Moiraine Damodred and Lan Mandragoran appear, and almost before Rand knows it, he and his friends are fleeing his home village with Moiraine, Lan, and Egwene al'Vere, the innkeeper's daughter, who wishes to become an Aes Sedai. The conclusion of this volume leaves the travelers on the road to Baerlon, barely ahead of the pursuing Trollocs and Draghkar. As they run for their lives,

Moiraine and Lan begin to teach the young people what they need to know to survive in this dangerous world. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Out of the mists of the country's most violent age, he merged to lead his people to the peak of their golden era. The Path of Daggers

The ugly truth about diversity is that some people worry they must give up their power for others to have a chance. La'Wana Harris's Inclusion Coaching method helps people realize that sharing power isn't the same as losing it. The

elephant in the room with diversity work is that people with privilege must use it to allow others equal access to power. This is often why diversity efforts falter—people believe in diversity until they feel that they have to give something up. How do we talk them through this shift? La'Wana Harris introduces Inclusion Coaching, a new tool based on cutting-edge research that identifies the stages of preparation, implementation, and “self-work” necessary to help individuals, teams, and organizations build a sustainable culture of inclusion. Harris's six-stage COMMIT model—Commit to courageous action, Open your eyes and ears, Move beyond lip service, Make room for controversy and conflict, Invite new perspectives, and Tell the truth even when it hurts—provides a proven process for making people aware of their own conscious and unconscious biases and concrete steps to make inclusion an embedded reality. Harris offers managers and diversity coaches new models to empower everyone from employees to CEOs to “do” inclusion and address deep-rooted biases that are often invisible. She addresses the growing need to challenge bias and build authentic cultures where everyone can feel a sense of belonging.
