Empire rages, the X-wing fighters risk life and machine to protect the Rebel Alliance. Now they must go on a daring undercover mission--as the crew of an Imperial warship. It is Wedge Antilles' boldest creation: a covert-action unit of X-wing fighters, its pilots drawn from the dregs of other units, castoffs and rejects given one last chance. But before the new pilots can complete their training, the squadron's base is attacked by former Imperial admiral Trigit, and Wraith Squadron is forced to swing into action--taking over an Imperial warship and impersonating its crew. The mission: to gain vital intelligence about Trigit's secret weapons, to sabotage the admiral's plans, and to lure him into an Alliance trap. But the high-stakes gamble pits Wraith Squadron's ragtag renegades against the Empire's most brilliant master of guile and deception. Are they up to the challenge? If not, the penalty is instant death. For six months in 1942, Stalingrad is the center of a titanic struggle between the Russian and German armies—the bloodiest campaign in mankind's long history of warfare. The outcome is pivotal. If Hitler's forces are not stopped, Russia will fall. And with it, the world. German soldiers call the battle Rattenkrieg, War of the Rats. The combat is horrific, as soldiers die in the smoking cellars and trenches of a ruined city. Through this twisted carnage stalk two men—one Russian, one German—each the top sniper in his respective army. These two marksmen are equally matched in both skill and tenacity. Each man has his own mission: to find his counterpart—and kill him. But an American woman trapped in Russia complicates this extraordinary duel. Joining the Russian sniper's cadre, she soon becomes one of his most talented assassins—and perhaps his greatest weakness. ### **Iron Fist: Star Wars Legends (X-Wing)**

World War II is usually seen as a titanic land battle, decided by mass armies, most importantly those on the Eastern Front. Phillips Payson O'Brien shows us the war in a completely different light. In this compelling new history of the Allied path to victory, he argues that in terms of production, technology and economic power, the war was far more a contest of air and sea than land supremacy. He shows how the Allies developed a predominance of air and sea power which put unbearable pressure on Germany and Japan's entire war-fighting machine from Europe and the Mediterranean to the Pacific. Air and sea power dramatically expanded the area of battle and allowed the Allies to destroy over half the Axis' equipment before it had even reached the traditional 'battlefield'. Battles such as El Alamein, Stalingrad and Kursk did not win World War II; air and sea power did.

This novella includes an excerpt from the novel STAR WARS: SURVIVOR'S QUEST by Timothy Zahn and an interview with the author. THE EMPIRE STRIKES A DEAL

The history of the planet Kariiek has been one of seemingly endless violence—thanks to the constantly erupting revolutions among the many divided tribes of the native Eickarie race battling for dominance. Yet none of these tribes has held sway since a mysterious Warlord and his legion of alien mercenaries seized power and began a fifty-year reign of terror. Now, at last, the tide may be turning: the leaders of the warring Eickarie factions have forged an alliance—strong enough to capture a city and corner the Warlord and his minions in their fortress. And the post-Palpatine Empire of the Hand is lending support to this revolt against tyranny by deploying no less a fighting force than the Imperial 501st Legion of stormtroopers. Once infamously known as “Vader’s Fist,” the legendary 501st are the best men for the dangerous objective at hand—capturing the Warlord alive. It’s a risky mission that might be jeopardized when Imperial unit commander Twister and his comrades, Shadow, Cloud, and Watchman, are waylaid by a band of zealous freedom fighters, armed with their own agenda . . . and plenty of firepower. The Eickarie renegades—determined to free hundreds of their people from the Warlord’s dungeons—have an offer to make, and a strategy that could give the Imperials the edge in the bloody showdown to come. But can Twister and his men trust their new allies? Or will they get more than they bargain for?
