Principles of Ignatian Leadership

This is Henri Nouwen's "secret journal." It was written during the most difficult period of his life, when he suddenly lost his self-esteem, his energy to live and work, his sense of being loved, even his hope in God. Although he experienced excruciating anguish and despair, he was still able to keep a journal in which he wrote a spiritual imperative to himself each day that emerged from his conversations with friends and supporters. For more than eight years, Henri Nouwen felt that what he wrote was too raw and private to share with others. Instead, he published *The Return of the Prodigal Son*, in which he expressed some of the insights gained during his mental and spiritual crisis. But then friends asked him, "Why keep your anguish hidden from the many people who have been nurtured by your writing? Wouldn't it be of consolation for many to know about the fierce inner battle that lies underneath so many of your spiritual insights?" For the countless men and women who have to live through the pain of broken relationships, or who suffer from the loss of a loved one, this book about the inner voice of love offers new courage, new hope, even new life. From the Trade Paperback edition.

The Road to Daybreak

Presents advice on ways to inspire confidence in management and achieve lasting success in an organization.

Before You Split

Henri Nouwen, a Dutch Roman Catholic priest, was one of the most beloved and important spiritual writers of the twentieth century. Since his death in 1996, his stature has only increased; and his books, including *The Inner Voice of Love*, *The*

Wounded Healer, and The Return of the Prodigal Son, have become cherished classics. For thousands of readers around the world, Nouwen's influence as a teacher and author is considered equal to, or greater than, that of the century's great spiritual writers, C. S. Lewis and Thomas Merton. Although Nouwen could be radically revealing about his personal thoughts and struggles, there are nonetheless gaps in our understanding of who he was. With Wounded Prophet, readers are given the first extensive look into this man who touched so many, not only through his own words but, most powerfully, through the eyes of those around the world who knew Nouwen best. While researching this compelling biography, BBC producer Michael Ford conducted wide-ranging interviews with Nouwen's friends, colleagues, and family members. What he discovered was far more compelling than what he had imagined: Though Nouwen was indeed the generous and loving man many thought he was, he was also never able to find consistent peace in his own life. Tormenting him were profound feelings of anxiety, insecurity, and loneliness. This portrait gives an honest and well-balanced account of Nouwen's life that leaves no stone unturned, investigating his childhood, his family, his sexuality, and his life as a priest and member of the L'Arche Daybreak community in Toronto. From the Trade Paperback edition.

Love, Henri

Finishing Well

Author Bob Buford called them "code breakers". They are people age 40 and older who have pioneered the art of finishing well in these modern times, and who can teach us to do the same, starting today. Buford sought out 60 of these trailblazers—including Peter Drucker, Roger Staubach, Jim Collins, Ken Blanchard and Dallas Willard—and has recorded their lively conversations in these pages so that they can serve as "mentors in print" for all of us. "Twenty years from now," Buford writes, "the rules for this second adulthood as a productive season of life may be better known. But for now, we're out across the frontier breaking new ground." Buford gives you a chance to sit at the feet of these pioneers and learn from them about Finishing Well so that you may shift into a far more fulfilling life now, no matter your age. A life of significance that will be a legacy for future generations too.

The Lost History of Christianity

With over a million copies sold, this classic work is essential reading for all who ask, “Where has my struggle led me?” A chance encounter with a reproduction of Rembrandt’s *The Return of the Prodigal Son* catapulted Henri Nouwen on an unforgettable spiritual adventure. Here he shares the deeply personal and resonant meditation that led him to discover the place within where God has chosen to dwell. As Nouwen reflects on Rembrandt’s painting in light of his own life journey, he evokes a powerful drama of the classic parable in a rich, captivating way that is sure to reverberate in the hearts of readers. Nouwen probes the several movements of the parable: the younger son’s return, the father’s restoration of sonship, the elder son’s resentment, and the father’s compassion. The themes of homecoming, affirmation, and reconciliation will be newly discovered by all who have known loneliness, dejection, jealousy, or anger. The challenge to love as God loves, and to be loved as God’s beloved, will be seen as the ultimate revelation of the parable known to Christians throughout time, and is here represented with a vigor and power fresh for our times.

Celtic Christianity

A beautiful collection of reminiscences celebrating the life and works of the bestselling author of *The Wounded Healer*, *The Return of the Prodigal Son*, and *The Inner Voice of Love*. Henri Nouwen (1932-96) was a Catholic priest who taught at several theological institutions and universities in his home country of the Netherlands and in the United States. He spent the final years of his life teaching and ministering at the L’Arche Daybreak Community in Toronto, Canada. His writings have touched millions of readers around the world, and since his death, recognition of their enduring value has continued to grow. Oprah Winfrey, one of Nouwen’s many admirers, ran an extensive excerpt from *The Return of the Prodigal Son* in her magazine, *O*, with Hillary Clinton contributing an introduction revealing the profound effect Nouwen had on her own life.

Nouwen's influence was not limited to the printed page. His one-on-one encounters as a lecturer, teacher, and spiritual guide, and as a leader at the L'Arche Daybreak Community, a home for people with mental and physical disabilities, enriched the lives of a wide variety of people. Now, *Befriending Life* brings together thoughtful, heartfelt remembrances of Nouwen by those who knew him best, from members of the L'Arche community to such prominent figures as Joseph Cardinal Bernardin of Chicago and Hillary Clinton. Their personal reflections on his life both on and off the page magnificently capture his spirit, compassion, and wisdom. With a wealth of quotations from Nouwen throughout, *Befriending Life*, like Nouwen's own great books, will inspire readers in all walks of life.

Spiritual Journals

When Henri Nouwen left the world of academe and headed for the village of Trosly in France, he sought a place that would lead him "closer to the heart of God." Arriving at L'Arche community in Trosly, he felt as if he had finally "come home." Indeed, it was destined to change his life forever. *The Road to Daybreak* is Henri Nouwen's intimate diary that records his poignant year at L'Arche, which began in the summer of 1985, a precious time of inner renewal and self-discovery. With simplicity and honesty, he describes how the experience changed his attitudes and enriched his spiritual life. Here Nouwen recounts the struggles and self-doubts he faced along this rocky road to a new vocation as he introduces us to the people of L'Arche and many others whose impact on him was deep and life-lasting. Such was the impact of this experience that he chose to say yes to the call to go to L'Arche Daybreak Community in Toronto and make it his permanent home and ministry. Rich in insights and sparkling with touching and inspiring anecdotes, *The Road to Daybreak* invites the reader to join this renowned spiritual writer on his journey to a deeper understanding of God and the human family.

Heaven's Ditch

Offers guidance in living in the spirit of Jesus Christ seeking to contact the personal self, fellow human beings, and God

Clowning in Rome

A classic work by one of this century's most beloved spiritual writers now reissued. The inspirational writings of Henri Nouwen have touched millions of readers all over the world, and since his death in September 1996, widespread recognition of their enduring value has continued to grow. Now, after being unavailable for several years, Nouwen's *Clowning in Rome* is available again as an Image trade paperback. In this classic account of the time he spent in Rome, Nouwen offers reflections and spiritual insight characteristic of his best works. During the months in Rome, it wasn't the red cardinals or the Red Brigade who had the most impact on Nouwen, but the little things that took place between the great scenes. In

some ways, Nouwen discovered, the real and true story was told by the clowns he often saw in the city streets. In his own words, from the Introduction to Clowning in Rome: "The clowns are not the center of events. They appear between the great acts, fumble and fall and make us smile again after the tensions created by the heroes we came to admire. The clowns don't have it together--they are awkward, out of balance and left-handed, but--they are on our side. The clowns remind us with a tear and a smile that we are sharing the same human weakness. The longer I was in Rome, the more I enjoyed the clowns, those peripheral people who by their humble, saintly lives evoke a smile and awaken hope, even in a city terrorized by kidnapping and street violence."

Foolishness to the Greeks

Connective Leadership describes a new leadership model that the author feels is essential for coping with the competing trends of global interdependence and increasing diversity which are rendering all leadership styles obsolete. Connective leadership emphasises collaboration over authoritarianism, and the creation of short term coalitions instead of long-term political and business alliances. Using extensive research analysing the leadership styles of more than 5,000 leaders and managers world-wide, Lipman-Blumen has developed an innovative nine-part strategy for flourishing within the demands of interorganisational relationships.

Wisdom Distilled from the Daily

In the final year before his death, Nouwen began to write an account of the death of his friend Adam, a severely handicapped young man. Through this story, Nouwen found a new way to tell God's story and the story of all human creatures, broken and yet beloved.

Henri Nouwen and Soul Care

Wise and enduring spiritual guidelines for everyday living -- as relevant today as when The Rule was originally conceived by St. Benedict in fifth century Rome.

Thoughts In Solitude

In this concise, one-volume systematic theology, celebrated scholar Anthony Thiselton comprehensively covers the spectrum of Christian doctrine with an eye to practical application for Christian discipleship. Written with students and busy ministers in mind, this book is readable and accessible, comprising fifteen chapters of relatively equal length, with each

chapter containing five evenly balanced subsections for teaching and learning convenience. Rather than setting out an abstract system, Thiselton explores theology as a living, organic whole. The book thus includes biblical foundations, historical thought, contemporary writers, and practical implications. Expertly incorporating biblical exegesis, philosophy, conceptual grammar, and hermeneutics, this work is the most succinct multidisciplinary systematic theology available.

Emotional Fitness for Couples (Large Print 16pt)

'Just as the whole world of beauty can be discovered in one flower, so the great grace of God can be tasted in one small moment'. This observation is central to the probing spiritual journey of Henri Nouwen during his seven-month stay in a Trappist monastery, the Abbey of the Genesee in upstate New York.

Walking the Compassionate Road

Topics include: what the word "love" really means; the importance of physical touch; how to date your mate; how to achieve emotional balance; ways to deal with finances; tricks for stopping an argument before it starts; goal-setting strategies for couples; ways to deal with being apart; tips for coping with hurt before it turns into resentment; and much more.

Affect Regulation Theory: A Clinical Model

The Wounded Healer is a hope-filled and profoundly simple book that speaks directly to those men and women who want to be of service in their church or community, but have found the traditional ways often threatening and ineffective. In this book, Henri Nouwen combines creative case studies of ministry with stories from diverse cultures and religious traditions in preparing a new model for ministry. Weaving keen cultural analysis with his psychological and religious insights, Nouwen

has come up with a balanced and creative theology of service that begins with the realization of fundamental woundedness in human nature. Emphasizing that which is in humanity common to both minister and believer, this woundedness can serve as a source of strength and healing when counseling others. Nouwen proceeds to develop his approach to ministry with an analysis of sufferings -- a suffering world, a suffering generation, a suffering person, and a suffering minister. It is his contention that ministers are called to recognize the sufferings of their time in their own hearts and make that recognition the starting point of their service. For Nouwen, ministers must be willing to go beyond their professional role and leave themselves open as fellow human beings with the same wounds and suffering -- in the image of Christ. In other words, we heal from our own wounds. Filled with examples from everyday experience, *The Wounded Healer* is a thoughtful and insightful guide that will be welcomed by anyone engaged in the service of others.

Love Without Conditions

The Genesee Diary

The technological marvel of its age, the Erie Canal grew out of a sudden fit of inspiration. Proponents didn't just dream; they built a 360-mile waterway entirely by hand and largely through wilderness. As excitement crackled down its length, the canal became the scene of the most striking outburst of imagination in American history. Zealots invented new religions and new modes of living. The Erie Canal made New York the financial capital of America and brought the modern world crashing into the frontier. Men and women saw God face to face, gained and lost fortunes, and reveled in a period of intense spiritual creativity. Heaven's Ditch by Jack Kelly illuminates the spiritual and political upheavals along this "psychic highway" from its opening in 1825 through 1844. "Wage slave" Sam Patch became America's first celebrity daredevil. William Miller envisioned the apocalypse. Farm boy Joseph Smith gave birth to Mormonism, a new and distinctly American religion. Along the way, the reader encounters America's very first "crime of the century," a treasure hunt, searing acts of violence, a visionary cross-dresser, and a panoply of fanatics, mystics, and hoaxers. A page-turning narrative, Heaven's Ditch offers an excitingly fresh look at a heady, foundational moment in American history.

Connective Leadership

Three of the best books by one of the most beloved spiritual writers of our time are found in this beautiful gift edition. Unsparingly honest and beautifully written, the "Spiritual Journals" of Henri Nouwen speak to our times as modern-day classics of the spiritual quest.

The Wounded Healer

During his seven-month stay in a Trappist monastery, Henri Nouwen had a unique opportunity to explore crucial issues of the spiritual life and discover "a quiet stream underneath the fluctuating affirmations and rejections of my little world." Nouwen participated fully in the daily life of the Abbey of the Genesee in upstate New York -- in work and in prayer. From the early weeks in the abbey -- dominated by conflicting desires and concerns -- to the final days of Advent, when he finds a new sense of calm expectation, Nouwen never loses his critical honesty. Insightful, compassionate, often humorous, always realistic, The Genesee Diary is both an inspiration and a challenge to those who are in search of themselves. "The Genesee Diary beautifully lifts the heart and mind to God." --Christianity Today "This is an extraordinary account of a man seeking inner peace and total commitment to God a fine portrait of cloistered life, a beautifully written account of one man's soul-searching." --Publisher's Weekly

Befriending Life

Thoughtful and eloquent, as timely (or timeless) now as when it was originally published in 1956, *Thoughts in Solitude* addresses the pleasure of a solitary life, as well as the necessity for quiet reflection in an age when so little is private. Thomas Merton writes: "When society is made up of men who know no interior solitude it can no longer be held together by love: and consequently it is held together by a violent and abusive authority. But when men are violently deprived of the solitude and freedom which are their due, the society in which they live becomes putrid, it festers with servility, resentment and hate." *Thoughts in Solitude* stands alongside *The Seven Storey Mountain* as one of Merton's most urging and popular works. Thomas Merton, a Trappist monk, is perhaps the foremost spiritual thinker of the twentieth century. His diaries, social commentary, and spiritual writings continue to be widely read after his untimely death in 1968.

The Genesee Diary

Whether we are looking to find our cultural heritage or are seeking an alternative to worn and restrictive religious forms, the inclusive faith of the Christian Celts offers us a deep-rooted alternative approach to traditional Christianity.

A Cry for Mercy

Indian Captive

The rich, complex theory of affect regulation boiled down into a clinically useful guide. Affect regulation theory—the science of how humans regulate their emotions—is at the root of all psychotherapies. Drawing on attachment, developmental trauma, implicit processes, and neurobiology, major theorists from Allan Schore to Daniel Stern have argued how and why regulated affect is key to our optimal functioning. This book translates the intricacies of the theory into a cogent clinical synthesis. With clarity and practicality, Hill decodes the massive body of contemporary research on affect regulation, offering a comprehensible and ready-to-implement model for conducting affect regulation therapy. The book is organized around the four domains of a clinical model: (1) a theory of bodymind; (2) a theory of optimal development of affect regulation in secure attachment relationships; (3) a theory of pathogenesis, in which disordered affect regulation originates in relational trauma and insecure attachment relationships; and (4) a theory of therapeutic actions targeted to repair the affect regulating systems. The key themes of Hill's affect-focused approach include: how and why different patterns of affect regulation develop; how regulatory patterns are transmitted from caretakers to the infants; what adaptive and maladaptive regulatory patterns look like neurobiologically, psychologically, and relationally; how deficits in affect regulation manifest as psychiatric symptoms and personality disorders; and ultimately, the means by which regulatory deficits can be repaired. Specific chapters explore such subjects as self states, mentalization, classical and modern

attachment theory, relational trauma (and its manifestations in chronic dissociation, personality disorders, and pervasive dissociated shame), supporting self-development in therapy, patient-therapist attunement, implicit and explicit therapeutic actions, and many more.

The Shame of Me

“Jenkins is one of America’s top religious scholars.” —Forbes magazine The Lost History of Christianity by Philip Jenkins offers a revolutionary view of the history of the Christian church. Subtitled “The Thousand-Year Golden Age of the Church in the Middle East, Africa, and Asia—and How It Died,” it explores the extinction of the earliest, most influential Christian churches of China, India, and the Middle East, which held the closest historical links to Jesus and were the dominant expression of Christianity throughout its first millennium. The remarkable true story of the demise of the institution that shaped both Asia and Christianity as we know them today, The Lost History of Christianity is a controversial and important work of religious scholarship that sounds a warning that must be heeded.

Enemies of the Heart

Before Nouwen became a bestselling spiritual author in his own right, he wrote a book on Trappist monk Thomas Merton and the eternal truths of the spiritual life.

Encounters with Merton

How can biblical authority be a reality for those shaped by the modern world? This book treats the First World as a mission field, offering a unique perspective on the relationship between the gospel and current society by presenting an outsider's view of contemporary Western culture.

The Return of the Prodigal Son

It was January 1990, the dawn of a new decade and Henri Nouwen, world-renowned spiritual writer, was in France but his writing wasn't going well. Frustrated and discouraged, he decided to go to Lourdes, even though it was the "off season," to give his "anxious heart a rest." This profoundly inspiring journal is the result of his three-day stay. Lourdes restored Nouwen's inner peace and helped him return to his sacred center. He realized, of course, that he did not need to be at Lourdes to find peace and joy. The purity, simplicity, and freedom he experienced "belong to the heart and can be lived anywhere." Whether we have been to Lourdes or not, does not matter. This small journal is bound to touch our own restless

and searching hearts and help us to find again our own sacred center, the living Christ within us.

The Inner Voice of Love

The modern classic that interweaves the solitude, silence, and prayer of the fourth- and fifth-century Egyptian Desert Fathers and Mothers with our contemporary search for an authentic spirituality
