I have been blessed tremendously from your column in the online newspaper Nigeriaworld.com. Your piece has often been rich and scripturally authentic. I also have this bias the moment I found out you are a Nigerian. Rev. Israel - Ghana, West Africa Your ministry blessed my life when you spoke in our class at Westside Church on Feb. 3rd. I want to say thank you, for sharing with us about the tripartite nature of man. I look forward to visiting your website and getting your resources online. Shelly - Omaha NE USA I just read another thought provoking article from you today. I saw one of your articles around 2009 on Nigeriaworld.com and I got stuck. You've been able to explain what I could not explain in words. Most of what you write about I perceive in my environment, but could articulate and dissect it well. I got invited to an Exegetical Church around that time, you and a combination of other factors have greatly influence my re-orientation. Thanks for taking time to teach us and expose the truth. Seun - Phoenix USA A very good morning from warm and humid Lagos, Nigeria. I am a management consultant (hospitality industry) and want to let you know that your articles are of immense blessing to me, they not only inspire, motivate and bless me, most importantly it keeps one focused as we journey through life. Henry - Lagos, Nigeria Your article on the hybrid worldview of African Christians is very enriching. You actually make any serious minded Christian reader, understand the real theme of religiosity. Thank you for the writing and I look forward to meeting someday. Caster - Paris, France I just want to say a big thank you for all your articles. I came across your website at a low point in my life, I am very educated and married early and now with 3 children. My spouse recently converted from Christianity because he believes "we" are all hypocrites. I'm focusing on the kids and God, and look forward to what God has in store. Again, thank you for your articles, they've given me inner strength. Liz - England, UK William Femi Awodele is the executive director of Christian Couples Fellowship International, Inc., a marriage ministry based in Omaha, Nebraska, in the United States. He is married to Olatokunbo (a family physician), and they are blessed with two boys, Ibukunoluwa and Fiyinfoluwa and a daughter Ebunoluwa. The present volume focusses on regional and national aspects of literatures in English, and in particular on the literatures of Scotland, England and Ireland in the nineteenth and twentieth centuries. Other parts of Terranglia, from Wales to the United States and from Australia to Nigeria, are covered as well. Approaches oriented towards comparison, intertextuality and translation enable the inclusion of literatures in languages other than English. Gender is a central area of interest, as is postcolonialism. The volume as a whole illustrates the large variety of ways in which territoriality can be constructed and theorized.

Ergonomics for Home-based Workers

The first year for any missionary is filled with adventure and trials. Assimilating to a new culture requires more than any book can offer. This is the story of a young woman who stepped out of her college years directly into the mission field. She was vastly unprepared in language, experience, and spiritual discipline, but she encountered the Lord in a way she never could while growing up in America. The transition from an American college campus to the sandy streets of a developing

country was not easy physically or emotionally. The excitement of adventure soon waned in the face of homesickness and culture shock. Through it all, she found that the practices she had been taught for years in church and student ministry were vital for survival and that there is no hope, no strength, and no joy that can sustain you outside of what is found in Christ.

There is so much detail to be captured in a face. Cicero (106-43 BC) said: "The face is a picture of the mind as the eyes are its interpreter." To capture a person's personality, there are many things to keep in mind, and the authors of *FACES* show us how to match up a personality with lighting, posing, and composition. Portraiture is truly an art, and this book dives deep into the details so that you end up with a gorgeous portrait that both you and your subject love. Not only is this book the most comprehensive title available on portraiture, but it contains stunning images. Each image is paired with a lighting diagram, a description of why the type of image was chosen, and then takes you through postproduction to put the finishing touches on. The authors also showcase a gallery of portraits by renowned photographers.

Two Heavy Words

Jerry Lawler is hailed as one of sports-entertainment's most enduring and colorful characters. His life has been filled with hilarious, never-been-told stories until now! His reign consists of thirteen championships (one of which he's held more than

forty times), three marriages, and two children. He's dominated Memphis radio and television airwaves. Starred in feature films. Recorded albums. Tolerated countless sprains, broken bones, concussions, and contusions. The way Jerry "The King" Lawler tells it, if you're good at something, do it more than once. It's Good To Be The King Sometimes is a no-holds-barred personal account from the "puppies"-pantin' King of one-liners, who steps out from behind the announcer's desk of WWE Raw to hold court about everything. His passion for art that first drew him to the ring of a rundown West Memphis movie theater over thirty years ago. The comic adventures and tragic bumps endured journeying down the "Music Highway" of Interstate 40 with the National Wrestling Alliance. Earning his royal personage in the Bluff City of the Mighty Mississippi against his own mentor, "Fabulous" Jackie Fargo. Grappling with mat legends Ric Flair, Lou Thesz, Jesse Ventura, Andre the Giant, Terry Funk, and Bret "Hitman" Hart. And his crowning achievements as co-ruler of the United States Wrestling Association, which contributed to the rise of future WWE Superstars Hulk Hogan, Undertaker, Stone Cold Steve Austin, and The Rock. It's time you lackeys pay heed as the King reveals the schemes and outrageous storylines to many of wrestling's most fantastic theatrics and all-too-real moments. Lawler tells of his legendary "feud" with Andy Kaufman, and his much-publicized confrontation with the actor portraying the late comedian on the set of Man on the Moon, and the "Karate-versus-Wrestling" match that almost occurred between Lawler and Memphis's other King. And be sure to honor his royal proclamations regarding former wives, and his mother's opinion of wrestling; why he once sued future boss Vince McMahon and won; and the body part he truly worships on a WWE Diva.

Patient 444 And Other Short Stories

Annie John is a haunting and provocative story of a young girl growing up on the island of Antigua. A classic coming-of-age story in the tradition of *The Catcher in the Rye* and *A Portrait of the Artist as a Young Man*, Kincaid's novel focuses on a universal, tragic, and often comic theme: the loss of childhood. Annie's voice—urgent, demanding to be heard—is one that will not soon be forgotten by readers. An adored only child, Annie has until recently lived an idyllic life. She is inseparable from her beautiful mother, a powerful presence, who is the very center of the little girl's existence. Loved and cherished, Annie grows and thrives within her mother's benign shadow. Looking back on her childhood, she reflects, "It was in such a paradise that I lived." When she turns twelve, however, Annie's life changes, in ways that are often mysterious to her. She begins to question the cultural assumptions of her island world; at school she instinctively rebels against authority; and most frighteningly, her mother, seeing Annie as a "young lady," ceases to be the source of unconditional adoration and takes on the new and unfamiliar guise of adversary. At the end of her school years, Annie decides to leave Antigua and her family, but not without a measure of sorrow, especially for the mother she once knew and never ceases to mourn. "For I could not be sure," she reflects, "whether for the rest of my life I would be able to tell when it was really my mother and when it was really her shadow standing between me and the rest of the world."

Annie John

By turns sensitive and forceful, passionate and callous, Fulbeck confronts the politics of race, sex, and Asian American masculinity in a collection of closely

FACES: Photography and the Art of Portraiture

The Bible is filled with women of faith, bravery, and cunning. Here is one woman's tale—as it might have happened . . . “Blessed above women shall Jael the wife of Heber the Kenite be, Blessed shall she be above women in the tent.” Judges 5:24” Like many a bride-to-be, Jael looks forward to a long, loving marriage. But when her husband, Heber, takes her home to live in the company of his other wife and concubine, Jael's dreams begin to crumble. The women in her tent warn Jael that, to bear Heber the sons he demands, she will have to risk shame, betrayal of her vows, even possible execution. But in the darkest moment of her life, there sparks a flame: a young warrior named Levi enters her life—and Jael is presented with a life-changing decision, one that will affect the fate of all the people of Israel. Now there's no turning back on the path that will lead her to change history—by doing the unthinkable. “Terrific biblical biographical fiction, the genesis of a new series.”—Midwest Book Review
