Survival Guide for the Soul

The language of psychology is all-pervasive in American culture—from The Sopranos to Oprah, from the abundance of self-help books to the private consulting room, and from the support group to the magazine advice column. *Saving the Modern Soul* examines the profound impact of therapeutic discourse on our lives and on our contemporary notions of identity. Eva Illouz plumbs today's particular cultural moment to understand how and why psychology has secured its place at the core of modern identity. She examines a wide range of sources to show how self-help culture has transformed contemporary emotional life and how therapy complicates individuals' lives even as it claims to dissect their emotional experiences and heal trauma.

Guide to the Temple of Deir El Bahari

Rather than emphasize universal dream symbols, this guide offers a seven-step method that will enable you to understand your dreams from a personal and spiritual viewpoint.

The Complete Idiot's Guide to Alchemy

Soul is the ultimate expression and experience of African-American culture. *The Big Book of Soul* is the first popular reference book to provide an in-depth examination of the source of soul in African culture and how soul finds its expression today. Author Stephanie Rose Bird takes readers on a breathtaking journey of soul by examining the spirit of animism and how it evolved in contemporary African-American culture. She explores spiritual practices related to diet, dance, beauty, healing, and the arts, and provides readers with ancient healing rituals and practices they can use today. Filled with fun facts, practical advice, and ancient spiritual wisdom, *The Big Book of Soul* is for any reader who wants a genuine, rooted experience of soul today.

Soul Searching

An updated, indispensable guide to empowerment and self-discovery for teens. While fashion magazines, television programs, and websites emphasize the superficial and foster insecurities, Sarah Stillman directs teen girls to a healthy place where a strong sense of self and direction take center stage. Originally written when the author was just sixteen, Soul Searching has been fully updated and expanded to address the concerns of today's teens, bringing girl power to the printed page by offering young women a clear path to self-discovery and empowerment. Through fun quizzes, insightful exercises, and provocative statistics, Stillman guides young women through the complex maze between adolescence and adulthood. Featuring updated sections on safe cell-phone use, social media, health, and gender, as well as including updated resources throughout, Soul Searching is a must-read for teenage girls.

The Guide to Catholic Literature

Brimming with mystical practices and hundreds of evocative illustrations, The Seasonal Soul is an enchanting guide to self-discovery. Spiritual teacher Lauren Aletta takes readers through the metaphorical "seasons" of personal growth and illuminates the ways your springs, summers, autumns, and winters provide opportunities for insight, healing, transformation, and rejuvenation. Organized by season, the book is packed with enriching practices and advice, including self-care rituals, crystal and chakra guides, and journaling exercises. In an eye-catching, shimmery package with black dyed edges, this book is perfect for modern mystics and the spiritually curious.

Dreamwork for the Soul

Saving the Modern Soul

Danger lurks within the roots of *Forest of Souls*, an epic, unrelenting tale of destiny and sisterhood, perfect for fans of Naomi Novik and Susan Dennard. "A tantalizing beginning to a rich new fantasy series." —Traci Chee, NYT bestselling author of *The Reader* trilogy "Absolutely enchanting." – Natalie C. Parker, author of *Seafire* "You won't want to escape." – Sarah Henning, author of *the Sea Witch* "Will leave you shouting sisters unite!" – Mindee Arnett, author of *Onyx & Ivory* and *Avalon* *Sirscha Ashwyn* comes from nothing, but she's intent on becoming something. After years of training to become the queen's next royal spy, her plans are derailed when shamans attack and kill her best friend Saengo. And then *Sirscha*, somehow, restores Saengo to life. Unveiled as the first soulguide in living memory, *Sirscha* is summoned to the domain of the Spider King. For centuries, he has used his influence over the Dead Wood—an ancient forest possessed by souls—to enforce peace between the kingdoms. Now, with the trees growing wild and untamed, only a soulguide can restrain them. As war looms, *Sirscha* must master her newly awakened abilities before the trees shatter the brittle peace, or worse, claim Saengo, the friend she would die for.

Bret Harte, a Reference Guide

Orphic gold tables are key documents for the knowledge of rites and beliefs of Orphics, an atypical group that configured a highly original creed and that influenced powerfully over other Greek writers and thinkers. The recent discovery of some tablets has forced a noteworthy modification of some points of view and a review of the different hypothesis proposed about them. The book presents a complete edition of the texts, their translation and some fundamental keys for their interpretation, in an attempt at updating our current knowledge on Orphic ideas about the soul and the Afterlife stated in those texts. The work is improved with an appendix of iconographic annotations in which some plastic representations in drawings are reproduced related to the universe of tablets, selected and commented on by Ricardo Olmos.

What keeps us from flourishing in our spiritual lives is a neglect of the inner life of the soul. And more and more today, this neglect is driven by our ambition to accomplish something big outside ourselves. We live in a society that pressures us to achieve professionally, socially, and through the constant acquisition of material possessions. Drawing on a wide range of sources including scripture, church history, psychology, and neuroscience, as well as a rich variety of stories from his own life, Ken Shigematsu demonstrates how the gospel redeems our desires and reorders our lives. He offers fresh perspective on how certain spiritual practices help orient our lives so that our souls can flourish in the midst of a demanding, competitive society. And he concludes with a liberating and counter-cultural

definition of true greatness. This book will appeal to anyone who longs to experience a deeper relationship with Christ in the midst of the daily pressures to succeed, as well as to those on the borderlands of faith seeking to transcend the human tendency to define ourselves by our production and success.

Would you like to understand the deeper spiritual meaning of physical illness, parenting handicapped children, drug addiction, alcoholism, the death of a loved one, accidents, deafness, and blindness? Your Soul's Plan (which was originally published under the title *Courageous Souls: Do We Plan Our Life Challenges Before Birth?*) explores the premise that we are all eternal souls who plan our lives, including our greatest challenges, before we are born for the purpose of spiritual growth. Through compelling profiles of people who knowingly planned the experiences mentioned above, Your Soul's Plan shows that suffering is not purposeless, but rather imbued with deep meaning. Working with four gifted mediums, author Robert Schwartz reveals the significance of each person's life plan and allows us a fascinating look into the "other side." Each personal story focuses on a specific life challenge, organized by type for easy reference. Accessible both to those familiar with the metaphysical aspects of spirituality and to the general reader, the moving narratives that comprise Your Soul's Plan help readers awaken to the reality that they are transcendent, eternal souls. With this stirring book as a guide, feelings of anger, resentment, guilt, and victimization are healed and transformed into acceptance, forgiveness, gratitude, and peace. Robert Schwartz is also the author of *Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born*, which explores the pre-birth planning of spiritual awakening, miscarriage, abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. There's also a chapter about the pre-birth planning we do with our future pets. Robert Schwartz is a hypnotherapist who offers general Spiritual Guidance Sessions, Past Life Soul Regressions, and Between Lives Soul Regressions. Visit Robert online at www.yoursoulsplan.com.
