The Beatles

Without the determination, magnetism, vision, good manners, respectable clothes and financial security of Brian Epstein, no one would ever have heard of John, Paul, George, and Ringo. In Liverpool, in December 1961, Brian Epstein met the Beatles in his small office and signed a management deal. The rest may be history, but it's a history that Epstein created, along with a blueprint for all pop groups since. Out of the public eye, Epstein was flamboyant and charismatic. He drank, gambled compulsively and took drugs to excess. But people remember his wit, charm and capacity to inspire affection and loyalty. That's when he wasn't depressed, even suicidal. Epstein was Jewish in a society filled with anti-Semitism. He was homosexual at a time when it was a crime to be gay, and from his teenage days to the end of his life he suffered arrests, beatings and blackmail--all of which had to be kept secret. In *In My Life: The Brian Epstein Story*, Debbie Geller tells the story of Epstein's complicated life through the reminiscences of his friends and family. Based on dozens of interviews--with Paul McCartney, George Martin and Marianne

Faithfull, among others--plus many of Epstein's personal diaries, this book uncovers the truth behind the enigmatic young man who unintentionally caused a cultural revolution--and in the process destroyed himself.

George Harrison: Behind The Locked Door

Richard Roud, film writer and co-founder and director of the New York Film Festival, was one of the most influential film critics of the twentieth century. Renowned for his close relationships with French New Wave directors such as Godard and Truffaut, he played a key role in bringing European art cinema to the attention of American and British audiences. This anthology brings together selected writings from his published works with previously unpublished archival material – from an unfinished study of Truffaut, to extracts from his books on film-makers such as Straub-Huillet and Ophüls, and articles for The Guardian and Sight & Sound. Charting Roud's journey through the world of film festivals and film criticism from the 1950s to the 1980s, *Decades Never Start on Time* provides a fascinating insight into the flourishing film culture of the era. With a preface by David Thomson.

The most famous pop band in the world, even today The Beatles hold center stage. Anyone who lived through the 1960s remembers them and the digital remastering of their output has ensured that younger generations know them too. How could they not? The songs will live forever and are regularly reused in film or TV scores, on advertisements, and on radio channels everywhere. With such coverage and interest, how can there be anything new to say about the band? The Beatles: The Days of Their Life manages to do so thanks to the remarkable collection of photographs housed in Mirropix, the library of the Daily Mirror, Britain's premier popular daily. With so much interest in the band, photographers were always looking to cover not just the major events that all the media attended, but smaller more intimate moments. And then, of course there were the paparazzi: the Beatles were perfect targets for this new breed of photographer who didn't ask for permission to take their photos and followed George, Paul, John, and Ringo wherever they went. Mirropix has a sensational collection of material taken to feed an insatiable desire to see the band, its families, hangers on and what they did. Record launches, publicity events, holidays, flights in and out of the country. TV broadcasts, film work, births, deaths, and marriages: everything was photographed. With this sort of coverage, unsurprisingly much material was not published and it is this treasure trove that is exploited in The Beatles: The Days of Their Life.

The Beatles Complete Chord Songbook

As recommended by USA Today and excerpted on RollingStone.com! Still the Greatest is a love song to the songwriting and recording achievements of Paul, John, George, and Ringo after each struck out on his own. In this creative history, Jackson selects the best songs by each in his solo career and organizes them into fantasy albums they might have formed had they stuck it out. This romp through the post-Beatle history of each artist delves into the circumstances behind the

composition, recording, and reception of each work, offering a refreshing take on how spectacular much of the Beatles' second act truly is. Jackson assesses the over seventy albums and nine hundred songs they collectively released, selecting the crème de la crème of their output.

The Beatles Anthology

****NOTE: EBOOK DOES NOT INCLUDE ANY IMAGES**** Every album and every song ever released by the Beatles?from "Please Please Me" (U.S. 1963) to "The Long and Winding Road" (U.S. 1970)?is dissected, discussed, and analyzed by two music historians in this lively and fully illustrated work. All the Songs delves deep into the history and origins of the Beatles and their music. This first-of-its-kind book draws upon decades of research, as music historians Margotin and Guesdon recount the circumstances that led to the composition of every song, the recording process, and the instruments used. Here, we learn that one of John Lennon's favorite guitars was a 1958 Rickenbacker 325 Capri, which he bought for £100 in 1960 in Hamburg, Germany. We also learn that "Love Me Do," recorded in Abbey Road Studios in September 1962, took 18 takes to get right, even though it was one of the first songs John and Paul ever wrote together. And the authors reveal that when the Beatles performed "I Want to Hold Your Hand" on The Ed Sullivan Show in 1964, John's microphone wasn't turned on, so viewers heard only Paul singing. All the Songs is the must-have Beatles book for the any true Beatles fan.

(Piano/Vocal/Guitar Artist Songbook). The fall of 1995 witnessed a resurgence of the powerful cultural phenomenon 'Beatlemania.' There was a two-volume, retrospective CD set released in conjunction with this special, and these songbooks feature selections

from the The Beatles Anthology, Volumes I, II, and III. Volume I includes 'Free As A Bird' and 26 more Beatles classics: Can't Buy Me Love * From Me to You * A Hard Day's Night * Hello Little Girl * I Want to Hold Your Hand * Love Me Do * Money * Please Please Me * She Loves You * Twist and Shout * You Really Got a Hold on Me * You'll Be Mine * and more.
