IT SUCKS TO BE HER. Living as a succubus has a bit of a learning curve, but with sexy fallen angel Noah to scratch her sensual Itch, Jackie Brighton is finally starting to feel ahead of the game. She almost doesn't miss her gorgeous vampire master Zane—or his sinful, teasing mouth. She's trying to convince herself of that, anyway. But Jackie's past mistakes catch up with her, spinning her life out of control once more. Just as her friend Remy's inner demon comes out to play, Noah and Jackie are arrested by the angelic Serim Council. When Jackie seizes the

chance to escape, she falls right into Zane's waiting arms. As she's pulled into a game of cat and mouse between vampires and angels, she finds she must also choose between the two men in her life. Can she decide between Noah and Zane, or will she lose everything she's ever wanted? Because there's more at stake than just her heart. . . .

City of Demons

The Dark Swan series by #1 New York Times bestselling author Richelle Mead is together at last in this complete bundle! Just typical. No love life to speak of for months, then all at once, every horny creature in the Otherworld wants to get in your pants Storm Born--Book One Eugenie Markham is a powerful shaman who does a brisk trade banishing spirits and fey who cross into the mortal world. Mercenary, yes, but a girl's got to eat. Her most recent case, however, is enough to ruin her appetite. Hired to find a teenager who has been taken to the Otherworld, Eugenie comes face to face with a startling prophecy--one that uncovers dark secrets about her past and claims that Eugenie's first-born will threaten the future of the world as she knows it. Now Eugenie is a hot target for every ambitious demon and Otherworldly ne'er-do-well, and the ones who don't want to knock her up want her dead. She finds formidable allies in Dorian, a seductive fairy king with a taste for bondage, and Kiyoko, a gorgeous shape-shifter who redefines animal attraction. But with enemies growing bolder and time running out, Eugenie realizes

that the greatest danger is yet to come, and it lies in the dark powers that are stirring to life within her Thorn Queen--Book Two Eugenie Markham is paid to bind and banish creatures from the Otherworld. But after her last battle, she's also become queen of the Thorn Land. It's hardly an envious life, not with her kingdom in tatters, her love life in chaos, and Eugenie eager to avoid the prophecy about her firstborn destroying mankind. And now young girls are disappearing from the Otherworld, and no one--except Eugenie--seems willing to find out why. Eugenie has spilled plenty of fey blood in her time, but this enemy is shrewd, subtle, and nursing a very personal grudge. And the men in her life aren't making things any easier. Her boyfriend Kiyō is preoccupied with his pregnant ex, and sexy fey king Dorian always poses a dangerous distraction. With or without their help, Eugenie must venture deep into the Otherworld and trust in an unpredictable power she can barely control. Reluctant queen or not, Eugenie has sworn to do her duty--even if it means facing the darkest--and deadliest--side of her nature Iron Crowned--Book Three Eugenie Markham is the best at banishing entities trespassing in the mortal realm. But as the Thorn Land's queen, she's fast running out of ways to end the brutal war devastating her kingdom. Her only hope: the Iron Crown, a legendary object even the most powerful gentry fear. Who Eugenie can trust is the hardest part. Fairy king Dorian has his own agenda for aiding her search. And Kiyō, her shape-shifter ex-boyfriend, has every reason to betray her along the way. To control the Crown's ever-consuming powers, Eugenie will have to confront an unimaginable temptation--one that will put her soul and the fate of two

worlds in mortal peril Shadow Heir--Book Four Eugenie Markham strives to keep the mortal realm safe from trespassing entities. But as the Thorn Land's prophecy-haunted queen, there's no refuge for her and her soon-to-be-born-children when a mysterious blight begins to devastate the Otherworld The spell-driven source of the blight isn't the only challenge to Eugenie's instincts. Fairy king Dorian is sacrificing everything to help, but Eugenie can't trust the synergy drawing them back together. The uneasy truce between her and her shape shifter ex-lover Kiyō is endangered by secrets he can't--or won't--reveal. And as a formidable force rises to also threaten the human world, Eugenie must use her own cursed fate as a weapon--and risk the ultimate sacrifice

Soundless

Entering the real world after college often educates one to the true horrors of the harsh obstacles life has to offer. For Kailey Yates the discoveries are far more terrifying and dangerous. Two days before she graduated with a degree in investigative journalism, her brother Vincent is found dead in his swimming pool with a syringe stuck in his arm. His death is ruled as a suicide, but Kailey doesn't buy it. She suspects Vincent's new wife Cassie is the one who actually killed him. Her suspicions are drawn from his rapid health deterioration during his short six month marriage. During one of her last Skype conversations she had with Vincent, Kailey's roommate Raven witnesses their conversation and immediately senses that Vincent is being soul-drained by a succubus. Since Raven is a witch, Kailey has no doubt about her friend's perception and concludes that Cassie must be the demon responsible. Kailey leaves Boston and flies to Seattle for her brother's funeral. While there she investigates the circumstance surrounding his death. She uncovers dark information that leads her to Nocturnal Trinity, a nightclub in the heart of Seattle. And worse, the underground club is run by a powerful alliance of vampires, demons, and witches that wish to protect Cassie at all costs, which includes killing Kailey or anyone else if necessary.

Thorn Queen

Love hurts, and no one knows it better than Georgina Kincaid. If she so much as kisses Seth Mortensen, the shy, sexy writer she's been dating, she'll drain his life force. Admittedly, the shapeshifting and immortality perks of a succubus are terrific, but it's completely unfair that a she-demon whose purpose is seduction can't get down with the one mortal who accepts her for who she is. . . It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. She could use an assist from Bastien, an irresistibly charming incubus and her best immortal friend, but he's giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one-and fast, because soon, Doug's life won't be the only one on the line. . . "Compulsively readable." -Rachel Caine "No other succubus will do!" -Vicki Pettersson "A delicious treat for Georgina fans!" -Kat Richardson "If damnation is this fun, sign me up!" -Lilith Saintcrow

Anna I was three weeks past my seventeenth birthday when I first saw him running like a dog, as prospects do, during a family club function. I knew he was far older than me since he'd served in the Army with my brother-in-law, Deck. He was definitely too old for me in the eyes of everyone else. I knew the rules, and I'd be breaking too many of them for this not to be trouble. He was a prospect, making him off-limits. I wasn't even 18, making me off-limits. I was also a club princess, daughter of the Vice President of the Aces High MC - Charleston Chapter. That, more than anything else, made me off-limits. Still, I watched and waited for the moment when I could make myself unforgettable to him, because my heart had no limits, and it wanted Joker. Joker prospecting for the MC was turning out to be a tougher gig than I had originally imagined. I wasn't exactly known for taking blind orders well, or taking shit from anyone in my life, so undergoing prospect hazing was trying my last damn nerve. The never-ending line of patch-chasing females was sure to make the discomfort worth my wait. Then again, I wasn't one to do easy conquests either. The shy cutie who had been staring at me all night from the corner seemed like just the challenge my worn down soul needed. She was a challenge all right. Nearly cost me everything in the end. Now, I'm stuck with a liar, an old lady, and one crazy-ass impending shotgun wedding. NOTE: This is book 3 in a series of 5 that must be read in order. Midnight Jewel

A #1 NEW YORK TIMES BEST SELLER The Selection meets Reign in this dazzling trilogy of interwoven novels about three girls on a quest for freedom and true love from #1 internationally bestselling author Richelle Mead. "Brilliant and original, Mead's new series starts off with a bang and will leave readers on the edge of their seats until the very end." —School Library Journal For a select group of girls, the Glittering Court offers a shot at a life they've only ever dreamed of, one of luxury, glamour, and leisure. To high-born Adelaide, whose wealthy family is forcing her into a loveless marriage, the Glittering Court represents something else: the chance to chart her own destiny, and adventure in an unspoiled, prosperous new land across the sea. After a chance meeting with the dazzling Cedric Thorn,

Adelaide poses as a servant to join the crop of impoverished girls he promises to transform into proper ladies. But her familiarity with upper class life comes with a price: she must hide her identity from her new friends, mysterious refugee Mira and fiery former laundress Tamsin, and most importantly, from Cedric himself—even though she's falling in love with him. Everything begins to crumble when Cedric discovers Adelaide's ruse, and she catches the eye of a powerful young governor, who wants her for a wife. She didn't leave the gilded cage of her old life behind just to become someone else's property. But nothing is as daunting—or as wonderful—as the potent, forbidden attraction simmering between Adelaide and Cedric. One that, if acted on, would make them both outcasts in a wild, dangerous, uncharted world, and possibly lead them to their deaths.
