I stayed up reading until 11:00 p.m. with only one thought in my mind: one more chapter!” —Ben H., age 11

Blood Law

In the late twentieth century, Admiral Julian 3rd can get no rest, for he knows his future. He will be reborn as his grandson in the next century to journey through space and make an ominous discovery inside the moon; he will live again in the dark

years of the twenty-second century as Julian 9th, who refuses to bow down to the victorious Moon Men; and as Julian 20th, the fierce Red Hawk, he will lead humanity's final battle against the alien invaders in the twenty-fifth century. The moon maid is Edgar Rice Burroughs's stunning epic of a world conquered by alien invaders from the moon and of the hero Julian, who champions the earth's struggle for freedom, peace, and dignity.

Montana Surrender (Daring Western Hearts Series, Book 1)

The Epic New York Times Bestseller Finalist for the Pulitzer Prize Finalist for the National Book Critics Circle Award A New York Times Notable Book Winner of the Texas Book Award Winner of the Oklahoma Book Award This stunning historical account of the forty-year battle between Comanche Indians and white settlers for control of the American West “is nothing short of a revelation...will leave dust and blood on your jeans” (The New York Times Book Review). Empire of the Summer Moon spans two astonishing stories. The first traces the rise and fall of the Comanches, the most powerful Indian tribe in American history. The second entails one of the most remarkable narratives ever to come out of the Old West: the epic saga of the pioneer woman Cynthia Ann Parker and her mixed-blood son Quanah, who became the last and greatest chief of the Comanches. Although readers may be more familiar with the tribal names Apache and Sioux, it was in fact the legendary fighting ability of the Comanches that determined when the American West opened up. Comanche boys became adept bareback riders by age six; full Comanche braves were considered the best horsemen who ever rode. They were so masterful at war and so skillful with their arrows and lances that they stopped the northern drive of colonial Spain from Mexico and halted the French expansion westward from Louisiana. White settlers arriving in Texas from the eastern United States were surprised to find the frontier being rolled backward by Comanches incensed by the invasion of their tribal lands. The war with the Comanches lasted four decades, in effect holding up the development of the new American nation. Gwynne’s exhilarating account delivers a sweeping narrative that encompasses Spanish colonialism, the Civil War, the destruction of the buffalo herds, and the arrival of the railroads, and the amazing story of Cynthia Ann Parker and her son Quanah—a historical feast for anyone interested in how the United States came into being. Hailed by critics, S. C. Gwynne’s account of these events is meticulously researched, intellectually provocative, and, above all, thrillingly told. Empire of the Summer Moon announces him as a major new writer of American history.

Shades of the Moon: Book 1

An astonishing untold story from the nineteenth century—a “riveting...engrossing...‘American Epic’” (The Wall Street Journal) and necessary work of history that reads like *Gone with the Wind* for the Cherokee. “A vigorous, well-written book that distills a complex history to a clash between two men without oversimplifying” (Kirkus Reviews), *Blood Moon* is the story of the feud between two rival Cherokee chiefs from the early years of the United States through the infamous Trail of Tears and into the Civil War. Their enmity would lead to war, forced removal from their homeland, and the devastation of a once-proud nation. One of the men, known as The Ridge—short for He Who Walks on Mountaintops—is a fearsome warrior who speaks no English, but whose exploits on the battlefield are legendary. The other, John Ross, is descended from Scottish traders and looks like one: a pale, unimposing half-pint who wears modern clothes and speaks not a word of Cherokee. At first, the two men are friends and allies who negotiate with almost every American president from George Washington through Abraham Lincoln. But as the threat to their land and their people grows more dire, they break with each other on the subject of removal. In *Blood Moon*, John Sedgwick restores the Cherokee to their rightful place in American history in a dramatic saga that informs much of the country’s mythic past today. Fueled by meticulous research in contemporary diaries and journals, newspaper reports, and eyewitness accounts—and Sedgwick’s own extensive travels within Cherokee lands from the Southeast to Oklahoma—it is “a wild ride of a book—fascinating, chilling, and enlightening—that explains the removal of the Cherokee as one of the central dramas of our country” (Ian Frazier). Populated with heroes and scoundrels of all varieties, this is a richly evocative portrait of the Cherokee that is destined to become the defining book on this extraordinary people.

“A cornucopia of dazzling, sharp ideas set in rich, wry prose that rewards rumination with layers of delight. Provocative, erudite, inventive, resplendent.”—Ken Liu, author of *The Grace of Kings* In a future of near-instantaneous global travel, of abundant provision for the needs of all, a future in which no one living can remember an actual war...a long era of stability threatens to come to an abrupt end. For known only to a few, the leaders of the great Hives, nations without fixed location, have long conspired to keep the world stable, at the cost of just a little blood. A few secret murders, mathematically planned. So that no faction can ever dominate, and the balance holds. And yet the balance is beginning to give way. Mycroft Canner, convict, sentenced to wander the globe in service to all, knows more about this conspiracy than he can ever admit. Carlyle Foster, counselor, sensayer, has secrets as well, and they burden Carlyle beyond description. And both Mycroft and Carlyle are privy to the greatest secret of all: Bridger, the child who can bring inanimate objects to life. Shot

through with astonishing invention, *Seven Surrenders* is the next movement in one of the great SF epics of our time. “*Seven Surrenders* veers expertly between love, murder, mayhem, parenthood, theology, and high politics. I haven't had this much fun with a book in a long time.” —Max Gladstone, author of *Three Parts Dead*

Empire of the Summer Moon

Five short novels by five masters of military science fiction. It's a war out there. In these pulse-pounding tales, the best (or worst) soldiers in the galaxy are pitted against powerful aliens on distant battlefields. Never before published stories about monsters, deadly combat tech, treachery, and honor: *LEGIO PATRIA NOSTRA*-by William C. Dietz. The insectoid Ramanthians have occupied Earth, and the Confederacy of Sentient Beings needs assistance from the xenophobic Hudathans in order to survive. But some Hudathan relics have been stolen, and the Hudathans won't join the Confederacy unless Legion Captain Deacon Smith can get them back. And that's going to be difficult because the thieves are ex-legionnaires-and they have a platoon of heavily armed cyborgs! A Legion of the Damned(r) story. *PRISONER OF WAR*-by Kevin J. Anderson. Set in the world of Harlan Ellison's classic *Outer Limits* episode "Soldier, " this is a tale about a set of warriors in a never-ending future war, men bred for nothing but the battleground-and how they cope with the horrors of peace. *REARDON'S LAW*-by Brad R. Torgersen. When expensive, classified shipments of military hardware go missing, Conflux Armed Forces policewoman Kalliope Reardon is called in to work the case. She gets way more than she bargained for, as the trail takes her far outside the boundaries of the civilized galaxy, and into the heart of occupied enemy territory. *DAGGER TEAM SEVEN*-by R. M. Meluch. The evidence is clear and damning-A. C. Cade was a fraud. Cade's son makes himself into the man he used to believe his father was-a pilot of an elite Dagger Team, defending Earth against a desperate alien invader which has no use for humankind and absolutely nothing to lose. *COFFEE BLACK SEA*-by Aaron Allston. The saga of the Dollgangers from "Big Plush" (*Five by Five* Vol. 1) continues. Bow, BeeBee, Lina, and new 'gangers escalate the risks of their quest for survival by turning their eyes to the star

WILL THEY MAKE IT OUT ALIVE? Navy SEAL Griffin Porter has been flirting with the lovely Miranda Slade for the past two months as they have commuted on the same Amtrak train. Miranda is smart, funny, caring and, unbeknownst to him, one of the bravest people he'll ever meet. Today is the day for him to finally seal the deal, and make sure they start actually dating. *Wolf Steel* gets on the train with his wife Caroline, along with many other passengers, as the train glides past the

beaches of the Pacific Ocean. A thunderous crash leaves their rail car hanging over a cliff. The situation just got screwed up beyond belief, and even though Wolf is on board, Griff is going to need extra help to get out of this one. With the cliff edge faltering, and rough terrain between the road and train, it's going to take more than just normal emergency responders to rescue those aboard. Will Wolf's SEAL team and the Midnight Delta team, make it in time?

Black Moon Rising

"When a man is denied the right to live the life he believes in, he has no choice but to become an outlaw." ~ Nelson Mandela Lana, a wayward senator's daughter and dark angel in the making, must earn her freedom and her wings. Law, the underworld lord of a secret clan, captures her and gives her the space to battle her demons. But once she spreads her wings, will he set her free? RULE OF LAW A vengeance quest that began twenty-five years ago Sold to the highest bidder, Alana Conti must fight for her life--and for her soul--when she comes face to face with Law, the mysterious underworld boss who obeys no laws but his own. His touch is commandingly sensual and Alana yields, taking the first steps into his intriguing life of crime and web of carnal promise. Law's heart burns white hot but not for Lana--for revenge. The unspeakable crimes committed against his family cannot go unpunished. Senator Conti's beautiful, rebellious daughter is the perfect lure to draw his sworn enemy out from an island fortress. As Lana becomes an integral part of Law's high-stakes world of vice, spies, and global politics, she accepts the reality of her situation: she's fallen in love with an outlaw who can give her everything but her independence... and his love. Forced to acknowledge his feelings for Lana, Law has no option but to surrender the one thing she desires most--her freedom...

A captivating paranormal from a rising voice in erotic romance. As undisputed Alpha, Rafael must choose a life mate to preserve the dominance of his Lycan pack. He never suspected his mate would be a human, the same wounded girl-woman he seduced from the brink of death. Falon is a dangerous combination of Lycan and Slayer-bred to destroy his kind. She's also a mesmerizing beauty whose sensuality tempts the warrior to take risks. Surrendering to their primal heat could destroy them both for a vengeful foe awaits to take what is rightfully his by Blood Law.

The Century Dictionary

The Blood Sword Legacy Bound by a brotherhood forged in the hell of a Saracen prison, eight Blood Swords -- mercenary knights for William the Conqueror -- set out to claim their legacies the only way they can: by right of arms, by right of victory, by right of conquest. For Sir Rohan du Luc, known as the Black Sword, enemies fall easily beneath his assault until

he comes face-to-face with a foe more worthy than any battle-hardened knight. Bold and courageous though she is, Saxon maiden Isabel of Alethorpe cannot stop Rohan de Luc from seizing Alethorpe and its people in the name of William the Conqueror. Then Rohan demands not just the manor, but Isabel herself. She vows that her heart will remain her own, even if she is forced to allow him to lay claim to her body. But while the lady's lips say no, Isabel's traitorous body is awakened to desire by the seductive attentions of this potent invader. Can she remain true to her Saxon heritage and her hopes that her brother may have survived the battlefield, or will Sir Rohan's skilled touch capture her unwilling heart as surely as his prowess with his sword captured her father's lands?

The Cycle of the Red Moon Volume 1: the Harvest of Samhein

The coming of the Blood Moon will lead two Lycan packs into war, spur two rival brothers into conflict, and spark an act of vengeance so evil that its effects will be felt for generations. One woman stands at the center of it all After years of waiting, the Blood Law is at last avenged. Lycan Alpha Lucien Mondragon takes revenge on his brother, Rafael. Lucien is poised to slay Rafael's life mate, the Lycan/Slayer half-breed Falon- but cannot complete the kill. For Falon's mystical powers and fiery nature awaken a heart Lucien thought long dead. Instead of ending her life, Lucien defiantly marks Falon as his own, tormenting his brother to insanity and spurning Rafael's blood thirst for his own revenge. Though terrified by the savage Lucien, Falon finds herself inexplicably drawn to his primal rage and strength by a desire she cannot resist. Torn between the true love she has for Rafael and the burning hunger she holds for Lucien, Falon knows that the will of her heart will lead her to her destined life mate. But it may also doom the Alpha brothers-and the Lycan race-to extinction

Red Riding Hood

Captain's Surrender

Ambitious and handsome, Joshua Andrews had always valued his life too much to take unnecessary risks. Then he laid eyes on the elegant picture of perfection that is Peter Kenyon. Soon to be promoted to captain, Peter Kenyon is the darling of the Bermuda garrison. With a string of successes behind him and a suitable bride lined up to share his future, Peter seems completely out of reach to Joshua. But when the two men are thrown together to serve during a long voyage under a sadistic commander with a mutinous crew, they discover unexpected friendship. As the tension on board their vessel heats up, the closeness they feel for one another intensifies and both officers find themselves unable to reign in their passion. Let yourself be transported back to a time when love between two men in the British Navy was punishable by death, and to a story about love, about honor, but most of all, about a Captain's Surrender.

Surrender the Key (The Library Book 1)

As Japan's empire crumbles, an island paradise ignites in revolution... Praise for Part One: "Exquisitely written...an exciting, brutal slice of history"—BookLife by Publishers Weekly Prize in Fiction Kate van Dam is struggling to survive the squalor and deprivation of an internment camp. Faced with a sick mother, little food and medicines she accepts the dubious offer of 'hostess work' at Japanese officers' club. Japan's surrender saves Lt Kenichi Ota from a suicidal last stand. But to save the woman he loves he will have to draw his sword once again Highlander Alun MacDonald has had his fill of the British Army but finds himself facing a new, unpredictable foe and having to trust his former enemies with his life... Lamban longs for independence for Indonesia. A chance encounter with an activist plunges him into a teeming, dangerous world of secret societies, plots and the whirlwind of revolution... War Correspondent Meg Graham is expecting to cover Japan's defeat. Instead she is pitched into a ruthless struggle for an empire unrestrained by rules of war. "A good, realistic account based on actual events. Well worth reading!" — Stuart Guild (27th Field Regt Royal Artillery, Burma 1944-45) Japan's sudden surrender ends the Second World War but triggers the Indonesian declaration of independence from the Netherlands,

catching the returning Dutch and 'Southeast Asia's peacekeepers', the British, by surprise. In a chaotic, mistrustful peace the British order the Japanese to defend the white colonial order. Recent foes have no choice but to become allies of a kind. In greatest peril are 80,000 European women and children interned by the Japanese. Defenceless, abandoned and half-starved, some of them former sex slaves of the Japanese, they become hostages to fortune. As their former guards become their guardians, protecting them from hostile, armed mobs, hatreds and prejudices are hastily re-examined. British, Gurkha and Indian troops, veterans of the bitter Burma campaign against the Japanese, arrive in Java expecting a warm welcome, grateful civilians and easy duties. Very soon their orders are rewritten, and their mission and motives questioned, as they face determined, massive and frequently suicidal opposition in the war for Java.... "An almost tangible glimpse of the chaos that was Java in 1945-46. Marron's writing, infused with imaginative speculation, is sweeping, poignant, passionate and unflinching." (Publisher's Catalogue)

Idalia: a Novel

If Saul Ade had known that stepping into his sister's life would make him a player in the goddess Allendra's unforgiving game, he would have never left the shadows. If he doesn't accept the mate she has chosen for him by the rise of the next Blood Moon, the Sídhé will become human. Unfortunately, the woman he must make his love is a mermaid who once tried to drown his sister's human best friend. If he'd wanted a mate at all, reckless Laurel O'Cuilinn wouldn't be it. Laurel's devastated to learn that Saul would rather cede Allendra's challenge than to be with her, but she's too practical to sulk. Four weeks isn't much time to make Saul cast aside his grudges, and she'll do what she must to help the Sídhé retain their magic—even if it means turning on some of the mermaid charm her fated mate finds so repugnant. Allendra's not the only one who can play games. But unlike the goddess, Laurel plans to play for love—not with it.

The Wolf's Surrender

Haunted, schmaunted. Bastian, infamous playboy and the current Earl of Weymouth doesn't believe his English castle is haunted. So what if a few windows and lightbulbs shatter? That happens. OK, bleeding portraits are hard to explain But he

is not going to be deterred. Not even by Jane, a seductive-as-sin grad student who has assigned herself the task of ghost hunting at Stormclyffe Hall. All Bastian wants is to restore his ancestral home, not be distracted by her curvy hips, bedroom eyes and gorgeous smile- Fine, maybe he does want to get naked with Ms. GhostBuster, but that's only because she practically follows him around, nosing into his daily life. And yes, because she looks so damnably sexy, however, he refuses to give into lust. No matter how much she tempts him. But when the ghosts up the ante and try to kill them, Bastian realizes he will have to keep Jane close. Very, very close. Purely to protect her, of course. At least that's what he tells himself. All bets-and some clothes-are off, as he shows her what a real earl is made of. *This book was previously published in 2014 by Entangled Publishing and has been re-released.
