be a great gift for any child who wants to understand and follow the Mass.

The Aqua Net Diaries

For seven years, bad luck has followed Ivy around like a dog on a leash. Her father disappeared, her mother is a washed-up beauty-pageant winner, and now Viola and her mother have moved into a ramshackle house on Gumm Street. Ivy's new neighbors—bookish Pru, stuck-up Cat, and wannabe adventurer Franny—are worse than unfriendly. But then a mysterious pair of ruby red slippers turn up, and the four girls are swept away not to OZ, but to the jaw-droppingly strange lands of SPOZ, and SPUDZ, and OOZE, pursued by the fashionably mad Cha-Cha Staccato,

who bears a frightening resemblance to a certain wicked witch. Ages: 8 -12

Alice Aycock Drawings

Engaging the work of thinkers such as Richard Rorty, Charles Taylor, Pierre Bourdieu, Roy Bhaskar, and Hannah Arendt, as well as recent literature in political science and the history and philosophy of science, Topper proposes a pluralist, normative, and broadly pragmatist conception of political inquiry, one that is analytically rigorous yet alive to the notorious vagaries, idiosyncrasies, and messy uncertainties of political life.

Cambridge and Its Story

The teachings of the German-born Meister Eckhart (1260-1328), Dominican philosopher and spiritual master, are among the most daring and profound in the history of Western mysticism. From counsels on discernment to a treatise on detachment as the most essential virtue, Eckhart's fascinating thoughts on the spiritual life will inspire and challenge those looking to deepen their experience of God.

The Complete MRCPsych

God. Sex. And Yoga. Mothers. Daughters. And Destiny. Growing up. Giving up. Going Mad. The juiciness no one is talking about. Yet. Six months before my 30th birthday, my life as I knew it flopped. Dumped by my fiance, fired from my dream job, dropped by my graduate program, and evicted by my Upper West Side landlord, I lost everything except the one thing I desperately wanted to: My virginity. Determined to gain back my love and lose my singleness cherry, I set sail on a spiritual quest. I honeymooned with my right-winged divorcee mother in Europe, vibrated into Om at a yoga training in Guatemala, and rubbed rosaries in California hotels on a crusade for holy sex. Crossing two coasts and five countries, I moved forward by crawling back, confronting the truth of my past, which clung as tightly as the quirks of my childhood faith and as intimately as my crown chakra. Where was my true love and can true love really wait into my 30s? On a journey as bewildering as it was sovereign, I got much more than I bargained for, in a tale where letting go and growing up was insatiably more orgasmic than I ever imagined."

Giant Steps to Change the World

Jennifer Niven quit her job as a television producer to write the true story of a doomed 1913 Arctic expedition in her first book, *The Ice Master*, which was named one of the top ten nonfiction books by Entertainment Weekly, and won the Barnes & Noble Discover Award. She received high praise for her follow-up arctic

adventure, *Ada Blackjack*, which detailed the life of one woman who overcame enormous odds to survive. Now, Niven tells a survival tale of a different kind; her own thrilling, excruciating, amazing, and utterly unforgettable adventure in a midwestern high school during the 1980s. Richmond, Indiana, was a place where people knew their neighbors and went to church on Sundays. It also had only one high school with 2,500 students, and for both the students and the townspeople, it was the center of the universe. In *The Aqua-Net Diaries*, Niven takes readers through her adolescent years in full, glorious—and hilarious—detail, sharing awkward moments from the first day of school, to driver's ed, and her first love, against a backdrop of bad 1980s fashion and big hair. Like Chuck Klosterman in *Fargo Rock City*, Niven's talented voice perfectly captures the pain, joy, and shame of going through adolescence in America's heartland, making a funny, touching, and universal experience.

Sw Brit Columbia/n-Washington Exp Map

Over the course of five decades of scholarly work on the New Testament, Jerome Murphy-O'Connor has never been afraid to explore and question ideas that other scholars have simply presumed. In *Keys to Galatians*, he offers fresh perspectives on a rather neglected New Testament letter. This book includes new thinking on the origins of the letter and new insights into its purpose. The author explains why he dates the letter much earlier than most scholars and why Paul's rhetorical

technique should be considered nothing short of remarkable. He also explores illuminating hints about Paul's personality. Murphy-O'Connor recognizes in Paul a notable openness to new ideas and what he calls a daring strategy that would have been unthinkable for one less confident in his rhetorical skills.

Bessie Needs Hearing Aids

Darkness and destruction have come to the land. It has been ten years since Quentin helped Eskevar, the Dragon King, battle the monstrous sorcerer Nimrod. Since that time, there has been peace in the land of Mensandor. But everything is about to change. An urgent message summons Quentin to Castle Askelon. The king, who is dying, wishes to name the brave young man his successor. But first, he sends him on an unfathomable mission. What Quentin and his friend Toli, the Jher horseman, discover is not for the cowardly. The brightening Wolf Star is an omen of impending evil that might herald the beginning of the end of mankind on earth. It signifies Nin, a fearsome giant of a man who hopes to add Mensandor to his growing empire. Along with his merciless warlords, they are the fulfillment of a nightmarish prophecy. In *The Warlords of Nin*, the second book in *The Dragon King Trilogy*, Stephen R. Lawhead continues the mythical saga that began with *In the Hall of the Dragon King*.

The Fairytale Lives of Russian Girls

How Miss Rutherford Got Her Groove Back

Thirteen-year-olds Madeleine, Theo, and Lulu, fourteen-year-old Garrison, and ten-year-old new "contestant" Hyacinth, must face their phobias and join forces to learn who is stealing wigs and pageant trophies from the School of Fear.

Unwound

Twenty years after Appomattox, stricken by cancer and facing financial ruin, Ulysses S. Grant wrote his Personal Memoirs to secure his family's future. In doing so, the Civil War's greatest general won himself a unique place in American letters. His character, intelligence, sense of purpose, and simple compassion are evident throughout this vivid and deeply moving account, which has been acclaimed by readers as diverse as Mark Twain, Matthew Arnold, Gertrude Stein, and Edmund Wilson. Annotated and complete with detailed maps, battle plans, and facsimiles reproduced from the original edition, this volume offers an unparalleled vantage on the most terrible, moving, and inexhaustibly fascinating event in American history.

included are 174 letters, many of them to his wife, Julia, which offer an intimate view of their affectionate and enduring marriage.

A Religion of the Word

Since the dawn of civilization, the vampire has danced through the dreams and nightmares of every culture, expressed in folklore, literature, and art. Today, this fascination resonates in pop-culture through hit television shows, movies, and bestselling books. In *Vampyre Magick*, Father Sebastiaan reveals the hidden rituals and spells of the Living Vampires. This companion volume to Sebastiaan's *Vampyre Sanguinomicon*, is intended for initiates of the Stigooi Vii, but will appeal to any scholar of magickal arts, *The Golden Dawn*, or other Western Mystery Traditions.

The Warlords of Nin

"Cambridge and Its Story" by Charles William Stubbs. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read.

Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Religion, Art, and Money

Did you child just get hearing aids?Is your child feeling self-conscience about their hearing loss?"Bessie Needs Hearing Aids" is a children's book that will help children with hearing loss understand the process, and that they are not alone. Written and illustrated by a teenage girl who went through this process, so it will resonate with children just learning of hearing issues, or coping with wearing hearing aids. The book received numerous accolades so it was decided to make it available to all, in order to possibly help other children with hearing loss.When a child goes through the process of getting hearing aids, it is scary for them and difficult for a parent to explain. This is a story of Bessie, the bunny, who was so excited to start school only to have the kids get frustrated that she was not hearing them properly. Bessie visits the audiologist and learns about hearing aids and the happy results of getting hear aids.

Vampyre Magick

Unlike sleights of hand, which fool the senses, sleights of mind challenge cognition. This book defines and explains cognitive deception and explores six prominent potential historical instances of it: the Cross of King Arthur, Drake's Plate of Brass, the Kensington Runestone, the Vinland Map, the Piltdown Man, and the Shroud of Turin. In spite of evidence contradicting their alleged origins, their stories continue to persuade many of their authenticity. Peter Hancock uses these purported hoaxes as case studies to develop and demonstrate fundamental principles of cognitive psychology. By dissecting each ostensible artifact, he illustrates how hoaxes can deceive us and offers us defenses against them. This book further examines how and why we allow others to deceive us and how and why we even deceive ourselves at times. Accessible to beginner and expert alike, Hoax Springs Eternal provides an essential interdisciplinary guide to cognitive deception.

The Ultimate Threat

Studying for the MRCPsych exams can seem a daunting prospect, especially when faced with the vast amounts of literature available to help, but this book offers a complete solution in the form of a thoroughly comprehensive guide to the Part II Exam. Completely up to date and taking in the recent changes to the exam, the book reflects the exam format and content extremely accurately. Written by an experienced examiner with contributions from trainees, the book combines these elements to ensure that it is the perfect revision companion for any psychiatrist

preparing for the MRCPsych Part II.

The Performance Appraisal Handbook

Christopher and his companions manage to escape from Fairy Land only to land in Olympus, the section of Everworld where the ancient Greek gods live, which is about to become the latest target of the insect-like forces of Ka Anor, the god who consumes othe

The Virgin Asanas

This book is a guide for teens who want to live their lives according to God's plans for them. It is for teens who are searching for purpose. » The book is divided into weeks, with 52 topics. The Trump Phenomenon and the Future of US Foreign Policy

“On some days your dreams may seem too far away to realize... Listen to the whispers of those that came before” People throughout history have taken giant steps toward improving the world—but even the smallest step makes a difference. A wonderful and inspiring gift, *Giant Steps to Change the World* encourages readers to follow in the footsteps of those who came before, to reject fears of inadequacy, and to ponder what they can contribute to society.

Replenish

The Politically Incorrect Guide to the Vietnam War

The Secret Order of the Gumm Street Girls

Every leader functions on two stages--the front stage or public world, and the back stage or private world. One cannot lead successfully front stage when one is completely depleted back stage. In a time when pastors are leaving the ministry in record numbers due to cynicism, disillusionment, weariness, and personal scandals, there is an urgent need for soul care in the private lives of leaders. *Replenish* helps leaders focus on the back stage, the interior life, in order to remain

spiritually healthy. In a caring, encouraging tone, it will show pastors how to prioritize matters of the soul develop healthy spiritual practices address problems that lead to burnout create a healthy rhythm in their lives improve their people skills and the spiritual climate of their team develop better systems in their churches discover how to lead an unhurried life For the many ministry leaders who feel alone, in over their heads, or simply worn out, this book will offer welcome relief and a healthy way forward.

The Disorder of Political Inquiry

Cool Couture is a home sewer's guide to professional, designer-quality construction and finishing. Fashion designer Kenneth King provides step-by-step instruction in the basic, reliable techniques of classical couture. He provides his own shortcuts, careful instruction, and advice to help home sewers of every level produce impeccable results. Each technique is presented with simple how-to drawings and detailed step-by-step instruction. Fashion-forward photographs of the designer's own couture garments and tight shots of fabrics and construction and decorative detail show the finished effects. This book is an essential reference book of couture techniques for home sewers.

Keys to Galatians

Time seems to stand still in Naomi Fisher's tranquil community, but it cannot hold back tragedy. Helping her widowed father run a store, manage a household, and raise seven children is a daunting task. There is no time to think about courtship and having her own family, still her heart yearns for the attention of Caleb Hoffmeir. But her days are plotted for her—until the afternoon her baby brother goes missing from the yard. How can Naomi expect anyone to love and trust her if she couldn't take care of one small boy? Should she leave all that is familiar and seek a new avenue of life?

The Mass for Children

The Vietnam War was a tragic and dismal failure—at least that is what the mainstream media and history books would have you believe. Yet, Phillip Jennings sets the record straight in *The Politically Incorrect Guide™ to the Vietnam War*. In this latest "P.I.G.", Jennings shatters culturally-accepted myths and busts politically incorrect lies that liberal pundits and leftist professors have been telling you for years. The Vietnam War was the most important—and successful—campaign to defeat Communism. Without the sacrifices made and the courage displayed by our military, the world might be a different place. *The Politically Incorrect Guide™ to the Vietnam War* reveals the truth about the battles, players, and policies of one of the most controversial wars in U.S. history.

Narratology and Interpretation

Offering a novel analysis of a patient's experience of agoraphobia, this collaboration between a clinical psychologist and a linguist proposes a view of agoraphobia as a communicative disorder. It opens up potential for linguistic and narrative analysis by revealing the roots of panic and by establishing a framework for therapeutic intervention.

Class Is Not Dismissed!

Emily Rutherford is having a very bad day. Of course, having the man you've loved forever announce his engagement to your (now very former) best friend will do that. Emily is sure nothing good could possibly come out of this horrid situation. But she lets her sisters—along with Francis Riley, the delectable but brooding Earl of Dunhurst—convince her that a season in London will be just the thing. Now Emily has a choice: sulk in a corner while her sisters enjoy the glitter of the ton . . . or become the belle of the ball, dazzling everyone on an earl's arm. But as Francis helps Emily get back on her feet, she quickly realizes that a childhood crush is nothing compared to the power of true love.
