Book description to come.

## **The Great Marriage Q & A Book**

WITH FEATURETTES FROM NICHOLAS SPARKS AND THE MOVIE CAST, DELETED SCENES, MUSIC VIDEO, AND MORE! IN THEATERS OCTOBER 17, 2014!

Starring Michelle Monaghan, James Marsden, Luke Bracey, and Liana Liberato "Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen." In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in the small town of Oriental, North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back to Oriental for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can forget the passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew -- about Tuck, about themselves, and about the dreams they held dear -- was not as it seemed. Forced to confront painful memories, the two former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living,

and the dead: Can love truly rewrite the past?

## **Glenn Beck Is a Child Rapist**

When the government comes for her mother, Emmeline embarks on a plan to save her family and expose the truth behind the objectives of the United Nations' agenda 21.

## **Political Consultants and Campaigns**

Anthem by Ayn Rand from Coterie Classics All Coterie Classics have been formatted for ereaders and devices and include a bonus link to the free audio book. "I stand here on the summit of the mountain. I lift my head and I spread my arms. This, my body and spirit, this is the end of the quest. I wished to know the meaning of all things. I am the meaning. I wished to find a warrant for being. I need no warrant for being, and no word of sanction upon my being. I am the warrant and the sanction. Neither am I the means to any end others may wish to accomplish. I am not a tool for their use. I am not a servant of their needs. I am not a sacrifice on their alters." — Ayn Rand, Anthem Ayn Rand's dystopian novel imagines a world where the concept of self has been erased. When one man stands against the establishment, he dares to utter the word "I." This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to

hear what you have to say about it. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes

### **Don't Ever Punch a Rockstar**

Swedish Cakes and Cookies has become a modern classic since it was first published in 1945. Modernized and improved over the years, today's full-color edition, with beautiful photographs of each recipe, contains nearly 300 recipes. Some, such as Berry Muffins, Coconut Macaroons, Linzer Torte, and Jelly Doughnuts, may be familiar, while others, such as German Lemon Cake, Almond Meringues, Truffle Tarts, and Toffee Crunch Torte, are deliciously unique. Gluten-free, egg-free, and sugar-free recipes ensure that this book is accessible to all dessert lovers. Beginners and experts will be reminded that baking is both easy and enjoyable when they read the practical advice and step-by-step instructions in each section. Swedish Cakes and Cookies is an essential resource for any home baker, and for anyone who loves to meet with friends for coffee and cake.

### **The Eye of Moloch**

"Thomas Jefferson stands falsely accused of several crimes, among them infidelity and disbelief. Noted historian David Barton now sets the record straight. Having borne the brunt of a smear campaign that started more than two centuries ago, the reputation

and character of American president Thomas Jefferson shows considerable tarnish, as lies and misunderstandings have gathered on his legacy. Noted early-America historian David Barton scours out the truth. Jefferson and Sally: Did he really have children by his slave, Sally Hemings? Jefferson and Jesus: Did he really abandon the faith of his family? Jefferson and the Bible: Did he really want to rewrite the Scripture? Jefferson and the church: Did he really advocate separation? Jefferson and slaves: What is the truth about his slaveholding and his statements that all are created equal? Jefferson and education: Did Jefferson really found the first secular, irreligious university? All of these questions deserve the cleansing light of truth. Barton has gone through the historical records, combed the original documents and letters, and examined the recent evidence, and his findings will upset the establishment. Barton shows the true man, the real Thomas Jefferson. Most readers will have the joy and surprise of meeting him for the very first time"--

### **Agenda 21**

"If you loved Liane Moriarty's Big Little Lies, put this thriller on the top of your list you won't be sure "whodunit" until the very (shocking) end." —Today \*Named one of "50 Best Books for the Beach" by Coastal Living \*Named one of "7 Books You Won't Be Able to Put Down This Month" by InStyle \*Named one of "6 Books to Cure Your Little Big Lies Withdrawal" by Elle.com \*Named one of "20 Must-Read Books for Spring 2017" by Redbook \*Named one of "8 Thrillers

"You Will Devour This Summer" by BuzzFeed Kate, Aubrey, and Jenny first met as college roommates and soon became inseparable, despite being as different as three women can be. Kate was beautiful, wild, wealthy, and damaged. Aubrey, on financial aid, came from a broken home, and wanted more than anything to distance herself from her past. And Jenny was a striver—brilliant, ambitious, and determined to succeed. As an unlikely friendship formed, the three of them swore they would always be there for each other. But twenty years later, one of them is standing at the edge of a bridge, and someone is urging her to jump. How did it come to this? Kate married the gorgeous party boy, Aubrey married up, and Jenny married the boy next door. But how can these three women love and hate each other? Can feelings this strong lead to murder? When one of them dies under mysterious circumstances, will everyone assume, as is often the case, that it's always the husband? A suspenseful, absorbing novel that examines the complexities of friendship, *It's Always the Husband* will keep readers guessing right up to its shocking conclusion. Praise for *It's Always the Husband*: "A page-turning whodunnit that will speak to anyone who's ever had a frenemy." –Ruth Ware, bestselling author of *The Woman in Cabin Ten* "This book is perfect for fans of Liane Moriarty's *Big Little Lies*." –Redbook Magazine "Fans of Ruth Ware and Gillian Flynn meet your next obsession." —BuzzFeed "In the tradition of *Big Little Lies* comes the excellently titled *It's Always the Husband*, a thriller about three friends–frenemies, really—who met as college roommates." –New York Post

## **A Stranger on the Beach**

#1 bestselling author and radio host Glenn Beck exposes the real truth behind the roots of Islamic extremism in Muslim teachings in this sharply insightful handbook that debunks commonly held assumptions about Islam and the dream of a renewed caliphate. From the barbarians of ISIS to the terror tactics of Al-Qaeda and its offshoots, to the impending threat of a nuclear Iran, those motivated by extreme fundamentalist Islamic faith have the power to endanger and kill millions. The conflict with them will not end until we face the truth about those who find their inspiration and justification in the religion itself. Drawing on quotes from the Koran and the hadith, as well as from leaders of ISIS, Al Qaeda, and the Muslim Brotherhood, Glenn Beck seeks to expose the true origins of Islamic extremism as well as the deadly theological motivations behind these agencies of destruction. Using the same unique no-holds-barred style from his bestselling books Control and Conform, Glenn Beck offers straight facts and history about the fundamental beliefs that inspire so many to kill.

## **The Snow Angel**

A couple that has been married for nearly thirty years responds to the most commonly asked questions about marriage, providing insightful answers to questions about sex, finances, in-laws, and many other topics on married life. Original. 20,000 first printing.

## Being George Washington

A plan to destroy America, a hundred years in the making, is about to be unleashed . . . can it be stopped? There is a powerful technique called the Overton Window that can shape our lives, our laws, and our future. It works by manipulating public perception so that ideas previously thought of as radical begin to seem acceptable over time. Move the Window and you change the debate. Change the debate and you change the country. For Noah Gardner, a twentysomething public relations executive, it's safe to say that political theory is the furthest thing from his mind. Smart, single, handsome, and insulated from the world's problems by the wealth and power of his father, Noah is far more concerned about the future of his social life than the future of his country. But all of that changes when Noah meets Molly Ross, a woman who is consumed by the knowledge that the America we know is about to be lost forever. She and her group of patriots have vowed to remember the past and fight for the future—but Noah, convinced they're just misguided conspiracy-theorists, isn't interested in lending his considerable skills to their cause. And then the world changes. An unprecedented attack on U.S. soil shakes the country to the core and puts into motion a frightening plan, decades in the making, to transform America and demonize all those who stand in the way. Amidst the chaos, many don't know the difference between conspiracy theory and conspiracy fact—or, more important, which side to fight for. But for Noah, the choice is clear: Exposing the plan, and

revealing the conspirators behind it, is the only way to save both the woman he loves and the individual freedoms he once took for granted. After five back-to-back #1 New York Times bestsellers, national radio and Fox News television host Glenn Beck has delivered a ripped-from-the-headlines thriller that seamlessly weaves together American history, frightening facts about our present condition, and a heart-stopping plot. *The Overton Window* will educate, enlighten, and, most important, entertain—with twists and revelations no one will see coming.

### **The Wizard**

#1 bestselling author and popular radio and television host Glenn Beck considers the hot-button issue of education in the US, exposing the weaknesses of the Common Core school curriculum and examining why liberal solutions fail. Public education is never mentioned in the constitution. Why? Because our founders knew that it was an issue for state and local governments—not the federal one. It's not a coincidence that the more the federal government has inserted itself into public education over the years, the worse our kids have fared. Washington dangles millions of dollars in front of states and then tells them what they have to do to get it. It's backdoor nationalization of education—and it's leading us to ruin. In *Conform*, Glenn Beck presents a well-reasoned, fact-based analysis that proves it's not more money our schools need—it's a complete refocusing of their priorities and a total restructuring

of their relationship with the federal government. In the process, he dismantles many of the common myths and talking points that are often heard by those who want to protect the status quo. Critics of the current system are just “teacher bashers”...Teachers’ unions put kids firstHomeschooled kids suffer both academically and socially...“local control” is an excuse to protect mediocrity...Common Core is “rigorous” and “state led”...Critics of Common Core are just conspiracy theorists...Elementary school teachers need tenureWe can’t reform schools until we eradicate poverty...school choice takes money away from public schools...Charter schools perform poorly relative to public schools. There is no issue more important to America’s future than education. The fact that we’ve yielded control over it to powerful unions and ideologically driven elitists is inexcusable. We are failing ourselves, our children, and our country. Conform gives parents the facts they need to take back the debate and help usher in a new era of education built around the commonsense principles of choice, freedom, and accountability.

### **Anthem**

Combining biography and George Washington's own writings with his own trademark insights, comments and sidebars, a controversial TV host asserts that Washington's beliefs and values are especially important to remember as the 2012 election approaches. Reprint.

## Conform

“If you liked Big Little Lies, you’ll want to crack open [Little Broken Things].” —Southern Living An unforgettable and moving novel about an affluent suburban family whose carefully constructed façade crumbles with the unexpected arrival of an endangered young girl. I have something for you. When Quinn Cruz receives that cryptic text message from her older sister Nora, she doesn’t think much of it. They haven’t seen each other in nearly a year and their relationship consists mostly of infrequent phone calls and the occasional email. But when a haunted-looking Nora shows up just hours later, a chain reaction is set into motion that will change both of their lives forever. Nora’s “something” is more shocking than Quinn could have ever imagined: a little girl, cowering and wide-eyed. Nora hands her over to Quinn with instructions to keep her safe and disappears, leaving Quinn as the unlikely caretaker of a girl introduced simply as Lucy. “Steeped in menace...a race-to-the-finish family drama” (People), Little Broken Things explores life and death, family and freedom, and the lengths one woman will go to protect the ones she loves.

## Be Glad Your Nose Is on Your Face

Bloodier than Fried Green Tomatoes! Funnier than The Texas Chainsaw Massacre! Welcome to Gil's All Night Diner, where zombie attacks are a regular occurrence and you never know what might be lurking in the freezer . . . Duke and Earl are just

passing through Rockwood county in their pick-up truck when they stop at the Diner for a quick bite to eat. They aren't planning to stick around-until Loretta, the eatery's owner, offers them \$100 to take care of her zombie problem. Given that Duke is a werewolf and Earl's a vampire, this looks right up their alley. But the shambling dead are just the tip of a particularly spiky iceberg. Seems someone's out to drive Loretta from the Diner, and more than willing to raise a little Hell on Earth if that's what it takes. Before Duke and Earl get to the bottom of the Diner's troubles, they'll run into such otherworldly complications as undead cattle, an amorous ghost, a jailbait sorceress, and the terrifying occult power of pig-latin. And maybe--just maybe--the End of the World, too. Gory, sexy, and flat-out hilarious, Gil's All Fright Diner will tickle your funnybone--before ripping it out of its socket! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

### **The Snow Angel**

When Kendra and Seth go to stay at their grandparents' estate, they discover that it is a sanctuary for magical creatures and that a battle between good and evil is looming.

### **An Orange for Frankie**

Parade's "10 Books Written by Women We Can't Wait to Read in 2019" | She Reads' "Most Anticipated Thrillers of Summer 2019" | Pure Wow's "The Best

Beach Reads of Summer 2019" | CrimeReads' "The Most Anticipated Crime Books of Summer" From bestselling author Michele Campbell comes *A Stranger on the Beach*, an edge-of-your seat story of passion and intrigue that will keep you guessing until the very end. Caroline Stark's beach house was supposed to be her crowning achievement: a lavish, expensive space to showcase what she thought was her perfect family. But after a very public fight with her husband, she realizes things may not be as perfect as they seem: her husband is lying to her, the money is disappearing, and there's a stranger on the beach outside her house. As Caroline's marriage and her carefully constructed lifestyle begin to collapse around her, she turns to Aidan, the stranger, for comfort and revenge. After a brief and desperate fling that means nothing to Caroline and everything to him, Aidan's infatuation with Caroline, her family, and her house becomes more and more destructive. But who is manipulating whom in this deadly game of obsession and control? Who will take the blame when someone ends up dead and what is Caroline hiding?

### **Safina**

New York Times bestselling author of *Perfectly Imperfect* From Baron Baptiste, author of *Journey Into Power* and the "spiritual master driving the yoga revolution" (*Self*), a hands-on, step-by-step guide to adapt to your needs and lifestyle to make your body sleek, your mind clear, and your spirit light. ### **The Night Swim**

Hard work and the cowboy life on the 6Bs Ranch is nothing new to old jackrabbit Hitchin Post. As he watches his beloved ranch go through a terrible drought, Hitch begins to look at life in a different way. He learns that despite challenges, there is always something to be thankful for.

### **The Snow Angel**

Exiling themselves from their hometown as well as from each other after a devastating loss, best friends Adrienne and Harper, who were once closer than sisters, are brought back together again by unexpected news and forced to confront their memories, guilt and shared past once and for all.

Original.

## **It IS About Islam**

Twenty miles across the North Dakota border, where the scenery goes from rolling grass prairie to pipeline fields, detective Cassie Dewell has been assigned as the new deputy sheriff of Grimstad—a place people used to be from, but were never headed to—now the oil capital of North Dakota. With oil comes money, with money comes drugs, and with drugs comes the dirtiest criminals wanting to corner the market. In the same small town resides twelve-year-old Kyle Westergaard. Even though Kyle has been written off as the “slow” kid, he has dreams deeper than anyone can imagine. While delivering newspapers, he witnesses a car accident and now has a lot of money and packets of white powder in his possession. When the temperature drops to 30 below and a gang war heats up, Cassie finds that the key to it all might come in the most unlikely form: an undersized boy on a bike who keeps showing up where he doesn't belong.

## **40 Days to Personal Revolution**

A NEW YORK TIMES BESTSELLER In *Arguing With Socialists*, New York Times bestselling author Glenn Beck arms readers to the teeth with information necessary to debunk the socialist arguments that have once again become popular, and proves that the free market is the only way to go. With his trademark humor, Beck lampoons the resurgence of this

bankrupt leftist philosophy with thousands of stories, facts, arguments and easy-to-understand graphics for anyone who is willing to ask the hard questions. He shows that this new shiny socialism is just the same as the old one: a costly and dangerous failure that leaves desperation, poverty, and bodies in its wake.

### **It's Always the Husband**

When you're in the world of Jack Prelutsky, anything can happen. Ogres run wild, dragons sing, and baby eggs hatch. . . . Frogs wear red suspenders in a rainstorm of pigs and noodles. . . . Scranimals gallivant under a pizza the size of the sun. . . . Even the new kid on the block can see that the nation's first Children's Poet Laureate is something big. So, what are you waiting for? Let your parents think you're sleeping, and ride a purple pelican to a land where imagination is king, ridiculous rhymes rule, and laughing out loud is guaranteed! These are Jack Prelutsky's greatest hits! This magnificent treasury of more than one hundred of Jack Prelutsky's most celebrated verses, along with fifteen all-new poems, is a tribute to his gifts to children's literature over the past forty years. Lushly illustrated by rising star Brandon Dorman and featuring a CD with classic performances by the poet himself, it is the perfect volume for any poetry lover's bookshelf.

### **Swedish Cakes and Cookies**

With their parents struggling to make ends meet, Lily and Ryan grow tired of always eating macaroni and

cheese for supper and having their Grandma stay with them, but when Grandma hears their complaints she tells a story about the magic that snow angels can bring.

### **The Original Argument**

THE FACTS. THE FUTURE. THE FIGHT TO FIX AMERICA— BEFORE IT'S TOO LATE. In the words of Harvard economist Niall Ferguson, the United States is “an empire on the edge of chaos.” Why? Glenn Beck thinks the answer is pretty simple: Because we’ve turned our backs on the Constitution. Yes, our country is financially broke, but that’s just a side effect of our broken spirit, our broken faith in government, the broken promises by our leaders, and a broken political system that has centralized power at the expense of individual rights. There is a lot of work ahead, but we can’t move forward until we first understand how we got here. Starting with the American Revolution, Glenn takes readers on an express train through 234 years of history, culminating with the Great Recession and the bipartisan recklessness of Presidents Bush and Obama. It’s the history lesson we all wished we’d had in school. (Did you know, for example, that FDR once made a key New Deal policy decision based on his lucky number?) Along the way, you’ll see how everything you thought you knew about the political parties is a lie, how Democrats and Republicans alike used to fight for minimum government and maximum freedom, and how both parties have been taken over by a cancer called “progressivism.” By the end, you’ll

understand why no president, no congress and no court can fix this problem alone. Looking toward them for answers is like looking toward the ocean for drinking water— it looks promising, but the end result is catastrophic. After revealing the trail of lies that brought us here, Broke exposes the truth about what we're really facing. Most people have seen pieces of the puzzle, but very few have ever seen the whole picture—and for very good reason: Our leaders have done everything in their power to hide it. If Americans understood how dire things really are, they would be demanding radical reform right now. Despite the rhetoric, that's not the kind of change our politicians really believe in. Finally, Broke provides the hope that comes with knowing the truth. Once you see what we're really up against, it's much easier to develop a realistic plan. To fix ourselves financially, Glenn argues, we have to fix ourselves first. That means some serious introspection and, ultimately, a series of actions that will unite all Americans around the concept of shared sacrifice. After all, this generation may not be asked to storm beaches, but we are being asked to do something just as critical to preserving freedom. Packed with great stories from history, chalkboard-style teachable moments, custom illustrations, and Glenn Beck's trademark combination of entertainment and enlightenment, Broke makes the case that when you're traveling in the wrong direction, slight course corrections won't cut it—you need to take drastic action. Through a return to individual rights, an uncompromising adherence to the Constitution, and a complete rethinking about the role of government in a free society, Glenn exposes the idea of "transformation" for the progressive

smokescreen that it is, and instead builds a compelling case that restoration is the only way forward.

### **Rachel's Tears**

Glenn Beck revisited Thomas Paine's famous pre-Revolutionary War call to action in his #1 New York Times bestseller Glenn Beck's Common Sense. Now he brings his historical acumen and political savvy to this fresh, new interpretation of The Federalist Papers, the 18th-century collection of political essays that defined and shaped our Constitution and laid bare the "original argument" between states' rights and big federal government—a debate as relevant and urgent today as it was at the birth of our nation. Adapting a selection of these essential essays—pseudonymously authored by the now well-documented triumvirate of Alexander Hamilton, James Madison, and John Jay—for a contemporary audience, Glenn Beck has had them reworked into "modern" English so as to be thoroughly accessible to anyone seeking a better understanding of the Founding Fathers' intent and meaning when laying the groundwork of our government. Beck provides his own illuminating commentary and annotations and, for a number of the essays, has brought together the viewpoints of both liberal and conservative historians and scholars, making this a fair and insightful perspective on the historical works that remain the primary source for interpreting Constitutional law and the rights of American citizens.

## **Broke**

"I am not going to apologize for speaking the Name of Jesus, I am not going to justify my faith to them, and I am not going to hide the light that God has put into me. If I have to sacrifice everything I will." "This will be my last year Lord. I have gotten what I can. Thank you." Excerpts From Rachel's Journals Rachel Scott was a typical teenage girl who was incredibly dedicated to following and serving Christ. Though she was mocked for her beliefs, at times doubted her faith, and constantly struggled with personal issues every teenager faces, she remained faithful to God. Then on April 20, 1999, at Columbine High School, she was killed for that faith. Rachel's Tears is a moving meditation on the life, death, and faith of Rachel as seen through the eyes of her parents and through writings and drawings from her journals. Her parents also offer a spiritual perspective on the Columbine tragedy and provide a vision of hope for preventing youth violence across the nation.

## **The Overton Window**

Political Consultants and Campaigns: One Day to Sell examines the differences between how political science theory suggests campaigns should be run and how political consultants actually run campaigns. In the wake of consultants who effortlessly move from campaigners to policymakers, the dearth of knowledge about the attitudes, beliefs, and strategies of the consultants themselves is still a glaring absence in the analysis of American politics. How can

we purport to know what is happening in American political campaigns if we don't know what is on the minds of the men and women who run them? This book provides a clearer understanding of modern-day political campaigns by revealing what is on the minds of the people who run them. With original data from consultants, campaign managers, and professional campaign schools, author Jason Johnson examines consultant behavior on message formation, policy positioning, candidate recruitment, Internet strategy, and negative advertising and compares these practices to existing political science theory. This groundbreaking research makes *Political Consultants and Campaigns: One Day to Sell* a must-have resource for all students of American politics, campaign managers, or anyone interested in how political campaigns in America are run.

### **Dancing on Broken Glass**

Documenting Danny Marianino's days as a metalhead from childhood into adulthood, *Don't Ever Punch a Rockstar* somehow rationalizes playing in a few hardcore/punk bands, touring, fighting, drinking, internet bullying, celebrity encounters, satanic curses, house fires, harassment and collecting an immeasurable amount of hate mail from some of the most illiterate human beings the world has to offer. Though Oprah will never add this into her book club, it's still a good lesson in accepting the negative with a laugh and gaining a new sense of temperance and humility. At the very least I will entertain you with a campy memoir and a detailed eye-opening account of

the chaos that followed the infamous event that VH1 called one of the Most Shocking Moments in Rock and Roll. This is by no means the same old autobiography that you have read before. Don't Ever Punch a Rockstar combine elements of Get in The Van, Emails from and Asshole and Shit My Dad Says all in one hot mess of a story. Praise for the book - "Danny Marianino's Never Punch A Rockstar is a sock in the jaw to punk/metal scene conformity, and it hurts so good! Final score: North Side Kings 2, Danzig, 0." - STEVEN BLUSH, author/filmmaker, American Hardcore "As trenchant, sometimes funny, insightful and shocking as a punch in the face. WHICH is incidentally what started this whole ball rolling. A pretty potent look into the power of image and the punching of the face of arguably a legend of, well, face punching, Glenn Danzig, and the ensuing firestorm that followed. I'd give it 5 black eyes." -- EUGENE S. ROBINSON, singer for Oxbow & author of FIGHT: Everything You Ever Wanted to Know About Ass Kicking But Were Afraid You'd Get Your Ass Kicked For Asking "With Don't Ever Punch a Rock Star author Danny Marianino has written an entertaining, humorous and humble autobiography. The often times laugh-out-loud recollections of Danny's life up to and following the infamous run-in with the drama-queen of dark metal is more than engaging and, with the inclusion of hate mail, zany rumors, message board threats and internet tough guys, you're sure to get a good giggle while learning what truly transpired that fateful night in Tuba City." - DUSTIN LAVALLEY, author of Spinner "As we have always said on the streets of NY - don't start none -there wont be none - and if you do, at least keep your hands up and guard

your grill. Way to K.O. rock star attitudes Danny Boy!"  
- John Joseph author of The Evolution of a Cro-Magnon  
and Meat is For Pussies

## The Jefferson Lies

It's Christmas 1877 and Anne Follyot— of little beauty and no fortune, but sturdy spirit and an excess of imagination— is invited to stay with her favorite aunt in Cornwall. She's all anticipation, waiting for the man chosen to escort her on this journey. According to her aunt, she met him before, many years ago, but Anne cannot remember him and she's positive that he must long-since have forgotten her. She's never been memorable. But J.P. Deverell, Esq. is now a grown man with a dangerous reputation, of which her aunt cannot possibly be aware. And Anne means to make the most of her aunt's mistake and this adventure. She considers herself a modern, independent woman, for whom a little scandal is well overdue. If she doesn't seize this chance now, she might never have another. As Charles Dickens wrote, "No space of regret can make amends for one life's opportunity misused." \* \* \* \* He's in no temper for eggnog and mistletoe; no mood to tolerate the painfully polite company of some plain spinster, in a carriage, for three days. It's probably a contrivance to get him home for Christmas. Remember Anne Follyot? He doesn't care to remember himself sixteen years ago, let alone recall the dull vicar's five year-old niece. He'd planned to spend his Yuletide working, alone and in peace. But a letter from his mother has guilted him into this act of begrudging chivalry, aided by the

whispers of his best friend's mischievous ghost. "Bah, Humbug!" As Charles Dickens also wrote. \* \* \* \* But this journey will not turn out quite the way either traveler expects, for when these two opposites collide, so do ghosts of the past, the present and the future. It will be a holiday season with all the usual fare—peril, pandemonium, family quarrels, mulled wine and bodily injury. Certainly a Christmas adventure never to be forgotten this time. At least, by one of them.

### **Hideaway**

From one of America's most beloved storytellers comes his most spiritual book since *The Christmas Box*. The New York Times bestselling author of *The Christmas Box* and *The Walk* series returns with a modern-day, Christmas-themed retelling of the story of the prodigal son. It has been said that sometimes the greatest hope in our lives is just a second chance to do what we should have done right in the first place. This is the story of my second chance. When Luke Crisp graduates from business school, his father, CEO and cofounder of Fortune 500 Crisp's Copy Centers, is ready to share some good news: he wants to turn the family business over to his son. But Luke has other plans. Taking control of his trust fund, Luke leaves home to pursue a life of reckless indulgence. But when his funds run out, so do his friends. Humbled, alone, and too ashamed to ask his father for help, Luke secretly takes a lowly job at one of his father's copy centers. There he falls in love with a struggling single mother and begins to understand

the greatest source of personal joy. Lost December is New York Times bestselling author Richard Paul Evans's modern-day holiday version of the biblical story of the prodigal son, a powerful tale of redemption, hope, and the true meaning of love.

## **The Christmas Sweater**

The first book in the inspiring New York Times bestselling series about an executive who loses everything he holds dear and embarks on a walk across America that changes his life forever. What would you do if you lost everything—your job, your home, and the love of your life—all at the same time? When it happens to Seattle ad executive Alan Christoffersen, he's tempted by his darkest thoughts. Instead, he decides to take a walk. But not any ordinary walk. Taking with him only the barest of essentials, Alan leaves behind all that he's known and heads for the farthest point on his map: Key West, Florida. The people he encounters along the way, and the lessons they share with him, will save his life—and inspire yours. A life-changing journey, both physical and spiritual, *The Walk* is the first of an unforgettable bestselling series of books about one man's search for hope.

## **Little Broken Things**

"Reading *Hideaway* is like a mini vacation, as Roberts transports you from the sun-drenched mountains of Big Sur to the rolling hills of Ireland to the bustling streets of New York City." - Associated Press A family

ranch in Big Sur country and a legacy of Hollywood royalty set the stage for Nora Roberts' emotional new suspense novel, *Hideaway*. Caitlyn Sullivan had come from a long line of Hollywood royalty, stretching back to her Irish immigrant great-grandfather. At nine, she was already a star—yet still an innocent child who loved to play hide and seek with her cousins at the family home in Big Sur. It was during one of those games that she disappeared. Some may have considered her a pampered princess, but Cate was in fact a smart, scrappy fighter, and she managed to escape her abductors. Dillon Cooper was shocked to find the bloodied, exhausted girl huddled in his house—but when the teenager and his family heard her story they provided refuge, reuniting her with her loved ones. Cate's ordeal, though, was far from over. First came the discovery of a shocking betrayal that would send someone she'd trusted to prison. Then there were years spent away in western Ireland, peaceful and protected but with restlessness growing in her soul. Finally, she would return to Los Angeles, gathering the courage to act again and get past the trauma that had derailed her life. What she didn't yet know was that two seeds had been planted that long-ago night—one of a great love, and one of a terrible vengeance

### **The Best of Me (Movie Tie-In Enhanced Ebook)**

A powerfully written novel offering an intimate look at a beautiful marriage and how bipolar disorder and cancer affect it, *Dancing on Broken Glass* by Ka

Hancock perfectly illustrates the enduring power of love. Lucy Houston and Mickey Chandler probably shouldn't have fallen in love, let alone gotten married. They're both plagued with faulty genes—he has bipolar disorder, and she has a ravaging family history of breast cancer. But when their paths cross on the night of Lucy's twenty-first birthday, sparks fly, and there's no denying their chemistry. Cautious every step of the way, they are determined to make their relationship work—and they put it all in writing. Mickey promises to take his medication. Lucy promises not to blame him for what is beyond his control. He promises honesty. She promises patience. Like any marriage, they have good days and bad days—and some very bad days. In dealing with their unique challenges, they make the heartbreaking decision not to have children. But when Lucy shows up for a routine physical just shy of their eleventh anniversary, she gets an impossible surprise that changes everything. Everything. Suddenly, all their rules are thrown out the window, and the two of them must redefine what love really is. An unvarnished portrait of a marriage that is both ordinary and extraordinary, *Dancing on Broken Glass* takes readers on an unforgettable journey of the heart.

### **The Walk**

Glenn Beck is not who he claims to be. Statistics show that most Republican leaders are in fact hypocritical sex deviants. But unlike his friends in congress, Glenn likes to get naked with young boys, ages 8 and under. Read this book, and the testimonies of dozens of

abused kids with swollen rectums, who all point to Glenn Beck as the culprit. Glenn Beck is part of a government conspiracy, and along with other sexual predators on Capitol Hill, they are obsessed with young boys' no-no parts. Bring these animals to justice, before YOUR kids find themselves alone with this monster!

### **Gil's All Fright Diner**

The day before Christmas Eve Frankie Stowell waits expectantly for his father to return with oranges for the holiday, but heavy snow might prevent Frankie's father from getting through.

### **Badlands**

“A blistering plot and crisp writing make *The Night Swim* an unputdownable read.” –Sarah Pekkanen, bestselling author of *The Wife Between Us* In *The Night Swim*, a new thriller from Megan Goldin, author of the “gripping and unforgettable” (Harlan Coben) *The Escape Room*, a true crime podcast host covering a controversial trial finds herself drawn deep into a small town’s dark past and a brutal crime that took place there years before. Ever since her true-crime podcast became an overnight sensation and set an innocent man free, Rachel Krall has become a household name—and the last hope for people seeking justice. But she’s used to being recognized for her voice, not her face. Which makes it all the more unsettling when she finds a note on her car windshield, addressed to her, begging for help. The

new season of Rachel's podcast has brought her to a small town being torn apart by a devastating rape trial. A local golden boy, a swimmer destined for Olympic greatness, has been accused of raping the beloved granddaughter of the police chief. Under pressure to make Season 3 a success, Rachel throws herself into her investigation—but the mysterious letters keep coming. Someone is following her, and she won't stop until Rachel finds out what happened to her sister twenty-five years ago. Officially, Jenny Stills tragically drowned, but the letters insist she was murdered—and when Rachel starts asking questions, nobody in town wants to answer. The past and present start to collide as Rachel uncovers startling connections between the two cases—and a revelation that will change the course of the trial and the lives of everyone involved. Electrifying and propulsive, *The Night Swim* asks: What is the price of a reputation? Can a small town ever right the wrongs of its past? And what really happened to Jenny?

### **Hitchin' Post**

Glenn Beck's heart-pounding sequel to his #1 bestselling novel *The Overton Window* The last battle for freedom is under way. An unlikely band of ordinary Americans is ready to make its last stand in defense of self-rule, freedom, and liberty. Among them is Molly Ross, a young rebel who exposed a shadow war for the nation's fate that is waged by aging trillionaire Aaron Doyle and an elite cabal of self-styled tyrants. Marked as traitors and hunted down, Ross and her allies are cornered and standing alone. But the fight is

far from over. As Doyle prepares to fulfill his dark global vision for humanity's future, Molly and her small but devoted team bravely infiltrate one of the most secure locations on Earth—a place holding longstanding secrets that, if revealed, will forever change the way Americans view their extraordinary place in history. Glenn Beck takes the sizzling suspense and roller-coaster twists of *The Overton Window* to new heights in this electrifying thriller.

### **Fablehaven**

When the American Ambassador to Iraq announces her true identity and sparks the Arab Revolution and Reformation of Islam on a global scale, the world is turned upside down. "Safina" is the first book in a trilogy that spans three generations of thrilling intrigue and battles, and tells her story of courageous commitment to the struggle for freedom around the globe. From Safina's cruel beginning as an abused eleven year old child bride in the deserts of Iraq, to the highest society of European aristocracy and power, she joins forces with Lieutenant Colonel, Brecken Petersen, a United States Marine Special Forces combat-hardened veteran, and takes her position as the most powerful leader on the planet. She fights every inch of her way from Basra to Amsterdam, and to Paris, on to Washington DC and finally to Egypt. She establishes the UFAS, (United Federation of Arab States), and recruits member states around the world to join the UFN (United Free Nations). Safina and her fellow revolutionaries fight to liberate Islam from 1400 years of barbaric

enslavement of half its population - women. The United States Government is in flux, on the verge of civil war. Europe is wounded, and pockets of serious counter insurgencies continue to be a source of concern. Safina recruits Claude Molyneau, a world banker and financier who attempts to restore the financial foundations of Europe, and the monetary solvency of the United States. Readers who relish intrigue and espionage will like this novel. Those who appreciate a sophisticated love story will be engaged with all of their emotional and erotic senses. Individuals who thrill to the perfectly choreographed hand-to-hand combat and the expert use of martial arts and sophisticated weaponry will be in their element. Science geeks will recognize state-of-the-art new technologies that will be deployed in the near future. Political junkies will revel in the behind-the-scenes machinations that propel the world to the brink of ruination. They will glimpse what is likely to occur when Iran achieves nuclear weapons and an effective delivery system to attack Israel. Safina survives multiple attempts on her life until the last page of this book when it seems that all may be lost except.
